**To the Glory of Her Sex** - Joan M. Ferrante  
1997

Ferrante (English and comparative literature, Columbia U.) describes medieval women's activities as correspondents, readers, writers, and literary patrons from antiquity through the 14th century. The writings she considers range through virtually every field in historical and literary studies. Annotation copyrighted by Book News, Inc., Portland, OR

**Sexual Misconduct in Counseling and Ministry** - Peter T. Mosgofian 2009-05-01

Sexual misconduct by ministers and other Christian professionals has reached epidemic proportions. One major church insurer has handled over 1,200 cases in the past eight years, many involving child sexual abuse, often with multiple victims. How should the church respond

when Christian counselors cross sexual boundaries? What should be done when the healer wounds? What is the church's responsibility both to misbehaving professionals and to their victims? Combining their extensive counseling experience and legal expertise, the authors of this volume offer a well-written, practical book loaded with the thorny issues of sexual exploitation by religious professionals. Here is tested wisdom that can help. o A recovery strategy for victims o Proactive ways to safeguard against improper sexual behavior o Screening and early intervention strategies o Restoring fallen ministers and church leaders o Dealing with homosexual misbehavior, seductive clients, recovered memories, and false allegations o Assessing legal consequences of your policies The wise counsel in this timely

book can help us find remedies for a growing problem that threatens the Christian church.

**Daddy's Curse** - Luke. G Dahl 2017-12-12

- Reader's Favorite 5-Star Award A Harrowing True Story of an Eight-Year-Old Girl Human Sex Trafficking and Organized Crime Survivor Have you ever experienced total despair? Yuna was just an eight-year-old girl when she experienced total devastation. Growing up in the Mongolian countryside, she wasn't ready to face the darker side of the world. And yet she had to. After she was kidnapped by an organized crime gang, Yuna had to overcome her fears at a young age and start taking care of herself. She tried to escape from slavery, but everybody that she encountered wanted to take advantage of her. Yuna and other girls just like her were constantly abused, beaten, raped and sold as sex slaves. Human trafficking is the worst kind of humiliation, especially for a young woman. She tried to escape and find freedom, but it wasn't easy. In this emotional and heart-shattering true

story, author Luke G. Dahl will let you behind the curtains of sex trafficking gangs and into the soul of abused women, who try to glue the broken pieces of their soul together, in order to survive. By understanding what they have had to endure, you can find a new perspective and respect for life.

**Pimped** - Samantha Owens 2019-03-21

By the age of thirteen, vulnerable Sheffield teenager Samantha Owens had fallen through the cracks in the care system. Bounced around numerous foster carers after her home life became too chaotic, Samantha thought she had found a friend in the streetwise Amanda Spencer. The older girl bought her clothes, styled her hair and found her places to stay. Samantha's welfare was the last thing on Spencer's mind, however, as in reality she was grooming the young girl for exploitation of the worst possible kind. Over the course of the next few months, Samantha was plied with alcohol and drugs and pimped out to over fifty men for

*Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-02-02  
by guest*

Spencer's gain. Raped, abused, and with no chance of escape, Samantha was at the mercy of the calculating, ruthless and intimidating Spencer. It took a police investigation of two years to bring her and a small gang of cohorts to justice and, in 2014, Spencer was jailed for twelve years. With her abusers in jail, and Samantha bravely rebuilding her life, her shocking story is a stark warning to those who believe child sexual abuse follows any set pattern.

**Voices from Criminal Justice** - Heith Copes  
2016-11-25

Voices from Criminal Justice, Second Edition, gives students rich insight into the criminal justice system from the point of view of practitioners, as well as outsiders—citizens, clients, jurors, probationers, or inmates. These qualitative and teachable articles cover all three components of the criminal justice system, ensuring students will be better informed about the daily realities of criminal justice

professionals in law enforcement, courts, and corrections. At the same time, the juxtaposition of insider and outsider views allows students to look beyond the actual content of the articles and develop their own views about the functions and flaws of the criminal justice system on a societal level. This innovative reader, now with seven new articles designed to stimulate discussions and promote critical thought, is perfect for undergraduate criminal justice courses in the United States, and has proven to be an effective companion or alternative to traditional introductory textbooks. Voices from Criminal Justice, Second Edition, also offers a framework for more advanced students in special issues or capstone courses to synthesize information from earlier courses and develop their own view of American justice.

