

Surviving Childhood Sexual Abuse Carolyn Ainscough

Breaking Free Workbook - Kay Toon 2020-06-11

As a survivor of sexual abuse in childhood, you may find that its effects continue to haunt you - bringing guilt and shame, perhaps depression and anxiety, eating disorders, troubled relationships and sexual difficulties. But although you can't alter the past, you can change the present and the future. *Breaking Free*, by Kay Toon and Carolyn Ainscough, draws on their nationally recognized and pioneering work as clinical psychologists giving a voice to the Survivors of child sexual abuse. It uses their courage and experiences to help other survivors face their past and take steps towards a better future. This new edition of the accompanying workbook now refers to types of abuse that have come to light more recently, such as street exploitation, and abuse by celebrities, politicians and football coaches, as well as the use of digital technology to groom children and young people. Practical exercises work step-by-step on the problems that result from being sexually abused as a child. They are designed to present survivors with different ways to think about the past, and to arm you with new strategies to move on from the problems that disrupt the present, and look forward to the future. Exercises like these can be very beneficial, but they can also be painful. They can bring up strong feelings, so at every stage your safety and well-being are the first concern, and the book includes essential coping strategies for getting the level of support you need. This practical book will be enormously useful for survivors of sexual abuse, and may also help those who have been abused emotionally or physically. Therapists will also find it a useful resource to use with clients, and both this book and *Breaking Free* are regularly recommended by professionals in the NHS and also in the media.

Healing Steps - Sharyn Higdon Jones 2018-08-13

FINALIST 2018 FOREWORD BOOK OF THE YEAR - PSYCHOLOGY & WOMEN'S STUDIES "As practical as it is powerful." - Marilyn Van Derbur, author, *Miss America by Day* *Healing Steps: A Gentle Path to Recovery for Survivors of Childhood Sexual Abuse* is a step-by-step guide to healing from the deep pain of early sexual abuse. Such profound abuse touches the core of a woman's being: in unwanted memories, confusing feelings, distorted self-image, ongoing relationship struggles, and more. This frank and thorough book, written by a therapist who has herself survived sexual abuse, offers clear-eyed advice, stories of struggles and recovery, and most importantly, exercises to guide you in your own healing. If you're a sexual abuse survivor, it's difficult to know how to begin freeing yourself of the past so you can be fully present for your future. Let this book be your guide. And if you're currently in therapy (or if you are a therapist) and want a focus for your work, this book can be used as a blueprint for your therapeutic work. When you read this book, you will realize that you are not alone: you are on a journey that many have walked before - and that many are walking with you now.

Breaking Free - Carolyn Ainscough 1993

Help for survivors of abuse. Practical and positive.

To the Survivors - Robert Uttaro 2013-10-23

"To the Survivors weaves together many candid accounts to form a brave and alarming exposé of assault. It is a worthwhile, eye-opening project" (Foreword Clarion Reviews). "An engaging examination of a painful subject, with a focus on healing and forgiveness" (Kirkus Reviews). *To the Survivors* is a deeply-moving, empowering, and brutally honest book about one man's journey as a rape crisis counselor combined with true stories of sexual violence shared by real survivors in their own words. Gently and beautifully constructed, *To the Survivors* is moving, tender, sharp, and piercingly true all at once. The reader will encounter uncensored written stories, poems, and interviews shared by women, men, and one transgendered person who have been raped and sexually assaulted. The impact of this work is far reaching - it is multi-cultural, multi-generational, and fully expansive in its ability to reach people's hearts and minds around this critical human issue. Robert Uttaro believes anyone can benefit from the words in these pages; rape survivor or not.

Breaking Free - Carolyn Ainscough 2000

This new edition of *Breaking Free* includes the stories of men who were abused as children as well as female victims. The book draws on the accounts of survivors who want their voices to be heard to provide an optimistic approach to help other survivors.

Breaking Free Workbook - Carolyn Ainscough 2000

A workbook for survivors of sexual abuse, to use alongside "Breaking Free", or on its own. With emphasis on practical exercises, the workbook is designed to help the reader explore and cope with the problems that child sexual abuse often causes.

