360° Circus - Franziska Trapp  
2023-06-01

This collection aims to map a diversity of approaches to the artform by creating a 360° view on the circus. The three sections of the book, Aesthetics, Practice, Culture, approach aesthetic developments, issues of artistic practice, and the circus' role within society. This book consists of a collection of articles from renowned circus researchers, junior researchers, and artists. It also provides the core statements and discussions of the conference

UpSideDown—Circus and Space in a graphic recording format. Hence, it allows a clear entry into the field of circus

research and emphasizes the diversity of approaches that are well balanced between theoretical and artistic point of views. This book will be of great interest to students and scholars of circus studies, emerging disciples of circus and performance.

Music Theory For Dummies - Michael Pilhofer 2015-02-20

Get more out of music with this essential guide Music Theory

For Dummies makes music theory easy to understand, with a friendly, unintimidating overview of everything you need to know to become fluent at knocking out beats, reading musical scores, and learning to anticipate where a song should go—whether you're reading someone else's music or writing your own. Whether you're a music student or a music lover, you'll learn to read, write, and understand music with this informative guide. With expert instruction, you'll put it all together as you compose, arrange, and create original melodies, harmonies, and chords of your own, with helpful tips for performing your pieces in front of an audience. This new third edition presents the most current teaching techniques, the newest music genres and examples, and updated information on all aspects of understanding, creating, and performing music. Studies have shown that music training improves children's verbal and spatial abilities, and it's been associated with cognitive and

mathematical benefits in adults. The music job market is expected to increase over the coming years, and music theory is becoming an increasingly common part of education at all levels. Music Theory For Dummies provides the instruction you need to get more out of music than you ever thought possible. Master major and minor scales, intervals, pitches, and clefs Understand basic notation, time signals, tempo, dynamics, and navigation Employ melodies, chords, progressions, and phrases to form music Compose harmonies and accompanying melodies for voice and instruments Whether you intend to pursue a degree or career in music, or just enjoy listening to it, understanding the theory behind it gives you a whole new appreciation for the artistry and craftsmanship behind the pieces that give you goose bumps. It's a mix of technical skill, inborn talent, and plenty of practice - and now you can try your hand at it, with Music Theory For

Dummies.

*Karaoke* - Xun Zhou 2013-06-01

Dancing Queen. Respect.

Brandy (You're a Fine Girl).

There are some songs so infectious that you can't help but belt out the lyrics along with the singer.

Karaoke—meaning “empty orchestra” in Japanese—gets rid of the singer and leaves you in the spotlight alone. It is the social manifestation of our desire to sing, in tune or out, and in three short decades, it has exploded into a worldwide craze. In this unprecedented study, Zhou Xun and Francesca Tarocco engagingly examine karaoke and all its associated kitsch, crime, and weirdness. Usually thought of as the pastime of desperately bad singers and slurring drunks, karaoke has never enjoyed a particularly stellar image. Xun and Tarocco, however, reveal its surprisingly complex history and significant cultural impact around the world. Originating in postwar Japan, karaoke soon spread to Southeast Asia and the West. Karaoke traces how it became a wildly successful

social phenomenon that constantly evolved to keep pace with changes in technology and culture. Drawing on extensive research and international travels, the authors chart the varied manifestations of karaoke, from karaoke taxis in Bangkok to nude karaoke in Toronto to the role of karaoke in prostitution. Extensive personal anecdotes reveal the dramatic range of social experiences made possible by karaoke and how the obsession with performance and song has touched politics, history, and pop culture throughout global society. Karaoke bars are at the heart of rich escapist fantasies and the authors—in readable fashion and using vibrant full-color illustrations—document this unpredictable fantasy world and the people who inhabit it. Karaoke, therefore, will delight anyone who has had the courage to take the mike and front the “empty orchestra.”

**Tom Jones: Close Up** - Lucy Ellis 2009-12-17

Tom Jones: Close Up surpasses

all other attempts to chronicle the life of a unique star who has been notoriously unforthcoming about himself. It also offers a fascinating insight into half a century of pop, spanning the Fifties pub scene of South Wales, the glitzy resort hotels of Eighties Vegas and a triumphant period of personal reinvention for a whole new generation of Jones fans at the start of the 21st century. This highly readable biography finally separates truth from myth to reveal the flesh-and-blood man behind the legend. With over 70 interviews including friends, family and colleagues, Tom Jones: Close Up offers a minutely-researched chronology of Jones' 40-year career as well as details of his odd life of deep family ties and unbridled sexual promiscuity. From Las Vegas and L.A. to London and South Wales, the authors the pieces together the roller-coaster life of Tom Jones spanning his carer childhood and the days of legendary stardom, through the career slump in the eighties to the

spectacular comeback of the Reload album. Includes 24 pages of photographs from every era of Jones' life.

