A NEW STANDALONE title from Samantha Lind in her Lyrics and Love series! NICK Beautiful, broken, and abandoned. The second I see her in my bar, With cover charge stamps plastering her hands, I know what I have to do. Take her home, Get her into bed, Where I know she'll be safe. I do exactly that. Leaving her keys and my number, As I lock the door behind me. She deserves more, So much more. ASHLEY Shattered, vulnerable, and alone, Trapped in a lifetime of hurt, Trying to break the cycle. But he came in, Saved me, From myself, From my circumstances. Showing me compassion, And respect. Proving I am so much more. More than just a pathetic drunk girl.

**Patterns with a Twist** - Ronald E. Anderson 2012-04-24

I have been writing poetry most of my life and this selection of work is

especially personal to me. As an artist and a writer I feel the need to communicate to the world what I believe to be important. Poetry and free verse are the means of my expressions and the short stories that I wrote in play form I believe will be entertaining and suspenseful. The character of John Griffith was based on a good friend who died a young and tragic death. You might say he lives on in these short stories and the characters themselves; though largely fictional, I consider memorable. My work like my life is seen through a darkened lens, but that lens adds depth to the soul. I do hope you sincerely enjoy this read. Those who have read it have not been able to put it down. I hope the same will apply for you. With all my heart, Ronald E. Anderson Patterns With A Twist was originally written several years ago and enhanced with my work in the historic Granada Theater where we held productions and yes conducted tours of this historic building.

**Pub Joke Book** - M. Sharma

Laughter is as essential for us as breathing is. The life becomes a big boredom without humor. Whatever be the merits of today's busy and hectic life, it certainly has taken away laughter from our lives. Mental breakdowns we see around are proofs of it. A good laugh has great long-term effects. If you start to laugh, it does not only relieve you mentally, it actually induces physical changes in your body. Laughter can stimulate many organs. Laughter improves the intake of oxygen-rich air, stimulates your heart, lungs, and muscles and increases the endorphins that are released by your brain. Laughter can also stimulate circulation and aid muscle relaxation, both of which help to reduce some of the physical symptoms of stress. Laughter may ease the pain by causing the body to produce its own natural painkillers. Laughter may also break the pain-spasm cycle common to some muscle disorders and Increase personal satisfaction. Laughter can also make it easier to cope with difficult situations. It also helps you connect with other people. Many people experience depression, sometimes due to chronic illnesses. Laughter can help lessen your depression and anxiety and make you feel happier. This 'Jokes E-book' of ours is an effort to dissolve your tensions in a solution of smiles, chuckles, and laughter. This 'Jokes E-book' of ours is an effort

to dissolve your tensions in a solution of smiles, chuckles, and laughter. We earnestly believe that our collections of hilarious jokes will displace your worries and gloom with lots of Ha-Ha.

**Vaudeville Humor** - Paul M Levitt 2006-09-06

Although occasionally found in bits and pieces in anthologies and in some period dramatic comedies, vaudeville humor has never before been available in one collection--performers rarely if ever kept a record of their jokes and routines. Fortunately, Ed Lowry was an inveterate collector. He kept copious notebooks of jokes and routines that he not only commissioned but also stole from other comics, clipped from newspapers, and copied from now defunct popular magazines of the day. **Drunk Girl** - Mignon Mykel 2023-06-13

When Jake Wesley agreed to cover extra hours at O'Gallaghers, he figured he'd make a few extra tips and head home. Maybe grab dinner

and mindlessly watch something on television before falling asleep earlier than his normal two in the morning. But then she came in. And he can't help but keep an eye on her. What started out as a fun bar crawl with friends, turned into a mess of epic proportions. The very last thing Sophia Burns expected to come out of her friend's mouth at bar three was that she slept with Sophia's boyfriend—not once, not twice...but a gross number of times for someone who was supposed to be her best friend. Wanting to forget—and not quite ready to go to her quiet, empty apartment—Sophia finds herself at O'Gallaghers, where she drowns her sorrows. At least, that was the plan. When she wakes in her bed in the morning, all she has is a note. And the briefest recollection of the kind guy with the messy hair. Explore the rollercoaster of emotions, thrilling connections among friends, and the search for true love amidst the vibrant atmosphere of O'Gallaghers Pub in San Diego. **No One in New Orleans Will Die** - JS Greene 2010-03-26

No One in New Orleans Will Die is a postmodern take regarding random conspiracy theories, and interpersonal and cultural relationships between citizens and New Orleans in the years following Katrina. As seen through the characters' dialogue, living amongst devastation and slow progress produces an environment conducive to 'living in limbo' for the citizens of New Orleans. It gives a haunting, romantic, intimate look into the different population sample of current New Orleanians. A remarried, widowed ex-advertisement executive turned construction worker who is haunted by his wife's death, a mediocre jazz singer and musician, a disillusioned ex-banker turned grief counselor are the main characters in the story. Social analysis of New Orleans and the current trends and problems are resonated in the book through the characters and their relationships. Discussions and observations of locals, landmarks, visits to the destroyed and reconstructed neighborhoods have and still are being conducted by the author, J.S. Greene. The goal is to recreate the culture and promise of New Orleans while keeping abreast of the reconstructing process with the utmost integrity. The intended audience is the collegiate crowd and older, as well as people with a conscious of New Orleans's past, present, and future and its romantic quality.

*Josiah's Command* - Kayla Gabriel

Josiah Beran is fed up with his big, rowdy sons. All six men are big, built, and virile, but none of them has ever so much as considered settling down with a mate. As far as Josiah sees it, the Beran men have a duty to continue the bloodline and sire Berserker bear offspring, but all any of them has done is their sow wild oats. Josiah makes a decision that will change Luke, Wyatt, Cameron, Gavin, Noah, and Finn's lives forever. When the Alpha of the Beran family summons them home to the Montana Lodge, his sons have no choice but to obey. Josiah makes a shocking decree, and he's not willing to hear excuses. Anyone who resists will be banished from the clan and from the Montana Lodge wilderness refuge, the only safe place where bears shifters can roam free in their true forms. Will these six swaggering bad boys choose to reform their skirt-chasing ways, or will they face the possibility of losing their inheritance, names, and native land?
