The Flowers of Evil - Shuzo Oshimi 2015-12-08

Bookworm Takao and class bully Sawa may not appear to be the best couple, but together, by chance, they shake up their entire rural community to its core. In love with the class idol, Takao is given a chance to become a real hero and finally break out of his shell after righting a wrong he committed in a random moment of passion and affection. With the help, or blackmailing by, Sawa Nakamura, Takao is on his way to change his future and enter a world of decadence. Contrary to Takao's predictions, the girl he was falling for, Nanako Saeki, responds by eventually accepting the bibliophile for who he is. Or at least, who she thinks he is. In the second volume of Flowers of Evil, Takao's lies have given him new life with his now new girlfriend Nanako. And as he becomes closer to Nanako, his relationship with Sawa only deepens as the "contract" they share weighs heavily on the teen.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements

integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Uproar - Jack MacLeod 2008

Jack MacLeod's first two novels established him as that rarest of talents, a writer who can entertain while also grappling with ideas and social issues. "Uproar," his new novel, is the story of a marriage in free fall, a career on the skids and the bewildering era we have only just recently survived. Included among the list of zany characters is Zinger' -- that remarkable literary creation who first made an appearance in "Zinger and Me" (1979), and whom the actor Don Harron has called one of the most memorable characters in Canadian literature'.

Their love was epic, but it didn't last. Will they give it a second chance? Nolan Parker left his small town broken-hearted after the love of his life publicly humiliated him on a local radio show when she tried to catch him cheating. Except he wasn't cheating. He was working overtime to pay for a ring. Three years later, after a fallout with his boss, he heads back to Morgan's Bay to figure out his next steps. COVID19 - Devajit Bhuyan 2022-11-22

There are lots of similarities between Poetry and Physics. Both are inner studies of nature. Both are philosophies of life and nature. Both are complementary, like two sides of a coin. When Physics fails to explain life, the origin of the universe, mankind and its future, then poetry comes in. When Poetry ends and other realities of life start, Physics comes in handy. This book is written during Covid19 period, where the poet tries to explain nature, society, mankind and science through poetry.
