*Animal Languages - Eva Meijer 2019-11-14*

'A rich compendium of incidents, anecdotes and studies illustrating the linguistic abilities of animals . . . a rewarding book' Sunday Times  
Dolphins and parrots call each other by their names. Fork tailed drongos mimic the calls of other animals to scare them away and then steal their dinner. In the songs of many species of birds, and in skin patterns of squid, we find grammatical structures . . . If you are lucky, you might meet an animal that wants to talk to you. If you are even luckier, you might meet an animal that takes the time and effort to get to know you. Such relationships can teach us not only about the animal in question, but also about language and about ourselves. From how prairie dogs describe intruders in detail -- including their size, shape, speed and the colour of their hair and T-shirts -- to how bats like to gossip, to the impressive greeting rituals of monogamous seabirds, *Animal Languages* is a fascinating and philosophical exploration of the ways animals communicate with each other, and with us. Researchers are discovering that animals have rich and complex languages with grammatical and structural rules that allow them to strategise, share advice, give warnings, show love and gossip amongst themselves. *Animal Languages* will reveal this surprising hidden social life and show you how to talk with the animals.

*The Demonstration Society - Claude Rosental 2021-10-12*

Today, as in the past, public demonstrations are not only tools to prove, persuade, and promote, but also fundamental forms of social interaction and exchange. YouTube demos of makeup products by famous influencers, demonstrations of strength during street protests, demonstrations of military might in North Korea: public demonstrations are omnipresent in social life. Yet they are often perceived as isolated events, unworthy of systematic examination. In *The Demonstration Society*, Claude Rosental explores the underlying dynamics of what he calls a "demonstration society." He shows how, both in today's world and historically, public demonstrations constitute not only tools to prove, persuade, and promote, but fundamental forms of interaction and exchange, and, in some cases, attempts to lead the world. Rosental compares demos with other forms of public demonstrations, drawing out both their peculiarities and common features. He analyzes the processes through which demonstrations are conceived and carried out, as well as the skills of their producers. He also compares contemporary demos with historical demonstrations including theaters of machines in the Renaissance, public demonstrations of natural philosophy in the seventeenth century, and demonstrations of the magic lantern in the nineteenth century. Above and beyond the entertainment they sometimes provide, demonstrations are experienced as intense moments that

broadly involve alliances, material and symbolic goods, and, more generally, the future of individuals and collectives. Rosental elucidates the many ways in which we live today, as in the past, in a society of demonstration.

**Blockbuster Video Guide to Movies and Videos, 1996 - Ron Castell 1995**

With over 300 new entries added since the 1995 edition, this ultimate video guidebook for all video viewers gives a clear plot summary of each film, an MPAA rating, and extensive indices. From new releases to classics, foreign films to children's viewing, this reference contains over 20,000 entries of films available on video.

**Project Everlasting - Mathew Boggs 2007-06-05**

A heartwarming and revealing look at the wisdom drawn from successful marriages and the secrets to making love last, not from Ph.D.s or therapists but from more than 200 real couples who have walked the walk to more than forty years of marriage. Jaded by his parents' divorce, Mathew Boggs was a young man who'd lost all belief in lifelong love. After observing his grandparents who were madly in love after sixty-three years of marriage, Mat talked his best friend Jason into joining him on a cross-country search for America's greatest marriages. The two bumbling bachelors jumped in an RV and embarked on "Project Everlasting," a 12,000-mile cross-country adventure to discover what it takes to make love last. Each chapter of *Project Everlasting* is dedicated to one of the pressing questions the bachelors asked the couples, such as: —"How do you know you've found The One?" —"What's missing from today's marriages?" —"How do you keep the romance alive?" —"What's the most important ingredient for a solid marriage?" As the traveled the country, meeting happy couples from all walks of life, Mat and Jason began to understand why their own relationships hadn't worked out quite as planned. They also realized that what they were learning from their wise new friends could change everything for them and—through *Project Everlasting*—show their generation and generations to come how to build a marriage to last.

