No Truth Without Beauty - Leena El-Ali 2021-12-01

In this comprehensive open access book, written for readers from any or no religious background, Leena El-Ali does something remarkable. Never

before has anyone taken on every last claim relating to Islam and women and countered it not just with Qur'anic evidence to the contrary, but with easy-to-use tools available to all. How can a woman's testimony be worth

half of a man's? How can men divorce their wives unilaterally by uttering three words? And what's with the obsession with virgins in Paradise? Find the chapter on any of the seventeen topics in this book, and you will quickly learn a) where the myth came from and b) how to bust it. The methodology pursued is simple. First, the Qur'an is given priority over all other literary or "scriptural" sources. Second, the meaning of its verses in the original Arabic is highlighted, in contrast to English translations and/or widespread misunderstanding or misinterpretation.

Marriage - Christopher Ash 2003

The 'way of a man with a maiden' was too wonderful for the writer of Proverbs to understand. Preoccupying so many thoughts and dreams, the subject of countless songs, films and fairytales, the love between a man and a woman has always been a profound and perplexing mystery. And yet we do not live happily ever after. Four out of ten marriages will end in divorce. Couples now choose to live together rather than marry, and those relationships are even less likely to last. People are having fewer children, later, and with a succession of partners. Ironically, just when so much is expected of love, Western societies are witnessing lower levels of public commitment in sexual relationships than ever before. The scale of this change amounts to a revolution, a major historical paradigm shift. The statistics mask a depth of pain that every pastor and counsellor knows only too well. We must face the inevitable questions: if faithfulness is no longer esteemed, why get married at all? What is marriage? What did God intend when he gave us marriage? Christopher Ash argues that our modern idolization of the sexual relationship contains within itself the seeds of its own destruction. To begin to rebuild a biblical confidence in marriage, we need to understand that the primary blessing and purpose of marriage is not sexual intimacy, but rather serving God in partnership. This in turn leads to the blessings of love, friendship, children, and order in society, and will help us to

rediscover that faithfulness which is the heart of marriage.

Sex Before Marriage - Timothy S. Lane 2009-10-31

"If we're in love, what's wrong with having sex before marriage? Why should we be the only ones who wait?" If you have ever thought or said things like this, you have a lot of company. Sex Before the Sexual Revolution - Simon Szreter 2010-10-14

What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s, who were often pitied by later generations as repressed, unfulfilled and full of moral anxiety? This book provides the first rounded, first-hand account of sexuality in marriage in the early and mid-twentieth century. These award-winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition. Based on vivid, compelling and frank testimonies from a socially and geographically diverse range of individuals, the book explores a spectrum of sexual experiences, from learning about sex and sexual practices in courtship, to attitudes to the body, marital ideals and birth control. It demonstrates that while the era's emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction, for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives.

Sex Before Marriage - Ashlyn R Watkins 2019-07-21

If you are feeling chained to or curious about sex, but also trying to live your life for God, this book is for you. It sounds crazy to form a sentence that way, but that is who I was. I was a young girl who loved God and deeply wanted to live a good Christian life but became caught up in wanting to feel wanted. I found myself falling into bed with terrible decisions and the worst thing is I had no one to talk to about it. I had a loving church community, but unfortunately, no one talked openly about the secret struggles of sex. Religion somehow kept us together on the

outside but trapped to secrecy on the inside. If only someone felt free enough to listen to me and brave enough to help me understand that my sexual curiosities were normal, then maybe I would have kept my virginity. If only someone would have taken the time to be real with me and share their mistakes about sex, then maybe I would have stopped after the first guy. If only someone was willing to step away from performing church and actually be the church, then maybe I would not have ended up with so many regrets. However, since I did not get that then, I will be that for someone else now. I will not live in those regrets; instead, I will allow my pain to become a lesson for you. I will give you the truth about sex before marriage in the honesty I wish was given to me. Although you will read scriptures, I guarantee you this will not be your average Bible group purity class. You will read details of my experiences in a way that is not taught in church but needed to help you overcome temptation. If you are comfortable enough to embrace that, then this book will bring you the understanding you need to keep yourself from having sex before marriage.

