The Forbidden Sitter A little boy needed me. A grown man needed me. And I needed to let go of my V-card... Tossed away by his horrible mother, the two-year-old needed me desperately. I could be there for the poor boy. But I fell in love. With both the son and the father. My overprotective family wouldn't mind my love for the child. But my love for the man who wasn't supposed to be touching me at all? Well, no one was going to be okay with that. So I told the billionaire who was used to getting his way that we'd have to hide our relationship. Keep the steamy encounters a secret. I found out billionaires do not like to be kept hidden. So how long would I get to feel his phenomenal touch before we had to end it all? Masked Indulgence One night of naughty fun turned into one lifetime of responsibility... The little beauty caught my eye right from the start. The naughty negligee she wore enhanced her luscious body, though the mask hid her face from me. But I took her anyway and I took her as many times as I wanted; she belonged to me that night. My little slave gave me everything I demanded of her. My touch became her undoing,

making her give me more than she'd ever given anyone. Nightclub Surprise One full moon, one last chance, and one hot as hell night of fiery passion... He was the hot guy who'd lived next door to me for as long as I could remember. I was the recent high school grad who'd just turned eighteen. He was on his way out of our small town to become a marine. I was a virgin who found herself lucky enough to be the last girl he'd see before leaving for war the next morning. Soft caresses, silky kisses, and velvety murmurs took me to a place I'd never been, and I knew only he would be able take me back to that place of pure bliss. But he had to go. One night of unadulterated, hot as sin, lust-filled passion was all that was in the cards for us. Seven years passed before I saw him again. The Babysitter Diaries Collection

(babysitter erotica) - Kelli Wolfe 2011-12-10

I've always had a thing for older guys - usually much older guys. They're like my kryptonite or something The Babysitter's Seduction Nineteen-year-old Jenna babysits because the money is great and the hours don't interfere with her classes. It also lets her spend a lot of time around hot, older guys who know exactly how to satisfy a girl. When her latest client, David, starts putting in lots of late nights and weekends

because of a promotion, Jenna decides that she's the perfect way for him to unwind after a long, hard day at the office. To do that she's willing to put in some steamy, sweaty overtime that she won't be charging him for. Babysitter and the Beast Nineteen-year-old Jenna is back and babysitting for a new boss who is so sexy that she gets worked up just being in the same room with him. Sure, Dylan is old enough to be her dad, but with the way he makes her insides quiver, who cares? The problem is that his greatest pleasure in life seems to be in finding fault with everything she does and giving scathing lectures until she dreads even setting foot in his house. But then she discovers a clue that makes her think that maybe Dylan doesn't dislike her quite as much as he would like her to believe. Can Jenna tame her beast of a boss and satisfy her own animal urges at the same time? Jenna Makes Three Every other weekend Jenna babysits for Colin and Alicia. The hot, young couple seem to be completely into each other until one night they come home early with another young woman in tow. Thinking that Jenna is asleep on the couch, they have a wild threesome. But Jenna isn't asleep, and she watches the whole thing while getting more excited every second. Now at night she dreams of them until she can barely sleep. Saturday night finds Jenna pretending to sleep on the couch again, hoping that Colin and Alicia will make it another early night. This time, will they be looking for a new playmate? The Babysitter's Dilemma Christmas with the parents is tough when your boyfriends tend to be the same age as your dad, and this year Jenna is breaking in a guy her own age who she hopes her parents will approve of. But when her hot former tennis coach calls her two weeks before Christmas with a babysitting emergency Jenna finds herself torn trying to choose between the two men. Will she stick with the guy she knows will please her parents, or satisfy the burning desire awakened by the man old enough to be her father?

So when he overhears a lovely stranger and her friends celebrating the end of her marriage, he's mystified—and then intrigued—by her determination to put the past behind her. But when he learns that Tori Jones needs a job, he knows this can't be a coincidence. Tori might be telling the world nothing's got her down, but the truth is she's hit rock bottom. Her husband didn't just cheat on her, he took all her money, including her college fund, which means her marriage is over, and so is her dream to go to grad school and help children with special needs. So when a handsome stranger offers her a job caring for his special needs son, she knows she can't turn it down— Even if what she's feeling for Mark is far from professional. Now Mark's finding it hard to keep his hands to himself and Tori's struggling to keep her thoughts from straying to dangerous territory.
