

Sex Symbols In Kpop

The Logic of Connective Action - W. Lance Bennett 2013-08-26

The Logic of Connective Action shows how political action is coordinated and power is organized in communication-based networks, and what political outcomes may result.

Rebel Seoul - Axie Oh 2023-01-10

Pacific Rim meets Korean action dramas in this mind-blowing sci-fi novel set in New Seoul in the year 2199.

Hallyu 2.0 - Sangjoon Lee 2015-06

The first scholarly volume to investigate the impact of social media and other communication technologies on the global dissemination of the Korean Wave

Closer Than a Garment - Marital Intimacy - Al-Jibaly 2018-12-06

This book covers various aspects of marriage according to the authentic Sunnah. Marriage plays a most central role in the human life, and has been largely discussed by the scholars of Islam through the ages, resulting in numerous writings and treatises. This unique title covers a number of different aspects in marriage, including human sexuality, Islamic etiquettes of intimacy, prohibited acts of intimacy, ghusl, the 'awrah, zina', birth control, indecent acts, and more.

Global Glam and Popular Music - Ian Chapman 2016-02-12

This book is the first to explore style and spectacle in glam popular music performance from the 1970s to the present day, and from an international perspective. Focus is given to a number of representative artists, bands, and movements, as well as national, regional, and cultural contexts from around the globe. Approaching glam music performance and style broadly, and using the glam/glitter rock genre of the early 1970s as a foundation for case studies and comparisons, the volume engages with subjects that help in defining the glam phenomenon in its

many manifestations and contexts. Glam rock, in its original, term-defining inception, had its birth in the UK in 1970/71, and featured at its forefront acts such as David Bowie, T. Rex, Slade, and Roxy Music. Termed "glitter rock" in the US, stateside artists included Alice Cooper, Suzi Quatro, The New York Dolls, and Kiss. In a global context, glam is represented in many other cultures, where the influences of early glam rock can be seen clearly. In this book, glam exists at the intersections of glam rock and other styles (e.g., punk, metal, disco, goth). Its performers are characterized by their flamboyant and theatrical appearance (clothes, costumes, makeup, hairstyles), they often challenge gender stereotypes and sexuality (androgyny), and they create spectacle in popular music performance, fandom, and fashion. The essays in this collection comprise theoretically-informed contributions that address the diversity of the world's popular music via artists, bands, and movements, with special attention given to the ways glam has been influential not only as a music genre, but also in fashion, design, and other visual culture.

1980 Census of Population : Volume 1, Characteristics of the Population : Part 1. United States Summary. Parts 2-57. [States and Territories.] - United States. Bureau of the Census 1980

Soul in Seoul - Crystal S. Anderson 2020-08-25

K-pop (Korean popular music) reigns as one of the most popular music genres in the world today, a phenomenon that appeals to listeners of all ages and nationalities. In *Soul in Seoul: African American Popular Music and K-pop*, Crystal S. Anderson examines the most important and often overlooked aspect of K-pop: the music itself. She demonstrates how contemporary K-pop references and incorporates musical and

performative elements of African American popular music culture as well as the ways that fans outside of Korea understand these references. K-pop emerged in the 1990s with immediate global aspirations, combining musical elements from Korean and foreign cultures, particularly rhythm and blues genres of black American popular music. Korean solo artists and groups borrow from and cite instrumentation and vocals of R&B genres, especially hip-hop. They also enhance the R&B tradition by utilizing Korean musical strategies. These musical citational practices are deemed authentic by global fans who function as part of K-pop's music press and promotional apparatus. K-pop artists also cite elements of African American performance in Korean music videos. These disrupt stereotyped representations of Asian and African American performers. Through this process K-pop has arguably become a branch of a global R&B tradition. Anderson argues that Korean pop groups participate in that tradition through cultural work that enacts a global form of crossover and by maintaining forms of authenticity that cannot be faked, and furthermore propel the R&B tradition beyond the black-white binary. *K-Pop* - John Lie 2015

K-Pop: Popular Music, Cultural Amnesia, and Economic Innovation in South Korea seeks at once to describe and explain the emergence of export-oriented South Korean popular music and to make sense of larger South Korean economic and cultural transformations. John Lie provides not only a history of South Korean popular music—the premodern background, Japanese colonial influence, post-Liberation American impact, and recent globalization—but also a description of K-pop as a system of economic innovation and cultural production. In doing so, he delves into the broader background of South Korea in this wonderfully informed history and analysis of a pop culture phenomenon sweeping the globe.

The Psychic Life of Power - Judith Butler 1997

Judith Butler's new book considers the way in which psychic life is generated by the social operation of power, and how that social operation of power is concealed and fortified by the psyche that it produces. It combines social theory, philosophy, and psychoanalysis in

novel ways, and offers a more sustained analysis of the theory of subject formation implicit in her previous books.

