**Love Her Madly** - M. Elizabeth Lee 2016-08-16

Fans of Kimberly McCreight's *Reconstructing Amelia* and Mary Kubica's *The Good Girl* will devour this stunning debut novel about two college girls whose friendship implodes right before one of them disappears. Told in first person by the girl left behind, *Love Her Madly* is a fascinating exploration of the twists and turns of an intense female friendship gone awry. Glo never expected to become best friends with a girl like Cyn. Blonde, blue-eyed, and a little wicked, Cyn is the kind of girl other girls naturally envy—yet, surprisingly, she embraces Glo like a sister after they transfer to the same tiny college in Florida. With a fresh start at a new school and Cyn as her best friend, Glo finds what she has been waiting for her whole life: excitement, acceptance, and the joys of female friendship. Until she and Cyn fall for the same guy. It's Cyn who talks Glo into sharing Raj. Half the time he'll be Cyn's boyfriend, the other half he'll be Glo's. Glo reluctantly accepts the proposition—how can she say no without jeopardizing her friendship?—and for a while, everything goes smoothly. Until Glo realizes that she doesn't know her BFF as well as she thinks. Until the simmering tension between Glo and Cyn boils over during a study abroad trip to Costa Rica. Until Cyn

disappears into the jungle of a secluded island, leaving Glo searching for answers. Until, seven years later, Glo spots a familiar pair of blue eyes behind a sweep of blonde hair in the streets of New York City. Is it really Cyn, or is the guilt of survival catching up with Glo? And has Glo told us everything we need to know?

But life wasn't always like this: sixty years ago in the Polish village where he was born Leo fell in love with a young girl called Alma and wrote a book in honour of his love. These days he assumes that the book, and his dreams, are irretrievably lost, until one day they return to him in the form of a brown envelope. Meanwhile, a young girl, hoping to find a cure for her mother's loneliness, stumbles across a book that changed her mother's life and she goes in search of the author. The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop

evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

*All About Love* - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

**The Bug Girl** - Sophia Spencer 2020-02-11

Real-life 7-year-old Sophia Spencer was bullied for loving bugs until hundreds of women scientists rallied around her. Now Sophie tells her inspiring story in this picture book that celebrates women in science, bugs of all kinds, and the importance of staying true to yourself. Makes a perfect gift for nature lovers on Earth Day and every day! Sophia Spencer has loved bugs ever since a butterfly landed on her shoulder--and wouldn't leave!--at a butterfly conservancy when she was only two-and-a-half years old. In preschool and kindergarten, Sophia was thrilled to share what she knew about grasshoppers (her very favorite insects), as well as ants and fireflies... but by first grade, not everyone shared her enthusiasm. Some students bullied her, and Sophia stopped talking about bugs altogether. When Sophia's mother wrote to an entomological

society looking for a bug scientist to be a pen pal for her daughter, she and Sophie were overwhelmed by the enthusiastic response--letters, photos, and videos came flooding in. Using the hashtag BugsR4Girls, scientists tweeted hundreds of times to tell Sophia to keep up her interest in bugs--and it worked! Sophia has since appeared on Good Morning America, The Today Show, and NPR, and she continues to share her love of bugs with others.
