The Limits of #MeToo in Hollywood - Margaret Tally
2021-06-28

In October 2017, actress Alyssa Milano sparked the #MeToo movement. The ensuing

protests quickly encompassed far more than Harvey Weinstein and the entertainment industry. They expressed women's outrage at male workplace behavior in every sector and social class and even helped elect a new generation of women leaders in 2018. But what has been the

effect of #MeToo in the entertainment industry itself? This book traces the movement's influence on the stories being told, on changing representations of women's lives and bodies, and on the slow changes among the producers who shape the stories. Analyzing a wide set of TV and film genres--including crime, legal and medical dramas, comedies, horror and reality programming--this book covers the complex ways that media respond to social movements: They sometimes give voice to brand-new or previously silenced stories, but just as often make facile references that can blunt the potential for change, or even fuel cultural backlash.

the Thursday Murder Club find themselves in the middle of their first live case. Elizabeth, Joyce, Ibrahim and Ron might be pushing eighty but they still have a few tricks up their sleeves. Can our unorthodox but brilliant gang catch the killer before it's too late? The Times Crime Book of the Month Guardian Best Crime and Thrillers ----- 'A warm, wise and witty warning never to underestimate the elderly' Val McDermid 'I completely fell in love with it' Shari Lapena 'This is properly brilliant. The pages fly and I can't stop smiling' Steve Cavanagh 'Steeped in Agatha Christie joy' Araminta Hall 'Pure escapism' Guardian 'As gripping as it is funny' Evening Standard 'An exciting new talent in crime fiction' Daily Mail 'A witty and poignant tale' Daily Telegraph 'Funny and original' Sun Queer Eye - Antoni Porowski 2018-11-15

From the Fab Five - the beloved hosts of Netflix's viral hit Queer Eye - comes a book, and an official guide, that is at once a behind-the-scenes

exclusive, a practical guide to living and celebrating your best life, and a symbol of hope. Feeling your best is about far more than deciding what colour to paint your accent wall or how to apply nightly moisturiser. It's also about creating a life that's well-rounded, filled with humour and understanding and most importantly, that suits you. At a cultural moment when we are all craving people to admire, Queer Eye offers hope and acceptance. After you get to know the Fab Five, together they will guide you through five practical chapters that go beyond their designated areas of expertise (food & wine, fashion, grooming, home decor, and culture), touching on topics like wellness, entertaining, and defining your personal brand, and complete with bite-sized Hip Tips for your everyday quandaries. Above all else, Queer Eye aims to help you create a happy and healthy life, rooted in self-love and authenticity.

I Had a Black Dog - Matthew Johnstone 2012-03-01

Downloaded from
legacy.opendemocracy.net
on 2023-01-14 by guest

'I Had a Black Dog says with wit, insight, economy and complete understanding what other books take 300 pages to say. Brilliant and indispensable.' - Stephen Fry 'Finally, a book about depression that isn't a prescriptive self-help manual. Johnston's deftly expresses how lonely and isolating depression can be for sufferers. Poignant and humorous in equal measure.' Sunday Times There are many different breeds of Black Dog affecting millions of people from all walks of life. The Black Dog is an equal opportunity mongrel. It was Winston Churchill who popularized the phrase Black Dog to describe the bouts of depression he experienced for much of his life. Matthew Johnstone, a sufferer himself, has written and illustrated this moving and uplifting insight into what it is like to have a Black Dog as a companion and how he learned to tame it and bring it to heel.

The Hothouse - Harold Pinter 1999

Dramatically depicts a

government mental institution, ostensibly run to help the mentally ill, that is caught up in corruption and an ironic disregard for human life.

[The Distant Echo \(Detective Karen Pirie, Book 1\)](#) - Val McDermid 2009-06-01

The first novel in the bestselling Karen Pirie series The award-winning Number One bestseller and Queen of crime fiction Val McDermid carves out a stunning psychological thriller. The past is behind them, but what's still to come will tear them apart...

The Negro Motorist Green Book - Victor H. Green

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and

Downloaded from
legacy.opendemocracy.net
on 2023-01-14 by guest

the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

44 Chapters About 4 Men - BB Easton 2019-11-19

One woman's secret journal completely changes her marriage in this hilarious and biting memoir—the inspiration for the Netflix Original Series *SEX/LIFE*. School psychologists aren't supposed to write books about sex. Doing so would be considered "unethical" and "a fireable offense." Lucky for you, ethics was never my strong suit. *Sex/Life: 44 Chapters About 4 Men* is a laugh-out-loud funny and brutally honest look at female sexuality, as told through the razor-sharp lens of domesticated bad girl BB Easton. No one and nothing is

off limits as BB revisits the ex-boyfriends—a sadistic tattoo artist, a punk rock parolee, and a heavy metal bass player—that led her to finally find true love with a straight-laced, drop-dead-gorgeous . . . accountant. After settling down and starting a family with her perfectly vanilla "husbot," Ken, BB finds herself longing for the reckless passion she had in her youth. She begins to write about these escapades in a secret journal, just for fun, but when Ken starts to act out the words on the pages, BB realizes that she might have stumbled upon the holy grail of behavior modification techniques. The psychological dance that ensues is nothing short of hilarious as BB wields her journal like a blowtorch, trying to light a fire under her cold, distant partner. Sometimes it works, sometimes it doesn't, but in the end, BB learns that the man she was trying so hard to change was perfect for her all along. [Observations on the River Wye](#) - 2019-10-18