**Piano and Keyboard All-in-One For Dummies** - Jerry

Kovarksy 2014-04-08

The go-to reference for aspiring pianists and keyboard players Piano & Keyboard All-in-One For Dummies makes it easier and more fun than ever to make music! If you don't know how to read music, this book explains in friendly, uncomplicated language all the basics of music theory, and applies it to playing the piano and keyboard. And if you've been playing for awhile—or took lessons when you were a child but haven't played since—you can pick up some valuable tips to improve your playing, or use the book as a refresher course. This indispensable resource combines the best of For Dummies books, including Piano For Dummies, Keyboard For Dummies, Music Theory For Dummies, and Piano Exercises For Dummies to get you up and running in no time.

**The Streets Might Not Be Paved with Gold, but the Hills Are Made of Chocolate: A Trip to Hong Kong and the Philippines** - Matthew Pointon

*The Explosexuawesome Career Guide* - Mose Hayward  
2013-02-05

explosexuawesome: adj. An eye-bursting, skull-incinerating, kitty-consternating brand of cool. You know, the type of job we all want. Author Mose Hayward will have you laughing all the way to a new career with The Explosexuawesome Career Guide. Yes, there are actual people who are paid to blow up yachts, taste ice cream, and stand around nightclubs looking cool. How does one go about landing such jobs? What are the qualifications? And more important, how much does one get paid? These questions and many more are hilariously answered in Mose

Hayward's The Explosexuawesome Career Guide. Exposing all the cool careers your guidance counselor never mentioned, The Explosexuawesome Career Guide is a perfect (and totally necessary) gift for all recent graduates. Weird, bizarre, and unusual but totally awesome jobs are out there for the taking. Author Hayward has sought out holders of these most outlandish, one-in-a-million jobs, and interviewed them to discover crucial information, such as how they got hired and what they do all day. With Hayward's insightful interviews, the reader gets hilarious step-by-step instructions on how they, too, can achieve these cool-yet-odd positions. Each career is illustrated by the comic art of Chris Stangl. This outlandish parody of career guidebooks is sure to entertain, whether or not you're in the market for a new career.

**Piano & Keyboard All-in-One For Dummies** - Holly Day

2020-08-04

The comprehensive go-to guide

for building keyboard skills. Being able to play a tune on the piano can bring you a lifetime of sheer aesthetic pleasure—and put you in serious demand at parties! Whatever your motivation for tinkling the ivories, the latest edition of *Piano & Keyboard All-In-One For Dummies* gives you the essentials you need both to build your playing skills and expand your knowledge of music theory, from deciding what keyboard suits you best to musing on the science of what makes music so emotionally compelling. This indispensable resource combines the best of *Piano For Dummies*, *Keyboard For Dummies*, *Music Theory For Dummies*, and *Piano Exercises For Dummies* and includes practice strategies, as well as access to streaming and downloadable audio to help guide your progress. In addition to becoming acquainted with the latest in music theory, you'll learn to develop your sight-reading skills and performance techniques—until you can reproduce pieces flawlessly on

request! Choose and care for your keyboard Practice until perfect Compose your own songs Hook up to speakers, computers, and more Learning to play the keys is a never-ending journey of new discoveries and joy, and there's no better companion on your voyage than this friendly, erudite, and comprehensive guide. P.S. If you think this book seems familiar, you're probably right. The Dummies team updated the cover and design to give the book a fresh feel, but the content is the same as the previous release of Piano and Keyboard AIO For Dummies (9781118837429).

The book you see here shouldn't be considered a new or updated product. But if you're in the mood to learn something new, check out some of our other books. We're always writing about new topics!

[Contemporary European Theatre Directors](#) - Maria M. Delgado 2020-06-29

This expanded second edition of Contemporary European Theatre Directors is an

ambitious and unprecedented overview of many of the key directors working in European theatre over the past 30 years. This book is a vivid account of the vast range of work undertaken in European theatre during the last three decades, situated lucidly in its artistic, cultural, and political context. Each chapter discusses a particular director, showing the influences on their work, how it has developed over time, its reception, and the complex relation it has with its social and cultural context. The volume includes directors living and working in Italy, Germany, France, Spain, Poland, Russia, Romania, the UK, Belgium, Switzerland, and the Netherlands, offering a broad and international picture of the directing landscape. Now revised and updated, Contemporary European Theatre Directors is an ideal text for both undergraduate and postgraduate directing students, as well as those researching contemporary theatre practices, providing a detailed guide to the

generation of directors whose careers were forged and tempered in the changing Europe following the end of the Cold War.

