Shanghai is under siege in this captivating and searingly romantic sequel to *These Violent Delights*, which New York Times bestselling author Natasha Ngan calls "deliciously dark." The year is 1927, and Shanghai teeters on the edge of revolution. After sacrificing her relationship with Roma to protect him from the blood feud, Juliette has been a girl on a mission. One wrong move, and her cousin will step in to usurp her place as the Scarlet Gang's heir. The only way to save the boy she loves from the wrath of the Scarlets is to have him want her dead for murdering his best friend in cold blood. If Juliette were actually guilty of the crime Roma believes she committed, his rejection might sting less. Roma is still reeling from Marshall's death, and his cousin Benedikt will barely speak to him. Roma knows it's his fault for letting the ruthless Juliette back into his life, and he's determined to set things right—even if that means killing the girl he hates and loves with equal measure. Then a new monstrous danger emerges in the city, and though secrets keep them apart, Juliette must secure Roma's cooperation if they are to end this threat once and for all. Shanghai is already at a boiling point: The Nationalists are marching in, whispers of civil war brew louder every day, and gangster rule faces complete annihilation. Roma and Juliette must put aside their differences to combat monsters and politics, but

I have no idea how Broder does it, but I loved every dark and sublime page of it." —Stephanie Danler, author of *Sweetbitter* Lucy has been writing her dissertation on Sappho for nine years when she and her boyfriend break up in a dramatic flameout. After she bottoms out in Phoenix, her sister in Los Angeles insists Lucy dog-sit for the summer. Annika's home is a gorgeous glass cube on Venice Beach, but Lucy can find little relief from her anxiety — not in the Greek chorus of women in her love addiction therapy group, not in her frequent Tinder excursions, not even in Dominic the foxhound's easy affection. Everything changes when Lucy becomes entranced by an eerily attractive swimmer while sitting alone on the beach rocks one night. But when Lucy learns the truth about his identity, their relationship, and Lucy's understanding of what love should look like, take a very unexpected turn. A masterful blend of vivid realism and giddy fantasy, pairing hilarious frankness with pulse-racing eroticism, *THE PISCES* is a story about falling in obsessive love with a merman: a figure of Sirenian fantasy whose very existence pushes Lucy to question everything she thought she knew about love, lust, and meaning in the one life we have.

me as your "lucky charm" and I wish to tell you that like every year, now there are 9, the formula has not changed, but I have expanded it so much with new contents to make our "Horoscope- Magical Days" also an astrology book, so you will be lucky enough to have 2 books for the price of 1! Astrology blends with the horoscope, as in a perfect couple dance, to give you useful information to put your potential to good use and improve your new year so much as to make it more fortunate. I will suggest you, with the help of the Stars, sometimes with irony, not to bore you, the best moments of each month of 2022 to get what you want. I chose the e-Book formula to have the privilege of always being with you! I don't want to be forgotten in a drawer, but to be useful to you every day. This year I decided to expand, always with a pinch of irony, the sector of love, a topic that appeals to all ages, by adding a chapter on couple affinities. Love always gives us that indefinable extra something that allows us to see only the good things in life. But what is "Luck"? It is being in the right place at the right time, a meeting with a person who changes our lives for the better, knowing how to seize opportunities, but also that inexplicable something that improves our existence even economically, an aspect that is certainly not negligible as Marilyn Monroe and Woody Allen said: "They say that money does not make happiness, but if I weep rather do it in the back seat of a Rolls Royce rather than on a car of the Underground" Marylin M. "Money doesn't give happiness, but it provides a similar feeling which requires a very advanced specialist to verify the difference" Woody A. And now my Dear Friends, I just have to thank you and list all the topics covered Sign by Sign. I wish you from my heart Happy New Year!!!

**Pisces Rising** Martha C. Lawrence “Just when you think you’ve seen everything, something new comes . . . and astounds you.”—The Dallas Morning News I moved through the casino in a daze, my senses overloaded by lights, noise, and the discordant vibes of the gamblers. Their emotions—numbness, excitement, anxiety, ecstasy, love, loathing—clashed all around me.... I stopped at a game, and that's when it all started. I began to know things. It's an unpredictable gift, an ability I can't force to come about. Nor can I stop it once it's begun. I knew that the short-haired brunette at the end of the table would lose. In spite of her pretty white smile and positive attitude, I could see her defeat.... As for me, it was as if I'd already played my hands and seen their outcome. Tonight I was destined to win.... After seeing her fiancé gunned down at the end of her last investigation, psychic detective Elizabeth Chase is reluctant to go back to detective work. But when an old friend calls in a favor, Elizabeth finds her unique talents pitted against her most brutal and baffling case yet—the pursuit of a vicious murderer wanted in connection with the scalping of a Native American casino owner. Elizabeth soon learns that the tranquil setting of the Temecu

reservation belies a dangerous undercurrent of political scheming, racism, and pure human greed. As she struggles to figure out who can be trusted, Elizabeth must call upon all of her resources not only to solve the crime, but to restore her own spirit. The first three Elizabeth Chase mysteries have been widely acclaimed by readers, critics, and other writers alike: "With a refreshingly eccentric style, Martha C. Lawrence makes psychic investigator Elizabeth Chase immensely appealing and totally believable," says Diane Mott Davidson. Or, as Harlan Coben puts it, "You don't have to read the stars to see that Martha Lawrence is up there with the likes of Sue Grafton, Sara Paretsky, and Marcia Muller."

market, and all who wanna barf at the mention of L. Ron Hubbard (we feel you). In under 200 pages, underground author/Tourette's Syndrome survivor F\*CKHEAD lovingly yet ruthlessly dissects the pop psychology dumping ground that is Astrology: signs are described, signs are decried, signs are dismantled, F\*ckhead tells you how to pick up chicks (assuming, of course, you somehow know their signs to begin with, in which case you probably wouldn't need his help) and Tom Hanks is made fun of. HILARITY ENSUES. The F\*ckhead Guide to Astrology is absolutely guaranteed to heal marriages, tame children, cure lepers, end hunger, establish world peace etc. (though we are still waiting on endorsement from Dr. Phil). Literarily, kinda bullshit but a helluva lot better than blowing your money on "How to Spot A Bastard By His Star Sign". of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.

A little creativity and some thinking outside the box, and voila, he'd be married to the woman of his dreams. It would be perfect. And it would be before his visa ran out. But why are his feelings running wild now that the pressure's off? Why is his picture-perfect plan turning into a muddled mess of morphed metaphors he can't make sense of anymore?

This is not just a new job; this is a chance at adventure in an exotic land she thinks she understands, a place she hopes she will belong. What she discovers is vastly different. The Kingdom is a world apart, a land of unparalleled contrast. She finds rejection and scorn in the places she believed would most embrace her, but also humor, honesty, loyalty and love.
