**Sourcebook of the Structures and Styles in John 1-10** - Sang-Hoon Kim 2014-07-03

No other book in the New Testament compares to John in its complexity of style and structure. So many factors confuse Johannine scholars, including the complexity of styles, repetition, duplication, and seemingly

distracted structures that are difficult to discern. Sourcebook of the Structures and Styles in John 1-10 is designed to scrutinize the structures and styles in John 1-10, reading John according to John's way, with the following integrated points of view: First, this reading is indebted to both diachronic and synchronic approaches. Second, macro structure and micro style are treated together and interactively. Third, specific and overall analyses are made together. Fourth, grammatical and relational considerations are brought together. Fifth, syntactic, semantic, and pragmatic relations are considered all together. Sixth, both parallelisms and chiasms (including their variations) are examined, whether in macro structure or in micro style, without excluding either. Seventh, all types of parallelisms and chiasms are examined, whether simple or complex. Eighth, ancient and modern ways in writing-reading processes complement each other. Ninth, Western and Eastern perspectives become complementary. Tenth, the Greek text and its English version (by the author) are used interactively. Eleventh, analysis and discussion are brought to complement one another.

*Playboy* - Katy Evans 2018-07-29

A brand new contemporary romance from New York Times, Wall Street Journal, and USA Today bestselling author Katy Evans. It started as a game. We flirted. We played. Most importantly—we won. Then I discovered who he was: Gambler. Famous playboy. Silver-eyed player who never plays to lose. ...And my best friend's soon-to-be brother in law, Cullen Carmichael. He needed a good luck charm, I needed a distraction. So we made a gamble and set off for Vegas—but pretty soon—I was in too deep. My heart, soul, and body weren't supposed to be part of the deal. But somewhere between big wins and long nights, my house of

cards started to tumble. What was this devil with those piercing eyes doing to me? I'd given up on love, but the wicked, all-in Cullen Carmichael was upping the ante and wouldn't stop until he'd won it all. \*Although this book is a complete standalone, characters from the Manwhore series appear.
