Dare to Be You - Matthew Syed 2020-09-03

From the bestselling, award-winning author of *You Are Awesome* comes the much-anticipated follow-up, *Dare to Be You*. What would you dare to try if you stopped worrying about fitting in? If you're the kind of person who thinks: I don't like standing out from the crowd ... I wish I could be more like the cool kids ... There's no point trying to change things ... then this book is for you. Because guess what? There's no such thing as normal. Drawing examples from sport, science and even business, *Dare to Be You* empowers young readers to follow their own path, love what makes them different and question the world around them. With *You Are Awesome*'s trademark mix of hilarious text, stylish illustration, personal insights and inspiring real-life examples, including Greta Thunberg and Malala Yousafzai, Matthew Syed introduces children to the power of diverse thinking. When you stop doubting yourself, embrace change and let your kindness loose, you become your own action hero. This groundbreaking, practical and positive book will help kids develop the inner confidence to grow into happy adults who know - and, more importantly, LIKE - themselves. Praise for *You Are Awesome*, children's book of the year 2019 and Sunday Times no. 1 bestseller: "A very funny and inspiring read! Brilliantly practical with a wide variety of examples that make it relevant for both boys and girls (and adults)!" - Online customer review "Genuinely funny and engaging ... It's a must read." - Online customer review

The Last Ghetto - Anna Hájková 2020

Introduction: The well-known, poorly understood ghetto -- 1. "The overorganized ghetto:" administering Terezin -- 2. A society based on inequality -- 3. The age of pearl barley: food and hunger -- 4. Medicine and illness -- 5. Cultural life: leisure time activities -- 6. Transports to the East.

Strange Tricks - Syd Moore 2021-05-06

Rosie Strange is back in the latest of the fabulously creepy Essex Witch Museum

Mysteries Secretly Rosie Strange has always thought herself a little bit more interesting than most people - the legacy her family has bequeathed her is definitely so, she's long believed. But then life takes a peculiar turn when the Strange legacy turns out not just to be the Essex Witch Museum, but perhaps some otherworldly gifts that Rosie finds difficult to fathom. Meanwhile Sam Stone, Rosie's curator, is oddly distracted as breadcrumb clues into what happened to his missing younger brother and other abducted boys from the past are poised to lead him and Rosie deep into a dark wood where there lurks something far scarier than Hansel and Gretel's witch... Praise for the Essex Witch Museum *Mysteries*: 'I gleefully submitted to a tale of witchcraft, feminism, mysterious strangers, historical atrocities, plucky heroines and ghastly apparitions - and came away more proud than ever to be an Essex girl.' Sarah Perry, author of *The Essex Serpent* 'Confident, down-to-earth Essex girl Rosie is an appealing character, and there is plenty of spooky fun in this spirited genre mashup.' Guardian

So Sad Today - Melissa Broder 2016-05-12

So sad today? Many are. Melissa Broder is too. How and why did she get to be so sad? And should she stay sad? She asks herself these questions over and over here, turning them into a darkly mesmerising and strangely uplifting reading experience through coruscating honesty and a total lack of self-deceit. Sexually confused, a recovering addict, suffering from an eating disorder and marked by one very strange sex fetish: Broder's life is full of extremes. But from her days working for a Tantric nonprofit in San Francisco to caring for a severely ill husband, there's no subject that Broder is afraid to write about, and no shortage of readers who can relate. When she started an anonymous Twitter feed @sosadtoday to express her darkest feelings, her unflinching frankness and twisted humour soon gained a huge cult following. In its treatment of anxiety, depression, illness, and

instability; by its fearless exploration of the author's romantic relationships (romantic is an expanded term in her hands); and with its inventive imagery and deadpan humour, *So Sad Today* is radical. It is an unapologetic, unblinkingly intimate book that splays out a soul and a prose of unusual beauty. PRAISE FOR MELISSA BRODER 'Broder's essays often left me with a sharp sense of feminine recognition. I would read her accounts of heartbreak, sexual dissatisfaction, and alienation and think, Same ...' The New Yorker 'Her writing ... feels like a friend reaching out and saying "Hey, me too.'" i-D