The 6 Hearts of Intimacy - Bob Moeller 2018-09-11

Understanding the way your spouse gives and receives love will bring depth and new fulfillment to your love life. *The 6 Hearts of Intimacy* is a "Love Languages" for sex in marriage. Rather than focusing on sexual techniques, it unlocks the secret to true sexual fulfillment by revealing the unique way each spouse gives and receives love. Various books describe the distinct ways in which people express and accept love, but this idea has never before been specifically applied to intimacy in marriage. Marriage experts Bob and Cheryl Moeller present biblically based and proven ways to enhance your relationship with your spouse as they describe the Romantic Heart, the Giving Heart, the Guardian Heart, the Companion Heart, the Worshipping Heart, and the Ecstatic Heart. They also expose the "counterfeit hearts" that are present in many people's marriages, leaving their sexual relationship self-focused and empty. Many couples spend a lifetime attempting to express their love yet fail to achieve true intimacy. Sensitively written with practical advice and humor, *The 6 Hearts of Intimacy* shows husbands and wives how to

successfully resolve conflicts in their sexual relationship and how to care daily for their spouse's unique heart of sexual love. Discussion questions are included at the end of each chapter.

Marriage and First Intercourse, Marital Dissolution, and Remarriage - Christine Bachrach 1985

Premarital Sex in America - Mark Regnerus 2011-01-10

The period of young adulthood, from ages 18 to 23, is popularly considered the most sexualized in life. But is it true? What do we really know about the sexual lives of young people today? *Premarital Sex in America* combines illuminating personal stories and comprehensive research surveys to provide the fullest portrait of heterosexuality among young adults ever produced. Mark Regnerus and Jeremy Uecker draw upon a wealth of survey data as well as scores of in-depth interviews with young adults from around the country, both in and out of college. Digging underneath stereotypes and unexamined assumptions, the authors offer compelling--and often surprising--answers to such questions as: How do the emotional aspects of sexual relations differ between young men and women? What role do political orientations play in their sexual relations? How have online dating and social networking sites affected the relationships of emerging adults? Why are young people today waiting so much longer to marry? How prevalent are nontraditional forms of sex, and what do people think of them? To better understand what drives the sexual behaviors of emerging adults,

Regnerus and Uecker pay special attention to two important concepts: sexual scripts, the unwritten and often unconscious rules that guide sexual behavior and attitudes; and sexual economics, a theory which suggests that the relative scarcity of men on college campuses contributes to the "hookup" culture by allowing men to diminish their level of commitment and thereby lower the "price" they have to "pay" for sex. For anyone wishing to understand how sexual relations between young adults have changed and are changing, *Premarital Sex in America* will serve as a touchstone for years to come.

Brief History of Social Problems - Frank J. McVeigh 2004

In this book, Frank McVeigh and Loreen Wolfer take an historical approach to examine the causes and conflicts behind ten major social problems that have existed for nearly 230 years. Using a critical thinking perspective of the history, sociology, politics, and economics of the period, the authors analyze social problems as a series of conflicts between those with power and those who were at one time virtually powerless. Embedded in this analysis is a discussion of how the shift from a *Gemeinschaft* to *Gesellschaft* society has influenced how we address these problems. Using these themes, McVeigh and Wolfer provide thought-provoking insight into the ways individuals, groups, and social institutions change over time, gaining or losing power. The book contains a preface by Arthur Shostak, Drexel University.

[Sex before Marriage. What's the harm?](#) - Daniele Luciano Moskal
2014-12-13

God is a holy God who feels very strongly about SEX before marriage and has listed it in the Holy Bible as one of His most serious offenses we can commit. He has made a strong moral statement on how He feels about unmarried people and sex relations which is found in the Book of 1 Corinthians, chapter 6, verses 9-10. ""Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of

themselves with mankind, nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God."" Many people know that in marriage adultery is wrong, but don't realize that God considers pre-marital sex (fornication) just as serious. God definitely says ""NO"" to any sex before marriage. In this book the author tackles this everyday question using the very Word of God to teach the reader in an easy-to-comprehend style the reasons why, 'Sex before Marriage is very harmful!!'

Sex, God, and the Conservative Church - Tina Schermer Sellers
2017-04-21

Sex, God, and the Conservative Church guides psychotherapy and sexology clinicians on how to treat clients who grew up in a conservative faith—mired in sexual shame and dysfunction—and who desire to both heal and hold on to their faith orientation. The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church, and their effects on intimate partnerships and sexual lives. The book provides clinicians a way to understand the faulty sexual ethic of the early church, while revealing the hidden mystical sex and body positive understanding of sexuality of the Hebrew people. The book also includes chapters on strategies for a new sexual ethic, on clinical steps to heal religious sexual shame, and on specific sex therapy interventions clinicians can use directly in their practice. Finally, it offers a four step model for healing religious sexual shame and actual touch and non-touch exercises to bring healing and intimacy into a person's life.
