Invest in Apartment Buildings - Theresa Bradley-Banta 2012-11

Invest In Apartment Buildings Profit Without The Pitfalls is a no-holds-barred guide to successfully investing in multifamily buildings. This Bradley-Banta compendium includes everything you need to know-the good deals and the "don't go there" ones; exit strategies-and the fact that you must have more than one; repositioning a property (it's a lot more than fixing it up); negotiating the best deals (let go of being liked); understanding the real numbers and using them to your advantage; and the often ignored value of building a first-class team. Theresa Bradley-Banta's Invest In Apartment Buildings features tales from the real estate fast lane that only Bradley-Banta shares. It fills you in on the so-called "guru snafus"-the pitfalls that occur because investors follow the advice of the "gurus" of the moment-and lets you in on every aspect of the deal from start to finish.

How to Build a Real Estate Empire - Marcel Arsenault 2005-08-01

This book contains the real estate investment histories of four highly successful individuals. Within this publication, the investors describe the paths they took that resulted in the creation of four separate, self-sustaining real estate empires. Self-sustaining means that the companies they started would continue to flourish without the day-to-day input of the founder. To fulfil such a qualification, the founder must have built a company consisting of a group of independent real estate entrepreneurs who are capable of managing and growing the business to the next level of success. The investors contributing to this book have achieved that goal.

Crushing It In Apartments And Commercial Real Estate - Sylvester
Niziolek 2021-03-29

Investing in real estate is a great way to build wealth. Commercial real
estate investing, in particular, is known to provide some of the highest
income streams. If you've been investing in residential real estate for a
few years and have been wondering how to invest in commercial real
estate, this guide serves to break down everything you need to know to
get started. In this book, you'll discover why you should be a commercial
investor, where the biggest pitfalls are, which types of properties are
best for those just getting started, how to analyze any commercial deal
quickly, how to speak the language of commercial real estate, the 4
guiding principles of commercial investment and much, much more.
How to Succeed in Commercial Real Estate, Third Edition - John Bowman
2019-06-23

The updated and expanded third edition of *How to Succeed in
Commercial Real Estate* is a comprehensive, practical guide for those
considering entering the field of commercial real estate and those just
beginning in the business, as well as for experienced brokers and sales
managers who want to evaluate and strengthen their current strategies
related to listings, negotiations, contracts, and sales. This book provides
a straightforward overview of the business of selling and leasing
commercial property, including coverage of the four main specialty
areas--retail, office, industrial, and investment--as well as crossovers and
emerging specialties. Rather than pumping a "get rich quick" approach
to selling, the author shows brokers that they don't have to sacrifice
integrity and ethics to remain competitive and deal oriented. The book
includes detailed coverage of Choosing a company and a specialty. Sales
strategies and sales points specific to commercial real estate, including
practical suggestions for countering other brokers. The importance of

focusing on exclusive listings, how to find and get the best prospects,
and the most effective strategies for marketing property. Standard parts
and points of negotiation for contracts and forms, including earnest
money agreements, leases, options, listings, counter offers, and fee
schedules. Rent and how it is calculated and quoted, including triple net,
modified net, gross and full service leases. Technical knowledge
including agency, law, appraisal, taxation, zoning, surveys,
environmental investigations, investment analysis, risk comparison,
exchanges, financing, and property management. The pros and cons of
going independent and how to decide if it's the right move for you.
Written in an engaging, straight-talk style, the author shares a wealth of
other practical knowledge reaped from over forty years in the business.
Raising Private Capital - Matt Faircloth 2018-08-09

This book is intended to be a roadmap for new real estate investors who
are looking to scale their business by injecting more private capital
(other people's money) into their real estate future. These are real estate
investors who want to become a rainmaker in their business.
