Flirting at the Funeral - Chris Keil 2012

Dave Leaper sips his drink and dreams of death and vengeance. Flirting with French - William Alexander
2015-04-09

William Alexander is not just a Francophile, he wants to be French. It's not enough to explore the country, to enjoy the food and revel in the ambiance, he wants to feel French from the inside. Among the things that stand in his way is the fact that he can't actually speak the language. Setting out to conquer the language he loves (but which, amusingly, does not seem to love him back), Alexander devotes himself to learning French, going beyond grammar lessons and memory techniques to delve into the history of the language, the science of linguistics, and the art of translation. Along the way, during his travels in France or following his passion at home, he discovers that not learning a language may be its own reward.
