When she bumps into her a few days later in the supermarket and tells her how much she enjoyed the show, the girl invites her on a coffee date. They quickly become attracted to one another, and before long they're headed back to Jade's place in a fit of passion. **Double pleasure** - Mat Marlin

The restaurant: The excellent food, the wonderful location, the spacious rooms, the polite staff are the strengths of this restaurant where many erotic adventures and excellent sex are also consumed, whoever comes here runs the risk of feeling the palpitations of excitement increase conspicuously. It's not just any place and even the owners are quite unique and attentive to the needs of the customer and when sex is the first desire to satisfy everyone perceives that there is no better place; the meetings are on fire and the desires vented with

the achievement of intense orgasms that never end. The caravan: She had been standing in that place for years then Giuliano, a farmer in solitude, had the idea of using the caravan as a place for sexual encounters and soon the adventures found the ideal place to be consumed. Sometimes it takes little to create something useful like an old abandoned caravan that turns into an alcove for obscene and intriguing love affairs, fiery embraces and adventures where pleasure is the ultimate goal and orgasms smear the newly renovated walls. NO READING FOR MINORS.

*Best Bisexual Erotica* - Bill Brent 2002

These erotic tales of bisexuality really run the gamut -- from Samurai-era Japan to an 18th century French nunnery; from a shape-shifting college dude to a lap-dance stripper to a man cross-living as a woman on the Canadian prairie in the early 1900s. Plenty of three-way affairs and encounters, a moderate dose of bondage and S/M, and three great stories incorporating

sex in the restroom! Despite all of this delightful romping, the tone of the book is more serious overall and somewhat darker than in the first volume, with well-developed plots featuring characters dealing (and in some cases, Not dealing) with complex issues. Stories tackle the intricacies of polyfidelity, coming out, and forging a positive bisexual identity. There is a Lot for readers to sink their teeth into, and the range of contributions demonstrates a maturing of the bisexual erotic voice.

**Performing Sex** - Breanne Fahs 2011-11-01

A candid and provocative critique of women's sexual liberation in America.

Double Pleasure, Double Pain - Nikki Rashan 2012-10-01

Twenty-six-year-old Kyla is admittedly a late bloomer. She prefers to remain within the comfort zone of her supportive family, her loyal sweetheart, and her close-knit group of friends. When she returns to the local university for her eighth year as a part-time student, she is

surprised by a physical attraction and emotional bond that she forms with Steph, another female classmate. Uncertain and fearful, Kyla must decide whether to continue the now lopsided relationship with her trusting boyfriend of four years, or submit to unfamiliar passions felt toward another woman. Brace yourself for this passionate journey for an answer to the common question, "Who am I?" You'll relate to the comical questions Kyla shares with her friends, connect with her thoughts as she silently questions life's everyday activities, and empathize with her as she struggles with the unknown. Hold on tight, and get ready for the ride of your life.

**Sizzling Sex for Life** - Michael Castleman 2021-01-12

Michael Castleman, the world's most popular sex expert, has written the most comprehensive, authoritative, reassuring, and practical guide to lifelong pleasure for men and the women who love them. Library Journal calls him "one of the

nation's top health writers." Medical journalist Michael Castleman has answered more than 12,000 sex questions throughout his career, including on his website GreatSexGuidance.com, through his "All About Sex" blog on Psychology Today, or even when he used to answer all the sex questions for Playboy's "Advisor" column in the '90s. From his numerous years of experience comes this, the most thorough consumer sexuality guide ever written. It's full of state-of-the-art sex information and sage advice, all written by a decades-long trusted sex author. Sizzling Sex for Life addresses men, but is exquisitely sensitive to women's sexual sensibilities. While it focuses on sexual enhancement and the resolution of individual and couple sex problems, it transcends similar books by delving into social/political sexual issues, including school sex education and pornography—and in today's fraught #MeToo environment, prevention of sexual assault and harassment. This compelling, sex-positive guide

will benefit men and women, from the teen years to old age. It offers an in-depth investigation of sexual issues throughout the lifespan, based on 2,500 studies published over the past seventy years—more source material by far than any other sex guide. This book truly does it all, and does it respectfully. It reassures men that their sexual concerns can usually be happily resolved with self-help or brief professional therapy: penis size issues, premature ejaculation, orgasm/ejaculation difficulties, arousal problems, and erectile dysfunction. It comforts women that they can rediscover lost libido, have orgasms every time, and cure their sexual pain. It assures couples that their leading sexual complaint, desire differences, can usually be resolved to mutual satisfaction. It reassures parents that they can maintain their sex lives, provide effective sex education to their children, and survive today's young-adult hook-up culture. It informs the elderly and those with chronic illnesses and disabilities that great sex is still

possible. It reassures sexual minorities that they are psychologically normal and that LGBT sex, BDSM, and consensual non-monogamy are more popular than most people believe. Whether for procreation, relationship affirmation, or just for fun, lovemaking is normal, healthy, nurturing, often therapeutic, and usually emotionally satisfying. Whether you're looking to learn more, have a specific question, or just want to spice things up between the sheets, this is your ultimate guide to better enjoy one of life's top pleasures.

