The Allure of Julian Lefray R. S. Grey 2015-06-28 From: JosephineKeller@LLDesigns.com To: LilyNBlack@gmail.com Subject: Justin Timberlake Nudes! Lily, you predictable perv. I knew you'd open this email faster if I tempted you with a glimpse of JT's "PP." Well, put your pants back on and grab some bubbly because I have much better news to share. I GOT A JOB! As of tomorrow, I'll be the new executive assistant at Lorena Lefray Designs. I am SO excited, but there's one itty bitty problem: I won't be Lorena's assistant. I'll be working for her older brother, Julian. I know what you're thinking- ""But Jo, what's the problem?"" Google him. "Now." He's the man in the fitted navy suit whose face reminds you that there's hope yet for this cruel, ugly world. Keep scrolling...Do you see those dimples? "Yup." That's the Julian Lefray I will be reporting to tomorrow morning. Lord, help us all... XO, Jo

Masked Attraction Timothy Lewis 2023-08-10 In the realm where anonymity flirts with curiosity, and hidden desires dance in the shadows, emerges a story that unravels the enigmatic threads of "Masked Attraction." Within the guise of concealment, passions surge and emotions surge, creating an intricate tapestry of connections woven behind the veil of secrecy. "Masked Attraction" tells a tale of intrigue and allure, where individuals are shrouded in mystery, their true identities hidden beneath elegant masks. In this world of masquerade, the familiar is discarded, allowing

unencumbered exploration of emotions that might otherwise be confined by societal norms and personal reservations. Behind the ornate masks, eyes meet and souls connect, unburdened by preconceived notions. The allure of the unknown dances with the intoxication of possibilities, drawing hearts into a dance of whispered secrets and shared moments. This narrative unveils a dichotomy - the veiled faces symbolizing hidden depths, while the visible interactions speak of unspoken passions. It's a reminder that appearances can be deceiving and that genuine connection goes beyond the surface, seeking the essence that lies beneath the veneer. "Masked Attraction" transcends the limitations of physical appearance, as connections are forged through meaningful conversations, shared laughter, and the subtle chemistry of souls resonating. In this ephemeral world of masks, authenticity finds a refuge, and vulnerability becomes the key to unlocking hearts. The masks themselves become metaphors, reflecting the many masks we wear in our daily lives. They symbolize the layers we hide behind, the personas we present to the world, and the façades we build to shield our true selves. In this realm of masked attraction, there's an invitation to shed these layers and embrace the possibility of genuine connection. As the night unfolds, the boundaries between the masked personas and the true selves blur, revealing the raw emotions beneath the surface. In a dance of hearts and waltz of stolen glances, the allure of the unknown becomes a testament to the depths of human yearning. "Masked Attraction" encapsulates the transient beauty of moments suspended in time, a reminder that connections don't always require complete transparency. It invites us to explore the myriad shades of attraction and the enchantment that arises when two souls meet in a space where the masks we wear are both the concealment and the unveiling of our truest selves.

The Allure of Destiny Ed Vaughn 2018-02-07 It is 1967 in Anderson, Indiana, as Mark Kelly starts his first day as a high school freshman. After he arrives in his English classroom, Mark glances around the room. When his gaze stops on the girl next to him, he is strangely drawn to her. What Mark does not know is that he is feeling the pull-the allure of destiny. Anna Collins has high standards for everyone, especially herself. Not naturally outgoing, Anna is captivated with the idea of having a boy for a friend. As they become closer and mature, their mutual attraction builds into love. But when life threatens to send them in different directions, will they be separated forever or will they somehow find a way to realize their own happily-ever-after? In this tale of romance, faith, and perseverance, two teenagers embark on a life-long journey where they must determine if their love can endure, despite seeming insurmountable obstacles.

