2014-11-29

From movie villains to scream queens, here are interviews with 36 actors and actresses familiar to fans of sixties and seventies cult cinema. *Tillich and the Abyss* - Sigridur Gudmarsdottir  
2016-09-07

This book examines Paul Tillich's theological concept of the abyss by locating it within the context of current postmodern antifoundalist discussions and debates surrounding feminism, gender, and language. Sigridur Gudmarsdottir develops these tropes into a constructive theology, arguing that Tillich's idea of the abyss can serve as a necessary means of deconstructing the binaries between the theoretical and the practical in producing nihilistic relativism and the safe foundations of knowledge (divine as well as human). How does one search for a map and method through an abyss? In his writings, Tillich expressed the ambiguity and groundlessness of being, the depth structure of the human condition, and the

reality of God as an abyss. The more we gaze into this abyss, the more we encounter the faults in our various foundations. This book outlines how Tillich's concept of the abyss creates greater opportunities for complexity and liminality and opens up a space where life and death, destruction and construction, fecundity and horror, womb and tomb, can coincide.

**The Devil's in the Detailz** - Jenay Zapparelli  
2022-03-16

Who doesn't like a little tumultuous tale every now & then? It's not every day you get to listen to a true story about the incredible golden gumption of the human spirit, & how it can, indeed, beat defeat. We all have a special place in our heart for "Rocky Balboa," don't we? We all love a little underdog story. Besides, who doesn't daydream about the good old rotary phone days of mixed tapes & mosh pits, when times were much more... NOT pandemic? Welcome to this personal plight... may you marvel at the courage & candor, the art of recollection, the courtesy of a proficient execution, the charismatic way she draws you in. You will see what "speaking your truth" looks like, & witness how it lands for everybody involved, no matter what the uncomfortable cost. On the flip side, strap in... for an amusing, fun wild ride down the memory lane of the... oh so enchanting, 80s & 90s. An unbridled venture back in time, this provocative full circle moment is a tell-all account of the author's unorthodox passage through the halls of humanhood. Somehow, it all makes perfect sense even when it doesn't. Through the darkest hour, the promise of perseverance prevails.

Children, indeed, are the future, & how we treat them... makes or breaks our world. This is a book about forgiveness & complete freedom for all of us, no matter what eats you up inside or how deep the cut. In Her Words No longer buried in the back of "Pandora's Box Is Burning," where it originally debuted, this special edition spawn for an all-inclusive broader audience where everyone is bound to relate. We all have a story... don't we? This book may be regarding my frayed family ties, but I'd be remiss not to acknowledge how the "system" has produced many casualties. We are in this thing called life, together, no doubt. This book will be a surrogate for anyone seeking to be set free. Breaking the chains of a flawed lineage is no small, easy feat, but I have surely done all the heavy lifting. I stand up, fight back, regain my power once & for all, & recalibrate my entire existence so that others can catch the rainbow, the promise of a better day. If you or anyone you know has ever felt... \*abandoned, betrayed, forsaken, used, abused, neglected or forlorn \*like damaged goods, a train wreck, a fallen angel, a failure \*like it's too hard, too much, too scary or just too little too late Bring it in, fam, you are not alone. Unlock the heart cage here. Exonerate your well-being & joy. Grant yourself grace, permission to heal & release perceived issues for good. IT'S NEVER TOO LATE! Join me, your story matters too. By listening to mine, you will find that yours will suddenly wake. It's high time for ALL OF US to unravel the ties that bind & fly. BookonFire Press~ In Love We Trust

**Domestic Arrangements** - Norma Klein  
2014-03-03

The paradoxes set up between love and sex in contemporary American life are explored with subtle insight and brilliantly incisive humor in this culturally prescient novel. Domestic Arrangements is about a recognizable family facing a recognizable dilemma—how to respond to their daughter's first affair. The Englebergs are not altogether ordinary though: Mom is Amanda, an in-demand actress whose specialties are TV commercials and soap operas; Daddy is Lionel, the director of an Emmy-winning TV documentary; Tatiana, our fourteen-year-old narrator, is a budding actress who just filmed her first 'tasteful' nude scene; and finally Cordelia, Tatiana's acerbic and sharp-witted

sister who is facing her own crisis of self-image. Norma Klein's novel speaks to a multitude of readers who will empathize with the foibles of our time in every scene of this perceptive and honest literary entertainment.

**Dick Clark's the First 25 Years of Rock & Roll** - Michael Uslan 1981

Biographies of rock stars and rock groups are arranged by year from 1955 to 1980.

**Spy** - 1988-11

Smart. Funny. Fearless. "It's pretty safe to say that Spy was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.

