*The Saving Heritage for Awareness - Rev. Alfred Awortwe Adams 2019-05-14*  
This book is not the holy bible, neither for the purpose of studying English language and punctuations, but a book of awareness to help one in the study of the scripture to increase one's faith. To get the best out of this book, it is recommended not to be read in series but by title. It will help married couples in their

journey of marriage by applying the message of the topic about marriage. You can also find topics like, theological science of God the true light, theology simplified, marriage, why smoking cigarette, idle words, angels are corporate partners, words of wisdom (fact and true), bible companion which can be used for sermons etc. for both Christian believers and even unbelievers. This book can also

be used as an important study material for bible classes both matured believers and beginners. It can also be used at seminary and colleges of theology. It gives answers to some simple questions people ask about God, the Bible, life and gives a deeper understanding in bible study on those topics found in the book. This book will emphatically increase your faith and help you to know who God is. Science and the true God is the third edition of The Saving Heritage and The Saving Heritage for Awareness, all from the same author. Defeating Divorce - Dave D. Aikin

The Case for Single Motherhood - Katherine Elizabeth Mack 2023-12-05 Delves into the rhetorical work of elective single mothers (ESMs) in the late twentieth- and early twenty-first centuries as they sought--and continue to seek--to legitimize their maternal identities and family formations Scholars of rhetoric have largely overlooked the

inherent rhetoricity of family. In The Case for Single Motherhood, Katherine Mack posits family as a central concern of rhetorical studies by reflecting on how language is used by single mothers who seek to reenvision the personal, social, and political meanings of family. Drawing on intersectional and rhetorical theories, Mack demonstrates how the category of elective single motherhood emerged in response to the historically differential treatment of "unwed mothers" along racial and class lines. Through her readings of a range of self-sponsored ESM texts--guidebooks, memoirs, and interactive digital media written by and primarily for other ESMs--and from her perspective as an elective single mother herself, Mack evaluates the rhetorical power, as well as the exclusions and hierarchies, that the ESM label effects. She analyzes how ESMs envision motherhood, visions that entail their musings about who can and should mother. Ultimately,

Mack offers women who are considering nonnormative paths to motherhood a way to affirm their maternal identities and paths without disparaging others'. Scholars in the fields of rhetoric and feminist rhetorical studies will find in this volume an illuminating perspective on the rhetorical power of self-sponsored texts in particular. Crafting a methodology to identify and evaluate the goals and effects of legitimacy work and selecting sources that bring academic attention to varied genres of self-sponsored writings, Mack paves the way for future rhetorical studies of motherhood and family.

**Married Roommates** - Talia Wagner 2019-04-19

Are You Married but Living Like Roommates? Do you sleep back-to-back or even separately? Do you feel lonely, bored, and sexually frustrated in your marriage? Have you, in fact, become just roommates? Millions of couples live empty parallel lives and wonder, "Is this all there is?" Talia and Allen Wagner, marriage and family therapists, have

illuminated this sadly familiar, silent epidemic of Married Roommates. They give couples a new way to bring back the spark in their marriage with tools and strategies to learn how to talk to and with your spouse, not to mention how to get away from the tit for tats and the constant feeling of walking and talking on eggshells. This book helps you reclaim your marriage by learning how to: -

Communicate effectively without assumptions and misinterpretations - Resolve conflict by avoiding fighting or escalation - Maintain attraction, intimacy, and sex - Prioritize one another and work as a team - Gain the tools to stop the fighting, disrespect, jabs, and low blows - Create new routines and reinvigorate the stale parts of your relationship

**Courage to Love... When Your Marriage Hurts** - Gerald Foley 1992

"In a social climate that actually encourages divorce rather than reconciliation, *Courage to Love...* offers help

and hope instead. Building on the experience of Retrouvaille, a successful church-sponsored ministry that is rapidly gaining notice and taking root across North America, it focuses on relationship building. It invites couples to reconciliation, to rebuilding trust, to learning skills necessary for healthy communication, and to growing spirituality through the lived reality of married life. *Courage To Love...* emphasizes ways to counter cultural trends that are detrimental to permanent marriage and a strong family life while covering such crucial topics as self-awareness, conflict resolution, forgiveness, the stages of a relationship, and intimacy. Each chapter concludes with reflection and sharing questions that encourage dialogue and discussion between spouses." -- from back cover.

