**Dream Walker Shattered** -  
Cherise Briscoe 2019-11-04  
Dream walkers don't die! A phoenix is immortal! She was sent to kill him, and he was ready to kill the phoenix hunting for his power. Now, they must find their way back to each other to unite their family and save their child from the goddess Aphrodite who means to kill her or use her families combined bloodline power. The whole family is dead or stuck in a dreamscape. Phoenix is her only protector left alive. Will Phoenix keep their daughter from turning to the dark arts and ultimately destroying mortals, immortals, gods, and goddesses? Is the child capable of being good? Will the stress of constantly being hunted cause her to

choose the dark arts? Will Phoenix have to fight Aphrodite alone? Or will phoenix slit her wrist to save the whole family? Will love for one child save the dream-walker bloodline? "I have heard people talking about you." "Really! What do they say?" "That you're permanent death."

When Dr. Hudson Northfield rescues Bri from a homeless man outside the clinic where he works, he really notices her for the first time. Soon she's accompanying him to New York for a family wedding, and despite her siblings' overprotective protests, they're falling in love. But Hudson has a secret he can't reveal. If he wants access to a trust fund in his name, his father demands something in return. Hudson has to marry and provide an heir or his dream of opening a state-of-the-art health center will be destroyed. Suddenly the man who didn't need anything from her appears to be the

Jasmine really could pick 'em! But she was resilient and decided to go on the honeymoon anyway. She would learn to live as an independent woman and be happy with her life. What she hadn't anticipated was falling into the arms of the horrible, critical and enticingly handsome Antoniv Petrov. Literally! His strong arms and wealth were everything she could not want in a man. She had to find her own way! Her sisters had both fallen for wealthy, powerful men and Jasmine was determined to be different. Besides, Antoniv only wanted a sexual relationship and the Hart sisters seemed to have inherited a crazy fertility somehow - both had gotten pregnant despite precautions. So there was no way she was going to risk getting involved with the amazingly handsome Russian billionaire. There were too many reasons to stay away from him. But only one reason she couldn't - she wanted him! Antoniv couldn't believe the little spitfire who had fallen into his arms. She was a sexy

little siren that he was determined to have in his bed. One by one, he eliminated all of the excuses she had for avoiding a relationship with him. And in the end, Antoniv Petrov always gets what he wants.

literally runs into the one thing she has always desired: true love. Cole Richards, an infatuation from school, is everything she remembers, only better. Caught in a brilliant explosion of raw passion and spell-binding adoration, their connection quickly defies the average relationship. Only when tragedy uproots her fairy tale happiness does she become consumed with the missing link. Her maternal grandmother, Louise--who lives in Newport, and is her one other familial extension besides her mom--proves easy enough to find, but in forming that relationship she destroys another, losing herself. In this heartwarming drama, Faith, a naturally passive-aggressive avoider, must re-define all that she knows: her hope in the future, and distinguishing between the life she was convinced she was meant to have and the life which now awaits her. With unwavering help from her small, tight-knit inner circle, she finds what the dynamics of prayer and support

can do, and encounters an extraordinary being who lifts her up from her downward cycle, lighting her path, and enforcing the power of what faith in all that is good can truly accomplish.
