Astrology for Real Relationships - Jessica Lanyadoo 2019-12-31

A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, *Astrology for Real Relationships* includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

Elliot Hooper wants nothing more than a regular life for him and his mom. Then a Constellation of the Zodiac crashes from the sky into a pile of cow dung in front of him, and that wish explodes in a spray of...well...you know. Virgo, a 1,964-year-old girl, is on a routine mission to Earth and ABSOLUTELY FORBIDDEN from interacting with mortals. So of course she takes Elliot along with her. But when an evil daemon named Thanatos escapes to wreak terrible havoc, their routine mission turns not-so-routine. For if Elliot and Virgo don't track down the retired Zeus and the rest of the Olympians and help them catch Thanatos, mortals and gods alike won't be long for this earth. Internet Lesbian and Gay Television Series, 1996-2014 - Vincent Terrace 2015-09-01

Created around the world and available only on the Web, internet "television" series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The third of five volumes on Internet TV series, this book covers 335 alphabetically arranged gay and lesbian programs, 1996-2014, giving casts, credits, story lines, episode descriptions, websites, dates and commentary. A complete index lists program titles and headings for gay, lesbian, bi-sexual, transgender and drag queen shows.

Friends on a Rotten Day - Hazel Dixon-Cooper 2008-05-01

It's about time for *Friends on a Rotten Day*, the first astrology book to focus entirely on friendships. After all, lovers come and go, but our girlfriends sustain, nurture, and protect us from cradle to grave. *Friends on a Rotten Day* explores the supportive, uproarious, and sometimes complex, relationships between girlfriends through an in-depth astrological analysis of each Sun sign. Dixon-Cooper shows readers what makes their friend tick on a soul level, revealing each friend's inner character, friendship style, love style (including what to do or not do if a pal picks a loser), and party style. She offers suggestions on the best gifts to buy your friend, how to calm her down, cheer her up, and return the unconditional support and love that she gives you. Readers will discover why their Gemini buddy changes her mind so often, why the Virgo gal pal sweats the small stuff, why a Scorpio girlfriend sometimes seems distant, and why the Leo chum needs frequent headpats. They'll also learn why a Pisces pal should never be forced to make a snap decision, why a Capricorn girlfriend might seem too serious for her own good, the truth about a Taurus

friend's hidden anxieties, the competitive side of an Aries chum, what causes Cancer pal's emotional train wrecks, why the Aquarius buddy has a rebellious side, and why the Sagittarius girlfriend has occasional angry outbursts. "Dixon-Cooper reveals what every astrologer knows but none has dared say. (She) takes us on a seriously humorous ride through the land of truth and consequences. I highly recommend it." -- Suzanne White

Sunday Times Style magazine In Spirit Junkie, Gabrielle Bernstein shares the story of her spiritual journey and shows you how you, too, can overcome the fears that paralyse you and manifest the greatest joy in your life. Before she became an international bestselling author and teacher, Gabrielle Bernstein kept a journal of self-loathing, self-doubt and calorie consumption for more than twenty years. That all changed when she discovered A Course in Miracles, which taught her that much of what she feared in life was not frightening at all and, in many cases, not even real. Bernstein guides you through the life-changing lessons that she has lived and learned in three parts: · 'The Detour into Fear' explains how our minds go wrong and why we become accustomed to fearful ways of being. · 'The Answer' provides the necessary tools for reconditioning our minds back to peace and joy. · 'The Miracle' helps you maintain your happiness and share it with the world. By understanding and changing our perceptions, resentments will release, hang-ups will melt away and a renewed faith in joy will be reignited.