**Redefining Mainstream**

**Popular Music** - Sarah Baker  
2013-02-12

Redefining Mainstream

Popular Music is a collection of seventeen essays that critically examines the idea of the "mainstream" in and across a variety of popular music styles and contexts. Notions of what is popular vary across generations and cultures - what may have been considered alternative to one group may be perceived as mainstream to another.

Incorporating a wide range of popular music texts, genres, scenes, practices and technologies from the United Kingdom, North America, Australia and New Zealand, the authors theoretically challenge and augment our understanding of how the mainstream is understood and functions in the overlapping worlds of popular music production, consumption and

scholarship. Spanning the local and the global, the historic and contemporary, the iconic and the everyday, the book covers a broad range of genres, from punk to grunge to hip-hop, while also considering popular music through other mediums, including mash-ups and the music of everyday work life.

Redefining Mainstream

Popular Music provides readers with an innovative and nuanced perspective of what it means to be mainstream.

**Billboard** - 2000-04-08

**Built to Last (Hidden Hearts Book 1)** - Kate McBrien

2019-10-07

A one-week road trip. Two relationship-phobic adults.

What could go wrong? Max

*Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2020-11-15 by guest*

Carmichael finally has a shot to work with a legendary music producer and be something more than a band manager. But first, he has to demonstrate his skill by taking a road trip to scout new acts. The new job will give him the money he needs to help his parents with their struggling London pub and his little sister, who needs rehab. And if he has to spend one week with a free-spirited American woman who drives him crazy, he'll do it. Even if she is a seductive redhead. Max doesn't do redheads. Ever. Althea Grayson has been living on Santorini for years. She's a trained chef who aspires to open a restaurant that serves amazing food to everyone, not just the people who can afford it. The only thing standing in her way is money. A paid road trip as a traveling companion is a means to an end; it will pay her way back to San Francisco to claim her trust fund and put her on a path to seeing her dream come true. And if she has to spend a week with a grumpy Englishman who drives her nuts, she'll do it. Even if he

is a sexy beast. NOTE: Max and Althea are secondary characters from the Indigo Series. It is not necessary to read the Indigo Series before reading *Built to Last*.

**Ladybug** - C. J. Michaels  
2017-04-04

The ladybug initiates change when it is needed the most. In spite of its size, it appears to be fearless. Its presence, often associated with luck and the enabling of love and protection against harm, is also a pest intuitively focused on its task...

LADYBUG is a passionate and psychologically vigorous debate between head and heart, reality and the ideal.

Cara a cara with social stigmas, cultural undercurrents, crafty rhetoric and a sober understanding of the human condition, it remains however charmingly resilient and steadfast to the sensitive truths it lives by.

Unable to make one feel indifferent to what the small but mighty definition of friendship is all about.

**The Songs of Us** - Emma Cooper  
2018-05-31

'Quirky, clever, and original, this will break your heart, but put it back together again' Katie Fforde 'A quirky, poignant book about love and family which I found myself racing through' Libby Page 'One of my favourites of 2018' Amazon reviewer Fans of Jojo Moyes, Cecilia Ahern and Marian Keyes will love this debut novel by Emma Cooper. Shortlisted for the RNA Contemporary Novel Award The Songs of Us is a laugh-out-loud, funny and heartbreaking novel of love, loss and what it means to be a family. If Melody hadn't run out of de-icer that day, she would never have slipped and banged her head. She wouldn't be left with a condition that makes her sing when she's nervous. And she definitely wouldn't have belted out the Arctic Monkeys' 'I Bet You Look Good on the Dancefloor' in assembly at her son's school. If Dev hadn't taken the kids to the zoo that day, then the accident wouldn't have happened. He wouldn't have left Flynn and Rose without a dad. Or shattered the

love of his life's heart. But if they hadn't seen the missing person report that day, they might never have taken the trip to Cornwall. And, in the last place they expected, discovered what it really means to be 'Us'. Readers love The Songs of Us: 'Rarely does a book come along that is as unique and mesmerising as The Songs Of Us' 'Reminiscent of (and in my humble opinion right up there with) Me Before You by Jojo Moyes and Cecilia Ahern's PS I Love You' 'It had me laughing and crying in equal measures' 'The Songs of Us will soften your heart and make you smile' 'Get your hands on a copy now. TRUST ME.' 'This book is something really special, I might even venture to say, perfect' 'I laughed, cried, felt sad and felt heart-warmed in equal measures' 'I could not put it down ... I really do highly recommend this book'