Sexual Attraction James Giles 2015-06-30 How and why does sexual attraction happen? This book is an exploration of the universal yet highly individualized experience of being sexually attracted to another person. Incorporating interviews, research findings, and excerpts from romantic and erotic literature, lyrics, and film, *Sexual Attraction: The Psychology of Allure* explores a subject that is central to the human experience and highly relevant not only in personal, intimate interactions but also other relationships as well. Although the causes and effects of sexual attraction have been studied, sexual attraction itself—how we experience others in terms of their sexual attractiveness—remains a neglected, rarely researched topic. Scholar James Giles presents jargon-free information that is accessible and fascinating to the general reader as well as highly useful and informative to students and researchers in social psychology, sexology, sex and marital therapy, and relationship counseling. The book explores subjects such as how sexual attraction is fundamentally different from other forms of interpersonal attraction and how at the heart of sexual attraction lies the experience of allure—something that makes one feel helplessly drawn towards an intimate physical joining with the sexually attractive person. The allure of strangers, cross-sex friends, sexual friends ("friends with benefits"), and romantic partners are all addressed, revealing the often subtle heterosexual attraction that typically exists between males and females in all their relationships, including between those who are ostensibly "just friends."

craft perfect matches—no matter what the couple may initially believe. Lavinia Parkem, the most talented dressmaker in Edinburgh, has never forgotten her first love: Captain Andrew Colter. They were meant to be married years earlier but when Andrew's ship was wrecked in the Caribbean her parents forced her to marry another. Andrew may have survived a shipwreck to find fame and fortune at sea, but he never fully healed after Lavinia's abandonment. Instead, he dedicated himself to the navy—and secret missions for the foreign office. Nearing retirement and back on British soil, he's given a new assignment—infiltrate the home of a wealthy banker who's suspected of being behind a plan to assassinate the Prince of Wales. But to do that, Andrew must recruit and turn the woman the banker once wooed: Lavinia Parkem. Unable to shirk his duties, Andrew begrudgingly uses the influence of successful matchmaker of Edinburgh to convince the now-widowed Lavinia to help him take down his mark. She relents, telling herself that Andrew's no longer the warm, loving young man she once knew. But the more time she spends with him, the harder it is to pretend there's no longer any attraction there. And it's tormenting Andrew that he must ask her to put herself in more and more danger and now, he must decide whether his duty to queen and country is worth risking the life of the woman he never stopped loving.

Attraction K. I. M. Van BREDA 2016-06-12 COLOUR IMAGES HARDCOVER - Attraction has the power to evoke interest and pleasure. It provides our senses with the appeal of seduction and allure. It can be seen in the beauty or the simple charisma of a person and it provides a space that will pull on the heart and the soul. In this ~my 8th collection of poetry~ I have tried to capture the essence and magnetism that draws us to that special something or someone. "Poetry is the spontaneous overflow of powerful feelings - it takes its origin from emotion recollected in tranquility" ~ William Wordsworth ~

Trademark Protection and Freedom of Expression Wolfgang Sakulin 2011-01-01 Trademark law grants right holders an exclusive right to prevent third parties from using a sign. This can readily be seen as the antithesis of freedom of expression, which arguably includes a right of third parties to non-exclusive use of a sign for a variety of purposes, ranging from informing consumers, to voicing criticism or to artistic expression. Drawing on cultural theory and which has shown that society is involved in a constant struggle about shaping the meaning of signs (including trademarks) and this highly original and provocative book contends that trademark law fails to sufficiently differentiate between commercial purpose and the social, political, or cultural meanings carried by one and the same sign. The author shows that the functional approach to justifying trademark rights taken in current jurisprudence and doctrine is deficient, in that it does not take sufficient account of the fact that trademark rights can restrict the freedom of expression of third parties. Specifically, the exercise of rights granted under the European Trademark Regulation and the national trademark rights harmonized by the European Trademark Directive can cause a disproportionate impairment of the freedom of commercial and non-commercial expression of third parties as protected by Article 10 of the European Convention on Human Rights (ECHR). The author's in-depth analysis explores such elements as the following: o the economic and ethical rationales of trademark rights; o whether trademark rights under European law can be justified by these rationales; o how freedom of expression can serve as a limitation to trademark rights; o what level of protection such freedom of expression grants to third parties; o the role of trademarks of social, cultural, or political importance in public discourse; o chilling effects on public discourse that can be caused by the exercise of trademark rights; o the interpretation of provisions regulating the grant and revocation of trademark rights in light of freedom of expression; and o the interpretation of the scope of protection and the limitations of trademark rights in light of freedom of expression. In effect, the analysis serves to expand the focus of legislators, courts, and trademark registering authorities from the interests of trademark right holders, who seemingly are granted ever more protection, to the justified interests of third parties. The critical analysis of existing trademark law leads the author to clearly identify the areas of trademark law in which the law needs to be reinterpreted and the areas in which legislative action should be taken, with recommendations for a number of limitations that should aid legislators in drafting concrete amendments. The new insights

