The Early Adventures of Scarlet Pimpernel - 4 Books in One Edition - Baroness Orczy, Emmuska 2017-12-06
The Scarlet Pimpernel is a play and adventure novel by Baroness Orczy set during the Reign of Terror following the start of the French Revolution. The title character, Sir Percy Blakeney, represents the original "hero with a secret identity" that inspired subsequent literary creations such as Don Diego de la Vega (El Zorro) and Bruce Wayne (Batman). The League of the Scarlet Pimpernel is a sequel book to the classic adventure tale, The Scarlet Pimpernel. First published in 1919, the book consists of short stories about Sir Percy Blakeney's exploits in rescuing various aristos and French citizens from the clutches of the guillotine. First published in 1908, The Elusive Pimpernel is the 4th book in the classic adventure series about the Scarlet Pimpernel. The Triumph of the Scarlet Pimpernel, first published in 1922, is the last book in the series about the Scarlet Pimpernel's adventures. Again Orczy interweaves historic fact with fiction, this time through the real life figures of Thérésa Cabarrus, and Jean-Lambert Tallien. Baroness "Emmuska" Orczy (1865 - 1947) was a Hungarian-born British novelist, playwright and artist of noble origin. She is most known for her series of novels featuring the Scarlet Pimpernel. Some of her paintings were exhibited at the Royal Academy in London.

The Missing Marquess of Althorn - Chasity Bowlin 2018-04-06

Betrothed to Marcus Balfour, Marquess Althorn since infancy, the entirety of Miss Jane Barrett's life has been planned for her by others. Through an overheard argument, Jane discovers at a tender age that her betrothed is opposed to the match. The knowledge wounds her deeply and sows the first seeds of rebellion in her. Rather than marry her, the Marquess joins the army but disappears in one of the war's bloodiest battles. Jane is left in a state of limbo-betrothed to a man who never wanted her and who is most likely dead, but still not free to pursue love elsewhere. Marcus' objections to the marriage were less about the bride than the immorally young age of the bride at which their greedy and meddling fathers wished to force the match. While fighting for king and country, Marcus is confronted with the knowledge that there is a traitor in their midst, a man far closer to him than he might wish to admit. But he is captured, imprisoned, tortured, and left to rot for years until he can make his way back home to take up his rightful place as the Elsingham heir... and as a husband to Jane Barrett. The years that have passed have eradicated any reservations about marriage to his betrothed, at least on his part. No man looking at her would ever mistake her for a child. More surprising is the attraction that he feels for her instantaneously and his determination to make her his, whatever the cost. It appears however, that his bride to be, will require some convincing. As Marcus sets out to woo her, to prove that there is the possibility for something far more than a simple contract between them, danger lurks at every turn. The enemy, who robbed him of years of his life by handing him over to the French, is close at hand... and has their eye on Jane and her fortune, as well.

The Prince Who Captured Me - Joanne Wadsworth 2019-03-22

The Prince Who Captured Me is the sweet/tame version of The Prince's Bride. My dearest Anteros, I'll never forget the elaborate masked ball I attended a year and a half ago when I first met you. You arrived attired head to toe in black with no other adornment save for a large diamond which twinkled from your right ear. Your black satin mask concealed your expression, making you ooze mystery with your hair slicked back and your blue eyes shining as deep and as bottomless as rich sapphires. Dark and dangerous you appeared behind your mask, the type of man one didn't trifle with, not unless they enjoyed said danger. A few short days past, you came to me with a request I couldn't turn down, not when my family owes you a great debt which I wish to repay. I understand your father is demanding you wed, something you've no intention of doing and I've agreed to your ruse, will gladly speak false marriage vows with you so you can be rid of the spy your father has tailing you. Unfortunately, I never expected to be kidnapped by that spy and tossed on a ship bound for the Mediterranean, or to learn from my captor that you're in fact a lost Prince of Naples and Sicily. Why couldn't you have shared the truth with me from the beginning? Please, take all care. I know you'll be captaining your ship in hard pursuit. Don't take any unnecessary risks. I have no intention of becoming your downfall. Your devoted friend, Olivia. Each book in this series is standalone, and can be enjoyed out of sequence. To Love and to Loathe - Martha Waters 2021-04-06

Named a best romance of the year by Entertainment Weekly Named a most anticipated romance by Oprah Daily, Marie Claire, BuzzFeed, PopSugar, and more! "There was no romance novel more fun this year than this extremely witty enemies-with-benefits confection." —Entertainment Weekly The author of the "hilarious...joyful, elegant" (Publishers Weekly, starred review) To Have and to Hoax returns with an effervescent, charming, and swoon-worthy novel about a man and woman who never agree on anything—until they agree to a no-strings-attached affair in this Regency-era romp. The widowed Diana, Lady Templeton and Jeremy, Marquess of Willingham are infamous among English high society as much for their sharp-tongued bickering as their flirtation. One evening, an argument at a ball turns into a serious wager: Jeremy will marry within the year or Diana will forfeit one hundred pounds. So shortly after, just before a fortnight-long house party at Elderwild, Jeremy's country estate, Diana is shocked when Jeremy appears at her home with a very different kind of proposition. After his latest mistress unfavorably criticized his skills in the bedroom, Jeremy is looking for reassurance, so he has gone to the only woman he trusts to be totally truthful. He suggests that they embark on a brief affair while at the house party—Jeremy can receive an honest critique of his bedroom skills and widowed Diana can use the gossip to signal to other gentlemen that she is interested in taking a lover. Diana thinks taking him up on his counter-proposal can only help her win her wager. With her in the bedroom and Jeremy's marriage-minded grandmother, the formidable Dowager Marchioness of Willingham, helping to find suitable matches among the eligible ladies at Elderwild, Diana is confident her victory is assured. But while they're focused on winning wagers, they stand to lose their own hearts. With Martha Waters's signature "cheeky charm and wonderfully wry wit" (Booklist, starred review), To Love and to Loathe is another clever and delightful historical rom-com that is perfect for fans of Christina Lauren and Evie Dunmore.

