50 Movie Music Moments - Vasco Hexel
2023-05-02

50 Movie Music Moments comprises a wide-ranging collection of analyses of some of the most fascinating uses of music in modern Hollywood cinema. Considering narrative strategies, filmmaking techniques, functions of film music, audience engagement and conditioning, cultural implications, and intertextuality, the case studies gathered here introduce music as a crucial element of film. In 50 examples drawn from popular and critically acclaimed Hollywood films from the late 1950s to the present, the collection showcases the many dimensions of film music and its role in cinematic storytelling. Each example includes an analysis addressing the film's context and providing a close reading of how music, narrative, and visual elements of the scene interact. Case studies exploring the role of music in film include Amadeus, Gladiator, Baby Driver, The Dark Knight, Philadelphia, Schindler's List, and Black Panther. This invaluable collection offers an ideal resource to support undergraduate and graduate courses in film

music history, film scoring, and filmmaking, as well as readers with a general interest in music in film.

In Theaters Everywhere - Brian Hannan
2018-12-31

Conflicts among Hollywood studios and exhibitors have been going on for years. At their heart are questions about how films should be released—where, when and at what speed. Both sides of this disagreement are losers, with exhibitors using the law via various Consent Decrees and studios retaliating by tightly controlling output. In the Silent Era, movies were not released nearly as widely as they are now. This book tells the story of how the few became the many. It explores the contraction of the release cycle, the maximization of the marketing dollar, and the democratization of consumer access. It also offers a comprehensive list of wide releases and rebuts much of what previous scholars have found.

Baseball in Little Rock - Terry Turner
2004-08-25

Professional baseball in Little Rock dates back to 1895. Fans in Arkansas' capital city have been entertained by Travelers' baseball for parts of three centuries. Using only one team name and playing on just two home fields, the Travelers have displayed stability unique in minor league baseball. The team is fan owned, another rarity in professional sports. Baseball in Little Rock follows the team's long diamond history, from the struggles of the Southern Association through the triumphs of the Texas League.

Will Turner's Luck - Terry O'Reilly 2010-08-16

Will Turner celebrates the end of a ten-year marriage by acting on his repressed longings and heading for a gay bar. Just his luck, the next morning he awakes in a strange room with a stranger by his side and no memory of how he got there or who his bedmate is. The bedmate, Robby, however, not only knows Will, but has definite plans for how the rest of their lives will go, complete with matching rings on their left hands. As Will attempts to unravel the mystery, he falls in love with Robby, despite the unanswered questions as to Robby's past, character, expectations, and intentions in their growing relationship. Throwing caution to the wind, Will invites Robby to share his home and shoulders much of the financial responsibility for their lives together. When the truth finally comes out, Will is faced with a tough decision which has consequences for his future happiness.

Never by Chance - Joe Calloway 2010-01-05

Praise for Never By Chance "Joe Calloway, Chuck Feltz, and Kris Young have joined forces to write the book that senior management at companies large and small have been waiting for. Highly readable, loaded with innovative ideas and filled with seminal insights from both a consulting and CEO perspective, Never by Chance lays out a plan for aligning people and strategy to dramatically improve market share and ROI. If you're going to read one business book this year, this is it!" —Kevin J. Clancy, PhD, Chairman, Copernicus Marketing Consulting "Never by Chance is a real-world, pragmatic guide to authentic alignment, vision, and strategy. If you want to create enduring value for your customers that drives shareholder value, then read this book. A great read that lays out a foundational approach to aligning people, resources, and strategy." —Kevin Cashman, Senior Partner, Korn/Ferry Leadership & Talent Consulting; bestselling author of Leadership from the Inside Out "Calloway, Feltz, and Young offer a fresh perspective on what it takes to drive business strategy to its successful conclusion. This is a compelling contribution to the literature on the application of strategy and

the importance of those things that really matter. It's a must-read for all those who labor in the vineyards of corporate America and those who aspire to it." —Benjamin Ola. Akande, PhD, Dean, School of Business and Technology, Webster University "Everyone ends up somewhere, but few end up somewhere on purpose. Doing things on purpose and for a purpose are critical to business success. Never by Chance makes a compelling case for intentional leadership in bringing all of a company's resources to bear on delivering the stakeholder value your organization exists to provide." —Steve Tourek, SVP and General Counsel, Marvin Windows and Doors