*Bisexual Women in the Twenty-First Century* - Dawn Atkins 2013-11-19

*Bisexual Women in the Twenty-First Century* reflects the “brave new world” of bisexual women's lives through an eclectic collection of articles that typifies an ongoing feminist process of theory grounded in life experience. The book's broad scope addresses a “world” created in response to lesbian-feminism, homophobia within the mainstream women’s movement, and

sexism within the gay rights movement. The book includes Carol Queen's memoirs of the swinging lesbian scene in the 1970s, a critical examination of Alice Walker's novel *The Temple of My Familiar*, and a look back at the controversy surrounding bisexual inclusion in the Northampton Lesbian and Gay Pride March in Massachusetts in the early 90s. Previous groundbreaking work on bisexuality had to focus on breaking the silence around bisexual invisibility. This collection works from that foundation to explore the complexities and histories of bisexual women's lives. *Bisexual Women in the Twenty-First Century* examines: tensions between lesbians and bisexual women the shifting place of bisexual women in society the use of skin color as a charged metaphor the inclusion of bisexuality into queer theory groundbreaking new work on bisexual youth the creative use of the “sacred whore” archetype *Bisexual Women in the Twenty-First Century* is an essential source of social and political

She even learns a bit about BDSM from her good friend Sandy, whose fascination for kinky sex has led her to the Floggery, where she's flogged by the sexy Sir Stephen. While Julie decides that whips and bondage are not for her, she's busy enjoying her sexual exploits with the men and women that pass through her life. However, when it comes to

love, Julie's repeatedly drawn to Mark, an old high school friend. They've gone from acquaintances, to friends, to lovers. Could he be that one special someone? Or will her wild bisexual ride continue.

**Twice the Pleasure** - Rachel Kramer Bussel

2013-03-18

Rachel Kramer Bussel is a card-carrying bisexual. She writes about it, talks about it, blogs about it and probably tweets, too. She is in a great relationship with a BOYFRIEND but once you go bi you never go back. Bisexuality is not about keeping your options open, it is about looking at the world and seeing a lot more sexy. In a Huffington Post, she went on record, stating "I think ideally I'd like to have a male lover and a female lover, either a triad situation or one on one." There is no better erotic mind on the planet better suited to editing Twice the Pleasure than Rachel Kramer Bussel. This big book of bi explores every option -There are girlfriends and wives, husbands and boyfriends, first dates, threesomes and much more here. There's daring and adventure, women taking risks by stepping outside their comfort zones, whether it's by surrendering to a bodyguard in

"The State" by Tahira Iqbal or confronting "The Wife" of a male lover in Kay Jaybee's story, only to be confronted right back. The women you'll read about are attracted to strong women like "The Robber Girl" in Lori Selke's story, and men who surprise them with their sensitivity, such as in Bussel's own story, "A Little Fun."

The Book Bible - Susan Shapiro 2022-02-01

A Brilliant, Buoyant Guide to Publishing Your Book  
Hundreds of thousands of books come out every year worldwide. So why not yours? In The Book Bible, New York Times bestseller and wildly popular Manhattan writing professor Susan Shapiro reveals the best and fastest ways to break into a mainstream publishing house. Unlike most writing manuals that stick to only one genre, Shapiro maps out the rules of all the sought-after, sellable categories: novels, memoirs, biography, how-to, essay collections, anthologies, humor, mystery, crime, poetry, picture books, young adult and middle grade, fiction and nonfiction. Shapiro once worried that selling 16 books in varied sub-sections made her a literary dabbler. Yet after helping her students publish many award-winning bestsellers on all shelves of the bookstore, she realized that her versatility had a huge upside. She could explain,

from personal experience, the differences in making each kind of book, as well as ways to find the right genre for every project and how to craft a winning proposal or great cover letter to get a top agent and book editor to say yes. This valuable guide will teach both new and experienced scribes how to attain their dream of becoming a successful author.
