How Writing Works Custom [Osu] - Associate Professor Jordynn Jack  
2015-12-14

**Writing Isn't Sexy** - Katie Pryal 2015-05-14

When Katie first embarked on a career as a professional writer, her head was filled with all sorts of romantic nonsense about the writing life. She thought she'd be able to sit back, write good words, and the money would roll in. She was wrong. So wrong. She's since figured out how to make a living as a writer, and now she's sharing her secrets with you. Writing Isn't Sexy: A Manifesto for Independent Thinkers encourages changes in your mindset, self-examination, and risk-taking. But all of those things are worth it-because writing is worth it. If you'd like to try the ebook before you buy, it's free if you sign up for Katie's newsletter: <http://bit.ly/pryalnews>

Love and Entropy - Katie Pryal 2015-05-17

One hot North Carolina summer, Daphne and her boyfriend, Sutton, encounter awkward physics geek Greta, a fellow college student at elite Cameron University. But while Daphne sees that Greta is someone worth befriending, Sutton's motives are far from pure. And a tension-filled weekend at Sutton's lake house will change their lives forever. Love and Entropy reveals what can happen when we let our vision of what others should be cloud our vision of who they are. Love and Entropy is a prequel to the novel Entanglement, which picks up the story of Daphne and Greta in LA. Interview with the Author Q. What was your inspiration to write Entanglement? A. I think we're all fascinated by the people who don't quite fit in to the normal cone of expected human behavior. These are the people who were outcasts in high school, and who maybe were in college, too. They might have had a friend or two, but they struggled to

say the right thing, and it showed. Maybe you wondered, What goes on inside their heads? In Entanglement, with Greta, I get to show you. Q. It seems as if it falls into several genres. Will it make us laugh, cry? Keep us guessing? A. Entanglement is a plot-driven story that begins with a crime that you must unravel as you read-like a mystery-yet it focuses on the close relationship between two women-which means it's a love story. The main character, Greta, for all that she is a misfit, is very funny. Part of her humor stems from her intelligence, and part of it stems from her unique way of seeing the world. She finds most people wildly irrational, and she isn't afraid to say so. Q. What makes Entanglement fresh? A. Many great books have been set in LA. My favorite is Play It As It Lays by Joan Didion. I needed to find a way to tell an LA story that didn't replay old themes, or a way that would at least bend those themes into new, unpredictable shapes. No one in this coming of age novel wants to be a movie star, for example. In fact, they heap scorn on those who do, even if they do enjoy the LA night life. Q. The story focuses on female friendship, in this case between two 20-something girls. What can you say about their relationship? A. Everything about the girls' familial relationships was broken. These two had no one else until they met each other. It's hard to imagine a friendship like that. I had a friendship like that once, but it's gone now. I wanted to write about how that intensity can keep you alive when it seems like nothing else will, and what it's like to lose it. Q. What do you enjoy reading? A. I will read any book except ones where the female characters are afterthoughts or nonexistent. I love historical romance novels, urban fantasies, Booker Prize winners, SF (especially by women, and I wish there were more), Tana French (she's her own category), P.D. James (so is she), and of course that great big category called "Women's Fiction." Categories Women's Fiction Friendship

**Life of the Mind Interrupted** - Katie Rose Guest Pryal 2017

Academia isn't an easy place to be if your brain isn't quite right. Written  
 for a popular audience, the essays in this book cover topics such as  
 disclosure of disabilities, accommodations and accessibility, how to be a  
 good abled friend to a disabled person, the trigger warnings debate, and  
 more.

**Leaving Academia** - Christopher L. Caterine 2020-09-15

A guide for grad students and academics who want to find fulfilling  
 careers outside higher education. With the academic job market in crisis,  
 'Leaving Academia' helps grad students and academics in any scholarly  
 field find satisfying careers beyond higher education. The book offers  
 invaluable advice to visiting and adjunct instructors ready to seek new  
 opportunities, to scholars caught in "tenure-trap" jobs, to grad students  
 interested in nonacademic work, and to committed academics who want  
 to support their students and contingent colleagues more effectively.  
 Providing clear, concrete ways to move forward at each stage of your  
 career change, even when the going gets tough, 'Leaving Academia' is  
 both realistic and hopeful.