The Mysteries of London (Vol. 1-4) - George W. M. Reynolds 2023-12-13

The Mysteries of London in 4 volumes is a "penny blood" classic. There are many plots in the story, but the overarching purpose is to reveal different facets of life in London, from its seedy underbelly to its over-indulgent and corrupt aristocrats. The Mysteries of London are considered to be among the seminal works of the Victorian "urban mysteries" genre, a style of sensational fiction which adapted elements of Gothic novels - with their haunted castles, innocent noble damsels in distress and nefarious villains - to produce stories which instead emphasized the poverty, crime, and violence of a great metropolis, complete with detailed and often sympathetic descriptions of the lives of lower-class lawbreakers and extensive glossaries of thieves' cant, all interwoven with a frank sexuality not usually found in popular fiction of the time.

Unmasking the Marquess - K.J. Jackson 2015-05-25

Note: The Hold Your Breath books are each stand-alone stories, and can be read individually in any order.

London, 1820 Some people are born with backbone. Others have to fight for it. List in-hand of suitable bachelors, Lady Reanna Halstead, the epitome of naivety, is thrust into London society with demands to gain a husband. To her utter amazement, she manages to capture the attentions of the Marquess of Southfork. Her love, dreams, and future are soon pinned on her marriage to this one man. One handsome, kind, fantastic man. One man, who has a very different idea of what this marriage will be... He will be hated, before he is loved. Killian Hayward, Marquess of Southfork, is only one step away from completing the revenge he has fought his entire life for. All he has to do is marry Lady Halstead. The one woman that is the key to his revenge. To his peace. The one woman that will threaten the very foundation of his entire existence. The Hold Your Breath series continues. A thousand reasons to hold your breath, and one to let it go. Historical romance with strong women, undeniable men, and hold your breath adventure.

Loving the Marquess (Historical Romance) - Suzanna Medeiros 2013-01-15

He wasn't supposed to fall in love with her... The Marquess of Overlea's plan was perfect. Marry the desperate Louisa Evans, saving her and her siblings from ruin, and produce an heir. But when he proposes, Nicholas doesn't tell her the real reason they must wed so quickly. They are married when Louisa learns the Marquess doesn't intend to father his future heir himself. Drawn to her new husband in a way she never expected, Louisa has no intention of agreeing to his scandalous proposition. Instead, she shows him that what is developing between them goes far beyond a typical marriage of convenience. Nicholas never imagined he would fall in love with Louisa. Despite the distance he tries to put between them, one thing

soon becomes clear—he will never allow another man to touch her. Even if it dooms his family's future. **LOVING THE MARQUESS** a Regency Historical Romance and is book 1 in the Landing a Lord series. It contains the themes of marriage of convenience, enemies to lovers, star-crossed lovers, wounded hero. 314 print pages.

The Reluctant Duke - G. L Snodgrass 2015-08-03

She won't become his mistress and can't become his wife. Passion is pulling them together. Society is pushing them apart. The last thing wounded veteran Major Thomas Marshal wanted was a title. It wasn't supposed to happen. But duty has a way of pulling a man into things he doesn't want and away from the things he needs. The only thing Miss Guinevere Harding needs is a safe place to hide. A job as the downstairs maid at Brookshire is the perfect refuge from a frightening past. Or at least it was until the arrival of the new Duke.

[Say Yes to the Marquess](#) - Tessa Dare 2014-12-30

Your presence is requested at romantic Twill Castle for the wedding of Miss Clio Whitmore and . . . and . . . ? After eight years of waiting for Piers Brandon, the wandering Marquess of Granville, to set a wedding date, Clio Whitmore has had enough. She's inherited a castle, scraped together some pride, and made plans to break her engagement. Not if Rafe Brandon can help it. A ruthless prizefighter and notorious rake, Rafe is determined that Clio will marry his brother—even if he has to plan the dratted wedding himself. So how does a hardened fighter cure a reluctant bride's cold feet? He starts with flowers. Ladies can't have too many flowers. Or harps. Or cakes. He lets her know she'll make a beautiful, desirable bride— and tries not to picture her as his. He doesn't kiss her. If he kisses her, he definitely doesn't kiss her again. When all else fails, he puts her in a stunning gown and vows not to be nearby when the gown comes off. And no matter what—he doesn't fall in disastrous, hopeless love with the one woman he can never call his own.