and imperatives provided by this book are sure to prove useful to both courts interpreting existing provisions of trademark laws and to legislators who are faced with the challenges of drafting new rules or revising existing laws.

Ms. Allure Shannon Ellison 2020-04-03 Lillian Davis has spent most of her life feeling dissatisfied. Stuck in a dead-end job as a high school teacher, Lillian knows that if she doesn't take control of her life that this is as good as it'll get. In a sudden rush of spontaneity, Lillian quits her job to look for a new life and career. Despite her family's protests, she finds herself in New York City where she lands herself a job with one of the most successful fashion companies today, Pierce Allure. Upon meeting CEO and founder, Irina Pierce, Lillian discovers she's everything she finds unpleasant in a person. But no matter how hard she may try, she can't deny the attraction she feels for her new boss. It seems; however, that there may be more to how Irina really achieved her company's success, but despite all that, Lillian can't seem to resist Ms. Pierce's allure. A Standalone Short Story with No Cliffhanger!

Allure of Oarthecca James Siewert 2021-05-25 An unexpected romance. A space-heist gone wrong. A galactic catastrophe in the making. Meet Rowland Hale: cyber-thief and captain of the Luck of the Draw, except his luck's just run out. A sure-fire bet backfires and now his crew's life is on the line as he faces first contact with two warring alien species locked in a death match to the end. Meet Toar Grithrawrscion: A big ol' bear of a man, his tough exterior conceals a bruised soul. He had it all once - a family, a naval career, the accolades of his people - but that's all been ripped away. Much like his home world, he is wounded, but he refuses to be beaten. When fate brings these two men together, they face challenges not just from without, but from deep within: an Allure that dare not be risked, but cannot be refused. If they give in, they fail - if they give up, they fail - and the fate of the galaxy hangs in the balance. In *Allure of Oarthecca*, Book 1 of the Oartheccan Star Saga, James Siewert brings us an epic 188k word love-song to the science fiction genre, and a new twist on m/m romance: high adventure, deadly, universe-altering peril, masterly world-building, with compelling and memorable characters in the furthest reaches of unexplored space. He takes us to vivid new worlds, and introduces heroes from very different backgrounds, each wrestling in very different ways with the universal question of what it is to be a man amongst the stars. Join the adventure in *Allure of Oarthecca*, and discover how hatred and war are not the only ways to destruction. *****5 stars***** "Author James Siewert tells a truly epic adventure in this meticulously crafted and gorgeously penned space opera, delivering emotional hardship, thrilling high-octane action, danger around every corner, and steamy romance in its more mature scenes. For anyone seeking an accurately represented presence of LGBTQIA+ in their science fiction, you need to look no further than the authentic and non-gimmicky presence of Siewert's characters, who are beautifully drawn, realistically damaged by their difficult lives, and very admirable for what the plot puts them through and how they rise to each challenge." - K.C. Finn, Readers' Favorite Review Advisory: this book contains scenes of explicit male/male romance, sex and sexuality, is recommended only for readers ages 18+.

