

Things To Say To The Woman You Want

W.H.O.L.E.-Women Handling The Oppositions of Life Exceptionally - Betty M. Knight 2009-11

A Call to the Black Man Give ear to what I'm about to say What in the world happened? It's not supposed to be this way. We fought so hard for freedom And you have put me back in chains Commitment, trust, seems to be bad words. I'm in bondage to your mind games Remember, you have a mother, sister, or daughter But it was me you gave the ring. I have come to this conclusion I don't need a king TO BE A QUEEN! I've had to raise the children alone Like when the master sold you astray Now I have to look for you And again you've become a runaway A man that can walk out on his family Is a part of slavery's aftermath? But enough with the dumb stuff The past is the past. I am still that woman Who made you feel like a man? Now you are so out of place Still, you want me to understand. Another form of rejection I'm asking myself "what's wrong with me" Why am I always to blame? For your misplaced priorities? Either you get it together Either you are right or you are wrong. I can raise the children with you. I should not have to do it alone. Come inside these pages. Allow me to tailor you to fit Coming from the strength of this Whole Woman. I should not be penalized for it I'm going to speak to the Whole Man in you Like I do in our time of intimacy. That's when I give you the freedom to be you And you give me the freedom to be me. Men are checking me out "right now" Making statements and, my, how they do flatter. They ask "Why are you alone or single?" Realize! I do have a choice in the matter. I was asked if I were to define the book WHOLE in one sentence, what would I say? "WHOLE is a groundbreaking, ground shaking, revolution that demands results!" "I recall the day as though it was yesterday. I stood in the mirror looking at a reflection of defeat never knowing if I would reach my God-ordained destiny. All my dreams, hopes, and desires devastated. I was distraught, frail, and I had gone from a size 12 to a size 6. I was beyond distressed I was destroyed. Lifelines can come in

many ways. I knew I wanted and needed to come out, but I didn't know how. This is the time when I had to get real with myself and everyone else- so I threw out a lifeline. I made a simple telephone call to a friend and the Revolution began!"

ALPHA MALE DATING The Essential Playbook - Sean Wayne

□There's no reason in the world why you can't have that fine woman on the other side of the room. If you were aware of her body language and had you been prepared mentally, you'd know exactly how to seduce her□ If you had read

Alpha Male Dating The Essential Playbook, you wouldn't be across the room right now, not way over there, staring at her like an imbecile. You'd know exactly what to do and you'd have all the confidence to turn a lonely night into an exciting evening, or a long-term relationship. No woman is too good for you. You've watched her, observed her moves and know exactly what to do. Now she's in your sights. What's more, she's unaware that you're about to sweep her off her feet. You know all these things because you've been reading her body language, and you're aware she's into you because you've been reading her like a book. Here's just an excerpt of what you'll discover inside: □ There's no mystery how you're going to make initial contact, scoop her up and take her to the night of her dreams. □ You carry yourself like a man, like an Alpha Male, confident, assured and with purpose. □ There's no stutter step or miscue. She's simply astonished at how you came into her presence and maneuvered your way expertly into her full attention. □ You speak eloquently and you're respectful through and through. □ You're dressed well, full of interesting things to say. □ She's never met a man like you, a man who listens with intent and responds smartly. □ Moreover, you're respectful, know your boundaries and you know how to keep her attention. You're irresistible. □ You know all this because you know the Law of Attraction and Love Hypnosis. That's how you were able to sweep her off her feet then and now that you've been dating, she still can't get enough of you. All this because you read this essential playbook on dating and you are fully aware how to keep your relationship and take it to the next level; marriage ...if you want. Your relationship is full of confidence and awareness of her. She couldn't have been luckier that night, when you walked across the room and into her life. You've done all this because you know how an Alpha Male builds a relationship. You know all this because you know her interests and nobody makes her feel more like a queen than her king, you. But you didn't do this by being an alpha bully, you did all this by being aware and knowing how to compromise without ever compromising yourself. Because you read this playbook, you know how to take your dating game to the home game that is never dull or without passion. □

