Posting from Proverbs - Nick Harris 2021-01-21

The book of Proverbs has been a source of wisdom and guidance for individuals, families and churches for centuries. After retiring, the author started a daily devotional and posted it on social media. This book is the fruit of those labors. Each verse is pondered thoughtfully and is followed by a brief prayer.

101 Reflections - Dennis G. Lynn 2008-10

In 101 Reflections, Dennis Lynn has adapted his teaching style to the written page. He uses personal experiences and simple illustrations to teach biblical truth dealing with everyday life experiences and challenges. His purpose is to

challenge, encourage, comfort, and entertain the reader. For the first twelve years of his professional life, Dennis Lynn worked as a teacher and a coach on a secondary level in the public schools of South Carolina. For six of those years he had the opportunity to work under the leadership of a high school coaching legend in South Carolina, Coach Willie Varner. Coach Varner said, "I do not care how much you know or how well you can draw plays on the board. All I care about is how much you can teach the young men under your direction." This proved to be a valuable lesson Dennis took with him into ministry. From the beginning of his ministry, Dennis realized people in the pew were not

interested in how much he had learned in seminary or how vast a theological vocabulary he had. They wanted someone who could take the Word of God and present it in a manner they could understand and apply in their daily lives. For thirty years, Dennis has faithfully provided this type of teaching.

Transforming Habits - Stephen W. Robbins 2009-02-16

Human activity, both good and bad, cannot be explained merely by DNA and brain chemistry. Though disappearing in our modern world, moral knowledge is accessible. In His Sermon on the Mount, Jesus teaches how to be a truly good person. With moral authority He describes the good life and gives direction to our will.

Transforming Habits presents an accessible and straightforward study of the Sermon on the Mount. Each chapter addresses one of Jesus' preaching points and ends with a "Sermon Application"--questions to ponder and "transforming habits" (i.e.,

spiritual disciplines) to practice. Designed to help you live as God intends, this study (1) focuses and expands your vision of what life looks like in His immediately available kingdom, (2) builds your intention to live with Him as a disciple of Jesus, and (3) provides you with useful means to do this in everyday life.

Whether you read it on your own or in a small group, this study of the Sermon on the Mount provides spiritual guidance for your journey on the road of transformation--to God's glory and your joy!

In His Presence - Veronica Lilly 2022-07-07

Writing a 365-day Christian devotional book became a labor of love. I found myself looking forward to what God had to say through me about the chosen scripture for each day. I applied the scripture references after all the devotions were written. My mindset was "Prove it." I believe the Bible is God's infallible Word. If God said it, it is true. I spent time talking with God about what to title

Words That Hurt Words That Heal Speaking The Truth In

this book. I started a list of potential titles. I would write one and ask, "Lord, is this the title?" This went on for a few months. The list grew longer. I wanted a title that prepared the reader for a special encounter with God. In His Presence was that title. I knew it the moment it entered my mind. God was faithful. He provided the title for this book. You will find a prayer at the end of each daily devotion thanking, seeking, and reaching out to our Sovereign God.

Speaking the Truth in Love - Daniel R. Berger 2007-01-01
Approaching public communication from a liberal arts point of view, Speaking the Truth in Love provides a distinctly Christian perspective of rhetoric. Written and oral rhetoric are interwoven throughout the text. Two foundational ideas control the majority of the text. The first is from Plato's *Phaedrus* as stated by Paul in *Ephesians 4:15*, "speaking the truth in love." The second is from the Apostle Peter in *1 Peter 4:11*, "if

^{Love}
~~anyone speaks, he should do it~~
as one speaking the very words of God." The spiritual responsibility of communicating truth in accordance with the nature of God, especially the virtue of love, is an awesome privilege and opportunity. Sound content spoken or written eloquently with charisma will enable words to have a maximum impact. The text is designed to be a culminating learning experience for undergraduate communication programs or as an introductory text for graduate programs involving public communication. Beginning with a philosophy of language, meaning, and interaction, argument is built against secular deconstructive thought where everyone has a different truth based on language. Alongside philosophy we explore ethics and theology from an evangelical perspective. Following this a brief history outlines rhetorical thought from pre-testament classics to today. Based upon these ideas we take a closer look at communication theory

Words That Hurt Words That Heal Speaking The Truth In

as it relates to public communication. Finally, the text addresses the practice of both written and oral communication.

Prayers for the Battlefield -

Heidi St. John 2018-09-18

Help, hope, and spiritual strength for the mom in the trenches. Moms today have a lot to handle! It's easy to feel overwhelmed by the responsibility of raising a family, especially in a culture that's spiraling away from Christianity at an alarming speed. Yet our God is the same yesterday, today, and forever. The battle belongs to him, and his strength shines bright when we bring our weaknesses to Him and simply say, "Here. I can't, but You can." Prayers for the Battlefield is a collection of prayers and reflections to help you stay strong through the daily challenges of motherhood. Whether you're a new mom or a soon-to-be empty nester, Heidi St. John writes Scripture-filled and Spirit-infused prayers for every season of motherhood, helping you raise God-fearing children

Love who will live out their love for Christ and make a difference in our world. Let God determine the outcome of the battles you're facing today—because the ultimate victory belongs to him.