All I Ever Wanted - Kathy

Valentine 2020-04-09

At twenty-one, Kathy Valentine was at the Whisky in Los Angeles when she met a guitarist from a fledgling band called the Go-Go's—and the band needed a bassist. The Go-Go's became the first multi-platinum-selling, all-female band to play instruments themselves, write their own songs, and have a number one album. Their debut, *Beauty and the Beat*, spent six weeks at the top of the Billboard 200 and featured the hit songs “We Got the Beat” and “Our Lips Are Sealed.” The record's success brought the pressures of a relentless workload and schedule culminating in a wild, hazy, substance-fueled tour that took the band from the club circuit to arenas, where fans, promoters, and crew were more than ready to keep the party going. For Valentine, the band's success was the fulfillment of a lifelong dream—but it's only part of her story. *All I Ever Wanted* traces the path that took her from her childhood in Texas—where she

all but raised herself—to the height of rock ‘n’ roll stardom, devastation after the collapse of the band that had come to define her, and the quest to regain her sense of self after its end. Valentine also speaks candidly about the lasting effects of parental betrayal, abortion, rape, and her struggles with drugs and alcohol—and the music that saved her every step of the way. Populated with vivid portraits of Valentine's interactions during the 1980s with musicians and actors from the Police and Rod Stewart to John Belushi and Rob Lowe, *All I Ever Wanted* is a deeply personal reflection on a life spent in music.

Telecommunication & Media -

IT Shades 2020-02-11

Bell Canada and the City of Hamilton are pleased to announce they will be moving forward together with a Bell investment of approximately \$400 million to expand broadband Internet access in urban and rural areas of Hamilton, the largest digital infrastructure investment in

the City's history. Over the next five years, Bell and a Bell-funded team of City of Hamilton staff will bring direct fibre network connections to more than 200,000 homes and business locations throughout the City with zero cost to taxpayers. The network will provide consumers with access to data speeds up to 1.5 gigabits per second, the fastest home Internet speeds in Canada. Working in partnership with the Hamilton Chamber of Commerce's Digital Infrastructure Task Force, gaps in digital infrastructure across the community were identified. Subsequently, the City worked to increase investment in digital infrastructure to address the gaps. As part of the plan to enhance Hamilton's standing as a Digital City, Mayor Eisenberger requested that broadband speeds be enhanced for all of urban Hamilton, business parks and major commercial areas, and rural areas in the community. In addition to premium network support for the City's

business community, the Bell project includes the expansion of high-speed Bell Wireless Home Internet service to 8,000 homes in rural Hamilton. This innovative 5G capable technology delivered over Bell's advanced LTE wireless network provides broadband residential Internet access for small towns, farming communities and other less populated locations. Bell will work in close cooperation with the City and local contractors, including Aecon, Telecon and Sentrex, to employ innovative techniques to minimize disruption to residents and businesses throughout the project. The majority of the network build will consist of new fibre installed underground, with additional fibre located on Bell, Hydro One and Alectra Utilities poles. **Wellmania** - Brigid Delaney 2023-02-28

The inspiration for the Netflix series starring Celeste Barber, Wellmania is an in-depth, entertaining, laugh-out-loud-funny exploration of wellness culture. Now with a new

preface by the author. Cold-pressed juices, quitting sugar, Paleo, hot yoga, mindfulness ... if you embrace these things you will be happy, you will be well - just ask Instagram. Wellness has become a global mega-industry. But does any of this stuff actually work? Feeling exhausted, anxious and a bit flabby, journalist Brigid Delaney decides to find out - using herself as the guinea pig. Starting with a brutal 101-day fast, Brigid tests things that are meant to make us clean, lean and serene. Travelling the world, she tries colonics, meditation, silent retreats, group psychotherapy and oodles of yoga, working out what is helpful and what is just expensive hype. In monasteries and health farms, on hiking trails and massage tables, she asks, why do so many of us swing from indulgence to detox and back again? Is it possible to integrate good habits into your daily life? What does our obsession with wellness say about us? And why do you smell so bad when you haven't eaten in seven days? Wellmania

is the highly entertaining and occasionally dangerous exploration of one of the most fascinating trends in our culture. 'Brigid Delaney is the queen of calamity and a fearless, sane guide into the bizarre heart of our modern obsessions. This will make you groan in horror as much as it'll make you laugh out loud.'

