Why I Waited Angela R. Camon 2009-08-21 Why I Waited is based on a true story about my commitment to remain abstinent until marriage. It gives accounts of actual incidents that challenged my desire to keep the promise that I made to God and myself. The book offers many reasons why one who is contemplating engaging in pre-marital sex should wait until marriage. It acknowledges that temptations do exist and are real, but it counters those thoughts with biblical scriptures that helps one conquer and overcome those temptations. For those who have engaged in sexual activity already, Why I Waited conveys a message of hope and recommitment. Encouragement and empowerment are the key objectives of this God-approved guide intended for young adults, but may be of use to all. It offers bible-based words of wisdom that assists in helping one make the right choices, and it also identifies important strategies that help strengthen and build a healthy self-esteem. It addresses the debilitating power of negative peer pressure and how one's life may be destroyed as a result of succumbing to it. Why I Waited stresses a goal of sexual purity, and a reliance on God to help you achieve that goal.

The Bible Sex and You Roy B. Blizzard 2013-03-18 The Bible Sex and You reveals the hidden elements of sex during the biblical period by highlighting what was once permissible but later forbidden in Christianity. Marriage, sex, birth control, abortion, divorce, homosexuality, fornication, adultery and masturbation are each analyzed from antiquity in an attempt to reverse numerous 2,000 year old misinterpretations. The Bible, properly understood, could be the best sex text of modern times.

Premarital Sex in America Mark Regnerus 2011-01-10 The period of young adulthood, from ages 18 to 23, is popularly considered the most sexualized in life. But is it true? What do we really know about the sexual lives of young people today? Premarital Sex in America combines illuminating personal stories and comprehensive research surveys to provide the fullest portrait of heterosexuality among young adults ever produced. Mark Regnerus and Jeremy Uecker draw upon a wealth of survey data as well as scores of in-depth interviews with young adults from around the country, both in and out of college. Digging underneath stereotypes and unexamined assumptions, the authors offer compelling--and often surprising--answers to such questions as: How do the emotional aspects of sexual relations differ between young men and women? What role do political orientations play in their sexual relations? How have online dating and social networking sites affected the relationships of emerging adults? Why are young people today waiting so much longer to marry? How prevalent are nontraditional forms of sex, and what do people think of them? To better understand what drives the sexual behaviors of emerging adults, Regnerus and Uecker pay special attention to two important concepts: sexual scripts, the unwritten and often unconscious rules that guide sexual behavior and attitudes; and sexual economics, a theory which suggests that the relative scarcity of men on college campuses contributes to the "hookup" culture by allowing men to diminish their level of commitment and thereby lower the "price" they have to "pay" for sex. For anyone wishing to understand how sexual relations between young adults have changed and are changing, Premarital Sex in America will serve as a touchstone for years to come.

Undeified David Grams 2021-02 This book reveals the shocking, untold truths about marriage and sexuality contained in the overlooked pages of the Bible. In an exhaustive yet concise revelation, David Grams explains what the Bible really teaches about sex and why the Church has been getting

it wrong for so many years. Porn, masturbation, divorce, promiscuity, homosexuality & the LGBTQ agenda...all these things are address in this book from a purely biblical perspective. But, above all else, the author praises the unrivaled power and beauty of sex in the covenant of marriage. The truths in this book will heal your perception of sexuality and redeem your experience of love and marriage back to what God first created in the Garden of Eden. Whether you're a teenager, single, dating, engaged, married, divorced or separated, you will benefit greatly from the teaching in this book. Any amount of research will tell you that sexuality is one of the most controversial and widely debated topics of our modern world. Even in Christianity, almost no other subject evokes more controversy. People are generally confused, uninformed, indifferent, and uncomfortable when it comes to talking about sex. With the rising popularity of liberalistic sexual orientations and expressions in our culture, it's crucial that we, as Christians, clearly understand what God says about this often hidden but critically important part of our lives. Undefined will teach you that there is almost nothing else in our natural life, that God has created, that is as spiritually significant and as powerful as sex. Sex was God's idea, and He made it for a purpose. It's even a form of worship and a powerful weapon against the forces of darkness. If we understand the purpose of sex, we can heal marriages, protect from heartache, replace confusion with clarity, and ultimately, pave the way for this emerging generation to live in a radically powerful and godly sexuality. Why did God create sex anyway? What should sex look like in a marriage? How does a sex life become supernaturally powerful? Is sex before marriage sinful? What about homosexuality? What about masturbation? Why is pornography harmful, and how do I break an addiction to it? All these questions and more are answered in this book. Unprotected Texts Jennifer Wright Knust 2011-01-25 "An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar." —Bart Ehrman, author of *Misquoting Jesus* Boston University's cutting-edge religion scholar Jennifer Wright Knust reveals the Bible's contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart Erhman's *Jesus Interrupted* and John Shelby Spong's *Sins of Scripture*, Knust's *Unprotected Texts* liberates us from the pervasive moralizing—the fickle dos and don'ts—so often dictated by religious demagogues. Knust's powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

