Exploring the Cultural Phenomenon of the Dick Pic - Andrea Waling 2023-06-21

This book explores the dick pic in popular culture. Drawing from a range of disciplines, cultural analyses, lived experiences and theoretical approaches, this book explores the polysemous nature of dick pics. It looks at historical and contemporary theorisations of the penis/phallus, sexualisation and sexual objectification of the male body arguments,

contemporary public discourses concerning the dick pic, and men's lived experiences of sexting and dick pic sending. Made possible by advances in mobile and digital technologies, the dick pic is often regarded as a harmful endemic, particularly in the wake of increased recognitions of sexual violence against women. However, very little has been done to explore dick pics outside of violence, pathological, and moral panic framings, such as the erotic possibilities and understandings of the dick pic, and the way certain discourses continue to work to shape and frame how we engage and understand the dick pic in contemporary culture. This will be key reading for scholars and students in Women's and Gender Studies, Sexuality Studies, Masculinity and Sociology.

swings, hormonal imbalance or fertility issues, and all the “down there” concerns, vagina owners everywhere consistently ask their doctors one thing: Is this normal? Whether it was from her patients or her hundreds of thousands of social media followers, Dr. Jolene Brighten has heard this simple question more times than she can count. With only eighteen states (yes, really) requiring medically accurate sexual education, it’s no wonder that so many have serious questions that need answers. In *Is This Normal?*, Dr. Brighten candidly shares what your sex-ed teacher should have said but didn’t. TMI isn’t a term in her world. She answers all those “lady parts” questions you’ve always wondered but might not have felt comfortable asking, including topics as wide-ranging as the menstrual cycle, postpartum health, libido, acne, the orgasm gap, and vaginal discharges. No topic is too gross, gooey, or OMG to be off-limits. Featuring a twenty-eight-day plan to take back your cycle and dozens of charts, checklists, and

diagrams that help keep it real while keeping you educated, *Is This Normal?* is the *Our Bodies, Ourselves* for the social media generation and women everywhere will benefit from this honest, easy-to-understand guide to their bodies.

2009-01-01

I have seen the future of slang dictionaries, and its name is urbandictionary.com." --Times (London) * Move over Merriam-Webster, Oxford, and American Heritage; your version of truthiness has hit the marble ceiling. Compiled from the wildly popular Web site urbandictionary.com, Mo' Urban Dictionary: Ridonkulous Street Slang Defined includes more than 2,000 of the latest contemporary slang entries. * Since the site's founding in 1999, more than 2.5 million definitions have been submitted. Thousands of new words and definitions are added each day. * Each alphabetized entry includes a word, a definition, and a sample sentence. Applejacked: Having your Apple iPod stolen. "Dude, on the train last night I totally got Applejacked!" bacon bit: A rent-a-cop; not good/important enough to be referred to as a "pig" or "bacon." "I thought we'd be in trouble when the 5-0 started rollin' up, but then I

realized it was just the bacon bits--mall security." cruiser spoon: To park two police cruisers with the drivers' sides adjacent so that the officers can converse through the open windows. "Better slow down, the po-po are cruiser spooning in the parking lot ahead." *The Routledge Dictionary of Modern American Slang and Unconventional English* - Tom Dalzell 2009

Hooking Up - Kathleen A. Bogle 2008

A closer look into the new sexual culture on college campuses It happens every weekend: In a haze of hormones and alcohol, groups of male and female college students meet at a frat party, a bar, or hanging out in a dorm room, and then hook up for an evening of sex first, questions later. As casually as the sexual encounter begins, so it often ends with no strings attached; after all, it was "just a hook up." While a hook up might mean anything from kissing to oral sex to

going all the way, the lack of commitment is paramount. Hooking Up is an intimate look at how and why college students get together, what hooking up means to them, and why it has replaced dating on college campuses. In surprisingly frank interviews, students reveal the circumstances that have led to the rise of the booty call and the death of dinner-and-a-movie. Whether it is an expression of postfeminist independence or a form of youthful rebellion, hooking up has become the only game in town on many campuses. In *Hooking Up*, Kathleen A. Bogle argues that college life itself promotes casual relationships among students on campus. The book sheds light on everything from the differences in what young men and women want from a hook up to why freshmen girls are more likely to hook up than their upper-class sisters and the effects this period has on the sexual and romantic relationships of both men and women after college. Importantly, she shows us that the standards for young men and women are not as

different as they used to be, as women talk about “friends with benefits” and “one and done” hook ups. Breaking through many misconceptions about casual sex on college campuses, *Hooking Up* is the first book to understand the new sexual culture on its own terms, with vivid real-life stories of young men and women as they navigate the newest sexual revolution.

Liberal Fascism - Jonah Goldberg 2009-01-29

Today the word 'fascist' is usually an insult aimed at those on the right, from neocons to big business. But what does it really mean? What if the true heirs to fascism were actually those who thought of themselves as being terribly nice and progressive - the liberals? Jonah Goldberg's excoriating, opinion-driving, US bestseller explains why. Here he destroys long-held myths to reveal why the most insidious attempts to control our lives originate from the left, whether it's smoking bans or security cameras.

Journeying through history and across culture, he uses surprising examples ranging from Woodrow Wilson's police state to the Clinton personality cult, the military chic of 60s' student radicals to Hollywood's totalitarian aesthetics, to show that it is modern progressivism - and not conservatism - that shares the same intellectual roots as fascism. This angry, funny, smart and contentious book looks behind the friendly face of the well-meaning liberal, and turns our

preconceptions inside out.

The Latin Sexual Vocabulary - J. N. Adams
1990-10

Like other languages, Latin contained certain words its speakers considered obscene as well as a rich stock of sexual euphemism and metaphor. Our sources for this information range from surviving graffiti to literary works with a marked sexual content. Yet despite its manifest literary and linguistic interest, the sexual vocabulary of Latin has remained uninvestigated by scholars. J. A. Adams's pioneering and unique reference work collects for the first time evidence of Latin obscenities and sexual euphemisms drawn from both literary and nonliterary sources from the early Republic to about the fourth century A.D. Separate chapters treat each of the sexual parts of the body and the terminology used to describe sexual acts. General topics include the influence of Greek language on Latin, changes in the Latin vocabulary over time (including the evolution of

The Soul of Hip Hop - Daniel White Hodge
2010-08-21

What is Hip Hop? Hip hop speaks in a voice that is sometimes gruff, sometimes enraged, sometimes despairing, sometimes hopeful. Hip hop is the voice of forgotten streets laying claim to the high life of rims and timbs and threads and bling. Hip hop speaks in the muddled language of would-be prophets--mocking the architects of the status quo and stumbling in the

dark toward a blurred vision of a world made right. What is hip hop? It's a cultural movement with a traceable theological center. Daniel White Hodge follows the tracks of hip-hop theology and offers a path from its center to the cross, where Jesus speaks truth.