—Benjamin Law 'A bloody entertaining read that leaves you wondering whether you want to do yoga and meditation or get mindlessly drunk and despair at the state of the world. Basically I wish that I'd written it.' —Judith Lucy 'At last! A funny, well-written book about all the health and serenity treatments you've been too feeble personally to undertake.' —Annabel Crabb
The Reason I Jump - Naoki Higashida 2016-03-22

A story never before told and a memoir to help change our understanding of the world around us, 13-year-old Naoki Higashida's astonishing, empathetic book takes us into the mind of a boy with severe autism. With an introduction by

Downloaded from
legacy.opendemocracy.net
on 2023-01-14 by guest

David Mitchell, author of the global phenomenon, *Cloud Atlas*, and translated by his wife, KA Yoshida. Naoki Higashida was only a middle-schooler when he began to write *The Reason I Jump*. Autistic and with very low verbal fluency, Naoki used an alphabet grid to painstakingly spell out his answers to the questions he imagines others most often wonder about him: why do you talk so loud? Is it true you hate being touched? Would you like to be normal? The result is an inspiring, attitude-transforming book that will be embraced by anyone interested in understanding their fellow human beings, and by parents, caregivers, teachers, and friends of autistic children. Naoki examines issues as diverse and complex as self-harm, perceptions of time and beauty, and the challenges of communication, and in doing so, discredits the popular belief that autistic people are anti-social loners who lack empathy. This book is mesmerizing proof that inside an autistic body is a mind as

subtle, curious, and caring as anyone else's.

[The Innocent](#) - Harlan Coben
2023-11-07

NOW THE NETFLIX ORIGINAL SERIES EL INOCENTE! The bestselling author and creator of the hit Netflix drama *The Stranger* takes readers on an electrifying ride in this thriller that peeks behind the white picket fences of suburbia—where one mistake can change your life forever. One night, Matt Hunter innocently tried to break up a fight—and ended up a killer. Now, nine years later, he's an ex-con who takes nothing for granted. His wife, Olivia, is pregnant, and the two of them are closing on their dream house. But all it will take is one shocking, inexplicable call from Olivia's cell phone to shatter Matt's life a second time...

Half the Sky - Nicholas D. Kristof
2010-06-01

#1 NATIONAL BESTSELLER •
A passionate call to arms against our era's most pervasive human rights violation—the oppression of women and girls in the

developing world. From the bestselling authors of *Tightrope*, two of our most fiercely moral voices With Pulitzer Prize winners Nicholas D. Kristof and Sheryl WuDunn as our guides, we undertake an odyssey through Africa and Asia to meet the extraordinary women struggling there, among them a Cambodian teenager sold into sex slavery and an Ethiopian woman who suffered devastating injuries in childbirth. Drawing on the breadth of their combined reporting experience, Kristof and WuDunn depict our world with anger, sadness, clarity, and, ultimately, hope. They show how a little help can transform the lives of women and girls abroad. That Cambodian girl eventually escaped from her brothel and, with assistance from an aid group, built a thriving retail business that supports her family. The Ethiopian woman had her injuries repaired and in time became a surgeon. A Zimbabwean mother of five, counseled to return to school, earned her doctorate and

became an expert on AIDS. Through these stories, Kristof and WuDunn help us see that the key to economic progress lies in unleashing women's potential. They make clear how so many people have helped to do just that, and how we can each do our part. Throughout much of the world, the greatest unexploited economic resource is the female half of the population. Countries such as China have prospered precisely because they emancipated women and brought them into the formal economy.

Unleashing that process globally is not only the right thing to do; it's also the best strategy for fighting poverty. Deeply felt, pragmatic, and inspirational, *Half the Sky* is essential reading for every global citizen.

[Always and Forever, Lara Jean](#)
- Jenny Han 2020-12-15

Lara Jean's letter-writing days aren't over in this follow-up to the bestselling *To All the Boys I've Loved Before* and *P.S. I Still Love You*. Soon to be a major motion picture coming to Netflix in 2021—the first two

Downloaded from
legacy.opendemocracy.net
on 2023-01-14 by guest

movies in the series are streaming now! Lara Jean is having the best senior year a girl could ever hope for. She is head over heels in love with her boyfriend, Peter; her dad's finally getting remarried to their next door neighbor, Ms. Rothschild; and Margot's coming home for the summer just in time for the wedding. But change is looming on the horizon. And while Lara Jean is having fun and keeping busy helping plan her father's wedding, she can't ignore the big life decisions she has to make. Most pressingly, where she wants to go to college and what that means for her relationship with Peter. She watched her sister Margot go through these growing pains. Now Lara Jean's the one who'll be graduating high school and leaving for college and leaving her family—and possibly the boy she loves—behind. When your heart and your head are saying two different things, which one should you listen to? *Conversations with Friends* - Sally Rooney 2017-05-25 FROM THE AUTHOR OF
