

The Right Of Love Wayward Love Book 3

The Right of Love - Love Belvin 2017-03-23
"After the hot sex comes the real world." "What was that?" "My therapist once said, 'after the hot sex comes the real world. Or in wayward love, the drama is sprinkled in between passionate lovemaking'." "That sounds more like one of them novels you like to read." "No. Ours is too hilly to be a traditional romance story." "And it is. Journey the conclusion to Love Belvin's riveting "Wayward Love" series, and see how errant the path to Isaak and Kennedy's happily ever after is. What is a perfect love story? Does it not include disappointment, betrayal, distractions, guilt, and anger? Just how much can these two take before they decide the victory of love isn't worth the pain? Note: This is the final installment of a three

book series. It contains expletive language, and sexual content. If you do not wish to have these elements in your reads, this is not the venture for you.

Love Delayed - Love Belvin 2014-09-13
What happens when Zoey Barrett, an ingenuous Princeton scholar, meets NBA All-star rocker-boy, Stenton Rogers? Zoey has her life all planned out. She's working hard at her degree and to help her family stay afloat financially. Stenton's at the top of his game on the court, but off, his life is out of bounds. That is until he happens upon Zoey, who represents something that he's never had-family. Her world is spun completely out of control when they intersect. Could the lengths he decides to go

destroy the future Stenton desperately desires to have with Zoey? Find out in Love Delayed.

He Who Is a Lover - Love Belvin 2019-05-07
Falling in love wasn't the goal. In fact, I didn't think it was possible. That was until Bilan Asad-Yasin turned out to be more than I anticipated when I finally decided to explore her that early spring evening. Those curvy thighs, chiseled cheekbones, auburn freckles, her powerful resilience, and endless intellect. She was a bad decision, this I knew. She'd be a great risk, this I understood. I was an Ellis man, she'd eventually learn. And she did. That's when she ran, attempted to escape a world she'd soon have to learn to navigate and survive. Yet, I was not the only one with esoteric layers. Bilan had her own secrets she kept from me, from the world. Those were the truths I'd use as fetters to keep her close forever. She'd now assimilated the Ellis world. Publisher's Note: "He Who Is a Lover" is book TWO of a THREE book series. It ends on a suspenseful CLIFFHANGER. This book contains

angst, violence, profanity, sexually explicit content, and gory material. If any of these elements is not what you prefer between the pages of a novel, this is not the venture for you.

End Zone Love - Love Belvin 2017-07-28
After losing an improbable opportunity at the Super Bowl, Trent Bailey still has something to prove. He's come out, not only as America's favorite redemption story, but also a married man; a marriage not yet known to the public. He's trusting more, finding his home more comfortable and befitting a Connecticut King. Jade's a new woman now. Her insecurities are under control at Trent's side. No more violent fits around Trent's female admirers, she's understanding the fanfare attached to her husband's returning celebrity. She's found her place in the big world, and is content figuring out the rest. The Baileys survived the red zone, that place where failure is unlikely, but still possible. But with old cast members resurfacing, can their secure love prove successful in this

new position on the field? "We're in the end zone, and I'm dragging everything I got to score." TB Let's see if after the review, the ruling on the field still stands.

The Low of Love - Love Belvin 2017-02

The wayward connection of Isaak and Kennedi is now under new terms. This new playing field has them both caught in a whirlwind. The cultural differences that separated them aren't enough to keep them from exploring more with each other and about each other.

My Muted Love - Love Belvin 2020-04

Never judge a book by its cover, one of the world's most common clichés. Though sage advice, the age-old aphorism is rarely followed. Take, for instance, Tori McNabb and Ashton Spencer, two subjects who believe by aesthetics alone, they have no reason to breathe the same air. When startling circumstances align on the campus of Blakewood State University, the two have no choice but to look beyond their exteriors. McNabb is a fighter in life as well as

in the ring. She knows what she's capable of and doesn't want to be tested. Her only goal is to never return to Millville, New Jersey while simultaneously flying under the radar as a small fish in the big BSU ocean. Spencer, the most popular athlete on campus is well on his way to success as a professional athlete and is confident the stars have aligned in his favor. Being tested by the underdog is one he'd never fail, or so he thinks. Journey with this unlikely pair inside the pages of their ugly covers. Publisher's Note: "My Muted Love" is book ONE of a THREE book series. It ends on a CLIFFHANGER. This book contains angst, profanity, sexually explicit content, and material related to young adults. If any of these elements is not what you prefer between the pages of a novel, this is not the venture for you.

think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. In Love with Ezra - Love Belvin 2015-11-29