You're her King and you make her feel like a Queen. □ You're not jealous, but confident, always. □ You're passionate but you don't overwhelm her. □ You know exactly how to touch her, reach her hot spots and after years of being together, making love to you is always fresh, fun and new. □ This is how an Alpha Male dates and builds his game into a long-term relationship, if he chooses, with confidence. Attract The Right Man And Create Lasting Love - Lashaunda Maestos 2021-07-10

The dating world is a minefield nowadays, especially for women who want a committed relationship and a family one day. Now, this book is full of generalisations but if you take them as principles rather than rules I think they can help you understand how your behaviour is perceived by men and what are some golden rules when it comes to the first month or two of dating. Bottom line, know what you want, have rules for your own behaviour, let the guy lead so you stop confusing men or attracting ones that will disrespect you, play games with you and ultimately can't or won't give you what you want. This book can save you a lot of time and emotional energy. It did so for me and I'd recommend it. I'd also recommend every woman out there to stick to her dating standards and to honour her own needs and wants even if it looks like there's no one around that's suitable or right

for her. The right guy will come along and you will feel a hell of a lot better and your heart and body will be in a much healthier place if you wait for him and say no to the rest. Trust me, it is worth waiting. Here's what you're going to learn inside: -What to say when you want to "slow things down" with a guy without losing his interest in you. -The most seductive first date "good deed" that can CAPTURE a man's desire and make him desperate to see you again. -The #1 key to conquering a man's heart during the early dating stages. (This is something most women only figure out after YEARS of painful trial and error.) -How to get a boyfriend by avoiding a HUGE relationship-killing mistake most women make within the first few weeks of dating. -The single most irresistible feminine attitude that easily overwhelms a man's emotions and makes it IMPOSSIBLE for him to get you off his mind. -How to get a man to treat you like a top priority (instead of his Plan B) once you start dating him. -How to maintain the "Queen's Composure" when men pull away and how to use it to make the good ones come RUNNING back to you. -The "dating rules" high-value women use to quickly eliminate players and find Mr. Right. -And much, much more...

Game - Roosh Valizadeh 2018-08-21

Game teaches men a 9-step program for meeting and attracting women in an age when smartphones, feminism, and anti-masculinity propaganda have made connecting with the opposite sex harder than ever. It will help you achieve casual or monogamous relationships while safeguarding you from sexual harassment and rape accusations that have increased due to the spread of social justice and hashtag activism. Game was written after the author's 17-year obsessive journey into the art of seducing

women. The book begins with... -The 8 beliefs you must internalize to attract women without conscious effort -How to maximize your physical appearance so that most of a seduction is complete before you even begin talking -The hygiene and body flaws that turn women off without you realizing it -8 attraction triggers that cause a woman to be deeply drawn into a man -3 destroyers of attraction that turn off just about all women in their physical prime The biggest chapter is on approaching. Even if you don't have a large social circle, or any friends at all, Game teaches you how to have pleasant face-to-face interactions with women. You'll learn... - How to walk out your front door and casually meet women during the day in a way that won't make you anxious -How to meet girls at night in bars, clubs, or on the street -Dozens of word-for-word examples of how to approach women and converse with them -The best way to know that a girl likes you and will show up on a first date - The number one sign that a girl is ready to be kissed so that you never have to worry about being physically "rejected" -How to move things to the bedroom on the same day or night you meet a girl If you're not a fan of casual hook-ups, the book has you covered with a traditional dating program. You'll learn... -How to contact a girl using a text messaging script that gets right to the point of scheduling a date -6 fun date questions to ask that help reveal if she's worth a long-term relationship -6 conversational guidelines that prevent you from running out of things to say -How to "qualify" and tease a girl so that she always sees you as a high-value man -The smoothest way to move things to a private home when she's ready for intimacy -A safe progression to having consensual sex that won't get you in trouble with the law Once you start dating a girl you like, you'll enjoy the chapter on relationships. You'll learn... -How to lovingly mold a girl into your ideal partner while resisting her efforts to train you into a beta male slave -The most important standards you must uphold to maintain the integrity of the relationship -How to regain attraction after your girlfriend becomes distant -6 warning signs that tell you a girl is not worth marriage -How to know if your girlfriend is cheating on you You'll also find two large appendices. They share... - The best way to enter social circles where

