The Key Man Simon Clark 2021-07-08 'Impeccably researched and sumptuous in its detail... It's a page-turner' The Economist 'Well-paced and cleverly organised' The Sunday Times 'Gripping' Guardian 'A pacy and deeply-reported tale' Financial Times Longlisted for the 2021 Financial Times / McKinsey Business Book of the Year In this compelling story of greed, chicanery and tarnished idealism, two Wall Street Journal reporters investigate a man who Bill Gates and Western governments entrusted with hundreds of millions of dollars to make profits and end poverty but now stands accused of masterminding one of the biggest, most brazen frauds ever. Arif Naqvi was charismatic, inspiring and self-made. The founder of the Dubai-based private-equity firm Abraaj, he was the Key Man to the global elite searching for impact investments to make money and do good. He persuaded politicians he could help stabilize the Middle East after 9/11 by providing jobs and guided executives to opportunities in cities they struggled to find on the map. Bill Gates helped him start a billion-dollar fund to improve health care in poor countries, and the UN and Interpol appointed him to boards. Naqvi also won the support of President Obama's administration and the chief of a British government fund compared him to Tom Cruise in Mission: Impossible. The only problem? In 2019 Arif Naqvi was arrested on charges of fraud and racketeering at Heathrow airport. A British judge has approved his extradition to the US and he faces up to 291 years in jail if found guilty. With a cast featuring famous billionaires and statesmen moving across Asia, Africa, Europe and America, The Key Man is the story of how the global elite was duped by a capitalist fairy tale. Clark and Louch's thrilling investigation exposes one of the world's most audacious scams and shines a light on the hypocrisy, corruption and greed at the heart of the global financial system. 'An unbelievable true tale of greed, corruption and manipulation among the world's financial elite' Harry Markopolos, the Bernie Madoff whistleblower

And Ethan's not giving her up without fighting to make their "temporary" arrangement something far more permanent...

My Boss, the Billionaire Serenity Woods 2021-09-16 Never fall in love with your boss... I've worked for Leon for two years now. Which means I've

been in love with Leon for about, oh, 730 days, give or take. He's tall, gorgeous, hardworking, and strict. Most of the staff at Noah's Ark are scared of him. But I can handle the Lion King, as I like to call him. I'm his PA. I book his dental appointments, pick up his dry cleaning, keep his diary, walk his dogs, and organize his accounts. I know him as well as a wife would, although unfortunately without the added benefits that role would bring. I'd tell him how I feel, but he's made it quite clear he's against relationships at work, so I know it's never going to happen unless I leave the Ark, and I love my job. Then, on the day the Prime Minister's supposed to arrive at the Ark, his crazy dog knocks me over and gives me a concussion. And, as if I'm Snow White needing to be awoken from her slumber, Leon kisses me. Crap. Now we're in trouble. How on earth do you un-forget being kissed by your handsome prince?

This book was a Golden Flogger book finalist, and book 2 in the interconnected, standalone series, the Elite Doms of Washington. They agreed. All pleasure, no complications. Until their hearts got involved. Do it right, or don't do it at all. London Chantelle's mantra has brought her to the brink of success as a public relations consultant. Landing a contract with Whitestone International will push her career to the next level—if her ideas get past the firm's legal "Gladiator," Carson Drake. When he enters the boardroom, filling it with his commanding presence, her belly flips in a way that spells trouble. His dark eyes aren't assessing her proposal. They're assessing her. This is no time for flirtation. Besides, in her less-than-awesome experience, she can't trust any man to do it right. Carson has a knack for assessing someone's true desires, and he relishes the verbal sparring that lifts London's chin to a defiant angle and lights her brown eyes afire. Too bad she's everything he can't trust in a woman. Spicy. Complicated. But when she appears like a misplaced angel at his favorite club, his natural dominance demands he give her what she secretly wants. Though to do it right, he'll have to excavate her secrets...and come perilously close to falling in love.