Love in the Red Zone - Love Belvin 2016-07-04
Can you tell the difference between a distraction and a blessing? It should be simple, but sometimes what we think is a distraction can actually be a turning of the tide required to bring life full circle, to a place of blessing. Meet Trent Bailey, who is fighting for the right to continue his stellar professional football career after enduring striking legal woes in the recent past. Trent cannot and will not blow his second chance for anyone; after all, this is the blessing he's been praying for. After receiving confirmation that staying focused is all he needs, it's what he aims to do. No distractions. That's until he bumps into two unexpected overnight guests. Jade Matthews is doing everything she can for herself and her young son, Kyree. After journeying through her own bumps in the road, she's finally getting it together. She's doing what she has to do to make sure her family of two stays afloat. Life's setbacks won't stop Jade from providing for her little one, even though she

fumbles each pass thrown at her. What starts out as a temporary favor turns into rapid passion. There's one agenda here, but getting to the same meeting point has never been more difficult. Fighting their way through trust and self-esteem issues, the two must meet in the right zone; the red zone, where you may think you're safe, but life has a way of intercepting blessings and...turning the tide.

Wayward Son - Rainbow Rowell 2019-09-24
Wayward Son is the stunning YA novel by the bestselling author of Fangirl and Carry On, Rainbow Rowell. With all of her signature wit and heart, this is Rainbow at her absolute best. This edition includes two beautiful illustrations. The story is supposed to be over. Simon Snow did everything he was supposed to do. He beat the villain. He won the war. He even fell in love. Now comes the good part, right? Now comes the happily ever after . . . So why can't Simon Snow get off the couch? What he needs, according to his best friend, is a change of scenery. He just

needs to see himself in a new light . . . That's how Simon and Penny and Baz end up in a vintage convertible, tearing across the American West. They find trouble, of course. (Dragons, vampires, skunk-headed things with shotguns.) And they get lost. They get so lost, they start to wonder whether they ever knew where they were headed in the first place . . . With Wayward Son, the sequel to Carry On, Rainbow Rowell has written a book for everyone who ever wondered what happened to the Chosen One after he saved the day. And a book for everyone who was ever more curious about the second kiss than the first. Come on, Simon Snow. Your hero's journey might be over - but your life has just begun.

The Left of Love - Love Belvin 2017

age of twenty-one, a task she takes on at college, and one she's more than determined to fulfill. He's an aspiring entertainer from the dark side of the inner city. Survival for Isaak is very much an option he plans to conquer. He has to make it out of his impossible circumstances, and sacrifice is definitely the name of the game, even if it means running the risk of sacrificing one of the most delicate and positively influential bonds he's ever made. A social experiment has never been so revealing and frightening for either one of these unassuming individuals. How could two people from the starkest contrast of rearing build an impenetrable bond in just three months? How long will it take for them to dig through their differences to understand those forces that connect them? At what cost will they find harmony to coexist? Note: This is the first installment of a three book series. It contains expletive language, sexual content, and ends on a cliffhanger. If you do not wish to have these elements in your reads, this is not the venture

for you.

[Any Way the Wind Blows](#) - Rainbow Rowell
2021-07-06

In Carry On, Simon Snow and his friends realized that everything they thought they understood about the world might be wrong. And in Wayward Son, they wondered whether everything they understood about themselves might be wrong. In Any Way the Wind Blows, Simon and Baz and Penelope and Agatha have to decide how to move forward. For Simon, that means deciding whether he still wants to be part of the World of Mages - and if he doesn't, what does that mean for his relationship with Baz? Meanwhile Baz is bouncing between two family crises and not finding any time to talk to anyone about his newfound vampire knowledge. Penelope would love to help, but she's smuggled an American Normal into London, and now she isn't sure what to do with him. And Agatha? Well, Agatha Wellbelove has had enough. England, back to Watford, and back to their families for their longest and most emotionally wrenching adventure yet. This book is a finale. It tells secrets and answers questions and lays ghosts to rest. Carry On was conceived as a book about Chosen One stories; Any Way the Wind Blows is an ending about endings. About catharsis and closure, and how we choose to move on from the traumas and triumphs that try to define us.