**Defeating Divorce: Understanding the Opposite Sex and Saving Your Marriage.** - Adewale Segun Segun Omotoso 2018-09-13  
The shapes relationships and marriage are taking right now

are downright deplorable. 1 in 2 couples are ending up in a breakup or a divorce. The levels of animosity are definitely rising, and this is certainly no good. Kindly read this book and have a better understanding of the opposite sex and how to save your marriage in order to defeat DIVORCE.

**When Parents Divorce** - 1981

**Saving Your Marriage**

**Before It Starts** - Les Parrott  
2015-10-27

OVER ONE MILLION COPIES SOLD! With this updated edition of their award-winning book, Drs. Les and Leslie Parrott help you launch lifelong love like never before. This is more than a book--it's an experience, especially when you use the his/her workbooks filled with more than 40 fun exercises. Get ready for deeper intimacy with the best friend you'll ever have. *Saving Your Marriage Before It Starts*, which has been translated into more than 15 languages, is the most widely used marriage prep tool in the world. Why?

Because it will help you . . .  
Uncover the misbeliefs of marriage Learn to communicate with instant understanding Discover the secret to resolving conflict Master the skills of money management Get your sex life off to a great start A compelling video, featuring real-life couples, is available, and with this updated edition, Les and Leslie unveil the game-changing SYMBIS Assessment. Now you can discover how to leverage your personalities for a love that lasts a lifetime. Make your marriage everything it is meant to be. Save your marriage--before (and after) it starts.

*Defeating Divorce* - jakoup smeth 2020-02-26

It has been estimated too often that people are oppositely inverse creatures. The hypothesis proceeds to state that there are very surprising things that drive both these sexual orientations, and there are various things that they are searching for. That is the explanation people act and act in fundamentally various

manners.

**The Colored Girl Beautiful** -

E. Azalia Hackley 2022-07-31  
DigiCat Publishing presents to you this special edition of "The Colored Girl Beautiful" by E. Azalia Hackley. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

**Defeating Divorce** - Richard Edmond 2022-10-11

Marriage is the union of two souls. When two individuals are married, they formally commit to loving and supporting one other for the rest of their lives, through good times and bad. The majority of couples promise to remain together in marriage until death separates them in their wedding vows. They have made a significant commitment to one another. The institution of marriage is

no longer the venerated rite that it once was due to the high divorce rate in today's society. Some people continue to embrace marriage and everything it entails, though. They understand that being fully dedicated to someone for the remainder of their lives won't always be easy. Since that's how real life is, it shouldn't come as a surprise that it will require effort. If you believe that your marriage is worth saving, let this book serve as your guide. You'll learn practical strategies that can help you and your partner maintain your relationship and restore it to the loving union that it once was, ought to (and still might!) be. A Preview Of What You'll Learn Is Given .. Knowledge of Marriage **Weekly World News** - 2003-06-24 Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is

a leading entertainment news site.

*Defeating Divorce* - Raja Saud Ahmed 2020-04-14

There are some pretty heavy and deplorable numbers about relationships that have not worked out, while it is true that if just a little more effort and understanding were used, these relationships could have worked amazingly well. The intention of this eBook is to show what repairs could have been possible in relationships that soured down and to reveal that with some more considerate effort, many of our relationships could be veered in the right direction. This eBook shows you that men and women are fundamentally different and we need to understand and accept these differences. We need to understand that there are different things that we look for in life, and even in a relationship, there are different things that a man and a woman look for in each other. If this one fundamental law of nature is kept in mind, then both genders would be able to live

in better harmony with each other. Realizing our differences, we would be in better stead to become a unified whole.

**Defeating Divorce Ideas -**

Elizabeth Whites 2022-10-15  
Introducing Defeating Divorce: Understanding the Opposing Sex and Saving Your Marriage. You will learn about the fundamentals, then and now, recognize the differences, watch your language, and thriving inside this eBook.

*Defeating Divorce Emotions -*

Fred Donald 2022-09-26  
Too often it has been theorized that men and women are diametrically opposed beings. The theory goes on to say that there are completely different things that drive these two sexes and there are different things that they are looking for. Therefore, men and women act and behave radically differently.

**The Cost of the Ring -**

Twyla D. Harrison-Neale 2021-11-18  
The Cost of The Ring is an insight to the highs and lows of marriage and a tool to equip couples on how to ride both

waves. This read will encourage couples on how to conquer the world and not allow the world to conquer them. Love hard and live long should be the motto for every marriage. It's okay to be vulnerable. It's okay to allow your spouse in as long as there is a mutual entrance. Love is beautiful when expressed correctly. Love your spouse with your entire heart and don't hold back any part.

*The Advocate -* 2004-01-20

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

**Marriage Ministry by Design**

- Gary H. 2012-07