Allure of Things: Process and Object in Contemporary Philosophy contests the view that metaphysics is something to be overcome. By focusing on process and object oriented ontology (OOO) and rejecting the privileging of human existence over the existence of non-human objects, this collection explores philosophy's concern with things themselves. Interest in Latour, Stengers, Whitehead, Harman and Meillassoux has prompted a resurgence of ontological questions outside the traditional subject-object framework of modern critical thought. This new collection consequently proposes a pragmatic and pluralist approach to 'modes of existence'. Drawing together an international range of leading scholars, The Allure of Things fully covers the similarities between OOO and process philosophy, and is an essential addition to the literature on metaphysics.

Love Ain't Never Been Easy R. Michelle 2016-06-28 Allure never expected her life to change for the worse, but she should've known better. Nothing in her life has ever been easy. Meeting the love of her life, Trey Von McDaniel, in high school gave her a slither of hope in love. Trey loves Allure with all of his heart, but what happens when those around them don't want them happy? Filling his head with lies and false truths causes Trey to make the worse decision of his life, and it nearly costs him the love of his life. Trey, consumed with guilt, takes it out on Allure, pushing her away. Allure, feeling like a prisoner in her relationship, decides that she can no longer take the abuse. She plans her escape but not before a skeleton in Trey's closet reveals itself, making her decision to move on easier. She moves to Greensboro, North Carolina, to start her new life, when she has the pleasure of meeting Infamous Cortez. Infamous has never been the one to be with one woman, but what happens when an almost fatal night leads him to Allure McKenzie? She is the first face he sees in the hospital and the first when he wakes up. Infamous can't seem to shake the attraction that he has for her. Allure and Infamous can't fight the attraction that they have for each, but they have a common enemy amongst them. Allure is finding out that Trey hid more than she bargained for while handling the appearance of a surprise guest in her and Infamous' lives. While Infamous is trying to find a way to get to the person who ordered the hit on him, Allure is dealing with Trey's skeletons falling out of the closet. Can Infamous and Allure make this work, or will the drama they have tear them apart?

about things that could be? The latter usually describes Joshua. He prefers to be a wallflower. Observing other people as they mingle and put themselves out there with apparent ease. He knows full well that gemstones do not uncover themselves, that it takes effort to unearth them and a keen eye to recognize them. Luckily there exists an elixir that cures him from his inherent shyness. Alcohol. Where would our species be if it weren't for this magic potion that loosens the tongue and releases our inhibitions? This romantic comedy would be a lot less romantic and contain absolutely no salacious behaviour if it weren't for alcohol. Thankfully, it is quite the opposite. Christopher is the object of Joshua's attraction and he has quite the collection of alluring qualities. Enough to entrance Joshua and lure him into his lair in Montreal, Canada, where they explore the country and thoroughly get to know each other.

The Allure of the Archives Arlette Farge 2013-09-24 DIV Arlette Farge's *Le Goût de l'archive* is widely regarded as a historiographical classic. While combing through two-hundred-year-old judicial records from the Archives of the Bastille, historian Farge was struck by the extraordinarily intimate portrayal they provided of the lives of the poor in pre-Revolutionary France, especially women. She was seduced by the sensuality of old manuscripts and by the revelatory power of voices otherwise lost. In *The Allure of the Archives*, she conveys the exhilaration of uncovering hidden secrets and the thrill of venturing into new dimensions of the past. Originally published in 1989, Farge's classic work communicates the tactile, interpretive, and emotional experience of archival research while sharing astonishing details about life under the Old Regime in France. At once a practical guide to research methodology and an elegant literary reflection on the challenges of writing history, this uniquely rich volume demonstrates how surrendering to the archive's allure can forever change how we understand the past./div

