Journals - House of Commons, Ottawa, Canada - Canada. Parliament. House of Commons 2003

Report of the Federal Ad Hoc Interdepartmental Working Group on Information Systems on Child Sex Offenders - Canada. Federal Ad Hoc Interdepartmental Working Group on Information Systems on Child Sex Offenders 1994
This report gives the results of consultations held across Canada in summer 1994 to discuss the Federal Government's proposals to protect children from potential sexual abuse by volunteers and employees who work in positions of trust. The report describes the preliminary work

and discussion paper options; the consultation schedule and results by region; and other issues raised, including the Identification of Criminals Act, amendments to the Young Offenders Act, access to related Federal Government records, name-change applications, community notification of the release of dangerous offenders, pardons, publication bans, costs, offender rights, and professional regulatory authorities. Specific responses to the Federal Government proposals are given along with recommendations of the working group on immediate enhancements to the Canadian Police Information Centre (CPIC), establishment of a public education and training initiative, longer-term work on child abuse information

sharing, and follow-up on identified related issues.

Heaven - Sharon Simons

ANGEL WINGS #37166 10-8

HEAVEN is a true-life story that captures the unique working relationship of a close-knit Royal Canadian Mounted Police team of three policewomen and their elite compassionate police supervisor, who along with other police officers investigate serious crime cases. A life-saving hostage investigation earns these three policewomen the title "The Angels." Life takes a turn for "The Angels" when Constable Sarah Cockerill is diagnosed with cancer and, as a result, she experiences a life journey that addresses whether God and Heaven are real. In all her years of policing, Sharon Simons, RCMP Corporal retired, has never received such an adrenalin rush as when she witnessed Constable Sarah Cockerill returning from Heaven in the form of live Angel Wings with living proof

that GOD AND HEAVEN AND ETERNAL LIFE ARE REAL.

Could this be the proof so many have longed for?

Divergent Women - Lorraine Rumson 2022-11-28

Delving into reflective and auto-ethnographic perspectives which explore subjective responses to the influence of the representation and treatment of evil women, *Divergent Women* is ultimately a celebratory reclamation of the concept of feminine transgression.

Frontline Justice - Pascal Lévesque 2020-03-19

Compared with its civilian counterpart - which struggles with delays and uncertain results - summary military justice is efficient. From offence until outcome, 90 per cent of cases are dealt with in less than ninety days. The other side of the coin is that there is no right to representation by defence counsel, no transcript produced, and no appeal to a

judge. Nine times out of ten, individuals are found guilty. For service members, consequences can include fines, reductions in rank, confinement, and sentences of up to thirty days in military jail, sometimes with a criminal conviction. Addressing important gaps in legal literature, Frontline Justice sets out to examine summary justice in Canada's military and to advocate for reform. Pascal Lévesque describes the origins, purposes, and features of the summary trial system in the Canadian Armed Forces. He then analyzes the system's benefits and flaws and the challenges it faces in maintaining discipline while respecting the Canadian Charter of Rights and Freedoms. Lévesque determines that troubling aspects of the system, including the fact that lower and higher ranks are dealt with and punished differently, are clear indicators of a need for change. Criticizing current legislation, the book takes into account the latest

developments in military law and jurisprudence to make concrete recommendations for an alternative model of military justice. A thought-provoking and balanced analysis, Frontline Justice seeks to remedy some of the more unfair and arcane proceedings of the Canadian military's summary trial system.
