Go back to the beginning with this NEIGHBORLY AFFECTION SERIES PREQUEL from a USA TODAY bestselling author. From rescue to romance... Teach a wounded submissive the value of his service. The task ought to be an easy one for an experienced dominant like Henry Webb. But novice Jay Kress challenges his teacher like no other. Still bearing the bruises of an encounter outside the bounds of safe consensual play, Jay is desperate to submit to the man who saved him—and shamed by his desires. Henry recognizes the dangers of a relationship built on hero worship. He'll teach Jay how to stay safe, that's all. He won't take advantage of the younger man's trust. He won't share his fantasies about his dark-haired, athletic student. He'll never claim this submissive for his own... New to USA Today bestselling author M.Q. Barber's Neighborly Affection series? This friends-to-lovers bisexual menage romance saga is best read in order. Dominance and submission is the name of the game for this MMF poly triad. Start with *Playing the Game* or *Becoming His Master*. *Becoming His Master* is a prequel in the Neighborly Affection universe. It can be read at any point but is best read before picking up *Finding Their Balance*. Praise for *Becoming His Master*: "The fourth Neighborly affection book offers readers a fascinating glimpse into the real depth and complexities of a Dom/sub relationship, and the dangers that can arise when the heart becomes involved. Barber has a unique writing style that takes a little time to feel familiar, but her world soon becomes lush and increasingly intriguing." - RT Book Reviews, 4 Stars What NetGalley reader-reviewers are saying: "Beautifully written, this is thoughtful and engaging, just like the two main characters..." - Reflection "M.Q. Barber has one of the most distinctive voices as a BDSM author I have ever experienced reading. It's like a breath of fresh air to see someone step outside of the S&M side of things and more into the D/s world." - Mommy's a Book Whore blog "The author has avoided ... clichés and given us an amazing love story in a BDSM setting. The characters are flawed in such true ways and the acceptance of those flaws is beautifully written. Their relationship is forged over months, and they really get to know one another. They complement and balance each

other in such authentic ways." - Sarah Beth "The Neighborly Affection series as a whole has opened my eyes and has made me view the BDSM lifestyle in a new and refreshing light and I fully appreciated the wonderfully gifted manner in which author M.Q. Barber presented these books. This book in particular was hauntingly beautiful, what with Henry's selflessness and Jay's innocence and their mutual love and affection for one another." - Bookaholics Not-So-Anonymous blog *Double Time* - Olivia Cunning 2012-11-06

*Turning Back* - J. a. Huss 2017-04-07

I lived in the dark for three years. My whole world revolved around the whims and happiness of three men. It was just a trip into the forbidden. A way out of a bad situation and forward into nothingness. Quin, with his easy smile and charming good looks. He was always there for me... Until he wasn't. Smith, and his dispassionate attention. He was never there for me and he never regretted it. Bric, the one who listened, but only to himself. Self-absorbed, self-obsessed, and self-serving. He was never the one I wanted. And now he might be the only one I have left. It was good while it lasted, I guess. But it could've been so much more. It could've

been so much better. And that's why I'm turning back.

**Montessori Madness** - Trevor Eissler 2009

No, no, no, no, and no. *Montessori Madness!* explains why the incremental steps politicians and administrators continue to propose are incremental steps in the wrong direction. The entire system must be turned on its head. This book asks parents to take a look--one thirty-minute observation--at a Montessori school. Your picture of what education should look like will never be the same"--Back cover.

*Sugar Daddies* - Jade West 2016-07-12

A sugar daddy website doesn't seem a sound basis for an A1 life plan, but I'm a small town girl with big dreams, and there's this one advert, this one crazy advert I can't stop thinking about... Two hot guys seeking their Little Miss Right. Someone who can entertain them, amuse them, fit in with their corporate schedule. And sex. They want sex. Lots of sex. Bonus, right? One major dose of epic win. Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all. Hell, I can live with that. And there are no skeletons in their designer closet, none that I can find. Just two hot sugar daddies, with particular tastes, nothing to worry about. Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance. Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you. But I'm already in way too deep for that.

*Prime Minister* - Ainsley Booth 2019-05

A kinky Prime Minister, a vanilla intern, and a scandal that shouldn't feel so right or cost so much. Gavin: Ellie Montague is smart, sensitive, and so gorgeous it hurts to look at her. She's also an intern in my office. The office of the Prime Minister of Canada.\* That's me. The PM. She calls me that because when she calls me Sir, I get hard and she gets flustered, and as long as she's my intern, I can't twist my hands in her strawberry-blond hair and show her what else I'd like her to do with that pretty pink mouth.\*\* Ellie: How much I like the PM varies on a daily basis. He's intense, controlling, and a perfectionist in every way--and he demands the same of his staff. How much I want him never wavers. There's something about him that tugs at me deep inside, and makes me wish that just once he'd cross the line in a late night work session. I'd take that secret to the grave if it meant I got a taste of the barely restrained beast inside him.\*\*\* . . . FOOTNOTES: \* This is a fictional romance. No prime ministers or interns were harmed in the making of this book. \*\* Except it's a kinky romance, so they were hurt a little. \*\*\* Spoiler alert: she gets more than a taste. And she likes it.
