Lives Like Mine - Eva Verde
2021-06-10
'Londoner Eva Verde's *Lives Like Mine* explores the theme of a school-run affair and the complications and joys it brings to a dual-heritage mother struggling with her intolerant in-laws' Independent 'A bitter sweet story of longing and self-discovery, of deceit and regret. Visceral, authentic and funny, Eva's prose reads like something between a conversation and a confession. An exciting new voice and a joy to read' Kit de Waal 'Eva's writing breaks new ground in a confident and original voice, with a sharp eye for detail, wonderful characterisation and some seriously badass humour' Yvonne Edwards, author of the Man Booker Prize longlisted novel, *A Cupboard Full of Coats* 'Lives Like Mine is an

assured debut from a writer who's going to go far' Red Online 'Londoner Eva Verde's breathtaking novel' New! Mother. To three small children, their heritage dual like hers. Daughter. To a mother who immigrated to make a better life but has been rejected by her chosen country. Wife. To a man who loves her but who will not defend her to his intolerant family. Woman... Whose roles now define her and trap her in a life she no longer recognises... Meet Monica, the flawed heroine at the heart of *LIVES LIKE MINE*. With her three children in school, Monica finds herself wondering if this is all there is. Despite all the effort and the smiles, in the mirror she sees a woman hollowed out from putting everyone else first, tolerating her in-laws'

intolerance, and wondering if she has a right to complain when she's living the life that she has created for herself. Then along comes Joe, a catalyst for change in the guise of a flirtatious parent on the school run. Though the sudden spark of their affair is hedonistic and oh so cathartic, Joe soon offers a friendship that shows Monica how to resurrect and honour the parts of her identity that she has long suppressed. He is able to do for Monica what Dan has never managed to, enabling her both to face up to a past of guilty secrets and family estrangements, and to redefine her future.

Rare, Sex Ed is the practical and fun guide to sex that you've always wanted - but never known how to ask for. This is the information you should have been taught at school: a no-holds-barred roadmap that covers everything from how the brain is the most important sex organ and how to communicate what you want to yourself and a partner, all the way down to the messy stuff - solo sex, orgasms, touching, kissing, blow jobs, cunnilingus, anal play, lube, toys, kegels. After all, sex education shouldn't start and end with putting a condom on a banana.

'Darkly delicious' ELIZABETH DAY 'Fresh, glamorous, surprising' MARIAN KEYES 'Compulsive, brilliant' ABIGAIL DEAN 'Utterly gripping and unsettling' LUCY FOLEY 'An absolute page turner; addictive' CECILIA AHERN PICKED AS ONE OF STYLIST MAGAZINE'S 'FICTION BOOKS YOU CAN'T MISS IN 2022' ***** 'Follow your heart

and speak your truth.' For Samantha Miller's young fans - her 'girls' - she's everything they want to be. She's an oracle, telling them how to live their lives, how to be happy, how to find and honour their 'truth'. And her career is booming: she's just hit three million followers, her new book *Chaste* has gone straight to the top of the bestseller lists and she's appearing at sell-out events. Determined to speak her truth and bare all to her adoring fans, she's written an essay about her sexual awakening as a teenager, with her female best friend, Lisa. She's never told a soul but now she's telling the world. The essay goes viral. But then - years since they last spoke - Lisa gets in touch to say that she doesn't remember it that way at all. Her memory of that night is far darker. It's Sam's word against Lisa's - so who gets to tell the story? Whose 'truth' is really a lie? 'You put yourself on that pedestal, Samantha. You only have yourself to blame.' Riveting, compulsive and bold, IDOL

Bring Me The Head Of The Taskmaster - Alex Horne

2021-09-16

Fastest wins. Your adventure starts now ... This is a race. It is not a race against the clock, because that would be a far easier race. Clocks can be fast, but clocks never win races. It's nearly always humans, sometimes horses, and occasionally dogs. This is a race against your fellow Taskmaster players. You are competing against everyone else who is reading this book. All you've got to do is find The Taskmaster's Head first. This is a race with many twists and turns, that requires very little running, much sideways thinking and quite a lot of patience. Thankfully, there will be a shedload of tasks along the way to distract you. There are tasks to do on your own, tasks to do with your family and friends, and tasks for

bigger groups too. Some of these distractions may slow you down, but some may help you get where you need to go. As always, enjoy them, do your best, make good choices. So get going. Take on the tasks. All the information you need is in the book... Alex Horne, Taskmaster's Assistant Disobedience - Naomi Alderman 2007-05-22

In this poignant debut novel, a woman finds herself caught between the Orthodox Jewish community that raised her and the secular world that changed her.

