Praise for The Unbreakable Series: "Romana's characters are portrayed with skill, each is a credible person filled with foibles, warts and gaffes...the various twists and turns are handled with skill, are easily followed, and add depth and dimension often lacking in works provided by newer writers...Maria Romana's Little Miss Straight Lace is a fast paced, keep 'em guessing and turning the page type read sure to intrigue readers who enjoy good writing, a bit of romance, a lot of action, and a downright good read." —Molly Martin, for Midwest Book Review "There is one thing for sure, the reader is in for a rollicking ride. It is full of suspense and mystery along with romance and humor. A very enjoyable read." —Readers Favorite, an Amazon Vine™ Voice reviewer. "...a great beach read...all the ingredients for a story that's hard to put down..." —Author A.J. Braithwaite, Inside Hawley Lodge Read a snippet (from Book 3): Robert spoke with open hands and a casual stance, "Look, fella, take it easy. We just—" "O-okay, listen, I-I'll tell you the whole story. Everything. But I swear, I never did anything to her. Nobody did. Not on my watch, anyway. I took real good care of her. I swear. You gotta believe me!" Nic's pulse quickened. He took a step closer and cocked a brow at the stocky man, "Who her?" "Y-you know—your girl." "My girl?" "Y-yeah. You know...petite, brunette, pretty. Kinda..." The guy relaxed a little, pulling his hands away from the fence, and started forming an hourglass shape with them. Nic pursed his lips. "Okay. I know what she looks like." He lifted his chin at the stocky man, "So what are you talking about? 'Your watch'. 'Took care of her'. Where? When?" "Come on, you know..." The tattooed man looked from Nic over to Robert, as if he expected a more reasonable interrogator—a Good Cop to Nic's Bad. But Nic insisted, "Humor me." "Well, uh, well..." Nic took another step. The tattooed man gulped and started talking, "Yeah, okay. See, when I took the job, I didn't know it was her, okay? It was only when I saw her close up, in the light, that I recognized her. I remembered her from the bar. From that night last summer when I pulled her off the stool. I mean, I didn't know who she really was. I just thought she was your date, your girl or whatever, okay? I didn't know she was like...one of you." I invite you to read this self-help testimonial that will not only inspire you, but relate to the pain of growing up with a void in your heart - a place that only a father could fill, but God can heal.

Daddy's Girls Danielle Steel 2021-05-25 NEW YORK TIMES BESTSELLER • In Danielle Steel's riveting novel, three women raised by their father on a sprawling California ranch now confront difficult truths about their past. Decades ago, after the death of his wife, Texas ranch hand JT Tucker took his three small daughters to California to start a new life. With almost no money, a will of iron, and hard work, he eventually built the biggest ranch in California. But when he dies suddenly at the age of sixty-four, the ranch is inherited by his three daughters—each of them finding it impossible to believe that this larger-than-life figure is gone from their lives. JT's relationship with each daughter was entirely different. Caroline, the youngest and most reserved, was overlooked by her father for her entire life and fled to become a wife, mother, and writer in Marin County. Gemma, his declared favorite, sought out Hollywood glamour and success and became a major television star. Kate, the eldest, stayed at home with her father to do his bidding as a ranch hand, without thanks or praise, forsaking marriage and a family of her own for the love of him. Now, upon JT's death, the paper trail he leaves behind begins to reveal much more than the three sisters ever guessed about who he really was. It will turn their world upside down, and each of them must grapple with a new reality, strengthening their relationships with one another, and discovering who they are now as grown women, in spite of him. Set against the magnificent backdrop of the West and the drama of a family in turmoil, Daddy's Girls is the story of three remarkable women and their unique bond to each other—the daughters of a complex, many-faceted, domineering father who left his mark on each of them.

Darling Little 2021-02-12 Lucky loves and respects his Alpha, and if one of the conditions of being his most trusted wolves means taking care of his Alpha's precious pup, then he is honored to do so. Except he has no idea what he's doing half the time. What is he supposed to do when she starts screaming bloody murder and demanding that she bring back her 'Daddy'? He's pretty certain that he should not be panicking, but all he manages to do is deafen himself in one ear as he lifts her into his arms and try his best to soothe her, rumbling and purring as he heats up her bottle in one hand and tries his best not to drop her. ~~~~~ Excerpt ~~~~~ "Sticky," she frowns at him when she's done making a mess of herself. There's food everywhere. There's even honey in her hair and a chunk of pancake on the top of her head and she's somehow managed to spill a good half of the milk down her chin. He doesn't know how Alpha handles it- handles her. He has to stop thinking of her as 'it'. One of these days, he's going to slip up and his head will turn into an 'it' as it rolls out the door. "Sticky baby," he hums, relishing in the bright smile she gives him in response to the phrase. She makes grabby hands at him and he surrenders his fate to her, leaning down to let the wrap her sticky arms around his neck as he picks her up. "Sticky babies get baths," he tells her quietly, hoping she would understand what he means and that would mean less tantrums later. "Bath!" she screams in his ear and he goes partially deaf. There is a sort of heady pleasure in how easily she appears to trust him already, clinging to him tightly and burying her face to his neck as he carries her towards the bathroom. He gets the water running and puts her on the changing table so he take off her sticky clothes, but she seems to think it as a game, pushing her hands and feet at him like she's trying to simultaneously push him away and also fall over the edge and hit her head to give herself a concussion.