The Case for Marriage - Linda Waite

2002-03-05

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced- physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more

fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. *The Case for Marriage* combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. *The Case for Marriage* is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of *The Book of Virtues* "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- *The Wall Street Journal* www.broadwaybooks.com
New Love Poems - Terry Benczik 2013-08
 What is love? How do we get and keep that almost indescribably happy feeling? The collection, *New Love Poems*, by award-winning poet Terry Benczik moves with tenderness, sensitivity, and humor through love's many moods. The book reflects the wild adventure and charming idyll that romantic feelings provide. It describes a woman's journey of love through a jungle of emotions, from attraction and excitement through hurt, despair, longing, and hope. There are also portraits of feelings of love that soar and bring the reader to an elevated territory. The thoughts and feelings here are images and stories we might all recognize and cherish. Some poems spark sentiment, wistfulness, desire, and laughter. Other poems reflect love, not just for a romantic partner, but for humanity and the divine beloved; conveying a realization that the love we carry in our hearts is the most precious gift we can give to ourselves and to others. "Reading poetry awakens our own inner artisan energies and transforms us. *New Love Poems* is a treasure of blessing-filled healing poems for both heart and soul. Terry Benczik is truly Rumi's daughter with her profound, authentic heart poetry." —Rev. Jayne Howard Feldman, author of *Commune with the Angels*, *Driving Under the Influence of Angels*, and *Angels by My Side* "Well, a rare combination of talents is our Terry Benczik! She is fully conscious of the joys of human life—that 'pleasing, anxious being,' as Thomas Gray so

memorably described it; and simultaneously she is movingly mindful of Virgil's 'tears of things' (*lacrimae rerum*). Yet she somehow manages to suffuse a tender charm over both these aspects of our mortal experiences, both the weeping and the laughter. I'm sure it is her aesthetic sensitivity which I find so appealing—that gentle power, that verbal elegance, that poignant memorability, which characterizes her poetic achievement." —Colin Dexter, creator, *Inspector Morse*

God's Amazing Grace - Terry M. Turner
 2017-12-18

"*God's Amazing Grace: Reconciling Four Centuries of African American Marriages and Families* is an insightful study that will be welcomed by thoughtful practitioners and all who ponder the African American family's complexity. Readers familiar with the deep, rich reservoir of African American family literature will recognize many of the black scholars referenced in this work. Readers unfamiliar with these sources will be grateful to discover them and the effective use of disparate literature. "This work will become a different kind of guide for studying American history through the lens of the African American family. Underneath all the research is the search for answers to the compelling questions: Is there a correlation between slave owners' denial to slaves, God's design for the family, and the familial chaos that has plagued African American families for more than a hundred fifty years? And if there is connection, what is it? "The author has brought something new to a familiar topic of discussion—the Bible. The unique moral compass that steered this study is solidly anchored in the bedrock of holy scripture. In this work, the history and sociology of African American marriages are examined in light of the questions asked by Holy Scripture. In so doing, Dr. Turner skillfully attempts to help readers make sense of the story of black families in America. May this book mark the beginning to a new reality for African American families" (Dr. Willie Peterson, senior executive advisor, adjunct professor of Pastoral Ministries, Dallas Theological Seminary).

Biographies of Scientific Objects - Lorraine Daston 2000-06-15

Looks at how whole domains of phenomena come into being and sometimes pass away as objects of scientific study. With examples from the natural and social sciences, ranging from the 16th to the 20th centuries, this book explores the ways in which scientific objects are both real and historical.

Better Relationships Happier Lives - Terry Turner 2015-10-19

Better Relationships, Happier Lives delivers twelve powerful keys that can help enhance your relationship skills in all areas of your life. Learn how to pay attention to your interactions, be a better listener, and recognize signs of pushback. Learn how to identify "victim words" that shut off your ability to make choices. By making a few powerful changes and applying these twelve keys, you can get closer to building the relationships you want.