Did Ye Hear Mammy Died? - Seamas O'Reilly
2021-07-22

THE IRISH TIMES NO. 1 BESTSELLER AN POST BIOGRAPHY OF THE YEAR 'Gorgeous' Pandora Sykes 'A rare and beautiful book' Marian Keyes 'Tender, sad and side-splittingly funny' Annie MacManus 'A delight' Dara Ó Briain Séamas O'Reilly's mother died when he was five, leaving him, his ten brothers and sisters and their beloved father in their sprawling bungalow in rural Derry. It was the 1990s; the Troubles were a background rumble (most of the time), and Séamas at that point was more preoccupied with dinosaurs, Star Wars and the actual location of heaven than the political climate. *Did Ye Hear Mammy Died?* is a book about a family of argumentative, loud, musical, sarcastic, grief-stricken siblings, shepherded into adulthood by a man whose foibles and reticence were matched only by his love for his children and his determination that they would flourish. It is the moving, often amusing and completely unsentimental story of a boy growing up in a family bonded by love, loss and fairly relentless mockery. 'A heartfelt tribute to an alarmingly large family held together by a quietly heroic father' Arthur Mathews, co-creator of *Father Ted* and *Toast of London* 'Not only hilarious, tender, absurd, delightful and charming, but written with such skill as to render it unforgettable' Nina Stibbe

Our Missing Hearts - Celeste Ng 2022-10-04
An instant New York Times bestseller • A New York Times Notable Book of 2022 • Named a Best Book of 2022 by People, TIME Magazine, The Washington Post, USA Today, NPR, Los Angeles Times, and Oprah Daily, and more • A

Reese's Book Club Pick From the #1 bestselling author of *Little Fires Everywhere*, comes the inspiring new novel about a mother's unshakeable love. "It's impossible not to be moved." —Stephen King, The New York Times Book Review "Riveting, tender, and timely." —People, Book of the Week "Thought-provoking, heart-wrenching . . . I was so invested in the future of this mother and son, and I can't wait to hear what you think of this deeply suspenseful story!" —Reese Witherspoon (Reese's Book Club Pick) Twelve-year-old Bird Gardner lives a quiet existence with his loving father, a former linguist who now shelves books in a university library. His mother Margaret, a Chinese American poet, left without a trace when he was nine years old. He doesn't know what happened to her—only that her books have been banned—and he resents that she cared more about her work than about him. Then one day, Bird receives a mysterious letter containing only a cryptic drawing, and soon he is pulled into a quest to find her. His journey will take him back to the many folktales she poured into his head as a child, through the ranks of an underground network of heroic librarians, and finally to New York City, where he will finally learn the truth about what happened to his mother, and what the future holds for them both. *Our Missing Hearts* is an old story made new, of the ways supposedly civilized communities can ignore the most searing injustice. It's about the lessons and legacies we pass on to our children, and the power of art to create change.

Well, This Is Exhausting - Sophia Benoit
2021-07-13

"Like so many women, Benoit spent her formative years struggling to do the 'right' thing—to make others comfortable, to take minimal and calculated risks, to live up to society's expectations—only to realize that there was so little payoff to this tiresome balancing act. Now, in [this book], she shares her journey from aspiring good girl to proud feminist, and addresses the constantly shifting goalposts of what exactly it means to be 'good' in today's world. [Includes] topics as varied and laugh-out-loud funny as how to be the life of the party (even when you have crippling anxiety), navigating the disappointments of the dating world, and why no one should judge you for

Everything I Never Told You - Celeste Ng
2014-08-14

'There is much here that might impress Pulitzer and Man Booker judges...Ng brilliantly depicts the destruction that parents can inflict on their children and on each other' Mark Lawson, Guardian Lydia is the favourite child of Marilyn and James Lee; a girl who inherited her mother's bright blue eyes and her father's jet-black hair. Her parents are determined that Lydia will fulfill the dreams they were unable to pursue - in Marilyn's case that her daughter become a doctor rather than a homemaker, in James's case that Lydia be popular at school, a girl with a busy social life and the centre of every party. But Lydia is under pressures that have nothing to do with growing up in 1970s small town Ohio. Her father is an American born of first-generation Chinese immigrants, and his ethnicity, and hers, make them conspicuous in any setting. When Lydia's body is found in the local lake, James is consumed by guilt and sets out on a reckless path that may destroy his marriage. Marilyn, devastated and vengeful, is determined to make someone accountable, no matter what the cost. Lydia's older brother, Nathan, is convinced that local bad boy Jack is somehow involved. But it's the youngest in the family - Hannah - who observes far more than anyone realises and who may be the only one who knows what really happened. And if you loved *Everything I Never Told You*, don't miss Celeste Ng's second novel *Little Fires Everywhere* What readers are saying: 'Devastating...A truly tragic but devastatingly well written book' 'Ng is a true craftsman. I implore you to read this. Also my favourite ending of a novel so far this year' 'This is the best book I have read this year' 'Really enjoyed this book, deeply moving, sad and thought provoking'

