*The Purest Love for the Coldest Thug* - Miss Jenesequa 2018-06-04

Who knew someone so dangerous could be so damn irresistible? The middle child of three girls, Solána Winters, was always one to oppose her mother's wishes for her to be the typical good girl. However, deep down Solána knew her stubbornness had sent her mother to an early grave. After tragedy strikes, she gets back on the right path and focuses solely on herself... until she stumbles upon a bewitching addiction like no other, with not a single cure in sight. Kisan, known to many as Mace, on the surface appears to be a collected, handsome, and prestigious young man. And he is... among many other things. Those that know more, know him to be bold, calculated, and extremely cold-hearted. They know how crazy he truly is; how he can lay one finger on a trigger and aim perfectly without fail; a gentle giant to not one single soul but the only woman who has his heart—his three-year-old. Kisan and Solána are immediately drawn to each other, sparking an uncontrollable fire between them that neither party are able to put out. However, when the attractive heavy hitter and stubborn beauty's worlds collide, it sets off a cascade of life-changing events. Events that not only change their lives but the lives of everyone around them. Loving a man like Kisan could potentially be the most intense and intimidating thing of Solána's life, but is she willing to risk it all for a man she should be running far away from? And is Kisan willing to let a woman access the deepest, darkest parts of him? They say the purest love is hard to find... but now that Kisan has found it, can he make it last? Or will his inner demons get the best of him?

**Solitaire, Sin, and Desire** - Claire Miles 2013-11-29

When your childhood is stolen from you, what hope is there for your future? For three young women, life is unimaginably horrible. Two were taken from their families as children, and the third is held in virtual slavery in plain sight. But it is not only their freedom that has been stolen—their hope for a future has also been crushed. Through a strange series of coincidences, the women are reunited in their hometown. They must overcome their many wounds, both physical and emotional, to survive. The physical wounds are easy enough to conceal. The psychological ones run deep and fester in the shadows of shame and hopelessness. As a survival tactic, they've buried the painful memories of their childhoods. From time to time, though, fleeting images of who they once were slip through the façade. Now they must find a way to do the impossible, the unthinkable: escape. But hidden beneath their desperation for a life free of their captors is another demon. They must pretend to be normal so they can live in everyday society. But first, they must find a way to escape. If they are to survive, they must depend on the strength of new people who have entered their lives. Can the women ever trust again? And how much are they willing to risk in order to leave the nightmare behind? Are they in danger of exchanging one life of horror for another?

**Lies, Lust, and Silence** - Claire Miles 2013-08-23

The disappearance of a child is a nightmare scenario. For the Farraday family, it is only a start of the true nightmare to come. When their little girl vanishes, they struggle to cope. When unexplained deaths begin to plague the family, questions begin to arise in their community. What might cause so much tragedy in one family? Is it perverse coincidence—or something far more sinister at work? When another little girl disappears and her mother is murdered, it becomes clear that these are not random events. Are these deaths somehow connected to a tragedy that occurred a decade earlier, or is another force at play that is intent on destroying the Farraday family? Left behind in their grief and now fear are five brothers and one sister. Their families are also pulled into the mystery, worried that they might also be at risk of destruction from an unknown killer. Is the patriarch of the family, Alan Farraday, somehow at the root of his family's despair? He had secrets that may have come home to roost and a dark past of lies and sexual scandal that may return to haunt his family again. The Farradays wait in fear for the next tragedy, and only time will tell whether they will find the courage to take a stand against an unknown foe, or succumb to a family curse too powerful to avoid.

[Never Living A Lie Again](#) - Robin Prijs 2019-08-04

This is a true story like you probably haven't heard before. Born and raised in a Christian family, Robin grew up in Church and heard all about the gospel. Yet in his teenage years he decided to start a search into the occult, which eventually would cause him to surrender his life to satan. Caught in a life of lies, destruction and sin, it drove him to the point where he wanted to commit suicide. Until he met Jesus. He decided to turn his life around and started to follow Jesus, but from there the battle was far from over. In this book Robin takes you on a journey through his life, through the good and the bad, while revealing his mistakes and failures, in a way like you seldom see these days. No political correctness, no keeping up appearances, but a real and vulnerable man, facing real battles. From being bullied most of his childhood, to a life of hate and plotting revenge, to following Jesus. From following Jesus to falling back into sins, to getting back up again, to falling back, to getting back up. The battle was enormous and the struggle was immense. While sharing his failures, he also shares about the lessons he has learned from it, which gives you insight in the way the enemy tries to ensnare you and how you can arm yourself against it. Even though he came from a life of being humiliated, being beaten, being spit at, being scammed and being rejected, he choose to live a life of forgiveness and love. As you're about to see, that didn't come easy. In fact, it had nothing to do with the way he felt. There's still a God Who saves, heals, delivers and restores. The Blood of Jesus hasn't lost its power. Freedom is within reach.

[Making Love Just](#) - Marvin M. Ellison 2012

"These days sexual sin is far less about sex and far more about the misuse of power and exploitation of vulnerability. It's time to redraw the ethical map. But how should a contemporary Christian ethic of sexuality be formulated? Marvin Ellison, a pioneer in contemporary Christian rethinking of sexuality and sexual ethics, uses a series of provocative questions to increase readers' skills and confidence for engaging in ethical deliberation about sexuality. Students and all adults will welcome this book for enabling their personal clarity, approach to relationships, and mindful participation in respectful moral debate." -- Publisher description.

**Daughter of Abraham** - KD McMahon 2002-09-09

And the Lord God made for Adam and for his wife garments of skins, and clothed them. Then the Lord God said, Behold, the man has become like one of us, knowing good and evil; and now, lest he put forth his hand and take also of the tree of life, and eat, and live for ever therefore the Lord God sent him forth from the garden of Eden,... he placed a flaming sword which turned every way, to guard the way to the tree of life. ~ Genesis 3:21-24 In Book I, Garments of Skin, biotechnology had enabled man to slip past the flaming sword. He has broken through to the Tree of Life and eaten of its fruit. But now the soul is trapped in the garment of skin, and this curse brought about by the hubris of science is poised to spread like a plague throughout all humanity. Now in Book II of the Genomic Apocalypse, former adversaries have united to defeat this onslaught of Satan. But, before they can confront humanity's vilest nemesis, they must be joined by their sister the Daughter of Abraham.

**Sex, Secrets, and Lies** - Marie Miranti Burnett PH D 2005-02-07

In "Sex, Secrets, and Lies," author Marie Miranti Burnett, PhD, encourages husbands and wives to rethink their vows and consider whether sexual exclusivity should remain the rigid foundation of a good marriage, an ideal that too often leads to secrets and lies and the dissolution of relationships meant to last a lifetime. To strengthen the vow "until death do us part" it may be necessary to place less importance on the vow "to forsake all others." Honest conversations about our sexual needs could lead to real changes in the institution of marriage for the twenty-first century. To guide the conversation, Dr. Burnett draws on her thirty years of clinical experience, listening to the secrets of men and women grappling with their warring needs for freedom and commitment. She shares the stories told to her by urban, educated, thirty-something clients whose values and struggles reflect the significant changes in our sex lives over the past half-century. In "Sex, Secrets, and Lies," Dr. Burnett informs couples that a solid marriage consists of an honest, ongoing conversation requiring courageous disclosure and respectful listening that promotes understanding and forgiveness--and that having someone to count on for a lifetime may be the true meaning of monogamy.