*Journal of Film and Video - 1984*

*Variety's Complete Home Video Directory - 1988*

*He Who Finds A Wife - Stephan Labossiere 2015-04-28*

Men want love too! From the author of the bestselling book "God Where Is My Boaz" comes a book that will help men who truly desire love and a woman they can spend their life with. "He Who Finds A Wife" takes a practical and spiritual approach to guiding men on the path that will lead to their self growth, and a amazing relationship.

**Video Movie Guide 1995 - Mick Martin 1994-09-27**

**Bookwise - Sharon Parsons 2001**

With a balance of fiction and non-fiction text types and genres, Bookwise is carefully graded and organised into five cross-curricular strands, encouraging links to other subjects. The full-colour readers are accompanied by Teacher's Guides and Resource Sheets to help you get the most out of your Guided Reading and Writing sessions.

Structophis - Joseph R. Lallo 2017-07-12

Structophis is a heartwarming YA adventure from the author of *The Book of Deacon*, *Bypass Gemini*, and *Free-Wrench*. It is based upon a concept and artwork by ProjectENDO. In a small town in Colorado, Markus Spiros was just getting his life on track. By day he worked as a veterinary tech, by night he took classes. His steady little routine was rolling along nicely when his impulsive Uncle Dimitrios threw a wrench in the works. Thanks to an unannounced trip, Markus had to swing by his uncle's bistro to tend to the 'special oven.' When he arrived, he discovered it wasn't the oven that was special, it was the rare and exotic egg that had been incubating inside it. And now it had hatched. Suddenly, Markus found his life had become a good deal more complicated. The creature was a Structophis Gastrignae—a strange creature that was equal parts dragon and oven—and she'd become quite a big girl. Large as a refrigerator and curious as a toddler, the creature he'd dubbed Blodgette would have been a handful in any situation. Markus had bigger problems than figuring out how to take care of her, though. Owning such a rare and special beast was illegal, so should the cops learn of it, Markus would be destined for jail. Worse, there were certain unscrupulous people who would do anything to acquire Blodgette. Now, with the help of his old classmate Gale, Markus must scramble to stay two steps ahead of the authorities and a corrupt CEO, all while being the best 'mommy' he can be to his brand-new pizza dragon.

YouTube for Business - Michael Miller 2008-08-19

To any businessperson or marketing professional, YouTube's 20 million viewers are a tempting target. How can you tap into the potential of YouTube to promote your business and sell your products or services? The answers in *YouTube for Business* show you how to make YouTube part of your online marketing plan—and drive traffic to your company's website. In this book you'll learn how to:

- Develop a YouTube marketing strategy
- Decide what types of videos to produce
- Shoot great-looking YouTube videos—on a budget
- Edit and enhance your videos
- Create a presence on the YouTube site
- Manage a video blog
- Generate revenues from your YouTube videos
- Produce more effective YouTube videos

Includes profiles of successful businesses • Blendtec • Charles Smith Pottery • Annette Lawrence, ReMax ACR Elite Group, Inc. • Stone Brewing Company • D-Link

Author Michael Miller has written more than 80 how-to books over the past two decades, with more than one million copies in print. His best-selling books include *YouTube 4 You*, *Tricks of the eBay Business Masters*, *Absolute Beginner's Guide to Computer Basics*, and *Googlepedia: The Ultimate Google Resource*. Front cover quote: "Never thought you could use YouTube for your business? Well, think again! This book gives you a complete overview of why, how, and the technology to get you started." — Rhonda Abrams, *USAToday* small business columnist and author of *Successful Marketing: Secrets & Strategie*

Roger Ebert's Video Companion - Roger Ebert 1997

Now in its 12th edition, "Roger Ebert's Video Companion" sports a new cover but contains the same literature, witty, and trusted reviews that movie lovers depend on. In addition to 1,500 full-length movie reviews, the book also contains interviews with Madonna, Kenneth Branagh, Billy Bob Thornton, Kim Novak, and others. More than 1 million "Video Companions" have been sold.

