Rock Bottom - R K Lilley 2013-11-13

ROCK BOTTOM BOOK TWO: TRISTAN & DANIKA Their love had the power of a runaway freight train, and the potential to be just as destructive. The tempestuous sequel to Bad Things picks up where the first book left off. Reeling from a profound loss, Tristan and Danika struggle to pick up the pieces and build a life together, but the hard habits of a lifetime are not so easy to escape. Rock Bottom takes us on a dual point of view journey through addiction and desire, through love and agony, and answers the question we've been asking since these characters were introduced in Grounded: "What happened between Tristan and Danika?" DANIKA Even love couldn't cushion a fall like ours. My love for Tristan was so big that I felt consumed by it, and even so, it was not enough to overpower our combined demons. I struggled. I yelled and screamed. I scratched and kicked. I fought like hell, but even the most determined fighters have to stop before they break. No one could say I didn't fight for him. "I love you," I spoke softly into his ear. He gripped me harder. "I can't ever lose you, Danika. I'm not sure I'd survive it." "You've got me. And I'm not going anywhere. Not ever." I meant the words when I said them, but life had other plans for us. I'd have given my life for that fight. In fact, I very nearly did. TRISTAN She was the one. If I'd ever had a doubt, I didn't now. She was the one I'd be thinking about,

longing for, until I took my last breath. If I lost her tomorrow, I'd pine for her like a lovesick fool. This was the kind of love that only hit you once in your life.

Fire and Rain, Season 2, Episode 5 - R.K. Lilley 2017-01-10

Breaking Him - R.K. Lilley 2015-10-13

From internationally bestselling author R.K. Lilley comes a scorching new series with melt-the-pages tension and all-consuming angst. It's love, it's war and it's Scarlett and Dante's story. Scarlett It was the kind of relationship where I invested more than I had to spare. I gave it everything. And so when it failed, I lost myself. It changed me. He changed me. I went down with the ship. My soul, burnt embers in the aftermath. The fire of him ravaged it all. He burned me. Broke me. Scarlett had always dreamed big. She was headed straight for Hollywood. Destined for silver screen greatness. But in her wildest dreams she never imagined she'd be broke and single at twenty-eight, doling drinks at thirty-five thousand feet. She was a glorified waitress in the skies. It had been years since she'd seen him. But one day, there he sat, gazing intently at her, ready to set everything ablaze once more. Dante wanted her. Again. Sure, she'd play along...but this time, it was his turn. She was breaking him. After all, love is war. ----- Book one in the Love is War duet.

Mr. Beautiful - R.K. Lilley 2014-10-15

MR. BEAUTIFUL (UP IN THE AIR #4) JAMES She was my sin and my temple. I both worshipped and defiled there. Gloried and desecrated. Revered and debased. I've been remade four times in my life. It is a distinct feeling. Impossible to mistake. The very marked sensation of being unraveled and reknit into a new thing, a new person. It can be

good or bad, helpful or harmful, but above all, it is unstoppable. I was remade when my parents died, went from a happy childhood, into navigating a very dark world, with endless responsibilities, surrounded by enemies, and despairingly alone. It happened again at the hands of a cowardly predator. I'd become angrier with that one, more cynical, and it undoubtedly turned me into the kinky f**k I was today. The third happened swiftly. One day I looked up into a pair of pale blue eyes and saw the other half of my soul. Checkmate. I went from a completely controlled existence, a life where I made every decision with cold calculation, to a man overcome with feelings and emotions that were foreign but somehow wonderful. And all too soon after that cataclysmic change was this fourth one, this one where I begged a God I'd never entertained to spare the life of a woman that I could not live without. Mr. Beautiful is a continuation of the Up in the Air series, told from the male point of view, with POVs from James, Stephan, Tristan, Frankie, and Akira. This book is intended for readers 18 and up.

