9-Nov - Colleen Hoover 2016-10-04

When Fallon and aspiring novelist Ben meet and fall in love the day before Fallon's cross-country move, they vow to meet on the same date every year, until Fallon suspects Ben is fabricating their relationship to create the perfect plot twist.

The Life and Times of Mickey Rooney - Richard A. Lertzman 2015-10-20

"A definitive biography of the iconic actor and Hollywood legend Mickey Rooney (1920-2014) and his extravagant, sometimes tawdry life, drawing on never-before-seen excerpts from Rooney's diary and exclusive interviews with Mickey, and with those who knew him best, including his heretofore unknown mistress of sixty years"--

The Space Between - Zara McDonald 2020-09-01

There's this weird gap in life that's fuelled by cheap tacos and even cheaper tequila - also known as our twenties. It's a specific limbo between being a teenager and a Proper Adult, and though it's wildly confusing, often lonely, sometimes embarrassing and frequently daunting, there's also a whole lot of magic to be found in the chaos. It's a time when we're finding our own voices, cementing our relationships and starting to fulfil our big ambitions (or simply just working out what they are). Michelle Andrews and Zara McDonald, creators of the award-winning pop culture podcast Shameless, are two of the many twentysomething women trying to make sense of it all. They definitely don't have all the answers but they know that mapping out our place in the world is a little bit easier when we do it together. Brimming with wit and unflinching honesty, these are their stories and personal puzzles about life as twentysomethings: from heartbreak and mental health challenges to overcoming career setbacks and letting go of fear. (Not forgetting the deeper meaning behind the states of their fridges and why it's so damn good to ghost out of a friend's party.) Join Zara and Michelle as they figure out who they are now and who they want to be. You just might find tiny pieces of yourself in the space between the first page and the last.

The Innocent Man - John Grisham 2010-10-28

"John Grisham's first work of non-fiction, an exploration of small town justice gone terribly awry, is his most extraordinary legal thriller yet. In the major league draft of 1971, the first player chosen from the State of Oklahoma was Ron Williamson. When he signed with the Oakland A's, he said goodbye to his hometown of Ada and left to pursue his dreams of big league glory. Six years later he was back, his dreams broken by a bad arm and bad habits - drinking, drugs and women. He began to show signs of mental illness. Unable to keep a job, he moved in with his mother and slept 20 hours a day on her sofa. In 1982, a 21 year-old cocktail waitress in Ada named Debra Sue Carter was raped and murdered, and for five years the police could not solve the crime. For reasons that were never clear, they suspected Ron Williamson and his friend Dennis Fritz. The two were finally arrested in 1987 and charged with capital murder. With no physical evidence, the prosecution's case was built on junk science and the testimo"

The Lesbian Kama Sutra - Kat Harding 2015-08-04

Using clear, empowering text to celebrate the love between women, The Lesbian Kama Sutra encourages love and sex, pleasure and sensuality, uninhibited erotic indulgence, and play. Visually stunning, it features beautiful historical artworks, erotic illustrations, and sophisticated instructional drawings that offer an illustrated journey through the different sexual positions.

The Magicians - Lev Grossman 2009-10-08

Quentin Coldwater is brilliant but miserable. Obsessed with the fantasy novels he read as a child, he finds the real world just doesn't compare. Then one day it happens: he stumbles unexpectedly into a hidden world and is invited to join a very exclusive college, where he will learn the secrets of magic. But something is still missing. And now Quentin will do anything to find what he's always been looking for. Praise for The Magicians Trilogy 'The best fantasy trilogy of the decade.' Charles Stross 'The most entertaining and

compelling fantasy I've read in a long time.' The Times 'Lev Grossman has conjured a rare creature: a trilogy that simply gets better and better as it goes along... Literary perfection.' Erin Morgenstern 'May just be the most subversive, gripping, and enchanting fantasy novel I've read this century.' Cory Doctorow 'Dark and dangerous and full of twists. Hogwarts was never like this.' George R. R. Martin 'Sad, hilarious, beautiful, and essential to anyone who cares about modern fantasy.' Joe Hill 'A darkly cunning story about the power of imagination itself.' The New Yorker 'The Magicians ought to be required reading... a terrific, at times almost painfully perceptive novel of the fantastic.' Kelly Link 'Brilliantly explores the hidden underbelly of fantasy and easy magic, taking what's simple on the surface and turning it over to show us the complicated writhing mess beneath.' Naomi Novik

Men's Health - 2008-01

Men's Health magazine contains daily tips and articles on fitness, nutrition, relationships, sex, career and lifestyle.