So You've Been Publicly Shamed - Jon Ronson
2015-12-31

CELEBRATING FIFTY YEARS OF PICADOR BOOKS 'It's about the terror, isn't it?' 'The terror of what?' I said. 'The terror of being found out.' The rise of social media has seen a great renaissance in public shaming. Justice has been democratized. The silent majority are getting a voice. But what are we doing with that voice?

We are mercilessly finding people's faults, and defining the boundaries of normality by ruining the lives of those outside it. We are using shame as a form of social control. Simultaneously powerful and hilarious in the way only Jon Ronson can be, *So You've Been Publicly Shamed* is a deeply honest book about modern life, full of eye-opening truths about the escalating war on human flaws - and the very scary part we all play in it. This edition features a new chapter and interview with perhaps the most famous public shaming victim of all- Monica Lewinsky. Part of the Picador Collection, a new series showcasing the best of modern literature. *The Kingdoms* - Natasha Pulley 2022-02-17 Come home, if you remember The postcard has been held at the sorting office for ninety-one years, waiting to be delivered to Joe Tournier. On the front is a lighthouse - Eilean Mor, in the Outer Hebrides. Joe has never left England, never even left London. He is a British slave, one of thousands throughout the French Empire. He has a job, a wife, a baby daughter. But he also has flashes of a life he cannot remember and of a world that never existed - a world where English is spoken in England, and not French. And now he has a postcard of a lighthouse built just six months ago, that was first written nearly one hundred years ago, by a stranger who seems to know him very well. Joe's journey to unravel the truth will take him from French-occupied London to a remote Scottish island, and back through time itself as he battles for his life - and for a very different future.

Motherland Fatherland Homelandsexuals - Patricia Lockwood 2017-05-02

Free-wheeling and surreal yet deadly serious, and including the viral hit 'Rape Joke' ('An oblique mini-masterpiece' Guardian), this book shows one of our most original poets at her virtuosic best. 'Lockwood has written a book at once angrier, and more fun, more attuned to our times and more bizarre, than most poetry can ever get' STEPHEN BURT, THE NEW YORK TIMES BOOK REVIEW, BOOKS OF THE YEAR 'Lockwood should enter the canon forever . . . her lines left me crying on the subway' KAT STOEFFEL, THE CUT 'The little hairs on my back rose often while reading *Motherland Fatherland Homelandsexuals* . . . That's biological praise, the most fundamental kind,

impossible to fake' DWIGHT GARNER, THE NEW YORK TIMES

Never Flirt with Puppy Killers - Dan Wilbur
2016-05-10

"Classics" (the books you've lied about reading). Actual Classics (Greek and Latin books people don't even pretend to have read). Contemporary fiction (those books people talk about at parties that you've "definitely heard of" but never bothered to pick up). Children's (books that say the most with the fewest number of words, i.e. "The Best Books"). Reference (Those books that were around before Google). From children's literature, The Very Hungry Caterpillar gets the retitle Eat Until You Feel Pretty. An American classic, The Great Gatsby is switched to Drink Responsibly. And from contemporary fiction, Gone Girl is retitled A Tale of Two Shitty People. There's something here for every reader.

