The Part-Time Vegetarian -

Nicola Graimes 2015-09-15

The common link between vegetarians and part-time vegetarians (flexitarians) is that they like to base their meals on vegetables. Whether this is for health, economic or moral reasons (or a combination of all three), the fact is a flexitarian diet – one that is largely vegetarian but occasionally includes poultry, meat and seafood – is growing in popularity and is a long-term trend that cannot go ignored. Let's face it the flexitarian or semi-vegetarian diet is the way to go: meat and fish are becoming prohibitively expensive; our current consumption cannot be sustained in years to come; and the health benefits of a

vegetarian diet are well documented. But while the number of vegetarians is significant, a study by the American Journal of Clinical Nutrition found that nearly two out of three vegetarians occasionally like to meat, chicken or fish. The Part-Time Vegetarian Cookbook shows just how delicious, adaptable and varied this way of eating can be. Rather than taking centre stage, meat or fish are not the main focus of the recipes, which value the often under-used and under-valued vegetables, grains, legumes, nuts, eggs and dairy foods. The recipes are not about taking something away, however, but adding a new dimension and consequently widening and extending the homecook's

repertoire of dishes. Organised by meal type, The Part-Time Vegetarian Cookbook features chapters on Breakfasts & Brunches, Small Bites (snacks, lunches and light meals), Weekday Suppers, Weekend Cooking, Food for Sharing (entertaining, special occasion, celebrations and al fresco) and Something Sweet. The recipes are all vegetarian, but can easily be adjusted to suit non-vegetarians.

Leap - Myfanwy Jones

2015-05-27

'Engaging and luminous' - Rosalie Ham, author of *The Dressmaker* 'engrossing and compassionate' - Paddy O'Reilly, author of *The Wonders* 'tender and surprising' - Kalinda Ashton, author of *The Danger Game* Joe lives-despite himself. Driven by the need to atone for the neglect of a single tragic summer's night, he works at nothing jobs and, in his spare time, trains his body and mind to conquer the hostile environment that took his love and smashed up his future. So when a breathless girl turns up on the doorstep, why does he

let her in? Isn't he done with love and hope? On the other side of the city, graphic designer Elise is watching her marriage bleed out. She retreats to the only place that holds any meaning for her-the tiger enclosure at the zoo-where, for reasons she barely understands, she starts to sketch the beautiful killers. *Leap* is a beautiful urban fairytale about human and animal nature, and the transformative power of grief. While at its heart is a searing absence, this haunting and addictive novel is propelled by an exhilarating life force, and the eternally hopeful promise of redemptive love. 'a writer who knows how to draw us in by portraying what it is to love and lose in a real sense.' - Georgia Blain, author of *The Secret Lives of Men*

Dancing with Myself - Billy Idol 2015-09-29

A candid memoir by the multiplatinum recording artist chronicles his life from his childhood in England and rise to fame at the height of the punk-pop revolution to his

popular hits and his collaborations with fellow artists.

Lion and Dragon in

Northern China - Reginald Fleming Johnston 2018-09-20
Reproduction of the original: Lion and Dragon in Northern China by Reginald Fleming Johnston

Riesling with My Roommate

- Liz Alden 2023-06-20
Chris Rächer: brooding recluse, a member of Europe's hottest band, and...my new roommate. I've pinched too many pennies. I'm in a foreign country, desperate for a decent place to live to stay close to my daughter. Enter my hero: Chris offers me a room at his house. Turns out, he's a goth-punk musician who's just launched into super-stardom and is striving to write the band's next hit. I'm struggling to pay the bills by teaching yoga while trying to navigate living with a grumpy heartthrob. His gravelly voice and tortured-artist vibes shouldn't be so sexy, but as the temperature drops outside, things heat up inside. He may not treat his

body like a temple, but he worships mine. Our lives are complete opposites, and a widowed mom like me has no place in his. This can only end in heartbreak.

All that Summer She was Mad - Stephen Trombley 1982

Examines Virginia Woolf's life and works in order to dispute claims that she was insane and argues that the prejudices of her physicians were responsible for her misdiagnosis.

What to Drink with What You Eat - Andrew Dornenburg 2014-06-06

"At a great meal, what you drink is just as important as what you eat. This groundbreaking food and beverage pairing reference allows food lovers to learn to think like a sommelier, and to transform every meal-- breakfast, lunch, and dinner-- from ordinary to extraordinary"--P. [2] of cover.