Dogwinks - Squire Rushnell 2021-05-04

Includes the story Rescued by Ruby—now on Netflix! The bestselling and beloved Godwink series returns with a charming, dog-focused collection of “joyful” (The Washington Post) stories, all of which provide plenty of hope, encouragement, and laughter. With delightfully uplifting stories and enthralling prose, DogWinks is the perfect gift for dog lovers of all backgrounds. Featuring several never-before-published and true stories about coincidences and divine intervention, DogWinks is an inspirational and entertaining book that illustrates the overwhelming power of faith and how miracles can change our lives and those of our canine companions.

Beasts and Beauty: Dangerous Tales - Soman Chainani 2021-09-21

You think you know these stories, don't you? You are wrong. You don't know them at all.

Sir Gawain and the Green Knight - R. A. Waldron 1970

Chrysanthemum loves her name, until she starts going to school and the other children make fun of it.

Men's Health - 2008-01

Men's Health magazine contains daily tips and articles on fitness, nutrition, relationships, sex, career and lifestyle.

Spaceman of Bohemia - Jaroslav Kalfar 2017-03-07

An intergalactic odyssey of love, ambition, and self-discovery. Orphaned as a boy, raised in the Czech countryside by his doting grandparents, Jakub Prochv°zka has risen from small-time scientist to become the country's first astronaut. When a dangerous solo mission to Venus offers him both the chance at heroism he's dreamt of, and a way to atone for his father's sins as a Communist informer, he ventures boldly into the vast unknown. But in so doing, he leaves behind his devoted wife, Lenka, whose love, he realizes too late, he has sacrificed on the altar of his ambitions. Alone in Deep Space, Jakub discovers a possibly imaginary giant alien spider, who becomes his unlikely companion. Over philosophical conversations about the nature of love, life and death, and the deliciousness of bacon, the pair form an intense and emotional bond. Will it be enough to see Jakub through a clash with secret Russian rivals and return him safely to Earth for a second chance with Lenka? Rich with warmth and suspense and surprise, Spaceman of Bohemia is an exuberant delight from start to finish. Very seldom has a novel this profound taken readers on a journey of such boundless entertainment and sheer fun. "A frenetically imaginative first effort, booming with vitality and originality . . . Kalfar's voice is distinct enough to leave tread marks."-Jennifer Senior, New York Times

Daisy Jones & The Six - Taylor Jenkins Reid 2019-03-05

NATIONAL AND NEW YORK TIMES BESTSELLER WINNER OF THE 2019 GOODREADS CHOICE AWARD FOR HISTORICAL FICTION A NEW YORK TIMES EDITORS' CHOICE NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Esquire • Glamour • CBC • NPR • Marie Claire • Real Simple •

Good Housekeeping • Parade • Shelf Awareness • BookRiot • E! News • Mental Floss • Paste "I devoured Daisy Jones & The Six in a day, falling head over heels for it. Daisy and the band captured my heart." —Reese Witherspoon (Reese's Book Club x Hello Sunshine book pick) A gripping novel about the whirlwind rise of an iconic 1970s rock group and their beautiful lead singer, revealing the mystery behind their infamous breakup. Everyone knows Daisy Jones & The Six: The band's album Aurora came to define the rock 'n' roll era of the late seventies, and an entire generation of girls wanted to grow up to be Daisy. But no one knows the reason behind the group's split on the night of their final concert at Chicago Stadium on July 12, 1979 . . . until now. Daisy is a girl coming of age in L.A. in the late sixties, sneaking into clubs on the Sunset Strip, sleeping with rock stars, and dreaming of singing at the Whisky a Go Go. The sex and drugs are thrilling, but it's the rock 'n' roll she loves most. By the time she's twenty, her voice is getting noticed, and she has the kind of heedless beauty that makes people do crazy things. Also getting noticed is The Six, a band led by the brooding Billy Dunne. On the eve of their first tour, his girlfriend Camila finds out she's pregnant, and with the pressure of impending fatherhood and fame, Billy goes a little wild on the road. Daisy and Billy cross paths when a producer realizes that the key to supercharged success is to put the two together. What happens next will become the stuff of legend. The making of that legend is chronicled in this riveting and unforgettable novel, written as an oral history of one of the biggest bands of the seventies. Taylor Jenkins Reid is a talented writer who takes her work to a new level with Daisy Jones & The Six, brilliantly capturing a place and time in an utterly distinctive voice.