women will see you as the apex male -How to get intimate with a girl in your social circle so that things don't get weird or awkward -An easy trick to identify which foreign cities contain women that will be most receptive to your look and personality -How to plan for trips that maximize the chance you'll get lucky with foreign women The above only scratches the surface of what Game contains. It is seminal work of a hyper-sexualized man who dedicated tens of thousands of hours into understanding women and attracting them while fending off defamatory attacks from mainstream feminists and fake news journalists who want to criminalize healthy masculinity. Whether your goal is to have fun in a big city with lots of women or fall in love with only one before getting married, Game will help you accomplish your goals in a way that keeps you safe from degrading cultural winds that continue to divide men and women.

And how you can be that "bad boy" without actually being bad. - Why catering to her every need from the moment you meet her will absolutely kill your chances of being anything more than her "talking friend". - Why compliments will not always get you past the pick up line, and how to really get a woman's attention when approaching her. - Why what you think girls want and what you have always been told girls want (even by other women) is one of the biggest reasons most men's chances of sweeping a beautiful woman of her feet are next to nothing. - The 7 or so things a woman is really looking for when she meet a man. This is exactly what 95% of men out there are missing when they are trying to pick up girls. - The 14 essential rules you should always follow when dating. Follow these rules and your troubles with women are sure to disappear. - A list of the hottest online dating websites that will help you get a date every day of the week! - The complete guide to having a successful first date. Including where to go, how long to stay, what to talk about and how to behave. - The 4 things you should never talk about or even mention on a first date (bring this stuff up and you'll ruin everything!). - Easy ways to tell if a woman is truly interested in you or just being nice. - Easy ways to defeat your shyness and fear of approaching women that actually work! - And Much, Much more! what Your Girlfriend Really Wants and Build a More Lasting and Stable Relationship Over Time There is a lot of speculations about what women want in a man. Men have tried figuring this out for decades and women have tried to help them along the way as well. I've found that most of the books on the topic miss the important elements of it. Sure, it's easy to say that woman like charming men, but why? Why are they drawn to them? Most of these books don't explain it and motivate men to change their entire existence for a woman. I don't believe that anyone should change who they are for another person. Instead, they should change what they do and how they do it. Things can be improved upon, but some things are also best left untouched. No one seems to handle this in any of their books. Instead, it's some money-making scheme with poor quality books and bad advice. I've been with all sorts of men and I am happily married now. I can teach you what I know, tell you the things my husband does that drive me crazy, and even the things that makes me love him more along the way. Perhaps I'll even share some secrets, too. This book will contain the following to help you better understand women and what they want. These benefits are well worth reading the book. Understanding that nobody is perfect Understanding that everyone is different How to

change what you do for the better to benefit you and your partner Keeping your sense of self while adopting new habits Remembering that what you want is important, too A general idea of what women are looking for in a man and a relationship Tips and tricks to better understand women It's important to know all of these things. Why? Because each individual should stay just that; an individual. Most books encourage you to change into just another gentleman, but the truth is that women don't want clones. That is why this book is going to help you far more than most other books on the market concerning this topic. Most books on the web are of poor quality and don't solve the problems at hand. My intention is to create books that help people solve whatever problems they might have without changing themselves entirely. I want to use my own experiences and my own troubles to help others overcome theirs. I won't tell you exactly how to do things. I might give a few tips, but the rest is up to you. The key to solving problems is to understand them, and that's my job: to explain it all to you. The answers you seek are in this book and I can assure you that it will help you immensely with understanding women better. I am a woman myself, after all. No one can explain what goes on in a woman's head better than a woman herself. If you Buy this book right now, all the secrets can be yours.
