Book Lovers Emily Henry 2022-05-03 “One of my favorite authors.”—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

To Have, to Hold, and to Never Let Go Cattina C. Coleman

2012-12-28 I am a woman of many attributes and as impressive as my background is I too find it hard to juggle a relationship, family, friends, and my career. With a two year old son, a new found relationship with a handsome young man who is just a year younger than me but so much wisdom he could teach a teacher; still pursuing my Doctorate Degree in Business, and building a company from the ground up; has definitely put my life in the fast lane. The inspiration to my book was having seen male friends of mine who are battling their own love lives and or the family. I wanted to create a book to help guide them in a path where they too can understand where we women are coming from when we ask them a million and one questions about relationships and family. So in my book To Have, To Hold, and To Never Let Go, I am letting men know the inner thoughts and acts of women and show how we are not that much different from you guys in the sense of commitment. The same thoughts you men have us women have too; we just go about them a little differently. So in this book allow these chapters to guide you men on how To Have a Woman, Hold a Woman, and To Never Let Her Go.

Soul Signs In Love Diane Eichenbaum 2001-02-08 Do you believe that the key to finding your soul mate is only in your stars? That you and your partner must have compatible Sun signs if romance is going to thrive? Not so! The truth is that many couples who seem ideally matched astrologically don't sustain a loving relationship. While most astrology books may tell you that true love is a matter of fate, Diane Eichenbaum's *Soul Signs in Love* shows you that you have the freedom to create the relationship that's right for you. Eichenbaum reveals that relationships involve a combination of factors: destiny, an understanding of each partner's sign, and the willingness to work through the highs and lows of love's natural progression. Each of the twelve signs of the Zodiac corresponds to a phase of a romance, from passionate court-ship, represented by fiery Aries, to the commitment and soul bonding of watery Pisces. Each Sun sign has its gifts (the discernment of Virgo or the enthusiasm of Sagittarius, for example) and its corresponding challenges (the self-doubt of Taurus or the unpredictability of Aquarius) that it brings to a relationship. By understanding that the choice to love and grow with your partner is yours and yours alone, *Soul Signs in Love* shows you how to enjoy and revel in the unfolding process of discovery and revelation that underlies lasting love.

The Luminaries Eleanor Catton 2013-09-05 WINNER OF THE BOOKER PRIZE FOR FICTION 2013 It is 1866, and Walter Moody has come to make his fortune upon the New Zealand goldfields. On arrival, he stumbles across a tense gathering of twelve local men, who have met in secret to discuss a series of unsolved crimes. A wealthy man has vanished, a whore has tried to end her life, and an enormous fortune has been discovered in the home of a luckless drunk. Moody is soon drawn into the mystery: a network of fates and fortunes that is as complex and exquisitely patterned as the night sky. *The Luminaries* is an extraordinary piece of fiction. It is full of narrative, linguistic and psychological pleasures, and has a fiendishly clever and original structuring device. Written in pitch-perfect historical register, richly evoking a mid-19th century world of shipping and banking and goldrush boom and bust, it is also a ghost story, and a gripping mystery. It is a thrilling achievement and will confirm for critics and readers that Catton is one of the brightest stars in the international writing firmament.