Loving Ways - Maurice Gee 2004-02-01

May, David and Alan Macpherson have the same father but different mothers, and their paths in life have been enormously different. The three have come together after thirty-five years at the Nelson orchard of their dying father, Robert Macpherson. The old tugmaster, domineering and earthy still, is being nursed by May's daughter, Heather, who also runs the orchard. A strange love exists between her and the old man. As summer runs into autumn and the apples are harvested, the desires and beliefs of the ill-matched siblings - each, in some way, loving or loved - are frustrated, satisfied, put to the test until, at last, a shocking act of violence brings their unlikely reunion to an end. In *Loving Ways* the award-winning Maurice Gee returns to the familiar territory of Nelson. Not even the main characters themselves are fully aware of the strange undercurrents which stir this superb contemporary novel. This is Gee at his finest. Also available as an eBook

Bad Things - R. K. Lilley 2013-06-10

Danika hasn't had an easy life. Being insanely attracted to bad boys has never helped make it easier. One look at Tristan, and every brain cell she possessed went up in smoke. This man was trouble with a capital T. It was a given. She knew better. Bad boys were bad. Especially for her. Considering her history, it was crazy to think otherwise. So why did crazy have to feel so damn fine? For as long as she could remember, Danika had been focused on the future with single-minded purpose.

Tristan came along and taught her everything there was to know about letting go, and living in the present. She fell, hard, and deep. Of course, that only made her impact with the ground that much more devastating. Bad Things is about Tristan and Danika, and their train wreck of a love story. This series can be read as a standalone, or with the Up in the Air trilogy. This book is intended for ages 18 and up.

The Wild Side Trilogy - R.K. Lilley 2015-04-21

This boxed set contains the complete Wild Side trilogy. THE WILD SIDE ARE YOU READY TO TAKE A WALK? Alasdair Masters is in a rut. He just hit forty, has been nearly celibate for the past year, and his life has turned into a daily sequence of lonely patterns that revolve around

avoiding human contact. His tidy life is turned on its head when a hot young blonde at the gym that's been pseudo-stalking him decides to rock his world. A very young blonde. Way, way too young for him. The problem is, he can't seem to tell her no, and she just keeps coming back for more. It doesn't help that he's ninety percent sure she's a criminal, and still, he can't seem to turn her down. What is a dull introvert to do when a chaotic cyclone that oozes sexuality comes twisting into his life? At first, he thinks she'll give him a heart attack, but after his twenty-year marriage ended a year ago, he's been a little lost, and when she comes crashing into his life, he realizes that he's never felt more alive. Is a walk on the wild side just what he needs to get his life on track or a disaster in the making? Is it possible for someone that much younger to be just what he needs, or is she a fortune hunter, as everyone keeps telling him? Is it his hormones telling him that the mysterious younger woman is the one, or could it be more? IRIS (THE WILD SIDE #2) ARE YOU READY FOR A TWIST? Who is Iris? Where did she come from? Where has she gone? Alasdair Masters has more questions than answers about his new, too young obsession, and when he finds out she's been lying to him, from their first meeting to their last one, he's more confused than ever about her feelings, her intentions. And what's just as confusing are his own feelings. Has he turned something purely physical into something emotional in his own head? Is any of it mutual? The only thing he doesn't question is whether he'll keep going back for more. DAIR Me, I was simple. I was order. A very neat, efficient machine that ran on nothing but air. Me plus anyone else, well, that was another matter. And me plus Iris, that was a monster of a machine, with all gears going at different speeds, some spinning off their hinges, just going mad, but it was a wonderful madness, at full throttle, misfiring in all directions. It felt wonderful and dreadful. I was breaking down, and it felt amazing. And terrifying. DAIR (THE WILD SIDE #3) ARE YOU READY FOR THE TRUTH? I'd started writing everything about her down. I didn't want to forget. The color of her hair. The depth of her eyes. The stubborn shape of her jaw. The way her lips shaped words with such expression. The way her voice made my chest ache. The way she gave advice beyond her

years. The way she listened like she cared about every word. The way she made me feel—Alive. Every curve and hollow of her body was recorded, in my mind, and now my hard drive. There was a bit of truth in every lie, and even if it had only been fed to me in the smallest increments, I wanted, needed to remember the real Iris. Because in the end, there was one irrefutable thing that I couldn't deny. Hostage or hustler, sinner or saint, whatever she was or wasn't, whether she lied to my face or taunted me with hints of the truth, all of this seemed always to defer to the more pertinent fact at hand. She was mine. Inconceivably. Undeniably. Mine. After yet another shocking discovery, followed by a disturbing letter, Dair is almost certain Iris has left his life for good. He tries his best to move on. Easier said than done, and when an unexpected and dangerous opportunity arises for him to find out what happened to her, he doesn't hesitate to take it. As usual, with Iris, the answer leaves him more lost than the question. Every revelation is shrouded in mystery, and every disclosure leaves Dair more in the dark than ever. And when finally, the messy truth is revealed in its entirety, will he be ready for it?