Good Christian Sex Bromleigh McCleneghan 2016-07-05 Moving beyond the deep-seated cultural feelings of shame that have long fueled the conflict between Christianity and sex—and the belief that there is only one right and valid way to practice one's sexuality—this renowned University of Chicago pastor uses enlightening personal stories and examples from theology to show how sex is

powerful and holy. For years, Christians have been told to adhere to one singular path when it comes to sex: abstinence and purity. Yet this limited focus ignores the reality that people's sexual and romantic lives differ widely, even among those who consider themselves devout believers. Church leaders have often refused to address the topic—or have preached in ways that are harmful to the emotional and spiritual growth of the faithful in the pews. Pastor McCleneghan is determined to reshape the issue—and fundamentally transcend this disconnect between sexuality and spirituality that has left many Christians feeling guilty and sinful. Written in her measured, non-judgmental voice, *Good Christian Sex* combines humorous personal anecdotes with theological research to transform how Christians think and talk about this basic human need, offering a new understanding that reconciles human love and religious faith. Breaking with outdated conventions, McCleneghan explains how the Bible and Christian tradition inform our beliefs about desire, pleasure, nudity, fidelity, premarital sex, and the variety of sexual practices, and encourages Christians to talk about their bodies, their sensuality, and their longings in a frank, positive, and realistic way. Warm, insightful, and honest, *Good Christian Sex* is a message of hope, that at last lifts the veil of shame felt by many religious people.

Christians. It discusses one of the biggest challenges among teens and singles: pre-marital sexual activity. This bestselling full-color pamphlet presents 24 reasons--12 biblical and 12 medical and emotional--to think twice before risking health and happiness on sex outside of marriage. Although many public school students receive sex education in school, Christians have a distinct view of the sacredness of sex that is usually not presented in a classroom setting. This Why Wait Pamphlet is a very basic abstinence education overview from a Christian stance that presents a Christian viewpoint on human sexuality in a simple 1-2 hour discussion. The reality is that many students today have experienced sexual contact already. Some have been taken advantage of. Others were pressured or coerced. Some have simply been naive. This grace-filled pamphlet also helps those who want to be assured of God's constant love and good plan no matter what they have experienced. It is never too late to treat yourself with respect and expect others to do the same. Abstinence Education from a Christian Point of View Teens and single adults ask themselves, Why Wait? Why does God care if I have sex? Everyone else is doing it. In fact, these many people are often surprised to discover that God does have very good reasons for us to wait for sex until marriage. The pamphlet presents 12 of God's compelling reasons to wait, but also provides ideas for those who have not, as well as an encouraging section on "second-time virginity." Sources for the Medical Information in this Abstinence Education Booklet All of the medical information on this pamphlet is from nationally known health organizations or researchers, such as the Centers for Disease Control, the Alan Guttmacher Institute, the National Institutes for Health, the Kaiser Family Foundations, and Johns Hopkins Medical School.

Sex and the Single Christian Alexis Soberanis 2005-05 FORNICATION: CONSENSUAL SEXUAL INTERCOURSE BETWEEN TWO PERSONS NOT MARRIED TO EACH OTHER What does God say about fornication? To avoid fornication, let every man have his own wife, and let every woman have her own husband. (1 Corinthians 7:2 kjv) In her book, Pastor Alexis Soberanis explores the dangerous and devastating effects of fornication. She reveals that when God instructed the human race to avoid fornication at all costs, He provided a beautiful alternative: the covenant of marriage. "Marriage is honorable, and the bed is undefiled, but fornicators and adulterers God will judge" (Hebrews 13:4 nkjv). Pastor Soberanis demonstrates how the act of fornication will continue to affect generations unless the cycle of pre-marital sex is broken by the power and blood of Jesus Christ. Fornication is a forgivable sin, but it has disturbing consequences, including incurable sexual diseases; mass murder (by abortions); unplanned and unwanted children, resulting in hundreds of thousands of them having to be placed in the foster care system (many of these foster homes are incompatible and abusive); and most recently, many newborns being disposed of in garbage dumpsters by unwed teenage girls not emotionally and psychologically prepared for motherhood. Pastor Soberanis' desire is that every single who reads this book will make the decision to accept God's alternative to pre-marital sex, which is to wait for their Godordained spouse, leading into the confines of marriage, and in the process, canceling the generational iniquity of fornication and