I Never Said I Loved You - Rhik Samadder
2019-08-06

'I Never Said I Love You is one of the most electric, enchanting, engrossing and energising memoirs of self-harm, self-loathing, grief, eating disorders, suicide - and sex - that you will read.' The Sunday Times 'Indecently entertaining... one of the most uplifting and eccentric memoirs I have ever read.' Observer 'Brutally honest and relentlessly funny.' Adam Kay, author of 'This is Going to Hurt' 'A brilliant memoir full of gasp-inducing honesty about depression and family and taking control of your own pain. Funny, sad, hopeful, I Never Said I Loved You is an irresistible, strangely empowering read.' Matt Haig 'This mind-blowingly wonderful memoir had me convulsing with laughter even while my heart was breaking. It's utterly effing BEAUTIFUL.' Marian Keyes 'I found myself blindsided by this extraordinary book ... I was deeply moved by its capacity both to depict pain, and offer consolation. I loved it, and won't ever forget it.' Sarah Perry 'Both touching and funny' the Telegraph On an unlikely backpacking trip, Rhik and his mother find themselves speaking openly for the first time in years. Afterwards, the depression that has weighed down on Rhik begins to loosen its grip for a moment - so he seizes the opportunity: to own it, to understand it, and to find out where it came from. Through this begins a journey of investigation, healing and recovery. Along the way Rhik learns some

shocking truths about his family, and realizes that, in turn, he will need to confront the secrets he has long buried. But through this, he triumphs over his fears and brings his depression into the light. I Never Said I Loved You is the story of how Rhik learned to let go, and then keep going. With unique humour and honesty, he has created a powerfully rich, funny and poignant exploration of the light and dark in all of us. A vital, moving and darkly funny memoir by a powerful new voice in non-fiction. 'Both unputdownable and beautifully-written, bracing and consoling. A book that tackles mental health and the darkest things with razor-sharp wit and mordant laughs aplenty ... read this.' Sharlene Teo 'Touching, funny, wildly readable ... Look out for it.' Sathnam Sanghera 'No one writes better, or more sweetly, about how it feels to feel. Even the darkest times are shot through with glorious, bright beams of wit.' Janet Ellis 'It's honest and funny (and beautifully painful and brutal at times), but also - oh goodness - it's so elegant. The writing is graceful and kind, even when it hurts a little to remember it's a memoir.' Joanna Cannon 'Equal parts hilarious and heartbreaking. What an absolutely riveting read.' Nikita Gill 'Heartbreaking, funny, raw, brave and - yes! - even better than the egg thing.' Erin Kelly 'I have always loved Rhik Samadder's writing. And now there's a whole book!' Jessie Burton 'A sparkling, thoughtful memoir. It manages to be witty, charming, brooding and devastating all the same time.' Justin Myers, The GUYLINER

Zizek's Jokes - Slavoj Zizek 2018-02-23
Žižek as comedian: jokes in the service of philosophy. "A serious and good philosophical work could be written consisting entirely of jokes."—Ludwig Wittgenstein The good news is that this book offers an entertaining but enlightening compilation of Žižekisms. Unlike any other book by Slavoj Žižek, this compact arrangement of jokes culled from his writings provides an index to certain philosophical, political, and sexual themes that preoccupy him. Žižek's Jokes contains the set-ups and punch lines—as well as the offenses and insults—that Žižek is famous for, all in less than 200 pages. So what's the bad news? There is no bad news. There's just the inimitable Slavoj Žižek, disguised as an impossibly erudite,

incorrect uncle, beginning a sentence, “There is an old Jewish joke, loved by Derrida...” For Žižek, jokes are amusing stories that offer a shortcut to philosophical insight. He illustrates the logic of the Hegelian triad, for example, with three variations of the “Not tonight, dear, I have a headache” classic: first the wife claims a migraine; then the husband does; then the wife exclaims, “Darling, I have a terrible migraine, so let's have some sex to refresh me!” A punch line about a beer bottle provides a Lacanian lesson about one signifier. And a “truly obscene” version of the famous “aristocrats” joke has the family offering a short course in Hegelian thought rather than a display of unspeakables. Žižek's Jokes contains every joke cited, paraphrased, or narrated in Žižek's work in English (including some in unpublished manuscripts), including different versions of the same joke that make different points in different contexts. The larger point being that comedy is central to Žižek's seriousness.