and the advertising industry. Did you know that 44-year-old Frank Sinatra had an affair with 14-year-old actress Tuesday Weld? Or that the NY Jets Mark Sanchez had an affair with Eliza Kruger, a 17-year-old high school student? And that "Californication's" Frank Moody had sex with his ex-wife's 16-year-old step-daughter? But this may not be as shocking as you think once you learn that prior to The Renaissance and the invention of the printing press, there was no distinction between children and adults, because the concept of childhood or children didn't exist. "Children," especially after the age of puberty, were considered small adults. And until 1897 the age of consent in California and in most states in North America was 10-years-old. It was 12-years-old in seven states and even more shocking, it was 7-years-old in Delaware. How did the ages get so low? Our early age of consent laws originated over the pond, where even until today in Germany the age-of-consent is 14-years-old, in France it's 15-years-old and in Spain it's a whopping 13-years-old. How did the age-of-consent go from 10-years-old in most states to 17-years-old? You can thank the feminist lobby for that. After reading about famous and infamous ephebophiles, you'll probably be intrigued; however, you don't want to end up like Roman Polanski and Jeffrey Epstein and go to jail for statutory rape, so in *The Allure of Nymphets* you'll learn, even if you over forty, how to marry the 18-year-old barista you've been fantasizing about as you sip on your latte. *The Allure of Nymphets* From Emperor Augustus to Woody Allen Man's Fascination with Young Women Content Introduction Chapter 1. Allure Lacey Weatherford In the vibrant heart of Las Vegas, where spontaneity reigns, a smoldering attraction simmers beneath the city lights. Six Jagger, a talented tattoo artist by day and exotic dancer by night, grapples with a forbidden desire for a girl five years his junior—the high society daughter of the Mayor. But in Sin City, where secrets thrive and passions ignite, age is just a number. Can what happens in Vegas truly stay in Vegas? For Brooklyn Hall, age is more than just a number—it's a barrier. Aching to step out from the shadow of her older brother, she's been yearning for the attention of the one man who seems out of reach: Six Jagger. Five years her senior and already entangled in a committed relationship, he's everything she can't have—yet can't seem to forget. Six knows he should keep his distance. With a girlfriend and a hard-earned reputation, getting involved with young Brooklyn would be a mistake. But when she walks into his tattoo parlor, all his resolutions waver. Torn between duty and desire, the boundaries blur, leading them on a whirlwind of passion.

The Allure of the Indelible Pilar Rubio Peña 2017-05-11 Do you like crossing the line? Enter the journey of Pilar Rubio Peña, a 19-year-old Spanish girl; as a graphic designer. Feel the tension and the attraction, taste the other side of the line, the forbidden. It is all about danger, sensuality and body art. Be ready to meet powerful women. Sensuality is their weapon.

Allure Me Jas B 2021-06-21 Allure A powerful attraction. Mystique A fascinating aura. Allure Donovan seemed to be every woman's dream man. He meets Mystique Verges at what seems like the ideal moment in life. His powerful pull, merged with her mysterious aura could be something so perfect. But love is never perfect, right? Mystique is a model, killing every runaway, and serving the camera life every time she stepped in front of it. Her career was booming. Her agent, Poise Donovan, made sure of that. But, her personal life was a hell she so desperately wanted to escape. With a man at home that she didn't love, and a mother that wanted to dictate her life, the attraction to Allure came like an unfamiliar flood. Allure was the owner of a shoe brand, along with holding his own in the streets beside his right hand, Max. Seeing his brand grace the feet of a beauty such as Mystique had him ready to pursue her- relentlessly. It wasn't until they stepped out of the life of the lights-camera-action that they saw the turmoil of secrets and lies that they would have to overcome

