Make Him Yours - Mark Rosenfeld 2019-12-12

How much more time will you waste with the wrong men? If you already have the perfect man in your life or are consistently meeting great men dating, this is NOT the book for you. But if you're like the majority of other good women out there who have had a run of men who don't respect you, don't care for you or don't put effort into you, then this book is absolutely for you. Deep down you know true, fulfilling love is out there for you. But after enough low-value relationships or dates, who's to blame you for starting to doubt it will ever happen for you. The result is you spend nights stuck in your head wondering if there is something wrong with you. You linger about why men can't or won't see your value. You look around and see all your friends in relationships while you are perpetually single, even when you have so much going for you. Mark Rosenfeld has coached thousands of women across the world. His life-changing videos have received over 50,000,000 views and he has become Australia's leading dating and relationship coach for one reason - he gets results. Whether its confidence, clarity, or a genuine, connected soulmate, women the world over look to Mark as a progressive, honest and practical coach who leads them through the midst of uncertainty and doubt that modern dating can be, to shine through and attract the man they deserve. In 'Make Him Yours; Beating The Odds Of Modern Dating', you'll discover ...The 7 Non-Physical Attraction Triggers that make him decide if you're a 'casual date' or 'wife material'The 4-Boyfriend Benefits you're probably getting used for (hint: It's not sex)The 3-Step process to set standards that makes a man respect and WANT to complyThe Top 10

"I want you to make a love potion." The Good Witch of the Lake's four-year crush ended in heartbreak with a single request from the object of her affections! Wanting to increase what little time she has with Royal Knight Harij, Rose sends him on a wild-goose chase for the ingredients but gets more than she bargained for when the grumbling knight starts visiting her every day...to feed her? This is the heartwarming story of a shut-in witch and an arrogant, straitlaced knight whose romance starts from a love potion.

[How to Survive Having a Crush](#) - Lisa Miles

2013-07-15

Every teen girl comes to a point in her life where

she begins to develop crushes. And that's the easy part. This quirky, colorful, informative, and fun guide on navigating the sometimes tricky situation of dealing with crushes is a must read for every teen girl. The engaging photos and sparkling humor make this volume stand out among similar guides, covering "what to do when it works out," "what do to when it doesn't," and everything in between. It also includes some first-person quotes from real teenage girls and sidebars that address various situations.

You're Not Special - Meghan Rienks

2021-09-28

In her first ever (sort of) memoir, YouTube sensation Meghan Rienks gets personal about everything from drunken debaucheries to mental health. As an only child, Meghan has always been pretty good at entertaining herself. Then one day--cue the dramatic voice-over--her life changed forever. On June 12, 2010, Meghan was diagnosed with mononucleosis. Mono is basically just a really bad case of the flu, right? Wrong. To a party-crazed sixteen-year-old, mono is nothing less than social suicide. So Meghan opened up her 2009 MacBook and recorded her first YouTube video. Since then, she has shared the ups and downs of her life on the internet, documenting her coming-of-age for the whole world to see. Not that she's (mostly) through her awkward stage, Meghan's her to tell you that it gets better. Sometimes a bad hair day feels worse than a punch in the gut and asking a boy out seems as difficult as achieving that perfect dewy glow. But despite what you've been told, your problems are not unique, and somebody out there has felt the same way you feel right at this very moment. You're not special. But on the bumpy road to adulthood, you're also not alone. *We Should Get Together* - Kat Vello 2020-01-04

We Should Get Together is the handbook for anyone who's ready for better friendships, now. Have you recently moved to a new city and are struggling to make friends? Do you find yourself constantly making plans with friends that fall through? Are you more likely to see your friends' social media posts than their faces? You aren't alone. Millions of adults struggle with an uncomfortable and persistent ache: platonic longing, which is the unfulfilled wish for authentic, resilient, close friendships. But it doesn't have to be this way. Making and

maintaining friendships during adulthood can be hard--or, with a bit of intention and creativity, joyful. Author Kat Vello, experience designer and founder of Better Than Small Talk, tackles the four most common challenges of adult friendship: constant relocation, full schedules, the demands of partnership and family, and our culture's declining capacity for compassion and intimacy in the age of social media. Combining expert research and personal stories pulled from conversations with hundreds of adults, *We Should Get Together* is the modern handbook for making and maintaining stronger friendships. With this book you will learn to: Make and maintain friendships when you (or your friends) keep moving Have deeper and more meaningful conversations Triumph over awkwardness in social situations Become less dependent on your phone Identify and prioritize quality connections Find time for friendship despite your busy calendar Create closer, more durable friendships Full of relatable stories, practical tips, 60 charming illustrations, 55 suggested activities, a book club discussion guide, and 300+ conversation starters, *We Should Get Together* is the perfect book for anyone who wants to have dedicated, life-enriching friends, and who wants to be that kind of friend, too.

Your Child's First Crush - What It Means and How To Talk About It - Cynthia Malu 2012-03-04

ABOUT THE BOOK From the giggly four-year old who proclaims that he wants to marry his teacher to the pre-teen who gushes over the cute boy who sits next to her in class, your child's first crush is a new frontier, and its best to prepare yourself long before it happens. As a parent, you can take an active part in helping your child navigate his or her romantic feelings. To be a positive part of your child's first experience with puppy love, the most important thing you can do is help your child feel comfortable communicating with you. A crush is no more than an infatuation. Unlike a true romantic relationship, when two individuals acknowledge their deep feelings for one another, a crush is often a one-sided attraction. When children have a crush, they are not focused on

loving the object of their affection as an entire person, flaws and all. Instead, they build up a fantasy of sorts in their minds, and spend time daydreaming about what it would be like to be together. EXCERPT FROM THE BOOK Try to find out how your child's crush is responding to him. Ask him if his crush talks to him at school. This will help you gauge the level of intensity and the direction things are headed. If his crush returns his feelings, he may be on the verge of a relationship. While you won't be able to change the eventual outcome of your son's crush, you can guide him as he navigates the unfamiliar waters of romantic feelings. The way you approach the subject will depend on your child's age. For a young child, be positive but truthful when you talk about the crush. Explain that it's normal to have strong feelings for people when you like their looks and behavior, but make sure your child knows that it's not necessary to act on those feelings. Guide him or her in making appropriate decisions. For instance, if your daughter wants to give a gift to a boy she likes on Valentine's Day, help her choose something that won't be overwhelming for either party. If the object of your young child's affection is an adult, don't be overly concerned. According to Dr. Laura Rocker, a pediatric physician, children often experience their first crush on a celebrity or an adult they find attractive. This behavior is normal, and as a child grows older, he or she will become interested in peers his or her own age... Buy a copy to keep reading!