The Good Name - Samuel T. Logan, Jr. 2019-09-09

The Good Name by Samuel T. Logan encourages readers to see the dangers of "false witness" among Christians, especially when dealing with disagreements, which can cause damage to individuals, the church, and the good name of Jesus. Logan emphasizes how our Christian responsibility is to honor others in truth and respect.

Autopsy of a Dead Church -

Lou Mancari 2006-03

Autopsy means to "look for yourself within" or "to see with your own eyes." We will open the spiritual body with the scalpel of God's two-edged sword, the Word of God. As we begin the autopsy of the dead church we immediately find that DNA evidence links every person in the church with an infamous and ancient crime

Words That Hurt Words That Heal Speaking The Truth In

scene--the Garden of Eden. As we continue the autopsy of this dead church we find the fingerprints of a noted murderer and thief all over the body. Like all of us, Satan has certain traits that identify his prints. The dead church has had major brain damage. In some cases there is an enchanting or forceful preacher that has performed a spiritual lobotomy hindering any deep or independent biblical thinking of the people of the church.

Love - Ernest M. Tegeder
2018-01-19

"Love-it's everything." Love at the center of it all? This book's objective is to show that love operates in and is a part of all areas of life. Some of these areas are quite practical, and some may even surprise you such as love in traffic and love and being punctual. It goes further though, pointing to God as the author of love-that he, in fact, is love, and it is his defining attribute. And it will also demonstrate love is not the mushy stereotype; it is sometimes thought of but a

^{Love} dynamic powerful force that is the glue that unites us with each other and with God himself. Love and God are the joy of heaven, and as you realize the power of love more and more, you will come to understand why nothing can separate us from the love of God. This book will touch your mind and heart. Learn more about love, and you'll learn more about God.

warmth, his erudition, and his richly anecdotal insights, and in *Words That Hurt*, *Words That Heal* he focuses these gifts on the words we use in public and in private, revealing their tremendous power to shape relationships. With wit and wide-ranging intelligence, Rabbi Telushkin explains the harm in spreading gossip, rumors, or others' secrets, and how unfair anger, excessive criticism, or lying undermines true communication. In this fully revised edition, Joseph Telushkin brings this classic into the modern age. Remarkable for its clarity and practicality, *Words That Hurt*, *Words That Heal* illuminates the powerful effects we create by what we say and how we say it.

Getting Back on Track - Jo-Anna Culy 2016-12-05

Imagine a church where many of the needs of younger women

Words That Hurt Words That Heal Speaking The Truth In

Love

are being met by trained older women. It would not be a problem-free church, but it would be a healthy church where pastors are free to focus on their biblical responsibilities. Although younger women need the guidance of godly older women more than ever, older women remain the most untapped resource in the church today. Some feel dispensable, undervalued, or overlooked. Many simply don't understand the role God calls them to have with younger women, or know how to fulfill it. Getting Back on Track is an invitation to discover from Scripture what the role of the biblical mentor is and how God wants to use older women to help move younger women toward maturity in Christ. It is solidly grounded in Scripture from beginning to end and is written for the older woman, church leader, or younger woman who aspires to be a godly older woman someday.

Building a Relationship with God and with Others - John Onu Odihi 2012-07

In a world that seems to be turning away from God, author John Onu Odihi writes from his heart about the Christian life and its challenges in the modern era. Even while our culture emphasizes independence and moral relativism, Odihi is unafraid to remind us that our victory can come only through loving and trusting God, and living in obedience to him. Building a Relationship with God and with Others helps us do just that, with essays on such topics as gratitude, patience, and the mystery of God's love. But the essays go beyond the theoretical to the real dynamics in our relationship not only with God, but also with each other. Reflections on how to live out our Christian faith address forgiveness, encouragement, the value of confession, and ways to cope with fear. You'll even find an essay on the difficult challenge of how to lovingly confront someone who is in the wrong. Each section is followed by suggested biblical passages that you can return to again

Words That Hurt Words That Heal Speaking The Truth In

and again for support and reference. Throughout this book is an emphasis on the joy and fulfilment that is ours when we learn to truly love not only our neighbours but our enemies—Jesus' ultimate message as we work to bring his kingdom to this earth. Whether you're a new Christian or have been one for many years, you'll welcome this chance to learn more and to deepen your understanding of what it means to walk with God.

Words That Hurt, Words That Heal - Carole Mayhall

The Bible tells us that our mouths are to be fountains of life, but our day-to-day interactions prove otherwise. So how do we address our hearts as well as our words? This book explores the impact our words can have and helps us develop a filter to hold back things we shouldn't say.

Texas, in a little area called Fifth Ward Texas, author Akua Fayette grew up and has had a variety of experiences. In the *Healing of a Broken Spirit*, she shares her life events and how many of the answers to her questions were answered by a spiritual stranger. A poet, symbolic artist, author, storyteller, art teacher, inspirational public speaker, and community activist, Fayette provides an understanding of how the spirit can be broken during ones lifetime. She reveals how children process inner feelings and are sometimes burdened by them, even in situations where they have no control. She explains that African Americans must go back to the roots of their existence and get what belongs to them—the whole spirit, the blessing of being free in mind and body, and knowing the difference between how and where they survive and how and where they thrive. Filled with inspiring information to help others find the truth during their own life journey, *The*