Bullies and Mean Girls in Popular Culture Patrice A. Oppliger 2013-09-19 The numerous anti-bullying programs in schools across the United States have done little to reduce the number of reported bullying instances. One reason for this is that little attention has been paid to the role of the media and popular culture in adolescents' bullying and mean-girl behavior. This book addresses media role models in television, film, picture books, and the Internet in the realm of bullying and relational aggression. It highlights portrayals with unproductive strategies that lead to poor resolutions or no resolution at all. Young viewers may learn ineffective, even dangerous, ways of handling aggressive situations. Victims may feel discouraged when they are unable to handle the situation as easily as in media portrayals. They may also feel their experiences are trivialized by comic portrayals. Entertainment programming, aimed particularly at adolescents, often portray adults as incompetent or uncaring and include mean-spirited teasing. In addition, overuse of the term "bully" and defining all bad behavior as "bullying" may dilute the term and trivialize the problem.

Television Dialogue Paulo Quaglio 2009-02-04 This book explores a virtually untapped, yet fascinating research area: television dialogue. It reports on a study comparing the language of the American situation comedy *Friends* to natural conversation. Transcripts of the television show and the American English conversation portion of the Longman Grammar Corpus provide the data for this corpus-based investigation, which combines Douglas Biber's multidimensional methodology with a frequency-based analysis of close to 100 linguistic features. As a natural offshoot of the research design, this study offers a comprehensive description of the most common linguistic features characterizing natural conversation. Illustrated with numerous dialogue extracts from *Friends* and conversation, topics such as vague, emotional, and informal language are discussed. This book will be an important resource not only for researchers and students specializing in discourse analysis, register variation, and corpus linguistics, but also anyone interested in conversational language and television dialogue.

Loving, kind, gentle, yet super strict when his bad little girl needs it. And he knows everything bad girls need, super stingy hairbrush spankings when they swear or are sulky, old fashioned temperatures taken the botty way, and hurty enemas when they pretend to be sick. The Viscount's Revenge Normandie Alleman 2022-07-21 The game these childhood friends are playing may break both their hearts. Twelve years ago, Samuel Turlington falsely accused Alexander Duncan's father of colluding with Napoleon. Once convicted, the man's title and lands were stripped, and he was executed. Disgraced, the family fled to Italy, where they built another fortune. His brothers were able to carry on with their lives, yet Alexander was unable to find peace until he saw his family name restored. Now he's returned to England to exonerate his father who swore Charles Turlington was the true traitor. He believes the evidence to prove his father's innocence is somewhere inside the Turlington's country estate. It is imperative that he court Turlington's daughter Phoebe well enough to gain access to her father's papers. Though she knew him when she was a girl, he's certain Phoebe won't recognize him as her former playmate when she meets his wealthy Italian alter-ego Signor Dante Alonzo. Only, he never expected her to have grown into such an enchanting young woman. He never expected their long-ago connection would haunt him still. And he never expected to fall in love...

The Daddy's Girl Collection Normandie Alleman 2015-08-09 The first three books of Normandie Alleman's best-selling *Daddy's Girl* series are now available in one volume. The *Daddy's Girl Collection* includes: *Daddy Morebucks* From the moment she laid eyes upon him, Marley knew in her heart that James was not just another client, and the difference wasn't even the large sum of money he offered in return for a single night of submission. No, what set him apart was the fact that when she called James "daddy", it was her own heart which beat faster and her own body which ached with need. After that night, Marley does her best to put all thought of him behind her, using the huge payday he provided to get on her feet again and start over... until James knocks on her door and walks right back into her life. He makes her a simple offer: if she will live with him and submit to him whenever he wishes, he will provide for her every desire. Even before she accepts his offer, Marley knows that what she truly wants is not money or clothing or even a fancy new car. What she longs for is a daddy who will give his little girl what she really needs... a daddy who will spank her bare bottom when she is naughty, tie her up and take her any way he pleases, and then cuddle her until she falls asleep in his arms. Can she dare to hope that James will be that daddy? *Daddy's Game* Sparks fly when up-and-coming artist Carmen Harris meets football star Natron Dakers at her first gallery opening. Carmen soon discovers that Natron is the type of man who sees what he wants and goes after it... and apparently what he wants is her. Almost before she knows it Carmen finds herself taking everything Natron gives her and begging for more, and when he reveals that he wants to be her dominant daddy and her to be his submissive little girl, she doesn't hesitate to agree. At the top of his profession, Natron has money, fame, and all the perks that go with them, and now at last in Carmen he has found a woman he wants to share it with. His life feels complete... until in a split second everything comes crashing down when a devastating injury threatens to end his season-and maybe his career. Natron fears he will lose it all, but will he self-destruct or can he dig deep and fight hard for himself, his teammates, and his little girl? *Poor Little Daddy's Girl* Twenty-four-year-old Charmaine Bainbridge appears to have it all-beauty, fame, and tremendous wealth-yet behind all the glitz and glamor hides a sad little girl who has been abandoned by every man she's ever loved. When firefighter Hunter Baldwin saves Charmaine from a fire in her penthouse apartment-a

blaze started by her own carelessness-he's appalled by her nonchalant attitude. Forced to carry her to safety, he throws her over his shoulder, but not before correcting her behavior with a well-deserved spanking. Something about Charmaine arouses him deeply, and it isn't just her gorgeous looks. This girl needs to be firmly corrected and thoroughly dominated, and a part of Hunter demands that he be the one to take her in hand. Though he's used to charging into burning buildings on a daily basis, Hunter knows taming Charmaine's wild ways may prove to be his greatest challenge yet. Undeterred, he takes on the role of Charmaine's daddy dom in hopes of breaking down her defenses and healing her wounds. But can she bring herself to open her heart to him, or will she remain the lonely little rich girl forever? Publisher's Note: The Daddy's Girl Collection includes spankings, sexual scenes, elements of BDSM, and more. If such material offends you, please don't buy this book.
