

The Love Lies Of Rukhsana Ali

We Walked the Sky - Lisa Fiedler 2019-07-02

A stunning, multigenerational story about two teenagers: Victoria, who joins the circus in 1965, and her granddaughter, Callie, who leaves the circus fifty years later. Perfect for fans of *This is Us*. In 1965 seventeen-year-old Victoria, having just escaped an unstable home, flees to the ultimate place for dreamers and runaways--the circus. Specifically, the VanDrexel Family Circus where, among the lion tamers, roustabouts, and trapeze artists, Victoria hopes to start a better life. Fifty years later, Victoria's sixteen-year-old granddaughter Callie is thriving. A gifted and focused tightrope walker with dreams of being a VanDrexel high wire legend just like her grandmother, Callie can't imagine herself

anywhere but the circus. But when Callie's mother accepts her dream job at an animal sanctuary in Florida just months after Victoria's death, Callie is forced to leave her lifelong home behind. Feeling unmoored and out of her element, Callie pores over memorabilia from her family's days on the road, including a box that belonged to Victoria when she was Callie's age. In the box, Callie finds notes that Victoria wrote to herself with tips and tricks for navigating her new world. Inspired by this piece of her grandmother's life, Callie decides to use Victoria's circus prowess to navigate the uncharted waters of public high school. Across generations, Victoria and Callie embrace the challenges of starting over, letting go, and

finding new families in unexpected places.

But when a change in the game rules prompts Yared to log in with his real name, it triggers an attack that rocks the city. In the chaos, Uncle Moti disappears. Winner of the Asian/Pacific American Award for Young Adult Literature * 2018 YALSA Best Fiction for Young Adults * 2018 Rainbow Book List * A Kirkus Reviews Best Book of 2017 "Well-paced, brimming with drama, and utterly vital."—Kirkus (starred review) This charming and bittersweet coming-of-age story featuring two girls of color falling in love is part *To All the Boys I've Loved Before* and part *Simon vs. the Homo Sapiens Agenda*. Sixteen-year-old Sana Kiyohara has too many secrets. Some are small, like how it bothers her when her friends don't

invite her to parties. Some are big, like the fact that her father may be having an affair. And then there's the one that she can barely even admit to herself—the one about how she might have a crush on her best friend. When Sana and her family move to California, she begins to wonder if it's finally time for some honesty, especially after she meets Jamie Ramirez. Jamie is beautiful and smart and unlike anyone Sana's ever known. There are just a few problems: Sana's new friends don't trust Jamie's crowd; Jamie's friends clearly don't want her around anyway; and a sweet guy named Caleb seems to have more-than-friendly feelings for her. Meanwhile, her dad's affair is becoming too obvious to ignore. Sana always figured that the hardest thing would be to tell people that she wants to date a girl, but as she quickly learns, telling the truth is easy...what comes after it, though, is a whole lot more complicated.