Beneath the Sugar Sky - Seanan McGuire
2018-01-09

A stand-alone fantasy tale from Seanan McGuire's Alex-award winning Wayward Children series, which began in the Alex, Hugo, Nebula, and Locus Award-winning, World Fantasy Award finalist, Tiptree Honor List Every Heart a Doorway Beneath the Sugar Sky, the third book in McGuire's Wayward Children series, returns to Eleanor West's Home for Wayward Children in a standalone contemporary fantasy for fans of all ages. At this magical

boarding school, children who have experienced fantasy adventures are reintroduced to the "real" world. When Rini lands with a literal splash in the pond behind Eleanor West's Home for Wayward Children, the last thing she expects to find is that her mother, Sumi, died years before Rini was even conceived. But Rini can't let Reality get in the way of her quest - not when she has an entire world to save! (Much more common than one would suppose.) If she can't find a way to restore her mother, Rini will have more than a world to save: she will never have been born in the first place. And in a world without magic, she doesn't have long before Reality notices her existence and washes her away. Good thing the student body is well-acquainted with quests... A tale of friendship, baking, and derring-do. Warning: May contain nuts. The Wayward Children Series Book 1: Every Heart a Doorway Book 2: Down Among the Sticks and Bones Book 3: Beneath the Sugar Sky Book 4: In an Absent Dream At the

Love Uncharted - Love Belvin 2013-10-28

Love UnCharted is book 3 of the Love's Improbable Possibility series. Rayna thought her life had been stabilized, in spite of losing her sole source of support. Azmir throws a monkey wrench in her world, to include himself, but not without exposing a few of his own imperfections. With all the mistakes he makes, he finds trying to secure a place in Rayna's heart is no easy feat. He fights at all cost to remain there, even if it means removing all competition, including the woman herself, by breaking down the ice-covered walls surrounding her heart.

Our Reckless Hope - Love Belvin 2021-01-04

"I believe it was the night before Thanksgiving of the year I'd fallen for a tomboy fighter from a trailer park in South Jersey. I was in your kitchen when you told me cheating is wrong, and will never be right. But the biggest conflict is when you fall in love with someone who isn't yours. "You said people fall in and out of love every day, and that most of it is bullshit...being more about passion and temporary emotions. But when the person you're cheating with is worth a commitment and sacrifice, and when you're prepared in your heart and mind to walk through the fire of the mess, it might be something real after all. That was and still is KaToria McNabb."Fate via her unconceivable success reconnected the unlikely pair. What has happened? Why didn't he call? Why didn't she reach out? Ashton and Tori unravel the paths their lives took after Blakewood State University. It's been a painful twelve-year journey of losses, betrayal, miscommunications,

and death. Even in between the devastation were new lives, burgeoning careers, and millions being earned by them both. Nonetheless, can the wins override the pain in between? Publisher's Note: "Our Reckless Hope" is book THREE of a THREE-book series. This book contains angst, profanity, and sexually explicit content. If either of these elements is not what you prefer between the pages of a novel, this is not the venture for you.

The Rhythm of Blues - Love Belvin 2017-11-30
Some believe the old adage, "where there's smoke, there's fire." Well, in some instances the smoke is just a coverture for secrets. Dark ones. Ragee is a successful R&B singer, music composer, and actor who shot to fame and celebrity at rocketing speed. He has the voice, the troubled soul, the seductive look, and the alluring mystique, all of which give him the traditional packaging of a soulful rhythm and blues singer. But he also has an unshakable stigma attached to his stardom that won't seem

to go away. Wynter Blue thought she was taking control of her world the day she up and quit her job. As a social service professional, she was done with helping afflicted adult men to right their paths in life. She was ready to live for her. Finally. She wanted to pursue her dreams and stretch the bounds of her creativity. Little did she know, the day she walked out of her job was the very one she'd run into the shroud of smoke. His smoke. Awfully familiar with secrets herself, Wynter questions if she can handle Ragee's darkness while trying to bring him into the light of truth. **DISCLAIMER:** The Rhythm of Blues is book one of a two-book series. This series is for mature audiences ONLY. This installment is a full-length novel containing profanity, erotica, and sensitive sexual content. It ends on a cliffhanger. If you do not like dark, racy romance between your pages this literary venture is not for you.

Mercy - Love Belvin 2022-05-06

Ashira, a belle from the suburbs, is the wealthy acting CEO of her father's booming building firm. That's when she's not the dancer on the Gram and TikTok, dating the latest Black Hollywood shooting star. To her, Jas, a construction laborer, is a walking conundrum. He's fruitlessly ambitious yet steadfast in his spiritual convictions. He's enigmatic, well-read, regimented, and poor. Oh, and a felon. An incredibly disarming parolee who wants no connection to her. Until he does. Two souls, galaxies apart. He's an unanticipated UFO about to collide in her world like an unmitigated asteroid. Publisher's Note: "Mercy" is book ONE

of a THREE book series. It ends on a suspenseful CLIFFHANGER. This book contains angst, violence, profanity, sexually explicit content, and potential gory material. If any of these elements is not what you prefer between the pages of a novel, this is not the venture for you.