Each page contains the same line: "No one have idea about." It's a perfect gift for

male of any age

**Atomic Attraction** - Christopher Canwell 2017-12-26

"20% of Men Get 80% of Women." ~ (Source: Medium | Data Science) If you want to be a man that 80% of women desire, this book is your key. Based on over 120 scientific studies, this book is the ultimate guide to creating and maintaining attraction with women. Attraction doesn't grow in a warm, safe environment, it grows in a swamp of discomfort and anxiety. This is just one of many truths you're about to discover. In *Atomic Attraction* Christopher Canwell takes us on a journey through the dark waters of attraction. What turns women on? What makes them choose one man over another? And how can you become truly desirable and attractive? This book answers these questions by combining the latest scientific research with real-life case studies to show you, the reader, how to ignite the fires of attraction and captivate those around you. **INSIDE YOU'LL DISCOVER** - How to get more sex, love, and affection - How to increase your sexual market value - How to use body language to attract women - How to create instant attraction with women - How to keep your girlfriend/wife interested in you - How to maintain attraction in long-term relationships - How to become the most attractive version of yourself - How to build attraction online by text and social media Everything you need to know about creating, building, and maintaining attraction with women can be found within these pages. \*This book includes 40 real-life case studies.

**Etiquette: The Least You Need to Know** - Jamila Musayeva 2019-01-22

"You never get a second chance to make a first impression." Have you ever heard this saying? Before we get a chance to say a word, our gestures and manners have already spoken for us. Though some of the rules of good manners change, others remain constant. This book is about the constants: the least you need to know to make a good first impression. As Clarence Thomas once said, "Good manners will open doors that the best education cannot." Use this book as a master key to open those doors.

**Promise of A Hero** - Jodi Allen Brice 2023-07-02

Are you ready for a charming and delightful romantic journey that will leave you longing for more? Join us in the enchanting town of Harland Creek and embark on an unforgettable adventure with "Promise of a Hero" by acclaimed author Jodi Allen Brice. Felicia Dantry's world is turned upside down when she receives an invitation to her ex's wedding. Determined not to let the town of Harland Creek think she's still hung up on her former flame, Felicia knows she needs a plan. And what better way to save face than to show up with a dashing date on her arm? Enter Ethan Rodriguez - a retired military hero and the new caretaker of the beloved dog farm rescue. When Felicia proposes an irresistible proposition to be her wedding date, he can't resist the chance to help her out. Little do they know that their pretend relationship will ignite a powerful connection neither of them saw coming. As Felicia and Ethan spend more time together, their hearts begin to open, and the chemistry between them becomes undeniable. But will they seize this opportunity for love or let it slip away? Can they overcome their pasts and embrace the promise of a brighter future together? In "Promise of a Hero," Jodi Allen Brice masterfully weaves a tale of unexpected love and personal growth. With her signature blend of heartwarming moments, witty dialogue, and sizzling romance, she captures the essence of small-town charm and the power of second chances.

*Daygame : A Street Seducer's Journey* -

The incredible story of Tom Torero's journey from Oxford nerd to top street seducer. 100 lay reports. First published in 2013. "Bond meets Banksy - a true hustler with heart"

*The Modern Parent's Guide to Kids and Video Games* - Scott Steinberg 2012-02-01

Nearly 40 years after their invention and a decade after exploding onto the mainstream, video games still remain a mystery to many parents, including which titles are appropriate, and their potential side-effects on kids. Now the answers are at your fingertips. Offering unrivaled insight and practical, real-world strategies for making gaming a positive part of family life, *The Modern Parent's Guide to Kids and Video Games* provides a vital resource for today's parent. From picking the right software to promoting online safety, setting limits and enforcing house rules, it offers indispensable hints, tips and how-to guides for fostering healthy play and development. Includes: Complete Guides to PC, Console, Mobile, Online & Social Games - Using Parental Controls and Game Ratings - Picking the Right Games - The Latest on Violence, Addiction, Online Safety - Setting Rules & Time Limits - Best Games for All Ages - Essential Tools & Resources.
