

Your Alluring Love The Bennett Family 6

Indecent - Darcy Burke

2022-01-25

Society's most exclusive invitation... Welcome to the Phoenix Club, where London's most audacious, disreputable, and intriguing ladies and gentlemen find scandal, redemption, and second chances. If Bennet St. James, the Viscount Glastonbury, doesn't find a bride with a sizeable dowry, he'll be in the poorhouse along with his interminable number of female relatives—all of whom he loves but are a drain on the negative fortune his father left when he died of a broken pocketbook. Desperate, he hatches a scheme to snare an heiress only to be foiled by a most vexing and alluring—and unfortunately equally destitute—paid companion. Prudence Lancaster is single-

mindful about finding her mother and filling in the missing pieces of her life. But a villainous viscount interrupts her plans, and his surprising charm and understanding tempts her in the most indecent ways. Soon, she's dreaming of the future instead of wallowing in the past. But when Bennet shares a dark secret, her hopes are dashed. For he won't break the promise he made to his family, even if it means losing the greatest love he's ever known.

Ethan - Nicole Edwards
2014-05-16

From New York Times and USA Today bestselling indie author Nicole Edwards comes the fifth installment in her Alluring Indulgence series that asks the question: how long did it take you to find your place in the world? For Ethan Walker, going through the motions of life, keeping his distance, and never getting attached has become the mantra he lives by. Success is measured by how many hours he can work and how little attention he can draw. That was until he landed on Beau Bennett's radar. Until Beau, Ethan had never met a man who could get him to question his own logic and even consider taking a different path. Beau Bennett knows exactly who he is—now. It might've taken him some time to figure it out, but now

that he has his bearings, Beau has set his sights on the mysteriously sexy Ethan Walker. Pursuing someone has never been his style, but something is telling him to keep at it because the end result is going to be worth it. Now that they've found one another, how long will it take Ethan and Beau to accept that their place in the world is...together?

The Blue Beast - Jonathan Walker 2011-11-30

'The Blue Beast'—Edwardian slang for sexual passion—is the true account of the intimate lives of three extraordinary Edwardian women. Drawing on private family archives and highly revealing letters and diaries, the story examines how they became mistresses or confidantes of some of the most powerful men in Britain, men who profoundly affected the Empire's efforts in the First World War. The wealthy and voluptuous American adventuress, Emilie Grigsby, claimed she was the 'mascot of High Command' - and not without good reason. She

courted the press baron Lord Northcliffe, the philandering Quartermaster-General, Sir John Cowans and The Times military correspondent, Colonel Charles Repington, all of whom fell under her spell. It was manipulation on an ambitious scale, although eventually her schemes unravelled.

Meanwhile, the sensuous and statuesque Winifred 'Wendy' Bennett launched into a passionate affair with the Commander-in-Chief, Field Marshal Sir John French. 'The Blue Beast' uncovers how they conducted their relationship, whilst French wrestled with crisis after crisis to keep command of a vast army on the Western Front. Finally, the strong-willed and aristocratic Hon. Sylvia Henley replaced her sister Venetia Stanley as the close confidante of Prime Minister Asquith. It brought her great influence; but it was no compensation for the personal heartache that followed. Taking the reader on a journey into London's High Society during the glittering Edwardian era and the tumult

When you've lived your life as a criminal... When you've done unspeakable things ... When your soul has become dark and stained... The path to redemption begins where you least expect it. Kyle Sommerville is in hiding and doesn't want to be found by anyone. Certainly not by his quirky, free-spirited neighbor who's managed to push her way past the walls he's built around him. But Jane Cresson's indomitable will and insatiable curiosity about her reclusive neighbor makes it impossible for Kyle to stay immersed in his dark world. Little by little, she claws through his shell. Day by day, she gets him to smile a little more. Night by night, they both find pleasure they never knew existed. When Kyle's terrible past is exposed, Jane begins to think she's in over her head. Can her love for this broken man finally clear his path to redemption, or will

Kyle's darkness finally extinguish every bit of hope she's put into him?

2013-03-05

"I have a proposition for you." Their marriage has all the makings of a great romantic movie: a beautiful Mediterranean setting, a handsome prince and fantastic sex. Too bad it's not real. Victoria gave up a lot for this seemingly fairy-tale life with Stefan, but all too soon she discovers she's fallen in love with the "Playboy Prince." Now Victoria must fight for what really matters. Because the one thing she can't give up is him.

occasion turns into tragedy when 17 people die from cyanide in their drinks. The only surviving links to what might have happened are a cryptic verse that could be the killer's, and the physician's bewitching blind daughter, Hisako, the only person spared injury. But the youth who emerges as the prime suspect commits suicide that October, effectively sealing his guilt while consigning his motives to mystery. The police are convinced that Hisako had a role in the crime, as are many in the town, including the author of a bestselling book about the murders written a decade after the incident, who was herself a childhood friend of Hisako' and witness to the discovery of the murders. The truth is revealed through a skilful juggling of testimony by different voices: family members, witnesses and neighbours, police investigators and of course the mesmerizing Hisako herself.

Knight & Payne, winning comes first and ethics a distant second. Leary Michaels uses her female charms to daze opponents, and it's always worked well--until now. What Leary starts, he'll finish--in the courtroom, the bedroom, or any-damn-place he wants. The sex is uninhibited, electrifying, and absolutely against the rules. Blackwoods. A prominent family with a graveyard full of tortured skeletons. The plan couldn't have been simpler. All I had to do was swap my big city life and tarnished reputation for a fresh start in a small town. Catching the immediate attention of said town's heart-throbs was nowhere on my agenda. Unapologetic about their true intentions, I find myself in the center of a game that has no concept of moral aptitude. All I wanted was peace. All they crave is madness. And in this game, losing isn't an option. Not when we're playing for my life. *Prelude to Deviant Games Bennett Mafia* - Tijan 2019

Unwrap a steamy British gift this year... I had a brilliant life, living in England where everyone knew me as just Ben, the massage therapist. Then

my mother summoned me home, determined to marry me off. You see, I'm not just Ben. I'm Bennett Worthington Montague, crown prince of Mithoria, and my mother has arranged for every eligible aristocratic girl to compete to become my princess. Does anyone care what I want? But I'm planning my escape. When a mate offers to let me stay at his house in New Hampshire for Christmas, while he's on holiday in Switzerland, I jump at the chance. But on my way there, I get lost. During a blizzard. Then a sexy girl rescues me. A snowstorm, a hot tub, and a beautiful woman. Need I say more? We've only just met, but we can't keep our hands off each other. This might just be the best Christmas ever. Unless someone tells my mother where I've gone. One Hot Christmas is the sixth book in the bestselling Hot Brits series of romantic comedies.
