Sex and Violence in Hollywood - Ray Garton 2016-09-29

Adam Julian, son of a Hollywood screenwriter, has a life many would kill for . . . and some would kill to keep. He is tangled in a web of forced sex, coerced into robbery, and it is only a short step to killing as a choice. At the center of the book is a sensational murder trial, which oddly resembles the O. J. Simpson case. The cast features an abrasive, starstruck female judge, blundering prosecuting attorneys, a nerdy defendant who reserves his right to silence, and Rona Horowitz, a pint-size ball of fire of a defense lawyer. The defendant may be guilty, but energetic Rona tries one outrageous legal stunt after another in order to exonerate her client. Drenched in the glamour and the sleaze of highline and lowlife Hollywood, this satirical and entertaining look at the criminal justice system, turned inside out and upside down by showbiz at its best and worst, is a panorama of crime, corruption, and violence delivered with grim authenticity and hilarious awfulness.