*Gay-Friendly Parenting* - Dennis Lowell  
2021-04-08

Parents understand that their children will have different personalities and interests, but are

*Downloaded from*  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-02-02  
*by guest*

seldom prepared for differences in sexual orientation or gender identity. These are not choices or learned behavior, but are traits that people are born with. If you assume your kids will be heterosexual and ignore the subject during a child's formative years, you may leave a gay child to suffer in silence. Fear, depression, substance abuse and even suicidal thoughts are common among gay children who believe they cannot talk to their parents about their true feelings. Some kids instinctively know their orientation before they're even in grade school, and some don't recognize those feelings until puberty or later. But your child should be absolutely certain that your love is unconditional, and that's not the case with many children who believe their parents won't love them if they're gay. A "coming-out" confession when your child is older - if it happens at all - may be a tearful ordeal that you never expected. If gay people have been disparaged in your church, synagogue or mosque, think about the

youngsters sitting in the pews who know they're gay and are being told they're the worst kind of sinners. Their parents may not share those views, but have avoided expressing their acceptance of gay and lesbian people. And if that's the case, the gay child will not open up to his or her parents for a very long time, if ever. You may be focused on stereotypical behaviors and are certain that all your children are destined to be heterosexual. But realistically, you have no way of knowing whether they're straight or gay if you haven't talked about it. And even if your kids are straight, those children need to hear some straight talk about sexual orientation and tolerance so they don't become the class bullies. The kids who are taught to be homophobic, or are shielded from learning anything at all about homosexuality, may eventually deal with gay classmates in a violent way. An important aspect of their psycho-social education is the knowledge that gay people exist in every strata of society, that they are not to be

feared or reviled, and that they deserve respect. This book encourages you to be open with all of your children about sexual attractions, and to make it clear at a very young age that it's OK for boys to like boys and girls to like girls. That information is no more traumatic for a small child than the Cinderella story. The child will see it as perfectly natural if you present it that way, and it doesn't have to involve discussions about sex before they're ready for sex education. Age-appropriate discussions, gay role models and gay-friendly TV fare will let your child know that whatever he or she is feeling is acceptable to you and the world at large. If you ignore the subject until you're forced to acknowledge it, our society's attitudes about gays - and perhaps, inadvertently, your own - may put your child through an internal struggle that can be a living hell. And you may be blissfully unaware of it until the child is ready to confide in you. If your boy has effeminate traits or your girl is a "tomboy," the child may

also have suffered verbal or physical abuse from other kids and has been afraid to share those experiences with you. You will have missed the opportunity to be supportive when your child really needed your support. You won't have a choice about your children's sexual orientation. It will simply happen as it's meant to happen, and you won't be able to change it. But you can teach all your children that everyone, gay or straight, deserves the chance to be happy in life and love. If you do, it won't matter whether your kids turn out to be straight, gay, bisexual, transgender or asexual. Each child will grow up to be either a happy, well-adjusted sexual minority or a kind and tolerant mainstream heterosexual. Either way, you can't lose.

### **Sexuality in Classical South Asian Buddhism**

- José Ignacio Cabezón 2017-10-10

"More than twenty-five years in the making, this detailed sourcebook on Buddhist understandings of sexuality, desire, ethics, and deviance in classical South Asia is filled with both engaging

*Downloaded from*

*by guest*

translations and original and provocative analysis. Cabezón marshals an incredible array of scriptures, legal and medical texts, and philosophical treatises, explaining the subtleties of this ancient literature in lucid prose. This work will be of immense interest not only to scholars of Buddhism and gender studies but also to lay readers who want to learn more about traditional Buddhist attitudes toward sex"--Page 2 of dust jacket.

