The Bel Air Kid - Alphonzo Bell 2002

Alphonzo Bell, born in 1914, was raised to be a cowboy on ranches in California and Colorado. His personality formed on the back of a horse despite his mother's high society wishes and his father's position as the founder and owner of Bel Air. The Bel Air Kid is an exciting lifestory and a rare history filled with adventures from the era when Los Angeles had a small town and, in parts, rural feel. Al Bell also recounts the history of his pioneer forbearers who first came out west just after the Civil War and helped shaped that crucial stage of Los Angeles urban development. William Randolph Hearst figured in early on, when he had a vendetta against the Bells that extended even into personal tragedy. Will Rogers was a friend of the family. Movie stars flit here and there. John Wayne shared a house in Acapulco. After serving in WWII and the postwar business world, Bell was a U.S. Congressman for many years from West LA. He supported every civil rights bill though his party opposed them and walked with Martin Luther King during the March on Washington. Al Bell also initiated environmental issues like the "Save the Whales" bill, made San Onofre a public beach, and helped found the Santa Monica Mountains Con servancy. Portraits of a century's leaders, such as Eleanor Roosevelt and Richard Nixon, emerge from a close perspective. These stories and countless others are told in Al's own voice, which has the tell-tale accent of the West. You will find all the varieties of drama, incidents of deceit, romance and comedy, along with an endearing sense of humor. Learn more about Alphonzo Bell by visiting his website.

On Hobos and Homelessness - Nels Anderson 1998

Nels Anderson was a pioneer in the study of the homeless. In the early 1920s Anderson combined his own experience "on the bumery," with his keen sociological insight to give voice to a largely ignored underclass. He remains an extraordinary and underrated figure in the history of American sociology. *On Hobos and Homelessness* includes Anderson's rich and vibrant ethnographic work of a world of homeless men. He conducted his study on Madison street in Chicago, and we come to intimately know this portion of the 1920s hobo underworld—the harshness of vagrant life and the adventures of young hobos who come to the big city. This selection also includes Anderson's later work on the juvenile and the tramp, the unattached migrant, and the family. Like John Steinbeck's Depression-era observations, Anderson's writings express the memory of those who do not seem entitled to have memory, whose lives were expressed in temporary labor.

How to Date Younger Men - Trina C. 2012-03-04
ABOUT THE BOOK "Older women, are beautiful lovers." So goes the song made famous by country crooner Ronnie McDowell in 1981. And he was right. For years, younger men of a certain type have always enjoyed the company of older women. The mystery, the worldliness, the experience - it's all something young men crave, and something many young women lack. The phenomenon of younger men having relationships with older women is nothing new. Silver screen legend Mae West, who coined the phrase, "Why don't you come up and see me some time?" kept a harem of young men well into her 60s. Catherine the Great, the sexually independent Russian ruler, had a string of younger lovers, and the last one was 40 years her junior. Celebrity couples with an older women in recent years have included Courtney Cox and David Arquette (7-year difference), Vivica Fox and rapper 50 Cent (11-year difference), Cher and Rob Camilletti (18-year difference), and Madonna and Brahim Zaihat (29-year difference). And, of course, there's Demi Moore who is 16 years older than her now-estranged husband, Ashton Kutcher. EXCERPT FROM THE BOOK To get a man, any man, you have to put yourself out there. To get a younger man requires a little more work because some might overlook you automatically. This isn't because you're not attractive, it's simply because most men are hardwired to look for women their own age or younger. To find him, you must seek him. Join an online dating site, whether it's one designed specifically for cougar-cub romances or one that caters to mainstream romances.

Changing Faces - Sean J. Marshall 2012-06-29
I came into this world Sean John Marshall. I am twenty-seven years old, and was born and raised in Colorado Springs, Colorado. I am a fine artist, author, a proud father of one beautiful baby girl, and an all-around entrepreneur. But all of my pursuits came to an abrupt halt when I was consumed by a life of crime. For so long I became a part of a problem. Growing up in and around the streets, I've caused much destruction in my lifetime. I've been a part of gang violence, sold drugs, and was involved in countless thefts and armed robberies. Now my life's focus is to inspire, teach, uplift and mend. I now use life's experiences to grow and learn. I feel obligated to pass on all the insight and knowledge I've obtained throughout the years to whoever I can. By doing so, people can learn from my mistakes and use me as an example, because I've seen darker truths that people need not witness themselves. I've walked rocky paths on which those can only stumble. And if by sharing my views on paper and pouring my heart out through a pen can inspire or save just one life, if by writing I can prevent someone from making some of the same mistakes I've made, I will have done my part. I will have at least saved one soul from having to suffer the afflictions I've faced. And for that reason alone, I write. And for that reason alone, I'll forever share my truths.

University of Destruction - David Wheaton 2005-05

How To Attract And Keep Your Mr. Right - John Richard 2019-12-03

Attracting men is not a difficult thing to most single ladies or women out there in the dating sphere, but attracting the right men and making them commit is. As a single woman hoping to attract the right man that will be willing to commit himself to you in a lasting relationship, there are things that you need to know and do in order to make such possible. You may not have much control over the type of men that you attract or that get attracted to you, but you have complete control over the type of men that you should allow into your life. And there's no way that you would have the relationship of your dream if you keep allowing the wrong men into your life. Most ladies used to think that their relationship standards would be able to make them attract the right men and ignore the unserious and wrong men. But most of them have started realizing that relationship standards alone can't help them achieve that.
