The Dirty Little Secret - Craig Gross 2009-08-30

Addiction to pornography has exploded to epidemic proportions, infiltrating churches and holding our pastors, friends, and family members prisoner. But no one—not even the church—is talking about this dangerous and destructive addiction. *The Dirty Little Secret* follows Pastor Craig Gross as he breaks the silence and begins his ministry XXXchurch.com, a website devoted to fighting pornography. As he meets people in the industry and those addicted to porn, Craig exposes the very real, human face of pornography and the destructive physical, emotional, and spiritual toll it takes. *The Dirty Little Secret* plainly reveals the addictive lure of pornography, explores the pain and brokenness it causes, and challenges us as individuals and as the church to talk about and openly fight pornography. Don't be tempted to keep this secret any longer. If this book won't make you roll up your sleeves and get your hands dirty, then you need to check your pulse.—Skip Mathews, president, Integrity Online

This meticulously-edited collection brings together major essays such as *Pornography and Obscenity* and Lawrence's spirited Introduction to the volume of his *Paintings*; a group of autobiographical pieces, two of which are published here for the first time; and the articles Lawrence wrote at the invitation of newspaper and magazine editors. There are thirty-nine items in total, thirty-five of them deriving from original manuscripts; all were written between 1926 and Lawrence's death in March 1930. They are ordered chronologically according to the date of composition; each is preceded by an account of the circumstances in which it came to be published. The volume is introduced by a substantial survey of Lawrence's career as a writer responding directly to public interests and concerns.

Dirty Little Secrets - 2022-02-01

Countries, relationships and temples form the destiny of this memoir about a woman who's in search of her identity and is also struggling with blackmail "But here I was at temple, wishing for the gods to exalt me from pain- but secretly I was wishing for love. That's how we are." So, the total distance from Delhi to Melbourne is 10,213 km and the total distance to travel in search of oneself is limitless. Dirty Little Secrets exactly does that, taking people on a journey of the heart from Melbourne to India and back. A non-linear account of Nandita Chakraborty's life and this is also the story of a woman who seeks out her own adventure, leaving everything familiar behind. Being thirty and written off had its own tribulations; sometimes truth is ugly, mutilated into stigmas, and acceptance becomes hard. An end to any relationships is the beginning of a grieving process and this book is a tribute to that. Then she met Franklin. Was he there to warn her of rising from the

ashes, just like her phoenix tattoo? The affection of young Vinod had dwindled away when she came back to Melbourne and Franklin picked up the loose thread. Taking her by the arm was enough for her to fall in love with him. But then he was gone, only to reappear after many months, in love with someone else. In Nov 2011, Franklin's prediction of her obtaining new life by arising from the ashes came true when she fell 40 metres in a rock-climbing accident, receiving an acquired brain injury. She rises again to a new life, leaving everything comfortable behind the past to embrace the new.

Break Free From Your Dirty Little Secrets - Gretchen Hydo 2023-02-28

Millions of women suffer daily under the shame and guilt from their secrets, often nasty thoughts they have about others, the hidden dislike they have towards themselves, or actions they have taken like the abortion, the debt, or the affair. These secrets deliver a 1-2-3 punch to our collective female gut: the secret action (what "terrible thing you

did”), the story you built around that action that has now become a negative belief about who you are (critical narrative), and the big secret (the why) that drove you to take that action in the first place. Both big and small, these insidious secrets gather momentum and create false narratives that turn into lies we women believe about ourselves and even cause us to become physically, emotionally, and spiritually sick. Candid, proactive and humorous, Author Gretchen Hydo shares her brilliant 10-Stage, Secret-Breaking System to pull back the curtain, champion women to stop hiding behind their big secrets, step out of shame and come into the light. Women from around the world fearlessly share their secrets within these pages to free themselves and others from the shackles that bind them. Unafraid to share her own secrets, Hydo’s teachings, exercises, and lessons urge us toward the ultimate goal - a life of truth lived in our fullest power. In becoming equal in the patriarchy of today, women have created tricks and ploys of behavior to “get by and succeed.” It’s time we take charge of a life beyond our wildest imaginings. Break Free from Your Dirty Little Secrets: A New You in 10 Secret-Breaking Stages is a breath of fresh air, and a much-needed beacon for women everywhere. It is the female guidebook for the next era, and the key to health, wealth and a new found love affair... with yourself.

Sexual Abuse - Child Sexual Abuse True Stories - Robyn MacBridge
2013-12-29

"Sexual Abuse - Child Sexual Abuse True Stories (What You Need to Know & Shocking Child Abuse Statistics!)" is more than just a book of child abuse stories. The victims of child sexual abuse are 1 out of 4 girls and 1 out of 7 boys (World Health Organization). A majority of the offenders are people they know and trust like their family members.

Each child has his/her own childhood sexual abuse story and it’s a horror that each one have had to live through. There are 7 brief child abuse stories in this book that allows you to take a peek into their world to see what the child experienced, as well as food for thought about that particular experience. In an effort to increase awareness and keep the frequency of sexual abuse and child molestation to a minimum, this book also includes advice from experts and practical tips - some of which might have never crossed your mind, as well as a look into the plight of survivors. The child sexual abuse statistics alone are heartbreaking and unbelievable; things that are hard to fathom, and so many. You’ll also find out why mothers who know about it many times do nothing about it and what that does to the child on into adulthood. If you’ve wondered what child sexual abuse is about - not only the stories - but its prevalence (statistics), psychological and emotional impact, things that can be done to help prevent it, and available resources on a worldwide basis including current phone numbers, support groups and websites, all of that information is contained in this book. Collectively with just a little awareness about that dark world, I feel we can make a difference in protecting the innocence of children/adolescence/teens from molestation and sexual abuse.

Did you know... *That, until the mid-1600s, scientists believed that each sperm cell contained a tiny human being? *That Romans and Egyptians used condoms, but it wasn't until a physician crafted one from a sheep's intestine for England's notorious Charles II that the term "sheepskin" came into use? *That by playing Six Degrees of Sexual Separation you can get Carmen Electra into bed with Joan Collins--or Al Pacino into bed with Frank Sinatra--in just six easy steps? From the Temple of the Vestal Virgins to the Washington Monument, this comprehensive, sometimes irreverent, and always uproarious exploration of sexuality delves deep undercover to bring readers the most fascinating and scandalous information available on humanity's oldest (and still favorite) preoccupation, in Erica Orloff and JoAnn Baker's Dirty Little Secrets.