**Performing Sex** - Breanne Fahs 2011-11-01  
A candid and provocative critique of women's sexual liberation in America.  
[The Latter-Day Saints' Millennial Star](#) - 1857

**Love and Sex in D. H. Lawrence** - David Ellis 2016-02-11  
Although love and sex are central to Lawrence, critics have paid surprisingly little attention to the way these two topics are treated in his work. Reasons for this are suggested in the preface to this book which is written in the spirit of

Wittgenstein's claim that, when we are puzzled or challenged by a phenomenon, we should be less concerned with seeking new knowledge than putting into order what we already know. Yet those concerned by the present dip in Lawrence's reputation (among academics, if not the general public) have to be worried by how strange and unexpected the results are when Lawrence's dealings with love and sex are followed throughout his life and career. This is what this book undertakes to do, describing how the tortuous developments in his relationship with Jessie Chambers are reflected in his writing, his struggle against his undoubted leanings towards homosexuality, the war he declared on the concept of romantic love and how, after insisting on the idea of male dominance, he returned (although only in part) to a more humane vision of relations between the sexes in the various versions of *Lady Chatterley's Lover*. Its aim is to suggest that although Lawrence is undoubtedly a major

writer, his greatest achievements are not to be found where he is popularly assumed to be at his most impressive and that the authority he assumes, in his last years, when he lectures the young on love and sex, ought to be regarded as dubious.

Marriage, Sex and Family in Judaism - Michael J. Broyde 2005-08-22

Marriage, Sex and Family in Judaism explores Jewish marriage from historical and contemporary perspectives, focusing on the religious and legal concepts of marriage, and the social impact of family in the Jewish community. The book does not advocate one perspective or another; instead, the essays range from conservative to liberal viewpoints, offering readers a well-balanced mixture of perspectives on Jewish marriage.

### **The Worst-Case Scenario Survival**

**Handbook: Apocalypse** - Joshua Piven  
2023-10-31

It's the apocalypse—now what? Prepare for the

end of civilization with the help of the world's best-selling survival guide series and learn how to pick yourself up, dust yourself off, and start all over again. The doomsday clock is seconds from midnight. Extinction-level dangers draw closer with every tick. But fear not! Here is an indispensable guide to preparing for and surviving the ultimate in worst-case scenarios, with humor to lighten the load. You can't panic if you're laughing. Dozens of survival experts provide illustrated, step-by-step instructions on: How to Pack a Go Bag in Thirty Minutes How to Make Your Bunker Feel Like Home How to Survive an Alien Invasion How to Defeat a Robot Uprising How to Survive the Next Pandemic How to Fend Off a Hostile Clan How to Eat Insects and Rodents How to Rebuild a Utopian Society You've gotten this far. Don't let zombies take you out.

**Post-war British Drama: Looking Back in Gender** - Michelene Wandor 2003-12-16

In this extensively revised and updated edition of

*Downloaded from*  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-02-02  
by guest

her classic work, *Look Back in Gender*, Micheline Wandor confirms the symbiotic relationship between drama and gender in a provocative look at key, representative British plays from the last fifty years. Repositioning the text at the heart of theatre studies, Wandor surveys plays by Ayckbourn, Beckett, Churchill, Daniels, Friel, Hare, Kane, Osborne, Pinter, Ravenhill, Wertebaker, Wesker and others. Her nuanced argument, central to any analysis of contemporary drama, discusses: \*the imperative of gender in the playwright's imagination \*the function of gender as a major determinant of the text's structural and narrative drives \*the impact of socialism and feminism on post-war British drama, and the relevance of feminist dynamics in drama \*differences in the representation of the family, sexuality and the mother, before and after 1968 \*the impact of the slogan that the 'personal is political' on contemporary form and content.

### **How Sex Got Screwed Up: The Ghosts that**

**Haunt Our Sexual Pleasure - Book Two** - Jon Knowles 2019-03-31

The ghosts that haunt our sexual pleasure were born in the Stone Age. Sex and gender taboos were used by tribes to differentiate themselves from one another. These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city-states and empires. For the early Christians, all sex play was turned into sin, instilled with guilt, and punished severely. With the invention of sin came the construction of women as subordinate beings to men. Despite the birth of romance in the late middle ages, Renaissance churches held inquisitions to seek out and destroy sex sinners, all of whom it saw as heretics. The Age of Reason saw the demise of these inquisitions. But, it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime, degeneracy, and sickness. The middle of the 20th century saw these medical and religious teachings challenged for the first time as

activists, such as Alfred Kinsey and Margaret Sanger, sought to carve out a place for sexual freedom in society. However, strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence. Book Two of this two-part publication traces the history of sex from the Victorian Era to present day. Interspersed with 'personal hauntings' from his own life and the lives of friends and relatives, Knowles reveals how historical discourses of sex continue to haunt us today. This book is a page-turner in simple and plain language about 'how sex got screwed up' for millennia. For Knowles, if we know the history of sex, we can get over it.