In the Name of the Children - Jeffrey L. Rinek 2019-06-27

FBI Special Agent Jeff Rinek had a gift for getting child predators to  
 confess. All he had to do was share a piece of his soul . . . In the Name of  
 the Children gives an unflinching look at what it's like to fight a never-  
 ending battle against an enemy far more insidious than terrorists: the  
 predators, lurking amongst us, who seek to harm our children. During  
 his 30-year career with the FBI, Jeff Rinek worked hundreds of  
 investigations involving crimes against children: from stranger abduction  
 to serial homicide to ritualized sexual abuse. Those who do this kind of

work are required to plumb the depths of human depravity, to see things  
 no one should ever have to see - and once seen can never forget. There is  
 no more important - or more brutal - job in law enforcement, and few  
 have been more successful than Rinek at solving these sort of cases.  
 Most famously, Rinek got Cary Stayner to confess to all four of the  
 killings known as the Yosemite Park Murders, an accomplishment made  
 more extraordinary by the fact that the FBI nearly pinned the crimes on  
 the wrong suspects. Rinek's recounting of the confession and what he  
 learned about Stayner provides perhaps the most revelatory look ever  
 inside the psyche of a serial killer and a privileged glimpse into the art of  
 interrogation. In the Name of the Children takes readers into the  
 trenches of real-time investigations where every second counts and any  
 wrong decision or overlooked fact can have tragic repercussions. Rinek  
 offers an insider's perspective of the actual case agents and street  
 detectives who are the boots on the ground in this war at home. By  
 placing us inside the heart and mind of a rigorously honest and  
 remarkably self-reflective investigator, we will see with our own eyes  
 what it takes-and what it costs - to try to keep our children safe and to  
 bring to justice those who prey on society's most vulnerable victims. With  
 each chapter dedicated to a real case he worked, In the Name of the  
 Children also explores the evolution of Rinek as a Special Agent - whose  
 unorthodox, empathy-based approach to interviewing suspects made him  
 extraordinarily successful in obtaining confessions - and the toll it took to  
 have such intimate contact with child molesters and murderers. Beyond  
 exploring the devastating impact of these unthinkable crimes on the  
 victims and their families, this book offers an unprecedented look at how  
 investigators and their loved ones cope while living in the spectre of so  
 much suffering.

The Freelance Academic - Katie Rose Guest Pryal 2019-06-03

Higher ed has changed, and we have to change with it. The Freelance  
 Academic will show you how. When Pryal started her career in academia,  
 she did everything right-she thought. With a law degree, a doctorate, and  
 a federal clerkship, how could her career go off track? But this is higher  
 ed in the new millennium. "Off track" is the new normal.

**Whatever Gets You Through** - Jen Sookfong Lee 2019-04-16

Personal stories of surviving after the trauma of sexual assault. In the era of #MeToo, we've become better at talking about sexual assault. But sexual assault isn't limited to a single, terrible moment of violence: it stays with survivors, following them wherever they go. Through the voices of twelve diverse writers, *Whatever Gets You Through* offers a powerful look at the narrative of sexual assault not covered by the headlines—the weeks, months, and years of survival and adaptation that people live through in its aftermath. With a foreword by Jessica Valenti, an extensive introduction by editors Stacey May Fowles and Jen Sookfong Lee, and contributions from acclaimed literary voices such as Alicia Elliott, Elisabeth de Mariaffi, Heather O'Neill, and Juliane Okot Bitek, the collection explores some of the many different forms that survival can take. From ice hockey to kink, boxing to tapestry-making, these striking personal essays address experiences as varied as the writers who have lived them. With candor and insight, each writer shares their own unique account of enduring: the everyday emotional pain and trauma, but also the incredible resilience and strength that can emerge in the aftermath of sexual assault. Contributors: Gwen Benaway Juliane Okot Bitek Elly Danica Amber Dawn Alicia Elliott Karyn Freedman Heather O'Neill Elisabeth de Mariaffi Lauren McKeon Soraya Palmer Leah Lakshmi Piepzna-Samarasinha Kai Cheng Thom