fatherlessness and starting a new blessing of sexual abstinence until marriage, resulting in strong and lasting family units. Pastor Alexis Soberanis and her husband Pastor Harrison Soberanis are the Founders and Senior Pastors of Prophetic Word Global Fellowship Inc., in Tampa, Florida. They are also the Founders and Administrators of People Helping People, Inc., a non-profit agency through which they have been serving the disadvantaged in Los Angeles, CA, and Tampa, Florida, since 1990. Pastor Alexis Soberanis currently resides in Tampa, Florida, with her husband Pastor Harrison Soberanis, and their son Christopher.

Sex before Marriage. What's the harm? Daniele Luciano Moskal 2014-12-13 God is a holy God who feels very strongly about SEX before marriage and has listed it in the Holy Bible as one of His most serious offenses we can commit. He has made a strong moral statement on how He feels about unmarried people and sex relations which is found in the Book of 1 Corinthians, chapter 6, verses 9-10. ""Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God."" Many people know that in marriage adultery is wrong, but don't realize that God considers pre-marital sex (fornication) just as serious. God definitely says ""NO"" to any sex before marriage. In this book the author tackles this everyday question using the very Word of God to teach the reader in an easy-to-comprehend style the reasons why, 'Sex before Marriage is very harmful!'

Sex, God, and the Conservative Church Tina Schermer Sellers 2017-04-21 Sex, God, and the Conservative Church guides psychotherapy and sexology clinicians on how to treat clients who grew up in a conservative faith—mired in sexual shame and dysfunction—and who desire to both heal and hold on to their faith orientation. The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church, and their effects on intimate partnerships and sexual lives. The book provides clinicians a way to understand the faulty sexual ethic of the early church, while revealing the hidden mystical sex and body positive understanding of sexuality of the Hebrew people. The book also includes chapters on strategies for a new sexual ethic, on clinical steps to heal religious sexual shame, and on specific sex therapy interventions clinicians can use directly in their practice. Finally, it offers a four step model for healing religious sexual shame and actual touch and non-touch exercises to bring healing and intimacy into a person's life.

Sex Is NOT a Sin 2016-06-10 SOMEBODY'S Not Telling You the Truth!Whether you are a Christian or not... religious or not, you're going to be intrigued by this discovery.Does God really consider premarital sex a sin? How about prostitution? Most... No, all "Christians" believe that sex before marriage is a sin and that all prostitution is an abomination in the sight of God. But is that what God really says in scripture?Truth is... the truth has been cloaked by false religious doctrines based on critical flaws in the translations of certain words, perhaps intentionally, changing the meaning of specific pieces of scripture within the historical context it was written. What this creates is a gross misunderstanding of what the original intent of the writers was with regards to this topic. It's as if the religious elites have launched a campaign of disinformation designed to pull the wool over your eyes... But why?The outcome is condemnation and guilt for anyone who engages in premarital sex... or even thinks about it. But none of that is Biblically correct! This book proves it.Written by a Christian of more than 35 years who was challenged to expose the truth based on a failed

relationship with his fiancée, in which some Christian associates openly passed judgement that his relationship wasn't blessed due to premarital sex. Having discovered the truth long ago but never really studying it, he was forced to defend himself against a barrage of accusations based on scripture thrown at him by those indoctrinated in the religion of sexual immorality: Scripture he knew was out of context with the wrong translations. Unfortunately, he lost that battle because he couldn't "show himself approved." This led to a 4-month long journey into rediscovering the truth and exposing the lies perpetrated on him and the rest of the world. Based on facts that have been hidden from the public for centuries, he reveals what God's real intentions are regarding sex, sex before marriage and prostitution. What you will discover flies in the face of main street religious doctrine that premarital sex is a sin, all prostitution is a sin and that anyone "lusting" after another to desire that person is adultery. Whether you are a Christian or not, you will feel liberated from this distorted and false doctrine of sexual immorality and uncover what God truly has to say about those things which are really sexually immoral and why. This book is for anyone who is justly interested in the truth on this taboo. It will empower you and inspire you. This book is not a condemnation of Christianity and instead shows that it is "religion," not Christianity that is the issue. This book doesn't promote prostitution nor encourage sex before marriage, especially for young adults. It's an exploration of the truth that has been hidden for too long.