Queer African Cinemas - Lindsey B. Green-Simms 2022-02-04

In *Queer African Cinemas*, Lindsey B. Green-Simms examines films produced by and about queer Africans in the first two decades of the twenty-first century in an environment of increasing anti-queer violence, efforts to criminalize homosexuality, and other state-sanctioned homophobia. Green-Simms argues that these films not only record the fear, anxiety, and vulnerability many queer Africans experience; they highlight how queer African cinematic practices contribute to imagining new hopes and possibilities. Examining globally circulating international art films as well as popular melodramas made for local audiences, Green-Simms emphasizes that in these films queer resistance—contrary to traditional narratives about resistance that center overt and heroic struggle—is often practiced from a position of vulnerability. By reading queer films alongside discussions about censorship and audiences, Green-Simms renders queer African cinema as a rich visual archive that documents the difficulty of queer existence as well as the potentials for queer life-building and survival.

The Times Index - 2013-06

Indexes the Times, Sunday times and magazine, Times literary supplement, Times educational supplement, Time educational supplement Scotland, and the Times higher education supplement.

21: Bringing Down the House - Ben Mezrich 2012-02-29

Real-life all too rarely offers stories that are quite as satisfying as fiction. *Bringing Down the House* is one of the exceptions. Cheating in casinos is illegal; card-counting - making a record of what cards have so far been dealt to enable the player to make some prediction of what cards remain in the deck - is not. But casinos understandably dislike the practice and make every effort to keep card-counters out of their premises. *Bringing Down the House* tells the true story of the most successful scam ever, in which teams of brilliant young mathematicians and physicists won millions of dollars from the casinos of Las Vegas, being drawn in the process into the high-life of drugs, high-spending and sex. *Bringing Down the House* is as readable and as fascinating as *Liar's Poker* or *Barbarians At the Gate*, an insight into a closed, excessive

and utterly corrupt world.

The Advocate - 2004-08-17

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Men's Health - 2008-01

Men's Health magazine contains daily tips and articles on fitness, nutrition, relationships, sex, career and lifestyle.

Shipped - Angie Hockman 2021-01-19

The Unhoneymooners meets *The Hating Game* in this witty, clever, and swoonworthy novel following a workaholic marketing manager who is forced to go on a cruise with her arch-nemesis when they're up for the same promotion. Between taking night classes for her MBA and her demanding day job at a cruise line, marketing manager Henley Evans barely has time for herself, let alone family, friends, or dating. But when she's shortlisted for the promotion of her dreams, all her sacrifices finally seem worth it. The only problem? Graeme Crawford-Collins, the remote social media manager and the bane of her existence, is also up for the position. Although they've never met in person, their epic email battles are the stuff of office legend. Their boss tasks each of them with drafting a proposal on how to boost bookings in the Galápagos—best proposal wins the promotion. There's just one catch: they have to go on a company cruise to the Galápagos Islands...together. But when the two meet on the ship, Henley is shocked to discover that the real Graeme is nothing like she imagined. As they explore the Islands together, she soon finds the line between loathing and liking thinner than a postcard. With her career dreams in her sights and a growing attraction to the competition, Henley begins questioning her life choices. Because what's the point of working all the time if you never actually live? Perfect for fans of Christina Lauren and Sally Thorne, *Shipped* is a fresh and engaging rom-com that celebrates the power of second chances and the magic of new beginnings.

Seven Husbands of Evelyn Hugo - Taylor Jenkins Reid 2021-10-14

THE SUNDAY TIMES BESTSELLER AND TIKTOK SENSATION SOON TO BE A NETFLIX FILM 'Riveting, heart-wrenching and full of Old Hollywood glamour' BuzzFeed 'This wildly addictive journey of a reclusive Hollywood starlet and her tumultuous Tinseltown journey comes with unexpected twists and the most satisfying of drama' PopSugar From the author of *Daisy Jones & The Six* in which a legendary film actress reflects on her relentless rise to the top and the risks she took, the loves she lost, and the long-held secrets the public could never imagine. Aging and reclusive Hollywood movie icon Evelyn Hugo is finally ready to tell the truth about her glamorous and scandalous life. But when she chooses unknown magazine reporter Monique Grant for the job, no one is more astounded than Monique herself. Why her? Why now? Monique is not exactly on top of the world. Her husband has left her, and her professional life is going nowhere. Regardless of why Evelyn has selected her to write her biography, Monique is determined to use this opportunity to jumpstart her career. Summoned to Evelyn's luxurious apartment, Monique listens in fascination as the actress tells her story. From making her way to Los Angeles in the 1950s to her decision to leave show business in the '80s, and, of course, the seven husbands along the way, Evelyn unspools a tale of ruthless ambition, unexpected friendship, and a great forbidden love. Monique begins to feel a very real connection to the legendary star, but as Evelyn's story near its conclusion, it becomes clear that her life intersects with Monique's own in tragic and irreversible ways. *The Seven Husbands of Evelyn Hugo* is a mesmerizing journey through the splendour of old Hollywood into the harsh realities of the present day as two women struggle with what it means and what it costs to face the truth.