Wine and Conversation -

Adrienne Lehrer 2009-04-08
The vocabulary of wine is large and exceptionally vibrant -- from straight-forward

descriptive words like "sweet" and "fragrant", colorful metaphors like "ostentatious" and "brash", to the more technical lexicon of biochemistry. The world of wine vocabulary is growing alongside the current popularity of wine itself, particularly as new words are employed by professional wine writers, who not only want to write interesting prose, but avoid repetition and cliché. The question is, what do these words mean? Can they actually reflect the objective characteristics of wine, and can two drinkers really use and understand these words in the same way? In this second edition of *Wine and Conversation*, linguist Adrienne Lehrer explores whether or not wine drinkers (both novices and experts) can in fact understand wine words in the same way. Her conclusion, based on experimental results, is no. Even though experts do somewhat better than novices in some experiments, they tend to do well only on wines on which they are carefully

trained and/or with which they are very familiar. Does this mean that the elaborate language we use to describe wine is essentially a charade? Lehrer shows that although scientific wine writing requires a precise and shared use of language, drinking wine and talking about it in casual, informal setting with friends is different, and the conversational goals include social bonding as well as communicating information about the wine. Lehrer also shows how language innovation and language play, clearly seen in the names of new wines and wineries, as well as wine descriptors, is yet another influence on the burgeoning and sometimes whimsical world of wine vocabulary.

Cuisine and Culture - Linda Civitello 2011-03-29

An illuminating account of how history shapes our diets—now in a new revised and updated Third Edition Why did the ancient Romans believe cinnamon grew in swamps guarded by giant killer bats?

No Sex Drugs And Rock And Roll Just Riesling

How did African cultures imported by slavery influence cooking in the American South? What does the 700-seat McDonald's in Beijing serve in the age of globalization? With the answers to these and many more such questions, *Cuisine and Culture, Third Edition* presents an engaging, entertaining, and informative exploration of the interactions among history, culture, and food. From prehistory and the earliest societies in the Fertile Crescent to today's celebrity chefs, *Cuisine and Culture, Third Edition* presents a multicultural and multiethnic approach to understanding how and why major historical events have affected and defined the culinary traditions in different societies. Now revised and updated, this Third Edition is more comprehensive and insightful than ever before. Covers prehistory through the present day—from the discovery of fire to the emergence of television cooking shows Explores how history, culture, politics, sociology, and religion have

determined how and what people have eaten through the ages Includes a sampling of recipes and menus from different historical periods and cultures Features French and Italian pronunciation guides, a chronology of food books and cookbooks of historical importance, and an extensive bibliography Includes all-new content on technology, food marketing, celebrity chefs and cooking television shows, and Canadian cuisine. Complete with revealing historical photographs and illustrations, *Cuisine and Culture* is an essential introduction to food history for students, history buffs, and food lovers.

All These Perfect Strangers -

Aoife Clifford 2016-07-07

'The best book I've read this year' Fiona Barton, bestselling author of *The Widow 'Dark*, compelling and deep. This is a fantastic debut' Alex Lake, bestselling author of *After Anna* 'This is about three deaths. Actually more, if you go back far enough. I say deaths but perhaps all of them were murders. It's a grey area.

Murder, like beauty, is in the eye of the beholder. So let's just call them deaths and say I was involved. This story could be told a hundred different ways.' A fresh start. A new home. A time to make friends. A chance to hide from her past. University life offers all these things to Pen. But her secrets define her. And they may yet kill her... 'Intrigue, betrayal and murder...deliciously dark' T.R. Richmond, author of *What She Left* 'Tense, sparse...the gripping plot challenges and subverts the notion of innocence until the very last page' *Monocle* 'Unputdownable' Marie Claire *Brightness Falls* - Jay McInerney 2014-03-13 Corrine Calloway is a young stockbroker on Wall Street, her husband Russell an underpaid but ambitious publishing editor. The happily married couple head into New York's 1980s gold rush where prospects and money seem to be flying everywhere, and the best and the brightest vie with the worst and most craven for riches, fame and the love of

beautiful people. But the Calloways soon find out that what goes up must come crashing down, both on Wall Street and at home. *Brightness Falls* captures lives-in-the-making: men and women confronting their sudden middle-age with wit and low behaviour, fear and confusion, and, just occasionally, a little honesty and decency.

Infused - Henrietta Lovell
2019-06-04

A NEW YORK TIMES BOOK OF THE YEAR Henrietta Lovell is best known as 'The Rare Tea Lady'. She is on a mission to revolutionise the way we drink tea by replacing industrially produced teabags with the highest quality tea leaves. Her quest has seen her travel to the Shire Highlands of Malawi, across the foothills of the Himalayas, and to hidden gardens in the Wuyi-Shan to source the world's most extraordinary teas. *Infused* invites us to discover these remarkable places, introducing us to the individual growers and household name chefs Lovell has met along the way -

and reveals the true pleasures of tea. The result is a delicious infusion of travel writing, memoir, recipes, and glorious photography, all written with Lovell's unique charm and wit.

The Spandau Complication -

Bob Orkand 2021-10-28

"Casemate has a long history of publishing high quality military history non-fiction. Lately, they have expanded their range of work to include well written novels using wartime settings."

- WWII History Magazine

In Cold War Berlin US Army

Major Harry Holbrook is caught in the midst of assassination attempts and has to put his trust in an unknown contact and the reliability of information that may allow him to foil another assassination.

