It is 1987 and a small Irish community is preparing for a wedding. The day before the ceremony a group of young friends, including bride and groom, drive out to the beach. There is an accident. Three survive, but three are killed. The lives of the families are shattered and the rifts between them are felt throughout the small town. Connor is one of the survivors. But staying among the angry and the mourning is almost as hard as living with the shame of having been the driver. He leaves the only place he knows for another life, taking his secrets with him. Travelling first to Liverpool, then London, he makes a home - of sorts - for himself in New York. The city provides shelter and possibility for the displaced, somewhere Connor can forget his past and forge a new life. But the secrets, the unspoken longings and regrets that have come to haunt those left behind will not be silenced. And before long, Connor will have to confront his past. Graham Norton's powerful and timely novel of emigration and return demonstrates his keen understanding of the power of stigma and secrecy - with devastating results.

A Little Devil in America Hanif Abdurraqib 2021-03-30 NATIONAL BOOK AWARD FINALIST • A sweeping, genre-bending "masterpiece" (Minneapolis Star Tribune) exploring Black art, music, and culture in all their glory and complexity—from Soul Train, Aretha Franklin, and James Brown to The Fresh Prince of Bel-Air, Whitney Houston, and Beyoncé ONE OF THE TEN BEST BOOKS OF THE YEAR: Chicago Tribune, The Philadelphia Inquirer, The Dallas Morning News, Publishers Weekly "Gorgeous essays that reveal the resilience, heartbreak, and joy within Black performance."—Brit Bennett, #1 New York Times bestselling author of *The Vanishing Half* "I was a devil in other countries, and I was a little devil in America, too." Inspired by these few words, spoken by Josephine Baker at the 1963 March on Washington, MacArthur "Genius Grant" Fellow and bestselling author Hanif Abdurraqib has written a profound and lasting reflection on how Black performance is inextricably woven into the fabric of American culture. Each moment in every performance he examines—whether it's the twenty-seven seconds in "Gimme Shelter" in which Merry Clayton wails the words "rape, murder," a schoolyard fistfight, a dance marathon, or the instant in a game of spades right after the cards are dealt—has layers of resonance in Black and white cultures, the politics of American empire, and Abdurraqib's own personal history of love, grief, and performance. Touching on Michael Jackson, Patti LaBelle, Billy Dee Williams, the Wu-Tan Clan, Dave Chappelle, and more, Abdurraqib writes prose brimming with jubilation and pain. With care and generosity, he explains the poignancy of performances big and small, each one feeling intensely familiar and vital, both timeless and desperately urgent. Filled with sharp insight, humor, and heart, *A Little Devil in America* exalts the Black performance that unfolds in specific moments in time and space—from midcentury Paris to the moon, and back down again to a cramped living room in Columbus, Ohio.

Auto da Fay Fay Weldon 2007-12-01 A New York Times Notable Book: The "wise and haunting" memoir from one of England's most witty and beloved writers is "from first to last a wonder" (Jonathan Yardley, The Washington Post). From life as a poor unwed mother in London to becoming one of England's bestselling authors, Fay Weldon has crammed more than most into her years. Wife, lover, playwright, novelist, feminist, antifeminist, winner and diner—Fay leads us through her peripatetic life with barely a role she can't illuminate. Born Franklin Birkinshaw in 1931, Fay spent most of her youth in New Zealand. With her glamorous father, a philandering doctor, generally absent, Fay's intrepid mother and bohemian grandmother raised her along with her sister, Jane. Brought up among women, Fay found men a mystery until the swinging sixties in London where she became a central figure in the literary scene. She scraped along penning winning advertising slogans before she began to write fiction. As this memoir comes to a close, we witness the stirring of her first novel. Riddled with Weldon's fierce opinions, as well as her "stinging wit, jaunty prose, memorable bon mots," this frank and absorbing memoir is vintage Fay. An icon to many, a thorn in the flesh to others, she has never failed to excite, madden, or interest. And now she has finally turned her authorial wit and keen eye on . . . herself (Publishers Weekly, starred review).