**Best Thought, Worst Thought** - Don Paterson  
2008-08-05

"Contentious, rude, hilarious, moving, and truthful. A book you'll dip into for the rest of your life." —Ian Rankin The male genitals are worn externally as evolution is in the process of

expelling them from the body. Another million years and they'll be stored in a drawer. With *Best Thought, Worst Thought*, the award-winning Scottish poet Don Paterson has assembled a comic, intelligent, and cranky collection of brief truths and conjectures and, in the process, revitalizes the classic pith of the aphorism. "The form's only virtue is its brevity," Paterson writes; "at least the reader cannot seriously hold that it has wasted their time." *Hermaphroditism, Medical Science and Sexual Identity in Spain, 1850-1960* - Richard Cleminson  
2009-10-31

This is the first book in English to analyse the medical category of 'hermaphroditism' in Spain over the period 1850-1960. It attempts to show how the relationship between the male and female body, biological 'sex', gender and sexuality constantly changed in the light of emerging medical, legal and social influences. Tracing the evolution of the hermaphrodite from its association with the 'marvellous' to the

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-02-02  
by guest

association with intersexuality and transexuality, this book emphasizes how the frameworks employed by scientists and doctors reflected not only changing international paradigms with respect to 'hermaphrodite science' but also social anxieties about shifting gender roles, the evolving discourse on sexuality and, in particular, the increased visibility of the 'sexual deviancies' such as homosexuality and changing legislation on marriage and divorce. Finally, we hope to open a space whereby the voice of 'hermaphrodites' and 'intersexuals' themselves could be heard in the past as agents in the construction of their own destiny as figures deemed 'in-between' by medicine and society.

Sex of the Worst Kind - Retha Shortridge  
2015-06-28

After being married for twenty years two women find themselves without husbands. Lilly gets a divorce; Jean becomes a widow. Two busy-bodies (women) of their church causes them to leave the church. They began dating again, but find

out that the dating scene has really changed since their youth. They feel like two lambs who have been cast out among the wolves. Will they succumb to temptation or will they return to their church?

**The Intermediate Sex: A Study of Some Transitional Types of Men and Women -**

*The Worst Kind of Want* - Liska Jacobs

2019-11-05

“Dark, seductive . . . Noirish and sexy, this provocative novel explores what it’s like to be a woman on the edge.” —Adrienne Westenfeld, *Esquire* “[A] crispy biscotti of a novel . . . You’ll feel indecent reading it in public.” —Molly Young, *Vulture* A trip to Italy reignites a woman’s desires to disastrous effect in this dark ode to womanhood, death, and sex To cool-headed, fastidious Pricilla Messing, Italy will be an escape, a brief glimpse of freedom from a life that's starting to feel like one long decline. Rescued from the bedside of her difficult mother, forty-something Cilla finds herself called away to Rome to keep an eye on her wayward teenage niece, Hannah. But after years of caregiving, babysitting is the last thing Cilla wants to do. Instead she throws herself into Hannah's youthful, heedless world—drinking,

dancing, smoking—relishing the heady atmosphere of the Italian summer. After years of feeling used up and overlooked, Cilla feels like she's coming back to life. But being so close to Hannah brings up complicated memories, making Cilla restless and increasingly reckless, and a dangerous flirtation with a teenage boy soon threatens to send her into a tailspin. With the sharp-edged insight of Ottessa Moshfegh and the taut seduction of Patricia Highsmith, *The Worst Kind of Want* is a dark exploration of the inherent dangers of being a woman. In her unsettling follow-up to *Catalina*, Liska Jacobs again delivers hypnotic literary noir about a woman whose unruly desires and troubled past push her to the brink of disaster.

*Complaints and Disorders* - Barbara Ehrenreich  
2011

New edition of this bestselling book about the history of sexism in the medical profession.