From Factory Girls to K-Pop Idol Girls - Gooyong Kim 2018-12-17

Kim combines historical contextualization with political economy of the media and critical textual analysis to investigate the socio-ideological effects of K-Pop in the existing networks of power and domination in gender relations. He examines K-Pop female idols' individualism and identity formation through the lens of Korea's cultural politics.

An Introduction to Intercultural Communication - International Student Edition - FRED E. JANDT 2020-10-14

The Tenth Edition of *An Introduction to Intercultural Communication* prepares today's readers to successfully navigate our increasingly global community. Fred E. Jandt introduces essential communication skills and concepts that will enable readers to interact successfully with different cultures and ethnic groups. Jandt offers readers unique insights into intercultural communication, at home and abroad, through an emphasis on history, culture, and popular media. Throughout the text, Jandt reinforces the important roles that stories, personal experiences, and self-reflection play in building our intercultural understanding and competence. New to this edition: New material on religion and identity, gender identity, and gender expression enables readers to explore the most current coverage on modern theories. Focus on Skills boxes have been expanded to include more activities that provide students with additional practice of intercultural communication skills. Focus on Technology boxes illustrate the impact of the newest communication technology on intercultural encounters. The popular map program provide students with additional context for discussion of cultures and regions across the globe and dynamic data displays that are popular with students. Jandt's cultural perspective on communication is imparted through a range features: These include scenarios for students to respond to and "global voices" in the form of provocative quotes, with objectives and interactive summaries encasing each chapter. His engaging writing style also makes the text easy to read and comprehend. To complement this, SAGE edge offers a robust online

environment featuring an impressive array of tools and resources for review, study, and further exploration, keeping both instructors and students on the cutting edge of teaching and learning.

September Girls - Bennett Madison 2013-05-21

September Girls is a stunning coming-of-age novel about first loves, oblivious parents, sibling rivalries—and mermaids. This imaginative and painfully honest book garnered five starred reviews, including one from ALA Booklist that proclaimed it "a rare and lovely novel, deserving of attention from discriminating readers." Whisked away by his father to an unusual beach town in the Outer Banks, Sam finds himself having the summer vacation most guys dream of. He's surrounded by beautiful blonde girls, and, better yet, they all seem inexplicably attracted to him. But there's definitely something strange about the Girls. They only wear flats because heels make their feet bleed. They never go swimming in the water. And they all want something from him. Sam falls for one of the Girls, DeeDee, and begins an unexpected summer romance. But as they get closer, she pulls away without explanation. Sam knows that if he is going to win her back, he'll have to learn the Girls' secret. Bennett Madison, critically acclaimed author of *The Blonde of the Joke*, brings a mix of lyrical writing, psychologically complex characters, and sardonic humor to this young adult novel. *September Girls* is perfect for fans of the irreverent wit of Ned Vizzini and the seductive magic of fairy tales retold.

Postcolonial Astrology - Alice Sparkly Kat 2021-05-18

Tapping into the political power of magic and astrology for social, community, and personal transformation. In a cross-cultural approach to understanding astrology as a magical language, Alice Sparkly Kat unmasks the political power of astrology, showing how it can be channeled as a force for collective healing and liberation. Too often, magic and astrology are divorced from their potency and cultural contexts: co-opted by neoliberalism, used as a force of oppression, or distilled beyond recognition into applications that belie their individual and collective power. By looking at the symbolic and etymological histories of the sun, moon, Saturn, Venus, Mercury, Mars, and Jupiter,

we can trace and understand the politics of magic--and challenge our own practices, interrogate our truths, and reshape our institutions to build better frameworks for communities of care. Fearless, radical, and fresh, Sparkly Kat's *Postcolonial Astrology* ushers in a new wave of astrology revival, refusing to apologize for its magickism and connecting its power to the spirituality and politics we need now. Intersectional, inclusive, and geared towards queer and POC communities, it uses our historical and collective constructs of the planets, sun, and moon to re-chart our subconscious history, redefine the body in the world, and assert our politics of the personal, in astrology and all things.