The Courage to Heal Workbook - Laura Davis 1990-02-28

In this groundbreaking companion to *The Courage to Heal*, Laura Davis offers an inspiring, in-depth workbook that speaks to all women and men healing from the effects of child sexual abuse. The combination of checklists, writing and art Projects, open-ended questions and activities expertly guides the survivor through the healing process. *Survival Skills* - Teaches survivors to create a safe, supportive environment, ask for help, deal with crisis periods, and choose therapy. *Aspects Of Healing* -- Focuses on the healing process: gaining a capacity for hope, breaking silence, letting go of shame, turning anger into action, planning a confrontation, preparing for family contact, and affirming personal progress. *Guidelines For Healing Sexually* -- Redefines the concept of "safe sex" and establishes healthy ground rules for sexual contact.

Healing from the Trauma of Childhood Sexual Abuse - Karen A. Duncan 2004-08-30

The traumatic affects of childhood sexual abuse can remain and recur throughout life for women who have not healed emotionally. This book by a family therapist shares stories from 18 women abused as children, explaining that healing can occur at any stage of life, and that healing, itself, occurs in stages. The author offers guidance to recognize the long-lingering potential affects of childhood sexual abuse including depression, anxiety, dissociation, and chronic shock, and she explains steps to take for recovery. Also presented are letters from women who have healed or are in recovery. Sexual abuse by men, juveniles, and female perpetrators is discussed, as is how children may act out the abusive behavior taught by perpetrators. The incidence of abuse by family members is also addressed. Duncan explains the dual dilemma—moral and legal—that women face in exposing a sexual perpetrator within the family when not protected by the legal system due to statutes of limitations. She also discusses controversial topics including false memory and disclosure of memory to the perpetrator.

Voices of Courage - Michael J. Domitrz 2005

Twelve accounts from sexual assault survivors.

Breaking Free - Kay Toon 2018-02-15

This classic book has helped many thousands of people to manage the impact that childhood sexual abuse has had on their lives. The positive and optimistic approach continues to empower survivors to break free from the past. This new edition by clinical psychologist Kay Toon now refers to types of abuse that have come to light more recently, such as street exploitation, and abuse by celebrities, politicians and football coaches, as well as the use of digital technology to groom children and young people. *Breaking Free* is regularly recommended by agony aunts and therapists. A Department of Health project provided copies of *Breaking Free* and the *Breaking Free Workbook* to NHS Mental Health Provider Trusts. "The voice of the cowed, betrayed and helpless sexually abused child speaks powerfully throughout this book." *British Journal of Psychiatry* "The way the book instils hope is inspiring" *Journal of Social Work Practice* "This book will be enormously helpful to those who have endured sexual abuse." *Nursing Times*

REPAIR Your Life - Marjorie McKinnon 2015-12-04

REPAIR Your Life is a Six-Stage Program for abuse survivors that will transform your life forever! Recognize and accept your adult problems stemming from childhood sexual abuse. Enter into a commitment to transform your life. Process your issues with tools and techniques that will enable you to become healthy. Awareness to discover reality as you gather and assemble the pieces of the broken puzzle your life became. Insight into the complete picture helps you begin to return to what you were prior to being sexually violated. Rhythm recovers the natural rhythm you had before the incest happened, the blueprint that is the essence of your true nature, becoming who you really are.

Therapists' Acclaim for REPAIR Your Life "REPAIR Your Life is one of several significant books by a woman who writes openly and perceptively, using her own experiences to take us down her path to an ultimately fulfilling life. This is an important book." --Vincent J. Felitti, MD, co-principal investigator of Adverse Childhood Experiences (ACE) Study "Thank you Marjorie and God bless you for adapting this program for our survivors to follow. You have given survivors hope to continue on their healing journey." --Donna Gustafson, Executive Director, Sunrise Center Against Sexual Abuse "This program just has to work, because whether intuitively or through research, Marjorie McKinnon has assembled a highly effective program of recovery." --Bob Rich, PhD, psychologist Special editions also available for teenagers, children 6-12, and toddlers. www.TheLampLighters.org for more information or to find a support group in your area.