The Eighties - Dylan Jones 2014-08-28

One Day: Saturday 13 July 1985, nearly two billion people woke up with one purpose. Nearly a third of humanity knew where they were going to be that day. Watching, listening to, attending: Live Aid. One Decade: Britain in the Eighties was different. The culture was different, the politics were different, and our engagement with the world was different. And it was just one day in 1985 that showed how different it was. In One Day, One Decade Dylan Jones tells the story of the Eighties through that day at Wembley, sweeping backwards to the end of the Seventies, and forward to the start of the Nineties. It draws on his personal reminiscences and perspective of music, media, fashion, politics and all forms of pop culture to frame the decade. This is a big book but not an exhaustive and dry social history. Live Aid was the decade's pinch point, when a nation's attitudes and expectations were somehow captured and changed forever. The author suggests that before Live Aid, Britain was one place, and after Live Aid it was another. Britain in the Eighties was a juxtaposition of militancy and profligacy, a country where industry was being broken down, societies were being demolished, and unemployment became an inevitable lifestyle choice: yet the Eighties was also the apotheosis of pop culture, a decade where entertainment, opinion and subjectivity

were more important than ever before. Dylan Jones was at the heart of the 1980s editing the seminal magazines *i-D* and *The Face*. He was one of the Blitz Kids and was both a commentator and one of the style-makers of the time. This is a controversial book, a story told from the inside by one who was at the centre of events.

**The Films of the Eighties** - Douglas Brode 1990

Among the diverse movies included in this celebration of the decade are *A Fish Called Wanda*, *The Last Temptation of Christ*, *Amadeus*, *Platoon*, *Who Framed Roger Rabbit*, and *Dangerous Liaisons*. For every film discussed, Brode provides a listing of casts and credits and a detailed summary of the film's story and production history. Hundreds of photographs.

Queer Looks - Martha Gever 2013-06-17

*Queer Looks* is a collection of writing by video artists, filmmakers, and critics which explores the recent explosion of lesbian and gay independent media culture. A compelling compilation of artists' statements and critical theory, producer interviews and image-text works, this anthology demonstrates the vitality of queer artists under attack and fighting back. Each maker and writer deploys a surprising array of techniques and tactics, negotiating the difficult terrain between street pragmatism and theoretical inquiry, finding voices rich in chutzpah and subtlety. From guerilla Super-8 in Manila to AIDS video activism in New York, *Queer Looks* zooms in on this very queer place in media culture, revealing a wealth of strategies, a plurality of aesthetics, and an artillery of resistances.

The Movies of the Eighties - Ron Base 1990

**Leche** - R. Zamora Linmark 2011-03-29  
After thirteen years of living in the U.S., Vince returns to his birthplace, the Philippines. As he ventures into the heat and chaos of the city, he encounters a motley cast of characters, including a renegade nun, a political film director, arrogant hustlers, and the country's spotlight-driven First Daughter. Haunted by his childhood memories and a troubled family history, Vince unravels the turmoil, beauty, and despair of a life caught between a fractured past and a precarious future. Witty and mesmerizing,

this novel explores the complex colonial and cultural history of the Philippines and the paradoxes inherent in the search for both personal and national identities. R. Zamora Linmark is the author of the novel *Rolling the R's* (Kaya Press) and two poetry collections, *Prime Time Apparitions* and *The Evolution of a Sigh* (Hanging Loose Press). Linmark splits his time between Manila and Honolulu.

**Attraction and Attachment** - Barbara Jo Brothers 2014-01-14

Here is a fascinating exploration of the powerful forces of attachment and attraction that determine the formation and styles of couples' relationships. What factors attract one person to another? What determines whether or not a healthy relationship is formed? As therapists know, there is much in this world that passes for love but is really the result of leftover dependency needs and unresolved attachment issues. **Attraction and Attachment:**

**Understanding Styles of Relationships** examines issues of attachment in relationships, discusses the validity of the concept of codependency as one aspect of attachment, and explores various aspects of attraction. The contributing authors consider some of the many styles of relationships that are called love and examine some of the basic sources of attraction. **Attraction and Attachment** includes an in-depth evaluation of the concept of codependency, a review of the literature on attraction, methods for achieving equilibrium in sexual intimacy, and some of Virginia Satir's insights on fear and making changes. Just a few of the specific topics explored in these important chapters include: the relationship of childhood attachment experiences and successful long-term marriages

the influence of therapists' implicit philosophies on treatment options and their effectiveness in therapy a review of biological, psychological, and social psychological literature on mate selection a definition of codependency a study of the link between codependency and depression couples' acceptance of alternative treatment formats Psychiatrists, psychologists, and clinical social workers, as well as substance abuse counselors and pastoral counselors, can discover new insights on attraction and attachment in this provocative book. All mental health professionals can find new ways of looking at the foundational elements of relationships that are invaluable to them in their work with couples.

**Hollywood Surf and Beach Movies** - Thomas Lisanti 2015-05-07

Surfers loathed them, teenagers flocked to them, critics dismissed them, producers banked on them—surf and beach movies. For a short time in the 1960s they were extremely popular with younger audiences—mainly because of the shirtless surfer boys and bikini-clad beach girls, the musical performers, and the wild surfing footage. This lavishly illustrated filmography details 32 sizzling fun-in-the-sun teenage epics from *Gidget* to the *Beach Party* movies with *Frankie and Annette* to *The Sweet Ride* plus a few offshoots in the snow!) Entries include credits, plot synopses, memorable lines, reviews and awards, and commentary from such as Aron Kincaid of *The Girls on the Beach*, Susan Hart of *The Ghost in the Invisible Bikini*, Peter Brown of *Ride the Wild Surf*, Chris Noel of *Beach Ball*, and Ed Garner of *Beach Blanket Bingo*. Biographies of actors and leading actresses who made their marks in the genre are included.