Why You Should Not Have Sex Before Marriage Sam Goode 2006 One of the biggest challenges facing Christian teenagers today is the biblical requirement to preserve one's virginity before marriage. Goode gives some common sense reasons why Christian teens should protect their virginity at all cost.

The Evangelical Universalist Gregory MacDonald 2012-05-11 -Can an orthodox Christian, committed to the historic faith of the church and the authority of the Bible, be a universalist? -Is it possible to believe that salvation is found only by grace, through faith in Christ, and yet to maintain that in the end all people will be saved? -Can one believe passionately in mission if one does not think that anyone will be lost forever? -Could universalism be consistent with the teachings of the Bible? Gregory MacDonald argues that the answer is yes to all of these questions. Weaving together philosophical, theological, and biblical considerations, MacDonald seeks to show that being a committed universalist is consistent with the central teachings of the biblical texts and of historic Christian theology. This second edition contains a new preface providing the backstory of the book, two extensive new appendices, a study guide, and a Scripture index.

Sexual Battles 2013-02-13 Have you ever wondered if there's a secret to living a life of freedom and holiness? Have you feared that maybe you're missing something somewhere? Or perhaps you've wondered whether it really is even possible to live a life free of immorality and sexual sin? Statistics today say that sexual problems ? such as porn addiction, sex before marriage, and adultery ? are more prevalent than they have ever been before. Sex Before Marriage Ashlyn R Watkins 2019-07-21 If you are feeling chained to or curious about sex, but also trying to live your life for God, this book is for you. It sounds crazy to form a sentence that way, but that is who I was. I was a young girl who loved God and deeply wanted to live a good Christian life but became caught up in wanting to feel wanted. I found myself falling into bed with terrible decisions and the worst thing is I had no one to talk to about it. I had a loving church community, but unfortunately, no one talked openly about the secret struggles of sex. Religion somehow kept us together on the outside but trapped to secrecy on the inside. If only someone felt free enough to listen to me and brave enough to help me understand that my sexual curiosities were normal, then maybe I would have kept my virginity. If only someone would have taken the time to be real with me and share their mistakes about sex, then maybe I would have stopped after the first guy. If only someone was willing to step away from performing church and actually be the church, then maybe I would not have ended up with so many regrets. However, since I did not get that then, I will be that for someone else now. I will not live in those regrets; instead, I will allow my pain to become a lesson for you. I will give you the truth about sex before marriage in the honesty I wish was given to me. Although you will read scriptures, I guarantee you this will not be your average Bible group purity class. You will read details of my experiences in a way that is not taught in church but needed to help you overcome temptation. If you are comfortable enough to embrace that, then this book will bring you the understanding you need to keep yourself from having sex before marriage.

Reclaiming Intimacy Heather Jamison The author speaks to couples and counselors dealing with the complicated emotional and spiritual problems generated by physical relationships that precede long-term commitment.

Love, Sex, & Marriage Barrington O. Burrell 2013-04-09 This is a valuable book on the topical subjects of love, sex and marriage, from a practical Christian perspective. The author uses clear, understandable language to point out the God-given purpose of sex in marriage, and some of the potential dangers of sexual abuse. He explores the early beginnings of new-born babies and their subsequent growth over the years to puberty and adolescence. "Teenagers are like strangers in a foreign country. They are experiencing a difficult period of transition between childhood and adulthood. At this crucial stage of their development, young people have a keen interest in fashion, music and sex. Many are sexually active, and some begin to think about marriage and family life, although they often confuse love with lust, and they are not mature enough to assume the responsibility of parenthood."

Faith Love and Sex Somtochukwu Ume 2012-10 This book is about the three common words we normally say, their meaning and their impacts in our daily lives. Many Christians use the word faith often but only few truly have it. This book will teach you more about faith, the application, importance and how we can apply it in our daily lives. As human beings we need faith to help us stay strong in stormy times. Another important topic discussed in this book is "love". In our world today, love is the most common word used. We use it mostly on daily basis; we understand and define it in so many ways but only few know the true meaning of it. I have seen many occasions where a guy will meet a girl for the first time and start prophesying how much love he has for the girl. Some people believe in love at first sight, I'm not against it, I know something will get you attracted from somebody before you can make a move, but that attraction doesn't mean you love the person, is only being close with someone that you will get to develop real love. Real love develops is not based on physical attraction. Another important word discussed is sex. Nobody in this life can tell me he/she has never heard of sex. Sex is everywhere. This book will teach you some things you have to know about sex; it is not something you haven't heard of, but teachings in biblical way.