Sporting Guide - Liz Goldwyn 2015-10-06

A brilliantly imaginative, illustrated recreation of an 1890s Los Angeles pocket guide, or "Sporting Guide," to the brothels of the day. Los Angeles, 1897, When Vice Ruled The City Long before the glitz and glamour of Hollywood, Los Angeles was a city where dreamers from all over the world came to make their fortunes—where a madam named Pearl Morton entertained the most powerful

politicians and entrepreneurs inside her namesake brothel. In a series of haunting, interlinked stories set in the period, author and filmmaker Liz Goldwyn re-creates a “sporting guide”—a secret diary and guidebook of the best brothels and prostitutes in the city. In this world a hushed conversation inside a velvet-lined boudoir could destroy a man, and the rustle of bushes might reveal a sordid assignation. Based on original research in the libraries and archives of Los Angeles, these fictional stories are often inspired by real historical characters—like the laudanum-addicted Cora Phillips, whose tombstone Goldwyn rediscovered, or Bartolo Ballerino, Italian immigrant slumlord of the forgotten red-light district, or thirteen-year-old Frances dreaming of life beyond the Children’s Orphan Asylum. Interspersed in these stories—and featuring over a hundred historical photos and illustrations—Goldwyn reveals the history of the period, from the rage for corsets to crushed

pearl powder cosmetics and the awful cures for syphilis. *Sporting Guide* evokes a lost world of those on the margins of Los Angeles, of the hustlers who made it into one of the great cities of the world, and Goldwyn gives a poignant voice to the people and stories forgotten by time.

Pretty Things - Liz Goldwyn
2010-12-21

into an era when the hourglass figure was in vogue and striptease was a true art form. Meet Betty "Ball of Fire" Rowland, who was known for her flaming red hair and bump-and-grind routines. (It turns out she once sued the author's grandfather, Samuel Goldwyn Jr., for using her stage name and costume in his Hollywood picture, Ball of Fire.) Meet Sherry Britton, who, with her long black hair and curvy, trim physique, was among the most stunning of the burlesque stars before Mayor LaGuardia outlawed burlesque in New York. Meet Zorita, whose sexually explicit "Consummation of the Wedding of the Snake" dance (performed with a live snake) and other daring performances earned her legendary status. Goldwyn draws back the curtain to reveal the personal journeys of yesteryear's icons of female sexuality and power, restoring their legacy to an age that has all but forgotten them—despite today's resurgence of burlesque.

[Lessons in Depravity](#) - E. S. Williams 2013-06-14

Sex education is a highly controversial subject. The British Government believes that the answer to the teenage pregnancy crisis in the UK lies in providing children with yet more explicit sex education, starting at an even earlier age, with clear guidance on contraception and the 'morning-after' pill. And to encourage children to use

contraception, the Government allows doctors to prescribe contraceptives for under-16s without their parents' knowledge or consent.

Opponents argue that sex education is not only ineffective in preventing teenage pregnancies, but that it encourages promiscuity.

Lessons in Depravity examines sex education in a historical context. As the story of the sex education movement unfolds, so the link between the messages of the sex educators and the ideology of the sexual revolution becomes increasingly clear. Dr Williams explains that sex education, which has developed from the ideas of the sexual

revolutionaries, is one of the great moral evils of our time in that it demoralises sexual conduct and misleads children with promises of 'safer sex'. Within a framework of moral relativism children are presented with sexual facts and encouraged to make 'informed' choices whether to have sex or not. Those who decide to have sex are helped to negotiate

'safer sex' with a partner. And sex educators oppose the 'moralisers', asserting that 'preaching' makes it less likely that children will make the right sexual choices. Lessons in Depravity exposes the moral relativism of sex education to the light of biblical truth. In view of the inherent moral dangers, no parent can afford to stand back and leave the moral instruction of their children in the hands of State sex education

Twitter and Tear Gas -

Zeynep Tufekci 2017-05-16

A firsthand account and incisive analysis of modern protest, revealing internet-fueled social movements' greatest strengths and frequent challenges To understand a thwarted Turkish

coup, an anti-Wall Street encampment, and a packed Tahrir Square, we must first comprehend the power and the weaknesses of using new technologies to mobilize large numbers of people. An incisive observer, writer, and participant in today's social movements, Zeynep Tufekci explains in this accessible and compelling book the nuanced trajectories of modern protests—how they form, how they operate differently from past protests, and why they have difficulty persisting in their long-term quests for change. Tufekci speaks from direct experience, combining on-the-ground interviews with insightful analysis. She describes how the internet helped the Zapatista uprisings in Mexico, the necessity of remote Twitter users to organize medical supplies during Arab Spring, the refusal to use bullhorns in the Occupy Movement that started in New York, and the empowering effect of tear gas in Istanbul's Gezi Park. These details from life inside social movements

Cleanness - Garth Greenwell
2020-01-23

Cleanness revisits and expands the world of Garth Greenwell's beloved debut, *What Belongs to You*, declared 'an instant classic' by the New York Times Book Review. In exacting, elegant prose, Greenwell transcribes the strange dialects of desire, cementing his stature as one of our most vital living writers. 'This is an exceptional work of fiction, which places Greenwell among the very best contemporary novelists.' - Independent Sofia, Bulgaria, a landlocked city in southern Europe, stirs with hope and impending upheaval. Soviet buildings crumble, wind scatters sand from the far

south, and political protesters flood the streets with song. In this atmosphere of disquiet, an American teacher navigates a life transformed by the discovery and loss of love. As he prepares to leave the place he's come to call home, he grapples with the intimate encounters that have marked his years abroad, each bearing uncanny reminders of his past. A queer student's confession recalls his own first love, a stranger's seduction devolves into paternal sadism, and a romance with a younger man opens, and heals, old wounds. Each echo reveals startling insights about what it means to seek connection: with those we love, with the places we inhabit, and with our own fugitive selves. Chosen as a book of the year in the New Yorker, Daily Telegraph, Observer and Irish Times.