Deacon Locke Went to Prom - Brian Katcher 2017-05-09

The love life of an awkward teen takes an unforgettable turn after he brings his grandmother to prom in this funny, offbeat, and smile-inducing contemporary romance that is pitch perfect for fans of Jesse Andrews and Robyn Schneider. Promposals are taking over Deacon Locke's high school and there is no place left to hide. But even with graduation looming, shy and unusually tall Deacon doesn't think he can get up the nerve to ask anyone to the dance. Especially given all the theatrics. It isn't until Deacon confides in his witty and outgoing best friend Jean that he realizes should could be a great person to take. Only problem is Jean isn't your typical prom date. She's older. A lot older. And she's Deacon's grandmother. But when Deacon meets Soraya—a girl unlike any other

he's ever met—he fears he has totally squandered his chances of having a prom he'll never forget. Deacon couldn't be more wrong. About everything. *Deacon Locke Went to Prom* is award-winning author Brian Katcher's fifth novel.

*Back to December* - Heather McCoubrey 2014-06-16

Thanks to an abusive mother and an absent father, Anna Blackhurst has only known the love of two people: her Gram and her best friend, Niki. When Anna meets Cooper Reed in a smoky club, she's immediately drawn to his good looks but isn't prepared to open herself up to a relationship. As time passes, Anna finds herself falling in love with Cooper and she begins to rethink her future. Maybe, despite her childhood, she can have a happy-ever-after. But when her mother is in a terrible accident, she again sinks her claws into Anna and Anna's world is thrown upside down. Despite Cooper's unwavering support, Anna walks away only to regret it immediately. In order to heal, not only herself -- but also her broken relationship, Anna must stand up for herself and accept that the only way she's going to be happy is if she grabs hold of it herself.

*Passion on Park Avenue* - Lauren Layne 2019-05-28

An Oprah.com Best Romance Novel of 2019! "Perfect for readers who love the dishy women's fiction of Candace Bushnell." —Booklist From the author of the New York Times bestselling *Stiletto* and *Oxford* series, the first in a sizzling new series following the unlikely friendship of three Upper East Side women as they struggle to achieve their dreams and find true love and happiness in the city that never sleeps. For as long as she can remember, Bronx-born Naomi Powell has had one goal: to prove her worth among the Upper East Side elite—the same people for which her mom worked as a housekeeper. Now, as the strongminded, sassy CEO of one of the biggest jewelry empires in the country, Naomi finally has exactly what she wants—but it's going to take more than just the right address to make Manhattan's upper class stop treating her like an outsider. The worst offender is her new neighbor, Oliver Cunningham—the grown son of the very family Naomi's mother used to work for. Oliver used to torment Naomi when they were children, and as

a ridiculously attractive adult, he's tormenting her in entirely different ways. Now they find themselves engaged in a battle-of-wills that will either consume or destroy them. "Strong characters and relatable situations elevate Layne's bighearted contemporary...[which] digs into class differences, emotional baggage, and the reality of dealing with aging parents" (Publishers Weekly, starred review). With the sexy combination of charm, heart, and snark, Lauren Layne's new series is perfect for fans of Christina Lauren and Sally Thorne.

**Chasing Chaos** - Katie Rose Guest Pryal 2016-06-01

Love, friendship and betrayal in glamorous, yet often vicious, Hollywood. Daphne Saito, a beautiful and talented Hollywood screenwriter, might look like she has the perfect life, but on the inside she's lost. She's wandered from one meaningless relationship to the next, and now-just as she breaks up with her longtime boyfriend Dan-she meets someone new, someone she could fall in love with. But Daphne, still traumatized by an accident involving her best friend, Greta, five years earlier, is afraid to love. Harm has always come to those close to her. Over five life-changing days, Daphne lets her guard down and steps toward this new love. But trouble is never far behind. Dan, angry at Daphne's departure, has targeted an innocent young woman, someone close to Daphne's new love, as part of a plan for revenge. And an enigmatic woman from Daphne's past returns with a vendetta of her own. Danger is on the horizon for all of Daphne's friends-and for her. Tana French meets Donna Tartt in this tense, evocative love story. And fans of Lisa Scottoline's *Betrayed* will enjoy the strong female protagonists found in Pryal's novel. Author Interview What was your inspiration to write *Chasing Chaos*? I wasn't sure I was going to write a series set in the world of *Entanglement* back when I was writing *Entanglement*. But once the book was out, after every book event and when I met people who read the book, everyone seemed to ask, "What happens to Daphne?" And they were right. She deserved her own story. This seems like it might be more of a love story than *Entanglement*. Is this a romance? In *Entanglement*, the two main characters, Greta and Daphne, were just out of college and learning to explore the world beyond their friendship. At the beginning of *Chasing*