Ask A Historian - Greg Jenner 2021-10-28
 'Brilliantly funny' SHAPARAK KHORSANDI
 'Immensely enjoyable' BBC HISTORY
 MAGAZINE 'Every page contains delights'
 LINDSEY FITZHARRIS Why is Italy called Italy?
 How old is curry? How fast was the medieval
 Chinese post system? How do we know how
 people sounded in the past? Who invented
 maths? Responding to fifty genuine questions
 from the public, Greg Jenner takes you on an
 entertaining tour through history from the Stone
 Age to the Swinging Sixties, revealing the best
 and most surprising stories, facts and historical
 characters from the past. From ancient joke
 books, African empires and the invention of
 meringues, to mummies, mirrors and menstrual
 pads - Ask A Historian is a deliciously amusing
 and informative smorgasbord of historical
 curiosities.

The Ginormous Book of Dirty Jokes - Rudy A.
 Swale 2008-05-28
 THE BIGGEST, BADDEST, BADASSEST BOOK
 OF LEWD, CRUDE AND FUNNY-AS-\$\$#!+ JOKES
 •What did the two lesbian frogs say to each
 other? We do taste like chicken! •What does a
 blonde put behind her ears to make her more
 attractive? Her ankles. •The journalist asked the
 politician, “Your assistant said publicly that you
 have a small penis. Would you like to comment?

“Yes, I would,” said the politician. “The truth is
 my assistant has a big mouth.” •A guy walks in
 on his wife having sex with another man and
 says, “what the hell are you two doing?” His wife
 turns to her lover and says, “I told you he was
 stupid.” •How do you get a nun pregnant? Dress
 her up as an altar boy. If you think no joke is too
 raw as long as it's funny—this is the book for
 you! This massive collection of laugh-out-loud
 and totally politically incorrect jokes is sure to
 have you and your friends rolling in hysterics.
The Tiny Book of Dirty Jokes - Mr. J 2000
 A good dirty joke is sometime shocking but
 always amusing. Gathered here are some of the
 very funniest saucy jokes. There's always going
 to be the need for cheeky jokes that bring out
 saucy side in us all and produce a twitter at the
 most turgid of gatherings. Everyone knows
 someone who would love this book.

Groucho Marx - Lee Siegel 2016-01-28
 Born Julius Marx in 1890, the brilliant comic
 actor who would later be known as Groucho was
 the most verbal of the famed comedy team, the
 Marx Brothers, his broad slapstick portrayals
 elevated by ingenious wordplay and double
 entendre. In his spirited biography of this
 beloved American iconoclast, Lee Siegel views
 the life of Groucho through the lens of his work
 on stage, screen, and television. The author
 uncovers the roots of the performer's
 outrageous intellectual acuity and hilarious
 insolence toward convention and authority in
 Groucho's early upbringing and Marx family
 dynamics. The first critical biography of Groucho
 Marx to approach his work analytically, this
 fascinating study draws unique connections
 between Groucho's comedy and his life,
 concentrating primarily on the brothers' classic
 films as a means of understanding and
 appreciating Julius the man. Unlike previous
 uncritical and mostly reverential biographies,
 Siegel's “bio-commentary” makes a distinctive
 contribution to the field of Groucho studies by
 attempting to tell the story of his life in terms of
 his work, and vice versa.

[How to Survive in Ancient Rome](#) - L J Trafford
 2020-12-14

What you'd need to know if you time-traveled to
 Ancient Rome—from local customs to clothing to
 religion to housing to food. Imagine you were
 transported back in time to Ancient Rome and

you had to start a new life there. How would you fit in? Where would you live? What would you eat? Where would you go to have your hair done? Who would you go to if you got ill, or if you were mugged in the street? All these questions, and many more, are answered in this new how-to guide for time travelers. This lively and engaging twist on ancient history reveals how to deal with the many problems and new experiences you would face—and thrive in this strange new environment.

Cosmic - Frank Cottrell-Boyce 2009-07-03

It's one giant leap for all boy-kind in Frank Cottrell Boyce's out-of-this-world story: *Cosmic*.

Liam is too big for his boots. And his football strip. And his school blazer. But being super-sized height-wise has its advantages: he's the only eleven-year-old to ever ride the G-force-defying *Cosmic* rollercoaster - or to be offered the chance to drive a Porsche. Long-legged Liam makes a giant leap for boy-kind by competing with a group of adults for the chance to go into space. Is Liam the best boy for the job? Sometimes being big isn't all about being a grown-up. This edition of *Cosmic* includes bonus material and discussion questions from Frank Cottrell Boyce and features fantastic cover artwork from Steven Lenton.