I can only imagine my mother's pursed lips and steely-eyed expression when Dad opened his coat to reveal a little canine Heathcliff. #2 I had a dog named Smokey, who was the perfect family pet. I was close to him, and my sister was close to him, as we were the only two children in our family. #3 When I was a kid, I had a dog named Trixie. Devil You Know L. A. Fiore 2017-02-15 Damian Tate. One look into his sad green eyes and I was hooked. I wanted to be the one to make him laugh, to make him smile. I hadn't expected him to be the one to make me blush, to make me hot...to make me fall in love. He was my first kiss, my first love, my first everything. I wanted forever with him, but life got in the way. He enlisted, I went to college, and for years we were never in the same place long enough to pick up where we left off. Thirteen years after he left, tragedy brings him home. The stoic boy I fell in love with grew into a quiet, dangerous and wildly sexy man. He still tugs on all the right strings for me, but he seems determined to keep me at arm's-length. However, when trouble comes knocking at my door, he is the one to put himself between that trouble and me. Spending time with him might drive me insane, or it might be our second chance at first love.

A Keeper Graham Norton 2020-08-25 From Graham Norton—the BAFTA Award-winning Irish television host and author of the “charming debut novel” (New York Journal of Books) Holding—a masterly and haunting tale of secrets and ill-fated love follows a young woman as she returns to Ireland after her mother’s death and unravels the identity of her father. When Elizabeth Keane returns to Ireland after her mother’s death, she’s focused only on saying goodbye to that dark and dismal part of her life. Her childhood home is packed solid with useless junk, her mother’s presence already fading. But within this mess, she discovers a small stash of letters—and ultimately, the truth. Forty years earlier, a young woman stumbles from a remote stone house, the night quiet except for the constant wind that encircles her as she hurries deeper into the darkness away from the cliffs and the sea. She has no sense of where she is going, only that she must keep on. With wistful and evocative prose, *A Keeper* is sure to appeal to “fans of sensitive character studies” (Publishers Weekly) and brilliantly illustrates Graham Norton’s clear-eyed understanding of human nature and its darkest flaws.

The Last Act of Adam Campbell Andy Jones 2020-01-09 'Astoundingly good. Brave, wickedly funny and profoundly affecting. Wow!' Miranda Dickinson 'An emotional punch-packer of a book. Be prepared for it to swallow you whole' Milly Johnson 'A big-hearted, funny, hugely emotional and uplifting novel - I loved it!' Rachael Lucas 'Such a beautifully written book with characters that will linger in your head and heart' Sarah J Naughton **** You don't need talent to join this group of actors. The ability to remember lines or stay awake throughout a performance is appreciated, but not essential. The only mandatory is a terminal diagnosis. But Adam Campbell is less than enthusiastic about this eccentric form of group therapy. He has under one year to live, and a heck of lot to get done. Like explaining mortality to his six-year-old daughter. And making amends with the woman who should have been his wife. The last thing Adam needs is a part in an amateur production of 'Shakespeare's Greatest Deaths'. But help and hope can be found where we least expect them. And perhaps camaraderie, and a shared purpose, will turn out to be the best medicine after all. As Shakespeare, didn't quite put it: Shuffling off this mortal coil is a drag; but it's no reason to stop living. The Cancer Ladies' Running Club meets The One Hundred Years of Lenni and Margot, The Last Act of Adam Campbell is a warm, poignant and wise tale about love, friendship, and making the most of every minute of life that we're granted.

So Me Graham Norton 2011-12-08 Graham Norton, whose impish charm and quick wit has earned him a place in our hearts, looks back at his life so far. In his own words, SO ME is 'a real romp through a journey from living in a cockroach-infested council flat in Hackney to buying Claudia Schiffer's townhouse in Manhattan, from my mother dragging me to school to me dragging her to Sharon Stone's house for New Year's brunch'. From a not-so miserable Irish childhood to dropping out of Cork University and joining a commune of hippies in San Francisco, from his disastrous attempts at becoming a serious actor to the rise of his comedy career in London, this is a hilarious, insightful and moving account of a colourful life.

He is a powerful aristocrat, a savage, and a wicked man who likes a challenge. I'm his new challenge. His new obsession. I'm a wealthy and privileged Catholic girl who's returned from studying law abroad. It was a night out with my boyfriend, Adamo, when everything descended into chaos at the casino. He lost and gambled me away. Years ago, I took a vow of celibacy, but now a sadistic man tempts me with the dark side--the blond hair, blue-eyed older casino billionaire with tattoos on his hands, and his lips formed in a teasing smile. My name is Ehva, and I have a confession to make. I fell in love with the Devil... and now, no one can save me from this hell. His disturbing love is so powerful, it becomes dangerous. As his obsession metastasizes, he wants to marry me, and I say...I do. Welcome to New York's Underworld. Loosely based on the myth of Lucifer & Eve.