*Chaos*, they're both late twenty somethings, and Greta is about to get married. Their friendship has matured. Daphne, though, struggles to believe she is worthy of love. Sure, there is a love story, but this book is about a woman who has to learn to love herself first. Should I read *Entanglement* first? Because *Chasing Chaos* is set five years after the end of *Entanglement*, it very much stands alone as a story. And you can read *Chasing Chaos* first without spoiling *Entanglement*. What do you enjoy reading? I will read any book except ones where the female characters are afterthoughts or non-existent. I love historical romance, urban fantasies, Booker Prize winners, SF (especially by women, and I wish there were more), Tana French (she's her own category), P.D. James (so is she), and of course that great big category called Women's Fiction. Categories New Adult Women's Fiction New Adult Romance Coming of Age Women's Fiction Coming of Age Romance Contemporary Fiction A story of love and friendship, betrayal of trust, and learning to love oneself, set in glamorous-yet-treacherous Hollywood Hills. Contains elements of: new adult women's fiction, coming of age women's fiction, love and friendship, betrayal of trust, betrayed, twenty something, hollywood hills

**Critical Digital Pedagogy** - Jesse Stommel 2020-07-17

The work of teachers is not just to teach. We are also responsible for the basic needs of students. Helping students eat and live, and also helping them find the tools they need to reflect on the present moment. This is exactly in keeping with Paulo Freire's insistence that critical pedagogy be focused on helping students read their world; but more and more, we must together reckon with that world. Teaching must be an act of imagination, hope, and possibility. Education must be a practice done with hearts as much as heads, with hands as much as books. Care has to be at the center of this work. For the past ten years, Hybrid Pedagogy has worked to help craft a theory of teaching and learning in and around digital spaces, not by imagining what that work might look like, but by doing, asking after, changing, and doing again. Since 2011, Hybrid Pedagogy has published over 400 articles from more than 200 authors focused in and around the emerging field of critical digital pedagogy. A

selection of those articles are gathered here. This is the first peer-reviewed publication centered on the theory and practice of critical digital pedagogy. The collection represents a wide cross-section of both academic and non-academic culture and features articles by women, Black people, indigenous people, Chicana and Latina writers, disabled people, queer people, and other underrepresented populations. The goal is to provide evidence for the extraordinary work being done by teachers, librarians, instructional designers, graduate students, technologists, and more - work which advances the study and the praxis of critical digital pedagogy.

We Believe You - Annie E. Clark 2016-04-12

"Me too. It happened to me too." More than one in five women and 5 percent of men are sexually assaulted while at college. Some survivors are coming forward; others are not. In *We Believe You*, students from every kind of college and university—large and small, public and private, highly selective and less so—share experiences of trauma, healing, and everyday activism, representing a diversity of races, economic and family backgrounds, gender identities, immigration statuses, interests, capacities, and loves. Theirs is a bold, irrefutable sampling of voices and stories that should speak to all.

**Nice Wheels** - Katie Rose Guest Pryal 2016-01-15

Barbara, a medical resident, lost her husband when his plane was shot down by enemy fire in Afghanistan. She wonders if she will ever love again, feel warm again. She freezes out Chris, a fellow resident at the hospital who also has a difficult past. But Chris isn't easily deterred. As a second loss tears at Barbara's heart, will Chris be the one to break down the barrier? If you'd like to try the ebook before you buy, it's free if you sign up for Katie's newsletter: <http://bit.ly/pryalnews> Interview with the Author Q. What was your inspiration to write *Entanglement*? A. I think we're all fascinated by the people who don't quite fit in to the normal cone of expected human behavior. These are the people who were outcasts in high school, and who maybe were in college, too. They might have had a friend or two, but they struggled to say the right thing, and it showed. They were socially awkward. They were the geek girls. Maybe

