**A Philosophy of Solitude** -  
John Cowper Powys 1974

**Djinn - Volume 11 - An  
Eternal Youth** - Jean Dufaux  
2016-07-06T00:00:00+02:00  
Within the cool walls of the  
pavilion of pleasures, Jade  
instructs Tamila how to use her  
body to captivate a man. The  
man in question is the  
Maharajah and Tamila is the  
daughter of Raja Singh, a  
revolutionary who will stop at  
nothing to chase the English  
out of India. The more she  
becomes implicated in the  
politics of the country, the  
more dangerous Jade's games  
become... she finds herself  
having to watch her back...

French Style - Suzanne Slesin  
1994

Beginning with French Style,  
Suzanne Slesin and her  
coauthors created an  
acclaimed series of high-quality  
color books that focused on  
international areas of cultural  
and domestic interest. The  
Little Style Books revisit this  
classic material in a new and  
reinvigorated format. Snappy  
and appealing, The Little Style  
Books contain pictures and text  
from the original edition  
selected and reorganized to  
highlight what is quintessential  
about the style of the country.  
The chapter on Living, for  
example, is filled with ideas for  
arranging rooms, placing  
furniture, lighting corners: the  
Cooking chapter shows not  
only how other people live, but  
how our kitchens might be  
adapted. A treasure trove of

ideas, this is indeed the essence of style.

**The Mysterious Death of Miss Austen** - Lindsay Jayne Ashford 2011

When Jane Austen dies at the age of just 41, Anne, governess to her brother, Edward Austen, is devastated and begins to suspect that someone might have wanted her out of the way. Now, 20 years on, she hopes that medical science might have progressed sufficiently to assess the one piece of evidence she has - a tainted lock of Jane's hair. Natural causes or murder? Even 20 years down the line, Anne is determined to get to the bottom of the mysterious death of the acclaimed Miss Austen.

Jimmy and the Crawler - Raymond E. Feist 2013-02-28  
A fantastic new novella from the master of magic and adventure. Best selling author Raymond E. Feist returns to the city of Krondor and one of his most loved characters, Jimmy the Hand.

*Infernum In Terra* - Xavier Dorison 2017-05-09

The unleashing of an ancient evil and the anti-hero prophesized to stop it.

**Tarkovsky's Horses and Other Poems** - Pia Tafdrup 2010

Pia Tafdrup is one of Denmark's leading poets, the winner of the Nordic Prize - Scandinavia's most prestigious literary award - for her collection Queen's Gate, published in English by Bloodaxe in 2001. This new translation of her work combines two more recent collections, The Whales in Paris and Tarkovsky's Horses, which comprise the first and second parts of a quartet written over ten years: the third and fourth parts are The Migrant Bird's Compass and Salamander Sun (published in English by Bloodaxe in 2015 as Salamander Sun and other poems). The poems of The Whales in Paris span the moment of conception to eternity. Life is seen as a confrontation with what is bigger than oneself: love, desire and death, primordial forces that are present even in

our very modern civilisation. Those great forces of existence form the territory of The Whales in Paris: above all, desire and death, illuminated with motifs from childhood, the relation to parents, family, mythical figures from the Bible. Time, dreams and meditation also play their part. Pia Tafdrup writes: 'Tarkovsky's Horses is about loss in a double sense. The themes of the poems are my father's increasing forgetfulness, his loss of his faculties and then my loss of a father. The book is a poetic portrayal of the course of an illness for which science has few words - my father begins to suffer from dementia, and then he has to go into a nursing home, where he dies. Disintegration of identity and its inexorable progress are followed through every phase, in a concrete and naked form that makes use of the myth of Orpheus and Eurydice. The poems about a father who forgets more and more are set in a border landscape which is also not without its comical aspects. The poems narrate the

drama of what it is to be a human being.'

India Dreams 1. Misty Trails - Maryse Charles 2012  
London, December 1944. Emy hates India. 16 years ago, she had lost her parents there. And all of a sudden, the past beckons. Rather accidentally, Emy chances upon the personal diary of her mother Amélia, a resigned young woman, straight out of rigid Victorian England, confronted, through a strange India, with her own sexuality. January 1928. Amélia sets sail with Emy on the first ship to Bombay, to reunite with her husband Thomas, captain in the army at Khalapur, in Rajasthan. But the reunion leaves much to be desired. Thomas seems to have changed unless it is Amélia who cannot handle the suffocating heat of the Thar desert. Fortunately, there is Kenneth Lowther, Thomas's friend, an atheist philosopher, who tries to explain to Amélia, the disconcerting India, its religion, costumes and the magnificence of its maharajas...

**Jean-Léon Gérôme** - Gerald M. Ackerman 1997

A complete overview of Gerome's life and long career.

**Dr. Freud, Fish Whisperer** - Marion Muller-Colard

2017-09-15

At its most basic, philosophy is about learning how to think about the world around us. It should come as no surprise, then, that children make excellent philosophers!

Naturally inquisitive, pint-size scholars need little prompting before being willing to consider life's big questions, however strange or impractical. Plato & Co. introduces children--and curious grown-ups--to the lives and work of famous philosophers, from Socrates to Descartes, Einstein, Marx, and Wittgenstein. Each book in the series features an engaging--and often funny--story that presents basic tenets of philosophical thought alongside vibrant color illustrations. Sprawled in his favorite armchair, Dr. Freud notices a peculiar phrase in

pages of his notebook:

"preaching to the fishes." What could he have meant by this? If there's one thing he has learned working as a psychoanalyst, it's that the best way to make sense of yourself is through your dreams--and so he settles down for a nice long nap. But no sooner does his head hit the pillow than he begins to hear voices! A frightened fish with a childhood memory lodged in its throat coaxes Dr. Freud into the cold water, where his ideas come to life through an unforgettable cast of characters, including a loquacious carp and three frogs--Id, Ego, and Superego--locked in fierce competition for a single waterlily.

Panthers in the Hole - Bruno Cénou 2016-06

From the Hardcover edition.

Paris. Still hoping to become a professional pilot, Josef chases his dream by hanging around the nearby airfield. **Hasty Death** - M.C. Beaton  
2010-08-26

The future's not so rosy for Lady Rose Summer . . . Longing for a life of emancipation, Lady Rose Summer has abandoned the comforts of her parent's house to become self supporting. But life as a working woman isn't quite as liberating as Rose has imagined - fortunately for her, though, her drudgery comes to an end when old acquaintance Freddy Pomfret is murdered and her help - and upper class connections - are required by amateur sleuth Captain Harry Cathcart. So as Rose and Harry

prepare to take on the usual Edwardian social rounds, little do they expect to uncover a devious blackmail plot and an unexpected killer.

**A Short History of Boston** -

Robert J. Allison 2004

"Until 2004 and the publication of ""A Short History of Boston,"" there was no good short history of the city of Boston, not in print anyway. With economy and style, Dr. Robert Allison brings Boston history alive, from the Puritan theocracy of the seventeenth century to the Big Dig of the twenty-first. His book includes a wealth of illustrations, a lengthy chronology of the key events in four centuries of Boston history, and twenty short profiles of exceptional Bostonians, from founder John Winthrop to heavyweight champion John L. Sullivan, from ""heretic"" Anne Hutchinson to Russian-American author Mary Antin. Says the Provincetown Arts, ""A first-rate short history of the city, lavishly illustrated, lovingly written, and instantly the best book of its kind."" "
