The Fix Up Kendall Ryan 2016-10-11 From New York Times bestseller, Kendall Ryan, comes a sexy new standalone novel. My tempting and very alpha friend Sterling Quinn is someone I consider off-limits. It's not just that we're friends, he's also cocky, confident, and British, which means he's a walking aphrodisiac. But lately he's been giving me the look. You know the one. When he thinks I'm not paying attention, and his gaze lingers for too long. When we start working together, that's when the sexual tension between us gets so thick, I want to hack through it with a machete. I want to make all these deep feelings I've harbored for him disappear, because there's no way this can end well. The lines between business and pleasure become irrevocably blurred, and I'm stuck between a rock and Sterling's very, very hard place. Rather than keep a level head about our growing attraction, Sterling wants to go all in, showing me just how explosive we can be together. But I've been around long enough to know that this British bad boy is more than my heart can handle. I'm not about to be cast aside like yesterday's underwear when he's done having fun. Sterling's never been told no, and he's not about to put his ego aside and play by my rules. But I never thought he'd fight so dirty.

What I wasn't expecting is for her to turn the tables and teach me a few things. Only this short-term promise of two weeks in her bed is going by a little too quickly. Not that I'm thinking forever or anything. I've got a football career to get back to. And she doesn't want to be a part of my world. There's no way we can be together—so I'm going to make sure I enjoy every sexy second.... Sex and Sushi Tassa Desalada 2016-08-06 These highly detailed, short, to-the-point, stories are narratives of one couple's actual sex sessions as written by the woman. They're written by the wife for her husband to learn what goes thru her head when they're having sex. The stories are a form of communication between the couple. In honest and painstaking detail, the wife shares her thoughts, actions, comments, conversations, and sexy feelings, before, during, and after their sex sessions. It's Mummy Porn at its sizzling best. The stories are so hot that they can make the reader feel

like an animal. They're laugh-out-loud sexy funny - not in a funny joke way, but in a sexy, OMG, I'm-too-red-in-the-face, way. This is where the reader finds herself fully immersed in the stories. The stories engulf the reader in such a way that the reader becomes fully heated and aroused. This super-racy book is too hot to read in one sitting. It's a steamy, hot, dirty, naughty bundle of erotic sexcapades of real-life taboo sex sessions between a happily married, adventurous couple who both love pussy and anal sex with each other. That might seem odd in today's society, but these stories are first-hand descriptions of mind-blowing sex at its finest. The sultry thoughts that fill the woman's head during foreplay, sex, orgasm, and post-orgasm are beautifully illustrated in these stories. This is the complete must-read unabridged version. Lords of the Sunset Strip Blackie Dammett 2013-03-31 'I did a double take when I saw fourteen-year-old Drew Barrymore at the bar, drinking with the Bukowski crowd. She was adorable, spoke with a potty mouth and carried on as if she was in her twenties. I was straining to approach her but backed off. I'd been in enough trouble. The next time I looked she was gone. A couple nights later she reappeared and in the same spot at the middle of the bar, entertaining the bartender. I pulled the trigger this time, and whatever I had to say she bought.' "I'm eating your book! It's delicious!" Lia Mack - Portland, Oregon "Fervent shades of Jack Kerouac." Terry Wells - Brigg, England "Lords of the Sunset Strip" is the brutally honest and hilarious memoir of actor and writer Blackie Dammett—AKA John Kiedis—who happens to be the father of Red Hot Chili Peppers frontman Anthony Kiedis. Set mostly in Hollywood but with multiple national and worldwide excursions for film shoots, love affairs and drug deals, this tell-all provides an unexpectedly candid look at an actor's transition from a wild man with a dream to a sensitive if unconventional parent with a dream. And of course, there were the women. New girls were always replenishing the scene. Dammett towed his young Red Hot Chili Pepper with him through a torrent of sex-fueled parties, auditions and business deals in Hollywood, New York and London. It's an exhilarating, exhausting and romantic journey.

It had a profound and ineffable influence on Rock & Roll Hall of Famer Anthony. "Lords of the Sunset Strip" will no doubt have a similar influence on its readers as well. It's simply the biggest, baddest, boldest tale of Hollywood and Rock & Roll ever written.