you wondered, What goes on inside their heads? In *Entanglement*, with Greta, I get to show you. Q. It seems as if it falls into several genres. How would you categorize it? A. *Entanglement* is a plot-driven story that begins with a crime that you must unravel as you read-like a mystery-yet it focuses on the close relationship between two women-which means it's a love story. The main character, Greta, for all that she is a misfit, is very funny. Part of her humor stems from her intelligence, and part of it stems from her unique way of seeing the world. She finds most people wildly irrational, and she isn't afraid to say so. Q. What makes *Entanglement* fresh? A. Many great books have been set in L.A. My favorite is *Play It As It Lays* by Joan Didion. I needed to find a way to tell an L.A. story that didn't replay old themes, or a way that would at least bend those themes into new, unpredictable shapes. No one in this coming of age novel wants to be a movie star, for example. In fact, they heap scorn on those who do, even if they do enjoy the L.A. night life. Q. The story focuses on love and friendship, in this case between two 20-something girls. What can you say about their relationship? A. Everything about the girls' familial relationships was broken. These two had no one else until they met each other. It's hard to imagine a friendship like that. I had a friendship like that once, but it's gone now. I wanted to write about how that intensity can keep you alive when it seems like nothing else will, and what it's like to lose it. The betrayal of trust, what's it like to feel betrayed. Q. What do you enjoy reading? A. I will read any book except ones where the female characters are afterthoughts or non-existent. James (so is she), and of course that great big category called Women's Fiction. Categories Women's Fiction Contemporary Fiction Short Stories

**Even If You're Broken** - Katie Rose Guest Pryal 2019-11  
How do we make a good life in a world where sexual violence always lurks in the shadows? Pryal, a rape survivor, law professor, and bestselling author, takes on the rapidly changing landscape of #MeToo, Title IX, and more. Moving between the deeply personal and the socially critical, these essays are incisive dispatches from survivor territory.

**Full Grown People** - Jennifer Niesslein 2014

An anthology of thirty essays from the site [fullgrownpeople.com](http://fullgrownpeople.com).

*Boy @ the Window* - Donald Earl Collins 2013-11

As a preteen Black male growing up in Mount Vernon, New York, there were a series of moments, incidents and wounds that caused me to retreat inward in despair and escape into a world of imagination. For five years I protected my family secrets from authority figures, affluent Whites and middle class Blacks while attending an unforgiving gifted-track magnet school program that itself was embroiled in suburban drama. It was my imagination that shielded me from the slights of others, that enabled my survival and academic success. It took everything I had to get myself into college and out to Pittsburgh, but more was in store before I could finally begin to break from my past. "Boy @ The Window" is a coming-of-age story about the universal search for understanding on how any one of us becomes the person they are despite-or because-of-the odds. It's a memoir intertwined with my own search for redemption, trust, love, success-for a life worth living. "Boy @ The Window" is about one of the most important lessons of all: what it takes to overcome inhumanity in order to become whole and human again.

**Entanglement** - Katie Pryal 2015-06-01

Awkward, 21-year-old Greta doesn't relate to people nearly as well as she relates to facts and figures. While Greta gets quarks and string theory, she hasn't a clue where men are concerned. Which is exactly why she doesn't see it coming when someone tries to kill her. Newly transplanted in L.A. after being kicked out of her father's house, Greta moves in with Daphne, a troubled girl with an abusive past. The charismatic Daphne teaches Greta how to wear stilettos, apply lip gloss, and navigate 1990s Hollywood nightlife. Daphne is determined to succeed, and she drags an unwilling Greta into the limelight with her. And Greta's dysfunctional relationship with the beautiful-yet-dangerous Daphne almost gets her killed. Can Greta survive? Can she forgive? Interview with the Author Q. What was your inspiration to write Entanglement? A. I think we're all fascinated by the people who don't quite fit in to the normal cone of expected human behavior. These are the people who were outcasts in

high school, and who maybe were in college, too. They might have had a friend or two, but they struggled to say the right thing, and it showed. Maybe you wondered, What goes on inside their heads?