How To Attract Men Secret Agenda Emmie Martins 2019-04-28 Have You read How to Win Friends & Influence People? If so you know that it is a classic book read by millions. What's more important though is the following question. Did you know that the same rules apply to attract a man, too! How many of those millions of readers have actually incorporated the 30 principles outlined in the book into their daily lifestyle? It's cool to read an amazing and insightful book that is a bestseller and that has been tested and proven throughout time, but it is yet a totally different animal to apply these lessons, rules & principles into daily practice and reality being able to influence people in a positive manner just like it is taught in the original. This diary is your next step after reading the successful book that inspired Millions. The goal of this journal though is to get you to practice and exercise Carnegie's principles just as his many students did through the use of daily journaling. This diary is your tool and companion of the original book so you can apply each teaching and lesson from the book and put it into daily journaling action. Challenge yourself each day and practice different principles from the book by reflecting and then journaling about whatever you are experiencing as you go through your daily lesson of the original. Use up as much journaling space as you need for your daily journaling because the key to learning is repetition. It is the goal of this diary that you will apply all the principles and concepts that are covered in the book one at a time and then go to application mode and then to journaling mode writing about your experience. You can even include your own ideas, challenges, issues, motivational and inspirational quotes, and other related topics that you are stumbling upon your reading and application sessions. You'll see that you will become a master at winning friends and influencing people over time and with repeated awareness if you apply to journal to your daily life. Using daily journaling will help you to be able to draw on these newly learned principles naturally in your everyday life. It will also help you become a better student of a successful life in general and especially in situations with people. Your journaling experience will help you track your development and success over time so you can see where you need more practice and where you master your skills. Once you get into lazy mode just refresh your memory based on your past journaling experience and you will be able to quickly start your people skills which is so much easier than starting from scratch. Make sure to become a successful influencer and winner of friends and start using a journal today. This will save you hours of repeated reading time because instead of just reading word by word, again and again, you will actually do it without having to re-read the book countless times. You'll become a successful person in every social environment and beyond because journaling is just the way to go through experiences in order to become a better

Perfect Chemistry Simone Elkeles 2011-11-10 From the New York Times bestselling author Simone Elkeles comes an epic love story like no other . . . First in the gripping PERFECT CHEMISTRY series, this is the next addictive read for fans of Anna Todd's AFTER series, and Caroline Kepnes's YOU. When Brittany Ellis walks into chemistry class on the first day of senior year, she has no clue that her carefully created 'perfect' life is about to unravel before her eyes. Forced to be lab partners with Alex Fuentes, a gang member from the other side of town, Brittany finds herself having to protect everything she's worked so hard for - her flawless reputation, her relationship with her boyfriend and, most importantly, the secret that her home life is anything but perfect. Alex is a bad boy and he knows it. So when he makes a bet with his friends to lure Brittany into his life, he thinks nothing of it. But the closer Alex and Brittany get to each other the more they realise that sometimes appearances can be deceptive and that you have to look beneath the surface to discover the truth. 'Compelling and addictive... I've still got that "wow" feeling you get after reading a great book' Wondrousreads.com 'Perfect Chemistry is a novel to obsess about. It is a book that you should drop everything for...the most romantic love story that I have ever read.' Thebookette.com 'Captures that rush of feelings associated with first love' Thebookbag.com 'Elkeles pens plenty of tasteful, hot scenes...that keep the pages turning. The author definitely knows how to write romance.' Kirkus Review

Pedro Calderón de la Barca and the World Theatre in Early Modern Europe Rasmus Vangshardt 2023-11-20 Rasmus Vangshardt offers an original interpretation of one of the most famous images of literary history, the theatrum mundi. By applying methods of comparative literature, hispanic studies, and theology, he reconsiders the world theatre's historical peak in early modern Europe in general and the Spanish Golden Age in particular. The author presents a new close reading of Pedro Calderón's El gran teatro del mundo (c. 1633-36) and outlines the historical and systematic framework for a theatrum mundi of celebration. This concept entails using art to justify human existence in the face of changing conceptions of the cosmos: an early modern aesthetic theodicy and a justification of the world in that liminal space between drama and ritual. By discussing historiographical theories of early modern Europe, especially those of Hans Blumenberg and Bruno Latour, and through conversations with Shakespearean drama and Spanish Golden Age classics, Vangshardt also argues that the theatrum mundi of celebration questions traditional assumptions of great divides between the Middle Ages and Early Modernity and challenges theories of a European-wide early modern sense of crisis.

Understanding The Allure Of Attraction

Before you embark on your journey to find The Allure Of Attraction online, it's essential to grasp the concept of The Allure Of Attraction eBook formats. The Allure Of Attraction come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

Different The Allure Of Attraction eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer

font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right The Allure Of Attraction eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller

screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.