Surviving Childhood Sexual Abuse - Carolyn Ainscough 2000-04-22
Understanding the past and breaking free from it is the key to surviving childhood sexual abuse. This book can help ease the journey, with discussions of the damage caused by abuse; anxiety, fears, and nightmares; depression and low self-esteem; eating disorders and negative body image; feelings toward the abuser, and how to overcome problems and work toward prevention.

The Courage to Heal - Ellen Bass 2002

Based on the experiences of hundreds of survivors & partners, this book profiles victims who share the challenges & triumphs of their personal healing processes. It offers mental, emotional & physical support to all those who are rebuilding their lives.

[The Ampleforth Journal](#) - 1977

Consumer Behavior - Delbert I. Hawkins 2003-03

Consumer Behavior, 9/e, by Hawkins, Best, & Coney offers balanced coverage of consumer behavior including the psychological, social, and managerial implications. The new edition features current and exciting examples that are tied into global and technology consumer behavior issues and trends, a solid foundation in marketing strategy, integrated coverage of ethical/social issues and outlines the consumer decision

process. This text is known for its ability to link topics back to marketing decision-making and strategic planning which gives students the foundation to understanding consumer behavior which will make them better consumers and better marketers.

Nice to Meet Me - Chris Carlton 2011-12

In the United States alone, there are almost twenty million men who experienced unwanted sexual abuse before the age of eighteen. One in every six men. Consequently, these men are forced to go through life managing the horrors of their past, while society as a whole avoids the issue. This book lifts the veil on the damage it causes, and the struggle it takes for men to manage the surfacing memories after years of suppressing the abuse. This is a walk with one man, Chris Carlton, a former collegiate athlete, U.S. Navy Intelligence Officer, and advertising executive, as he stops trying to prove his worth, and starts repairing his past; all while desperately trying to salvage his future. You will be given a seat next to him in the therapy office, to watch his truth unravel, his pain surface, and his walls crumble. You will see him start to connect the dots of his past, and start to find his footing, until ultimately; he connects with the innocent boy he left behind. *Nice To Meet Me* shows us that recovering from sexual abuse is undeniable with hard work and determination. This book is a candid, inspirational story of self-discovery and persistence that should be read by anyone looking to recover from traumatic memories, and for loved ones wishing to better understand someone struggling with their past.

Breaking Free - Kay Toon 2022-08-18

'This book will be enormously helpful to those who have endured sexual abuse' *Nursing Times* This classic book has helped many thousands of people to manage the impact that childhood sexual abuse has had on their lives. The positive and optimistic approach continues to empower survivors to break free from the past. Now with significantly updated resource and further help sections, this latest edition by clinical psychologist Kay Toon acknowledges the types of abuse that have come to light more recently, such as street exploitation, and abuse by celebrities, politicians and football coaches, as well as the use of digital technology to groom children and young people. *Breaking Free* is regularly recommended by counsellors, by media agony aunts and psychotherapists. A Department of Health project provided copies of *Breaking Free* and the *Breaking Free Workbook* to NHS Mental Health Provider Trusts. It is ideal both for those seeking therapeutic support and for those providing such support. 'The voice of the cowed, betrayed and helpless sexually abused child speaks powerfully throughout this book.' *British Journal of Psychiatry* 'The way the book instils hope is inspiring' *Journal of Social Work Practice*

Breaking Free - Kay Toon 2019-02-15

This book is designed to help survivors of child sexual abuse. It investigates all the effects of child sexual abuse, which often persist into adult life - guilt and shame, depression and anxiety, eating disorders, fear of relationships and sexual problems. It includes discussion of false memory syndrome and female abusers, and draws on accounts of survivors who want their voices to be heard, offering a positive and optimistic approach to help survivors break free from the past.

Surviving Childhood Sexual Abuse Workbook - Carolyn Ainscough 2000-12-28

The *Surviving Childhood Sexual Abuse Workbook* guides readers through a series of exercises, charts, and checklists aimed at recognizing, understanding, and working on the problems resulting from childhood sexual abuse. The exercises are divided into four parts: Understanding Your Present Problems and Keeping Safe; Guilt and Self-Blame; Feelings about Yourself and Others; and Looking to the Future.
