**The Art of Forgery** - Noah Charney 2015-05-12

The Art of Forgery: Case Studies in Deception explores the stories, dramas and human intrigues surrounding the world's most famous forgeries - investigating the motivations of the artists and criminals who have faked great works of art, and in doing so conned the public and the art establishment alike.

The Devil in the Gallery - Noah Charney

2021-09-15

"It's an in-depth look at varied time periods and artists, which readers interested in gossip, drama, or art history will enjoy." Library Journal, Starred Review Scandal, shock and rivalry all

have negative connotations, don't they? They can be catastrophic to businesses and individual careers. A whiff of scandal can turn a politician into a smoking ruin. But these potentially disastrous "negatives" can and have spurred the world of fine art to new heights. A look at the history of art tells us that rivalries have, in fact, not only benefited the course of art, from ancient times to the present, but have also helped shape our narrative of art, lending it a sense of drama that it might otherwise lack, and therefore drawing the interest of a public who might not be drawn to the objects alone. There would be no Sistine Chapel by Michelangelo had rival Raphael not tricked the pope into assigning him the commission, certain that Michelangelo, who

had never before worked with frescoes, would botch the job and become a laughing stock. Scandal and shock have proven to be powerful weapons when harnessed and wielded willfully and well. That scandal is good for exposure has been so obviously the case that many artists have courted it intentionally, which we will define as shock: intentionally overturning expectations of the majority in a way that traditionalist find dismaying or upsetting, but which a certain minority avant-garde find exciting. From Damien Hirst presenting the public with a shark embalmed in formaldehyde and entombed in a glass case to Marcel Duchamp trying to convince the art community that a urinal is a great sculpture shock has been a key promotional tool. The Devil in the Gallery is a guided tour of the history of art through its scandals, rivalries, and shocking acts, each of which resulted in a positive step forward for art in general and, in most cases, for the careers of the artists in question. In addition to telling

dozens of stories, lavishly illustrated in full color, of such dramatic moments and arguing how they not only affected the history of art but affected it for the better, we will also examine the proactive role of the recipients of these intentionally dramatic actions: The art historians, the critics and even you, the general public. The Devil likes to lurk in dark corners of the art world, morphing into many forms. Let us shed light upon him.

**The Museum of Lost Art** - Noah Charney

2018-05-04

True tales of lost art, built around case studies of famous works, their creators, and stories of disappearance and recovery From the bestselling author of *The Art of Forgery* comes this dynamic narrative that tells the fascinating stories of artworks stolen, looted, or destroyed in war, accidentally demolished or discarded, lost at sea or in natural disasters, or attacked by iconoclasts or vandals; works that were intentionally temporal, knowingly destroyed by

the artists themselves or their patrons, covered over with paint or plaster, or recycled for their materials. An exciting read that spans the centuries and the continents.

**Firaq Gorakhpuri: Selected Poetry** - Firāq Gorakhpūrī 2000

*Sufi Lyrics* - Bullhe Shah 2021-02-23

Bullhe Shah's work is among the glories of Panjabi literature, and the iconic eighteenth-century poet is widely regarded as a master of mystical Sufi poetry. His verses, famous for their vivid style and outspoken denunciation of artificial religious divisions, have long been beloved and continue to win audiences around the world. This striking new translation is the most authoritative and engaging introduction to an enduring South Asian classic.

**Pinjar** - Amrita Pritam 2009

"The skeleton ... [is] set against the background of religious and clan feuds on the eve of Partition ... That man is a compelling account of

a young man born under strange circumstances and abandoned at the altar of God"--Page 4 of cover

[The Art Thief](#) - Noah Charney 2008-09-02

Charney crafts an intellectual masterpiece--the mystery of three missing masterpieces that sends criminals and curators alike on a rollicking chase through the art galleries and auction houses of Europe.

*Stealing the Mystic Lamb* - Noah Charney 2010-10-05

Jan van Eyck's Ghent Altarpiece is on any art historian's list of the ten most important paintings ever made. Often referred to by the subject of its central panel, The Adoration of the Mystic Lamb, it represents the fulcrum between the Middle Ages and the Renaissance. It is also the most frequently stolen artwork of all time. Since its completion in 1432, this twelve-panel oil painting has been looted in three different wars, burned, dismembered, forged, smuggled, illegally sold, censored, hidden, attacked by

iconoclasts, hunted by the Nazis and Napoleon, used as a diplomatic tool, ransomed, rescued by Austrian double-agents, and stolen a total of thirteen times. In this fast-paced, real-life thriller, art historian Noah Charney unravels the stories of each of these thefts. In the process, he

illuminates the whole fascinating history of art crime, and the psychological, ideological, religious, political, and social motivations that have led many men to covet this one masterpiece above all others.