Hot on the heels of a dressing-down by the U.S. Commander Berlin, U.S. Army Major Harry Holbrook receives an unexpected luncheon invitation from the Soviet commandant of Spandau Prison, where the last three remaining Nazi war criminals are incarcerated. A contact in East Berlin alerts Holbrook that the Red Army

faction will attempt to assassinate West Berlin Mayor Willi Brandt and the U.S. Commander at the opening of the Fifth Annual German-American Volksfest. Holbrook helps foil the plot. Coming to trust his contact, Holbrook knows he should act when he is tipped off that a Mossad terrorist attempts to assassinate two of the three Spandau prisoners upon their release from the prison... Set in the divided city of Berlin in the mid-1960s where recent incidents have brought the world closer to nuclear war than ever before, this debut novel brings a complex tapestry of events to a breathtaking conclusion.

You Are Not So Smart -

David McRaney 2012-11-06

Explains how self-delusion is part of a person's psychological defense system, identifying common misconceptions people have on topics such as caffeine withdrawal, hindsight, and brand loyalty.

The Circle - Dave Eggers

2013-10-10

NOW A MAJOR MOTION

No Sex Drugs And Rock And Roll Just Riesling

PICTURE starring Tom Hanks, Emma Watson and John Boyega
A thrilling and compulsively addictive novel about our obsession with the internet
When Mae is hired to work for the Circle, the world's most powerful internet company, she feels she's been given the opportunity of a lifetime. Run out of a sprawling California campus, the Circle links users' personal emails, social media, and finances with their universal operating system, resulting in one online identity and a new age of transparency. Mae can't believe her great fortune to work for them - even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public ...
'Tremendous. Inventive, big hearted and very funny. Prepare to be addicted' Daily Mail
'Prescient, important and enjoyable . . . a deft modern synthesis of Swiftian wit with Orwellian prognostication' Guardian
'A gripping and highly unsettling read' Sunday

Green Technologies and Infrastructure to Enhance Urban Ecosystem Services - Viacheslav Vasenev 2019-04-17
These proceedings of the Smart and Sustainable Cities Conference (SSC) in Moscow from May 23 to 26, 2018 addresses important questions regarding the global trend of urbanization. What are the environmental consequences of megacities' expansion? What smart solutions can make life in cities safe, comfortable and environmentally friendly? It is projected that 70% of the global population will live in cities by 2050, and as such the book describes how this rapid urbanization will alter the face of the world. Focusing on solutions for the environmental problems of modern megapolises, it discusses advanced approaches and smart technologies to monitor, model and assess the environmental consequences and risks. The contributors present examples of successful sustainable urban development, including

management and design of green infrastructure, waste management, run-off purification and remediation of urban soils. The SSC conference and its proceedings offer a valuable contribution to sustainable urban development, and are of interest to the scientific and research community, municipal services, environmental protection agencies, landscape architects, civil engineers, policy makers and other stakeholders in urban management and greenery.

Reputation - Charles J. Fombrun 1996

This work provides an analysis of the determinants and effects of reputation management. It demonstrates the economic value of a corporate reputation, quantifying the economic returns for well-regarded companies, and presents recommendations and processes for assessing and improving reputation. INDICE: Introduction: why reputations matter. Part 1 The hidden value of a good reputation: going for the gold; what's in a

name?; enlightened self-inter... Etc.

Strategic Brand Management - 2009-01-01

London Fields - Martin Amis 2010-09-07

Writer, Samson Young, is staring death in the face, and not only his own. Void of ideas and on the verge of terminal decline, Samson's dash to a decaying, degenerate London has brought him through the doors of the Black Cross pub and into a murder story just waiting to be narrated. At its centre is the mesmeric, doomed Nicola Six, destined to be murdered on her 35th birthday. Around her: the disreputable men who might yet turn out to be her killer. All Samson has to do is to write Nicola's story as it happens, and savour in this one last gift that life has granted him. 'A true story, a murder story, a love story and a thriller bursting with humour, sex and often dazzling language' Independent

George and Lizzie - Nancy Pearl 2017-09-05

No Sex Drugs And Rock And Roll Just Riesling

“[A]n homage to true love, painful childhood experiences, and emotional scars that last a lifetime. It’s a story of forgiveness, especially for one’s self...Extraordinary.”
—The Washington Post
From “America’s librarian” and NPR books commentator Nancy Pearl comes an emotionally riveting debut novel about an unlikely marriage at a crossroads. George and Lizzie have radically different understandings of what love and marriage should be. George grew up in a warm and loving family—his father an orthodontist, his mother a stay-at-home mom—while Lizzie grew up as the only child of

two famous psychologists, who viewed her more as an in-house experiment than a child to love. Over the course of their marriage, nothing has changed—George is happy; Lizzie remains...unfulfilled. When a shameful secret from Lizzie’s past resurfaces, she’ll need to face her fears in order to accept the true nature of the relationship she and George have built over a decade together. With pitch-perfect prose and compassion and humor to spare, George and Lizzie is an intimate story of new and past loves, the scars of childhood, and an imperfect marriage at its defining moments.