Made in Korea - Sarah Suk 2022-05-24

"Two entrepreneurial Korean-American teens butt heads-and fall in love-while running competing Korean beauty businesses at their high school"-

Crying in H Mart - Michelle Zauner 2021-04-27

ONE OF BARACK OBAMA'S FAVOURITE BOOKS OF 2021 From the indie rockstar Japanese Breakfast, an unflinching, powerful, deeply moving memoir about growing up mixed-race, Korean food, losing her Korean mother, and forging her own identity. In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up the only Asian-American kid at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the east coast for college, finding work in the restaurant industry, performing gigs with her fledgling band-and meeting the man who would become her husband-her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal pancreatic cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Michelle Zauner's voice is as

radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, *Crying in H Mart* is a book to cherish, share, and reread. PRAISE FOR CRYING IN H MART 'Michelle Zauner's *Crying In H Mart* is as good as everyone says it is and, yes, it will have you in tears. An essential read for anybody who has lost a loved one, as well as those who haven't.' Marie-Claire 'The book's descriptions of *jjigae*, *tteokbokki*, and other Korean delicacies stand out as tokens of the deep, all-encompassing love between Zauner and her mother, a love that is charted in vivid descriptions of her mother after death; in a time when people around the world are reckoning with untold loss due to COVID-19, Zauner's frankness around death feels like an unexpected yet deeply necessary gift.' Vogue 'Zauner's writing is powerful in its straightforwardness, though some turns of phrases are as beautiful as any song lyric... but it is her ability to convey how her mother's simple offering of a rice snack was actually an act of the truest love that leaves the most indelible impression.' Refinery 29 'Poignant . . . A tender, well-rendered, heart-wrenching account of the way food ties us to those who have passed. The author delivers mouthwatering descriptions of dishes like *pajeon*, *atjok*, and *gimbap*, and her storytelling is fluid, honest, and intimate . . . Zauner's ability to let us in through taste makes her book stand out- she makes us feel like we are in her mother's kitchen, singing her praises.' Kirkus Reviews (starred review)

The Art of South and Southeast Asia - Steven Kossak 2001

Presents works of art selected from the South and Southeast Asian and Islamic collection of The Metropolitan Museum of Art, lessons plans, and classroom activities.

Polish K-Pop Fandom - Julia Trzcińska 2018-01-01

This book was written for people who would like to learn more about Polish K-Pop fandom, but it can also be of help for those who are looking for some basic information about fan studies or K-Pop in general. Korean music has only recently started to gain popularity in Poland (as well as in other European countries). Some may affiliate K-Pop with Psy's *Gangnam Style*, a track which was virtually inescapable in the summer of 2012, but around that time the European K-Pop fandom was already well-

developed, as evidenced by the Korean group Big Bang winning MTV European Music Award in 2011, or the flashmob fans organized in front of the Louvre museum that forced one of the biggest Korean entertainment companies to organize one more concert of their artists in the same year. Nevertheless, K-Pop's international popularity peak is often being connected to BTS' success, when they were awarded the Top Social Artist Award and successfully performed during the Billboard Music Awards in 2017. It would be difficult to say how many K-Pop fans there are in Poland now and how the number changed over the years, but it is still undoubtedly growing.

Essentials of Mass Communication Theory - Arthur Asa Berger
1995-07-05

'Solid and elegantly written introduction to its subject, up to speed with the current movements in the field, this is an excellent textbook for first-year students. The layout is well-conceived, and interspersed with Berger's own whimsical cartoons' - Sight and Sound

Playing it Queer - Jodie Taylor 2012

Popular music has always been a dynamic mediator of gender and sexuality, and a productive site of rebellion, oddity and queerness. The transformative capacity of music-making, performance and consumption helps us to make sense of identity and allows us to glimpse otherworldliness, arousing the political imagination. With an activist voice that is impassioned yet adherent to scholarly rigour, *Playing it Queer* provides an original and compelling ethnographic account of the relationship between popular music, queer self-fashioning and (sub)cultural world-making. This book begins with a comprehensive survey and critical evaluation of relevant literatures on queer identity and political debates as well as popular music, identity and (sub)cultural style. Contextualised within a detailed history of queer sensibilities and creative practices, including camp, drag, genderfuck, queercore, feminist music and club cultures, the author's rich empirical studies of local performers and translocal scenes intimately capture the meaning and value of popular musics and (sub)cultural style in everyday queer lives.

Hello, I Love You - Katie M. Stout 2015-06-09

Grace Wilde is running—from the multi-million dollar mansion her record producer father bought, the famous older brother who's topped the country music charts five years in a row, and the mother who blames her for her brother's breakdown. Grace escapes to the farthest place from home she can think of, a boarding school in Korea, hoping for a fresh start. She wants nothing to do with music, but when her roommate Sophie's twin brother Jason turns out to be the newest Korean pop music superstar, Grace is thrust back into the world of fame. She can't stand Jason, whose celebrity status is only outmatched by his oversized ego,

but they form a tenuous alliance for the sake of her friendship with Sophie. As the months go by and Grace adjusts to her new life in Korea, even she can't deny the sparks flying between her and the KPOP idol. Soon, Grace realizes that her feelings for Jason threaten her promise to herself that she'll leave behind the music industry that destroyed her family. But can Grace ignore her attraction to Jason and her undeniable pull of the music she was born to write? Sweet, fun, and romantic, Katie M. Stout's *Hello, I Love You* explores what it means to experience first love and discover who you really are in the process.