Lovely Trigger - R.K. Lilley 2014-03-12

BOOK THREE: TRISTAN & DANIKA THE IMPACT Tristan hit rock bottom, and no one felt the impact harder than Danika. She was forced to see, in the most brutal of ways, that love does not conquer all. Bruised, bloody, and broken she had to walk away. THE AFTERMATH Picking up the pieces of your life after a tragedy is a daunting prospect, and that's considering you still own all of the pieces. But what if you don't? What if someone else owns those pieces, and those pieces are a part of your soul? You dig deep and work with what you've got. That's what Danika told herself and believed, every single day, for years. Tristan and Danika's love had failed every test that life had thrown at them. She couldn't forget that, not for one second. And if those tests had been overly harsh, well, she wasn't one to wallow in self-pity. The failure was the thing she had to focus on. The failure was the lesson. She had no intention of working so hard to make it out of hell without learning that lesson well. THE REUNION Over six years after the night that changed everything, Danika finds herself forced to spend the weekend constantly in Tristan's company, as they attend the wedding of two of their dearest friends. It's been long enough that she feels they can be friendly again without it destroying her peace of mind, but just a small amount of time in his presence has her remembering something she had forced herself to forget: There'd been a reason she'd gone through hell with this man, for this man, some true good to precede the bad. She shocks herself by quickly giving in to a hunger that she never imagined could still consume her. Even the best intentioned denial has a breaking point. THE HARSH REALITY After everything that's happened, the rise and the fall, the pain and the aftermath, can these two navigate the waters of acute regret, survive the trials of coming face to face with all that they have lost, and find the strength to try again? This book is intended for readers 18 and up.

The Other Man - R.K. Lilley 2015-05-25

Lourdes He was brazen as hell from the moment I laid eyes on him. He was aggressive, and dominant, with mac truck arms, and a bar brawler voice. He was too good looking for his own good, with a hard jaw, and harder eyes. I'd always led a fairly peaceful life, but even I could tell at a glance that this man was dangerous. For so many reasons. Not the least of which being that rough, dirty, sheet-clawing sex fairly radiated off him. I'd thought I'd known how to handle every kind of man, but this one left me baffled. To say he wasn't my type was putting it lightly. But you couldn't tell that to my libido. Not even when I found out the truth. My lover had lied to me from the very start. Nothing about our meeting was a coincidence.

Arranged - R.K. Lilley 2019-04-23

"I didn't read this book, I devoured it. Arranged marriage is one of my favorite tropes and RK Lilley completely blew it out of the water. Arranged is angsty, sexy, and heartbreaking. Immediately adding it to my future re-read list. Banks is my new favorite alpha bully." Claire Contreras, New York Times Bestselling Author "Fatally beautiful. Gut-tightening intensity. Off the charts sexual chemistry and a love story unlike any other. You will devour this tale by RK Lilley and only want more." Audrey Carlan, #1 NYT Bestselling Author "Classic RK Lilley with all the angst, steam, and edginess she does so damn well. I loved it!" Kylie Scott, NYT & USA Today Bestselling Author "Some books are

simply better than others. This is one of those books. Calder Banks Castelo is a jerk of epic proportions. Jerk-a-licious perfection. Banks and Noura together light the pages on fire. Sensual, angsty, exquisite. Don't miss it." Jana Aston, New York Times Bestselling Author There were rules in the cash-for-beauty game. The money held the power. The beauty followed the rules and jumped through the hoops. THE BRIDE I knew what everyone would think if they knew the truth about my marriage. They'd be shocked and appalled. And rightly so. I was a young, modern, independent woman, and I'd done the unthinkable. I'd sold my virginity to a spoiled, rich boy. To a stranger who didn't love me. And yes, I'd done it all for money. THE GROOM My bride was as gorgeous as she was unwelcome. As desirable as she was unwanted. I wanted nothing to do with her, but that didn't seem to matter exactly the second she got close enough to touch. I wanted her to hate me more than she loved the millions she'd sold herself for. I wanted to spurn her, but unfortunately, I wanted to f*ck her more. ARRANGED is a standalone erotic romance.
